2. **Except as otherwise provided pursuant to this section**, charter schools may be operated only in a metropolitan school district or in an urban school district containing most or all of a city with a population greater than three hundred fifty thousand inhabitants **or any school district containing territory formerly contained in any school district in which charter schools were authorized to be established pursuant to this section** and may be sponsored by any of the following:

(2) A public four-year college or university with its primary campus in the school district **or in a county containing all or a portion of the district** or in a county adjacent to the county in which the district is located, with an approved teacher education program that meets regional or national standards of accreditation; or

(3) A community college located in the district.

3. [A maximum of five percent of the school buildings currently in use for instructional purposes in a district may be converted to charter schools. This limitation does not apply to vacant buildings or buildings not used for instructional purposes.] **All buildings owned or controlled by a school district in which charter schools may be established pursuant to sections 160.400 to 160.420 and which buildings are not used by the district for their educational purposes or otherwise previously contractually obligated to another party shall be made available to charter schools in the district at a de minimis cost.**

4. No sponsor shall receive from an applicant for a charter school any fee of any type for the consideration of a charter, nor may a sponsor condition its consideration of a charter on the promise of future payment of any kind.

5. The charter school shall be a Missouri nonprofit corporation incorporated pursuant to chapter 355, RSMo. The charter provided for herein shall constitute a contract between the sponsor and the charter school.

6. As a nonprofit corporation incorporated pursuant to chapter 355, RSMo, the charter school shall select the method for election of officers pursuant to section 355.326, RSMo, based on the class of corporation selected. Meetings of the governing board of the charter school shall be subject to the provisions of sections 610.010 to 610.030, RSMo, the open meetings law.

7. A sponsor of a charter school, its agents and employees are not liable for any acts or omissions of a charter

school that it sponsors, including acts or omissions relating to the charter submitted by the charter school, the operation of the charter school and the performance of the charter school.

8. A charter school may affiliate with a four-year college or university, including a private college or university, or a community college as otherwise specified in subsection 2 of this section when its charter is granted by a sponsor other than such college, university or community college. Affiliation status recognizes a relationship between the charter school and the college or university for purposes of teacher training and staff development, curriculum and assessment development, use of physical facilities owned by or rented on behalf of the college or university, and other similar purposes. The primary campus of the college or university must be located within the county in which the school district lies wherein the charter school is located or in a county adjacent to the county in which the district is located. A university, college or community college may not charge or accept a fee for affiliation status.

9. **There is hereby established a "Charter School Sponsor Oversight and Accountability Fund". The state treasurer shall, on the first business day of each fiscal year, transfer, from general revenue to the charter school sponsorship oversight and accountability fund, an amount equal to the sum of the number of charter schools which have an approved charter as of the date of the transfer multiplied by twenty-three thousand four hundred dollars, plus the sum of the number of students enrolled in each charter school established pursuant to sections 160.400 to 160.420 during the preceding school year multiplied by one-half of one percent of the per pupil operating revenue for the preceding year for the school district where each such charter school was located. The fund shall be subject to appropriation. The coordinating board of higher education shall establish, by rule, and administer a grant-based funding program for reimbursing costs of school districts and higher education institutions sponsoring charter schools pursuant to this section. Charter school sponsors may apply to the coordinating board each year, no later than August first, to receive a grant for each charter school which it sponsored the preceding year. The grant application shall meet the requirements established pursuant to this section. The amount of each annual grant for an approved application shall be equal to the sum of twenty-three thousand four hundred dollars, plus the number of students enrolled in the charter school during the preceding school year multiplied by one-half of one percent of the per pupil operating revenue for the preceding school year for the school district where the charter school was located. The grant shall be used for providing charter school sponsorship oversight and accountability functions related to the charter granted to the charter school. If the funding is insufficient in any year to fund all eligible, fundable grant applications, all grant awards shall be uniformly prorated until the total amount of grant awards matches the available funds. Any available funding in excess of the total of eligible, fundable grant applications shall be retained in the fund the following year and counted as current year transferred funds for the purpose of reducing the amount of the transfer authorized pursuant to this subsection.**

10. No university, college or community college shall grant a charter to a nonprofit corporation if an employee of the university, college or community college is a member of the corporation's board of directors.

11. **No sponsor shall grant a charter pursuant to sections 160.400 to 160.420 without ensuring that a criminal background check and child abuse registry check are conducted for all members of the board of directors of the charter schools or the incorporators of the charter school if initial directors are not named in the articles of incorporation, nor shall a sponsor renew a charter without ensuring a criminal background check and child abuse registry check are conducted for each member of the board of directors of the charter school.**

12. **No member of the board of directors of a charter school shall hold any office or employment from the board or the charter school while a member of the board nor have any substantial interest, as defined pursuant to section 105.450, RSMo, in any entity employed by or contracting with the board.**

13. **A sponsor shall provide timely submission to the state board of education of all data necessary to demonstrate that the sponsor is in material compliance with all requirements of sections 160.400 to 160.420.**

160.405. 1. A person, group or organization seeking to establish a charter school shall submit the proposed charter, as provided in this section, to a sponsor. **The proposed charter shall specify a proposed starting date which shall be no earlier than eleven months following the date the proposed charter is submitted.** If the sponsor is not a school board, the applicant shall give a copy of its application to the school board of the district in which the charter school is to be located **and the state board of education, [when] within five business days of the date** the application is filed with the proposed sponsor. The school board may file objections with the proposed sponsor, and, if a charter is granted, the school board may file objections with the state board of education. The charter shall include a mission statement for the charter school, a description of the charter school's organizational structure and bylaws of the governing body, which will be responsible for the policy and operational decisions of the charter school, a financial plan for the first three years of operation of the charter school including provisions for annual audits, a description of the

charter school's policy for securing personnel services, its personnel policies, personnel qualifications, and professional development plan, a description of the grades or ages of students being served, the school's calendar of operation, which shall include at least the equivalent of a full school term as defined in section 160.011, and an outline of criteria specified in this section designed to measure the effectiveness of the school. The charter shall also state:

- (1) The educational goals and objectives to be achieved by the charter school;
- (2) A description of the charter school's educational program and curriculum;
- (3) The term of the charter, which shall be not less than five years, nor greater than ten years and shall be renewable;

(4) A description of the charter school's pupil performance standards, which must meet the requirements of subdivision (6) of subsection 5 of this section. The charter school program must be designed to enable each pupil to achieve such standards; and

(5) A description of the governance and operation of the charter school, including the nature and extent of parental, professional educator, and community involvement in the governance and operation of the charter school.

2. Proposed charters shall be subject to the following requirements:

(1) **A charter application shall be provided to a proposed sponsor no later than eleven months prior to the proposed starting date for the charter school to begin operation. Within five business days of receipt of the application, the proposed sponsor shall forward a copy of the charter application to the state board of education and to the school board of the district if the proposed sponsor is not a school board;**

(2) A charter may be approved when the sponsor determines that the requirements of this section are met and determines that the applicant is sufficiently qualified to operate a charter school. The sponsor's decision of **approval or denial** shall be made within [sixty] **ninety** days of the filing of the proposed charter;

[(2)] (3) If the charter is denied, the proposed sponsor shall notify the applicant in writing as to the reasons for its denial **and forward a copy to the state board of education within five business days following the denial;**

[(3)] (4) If a proposed charter is denied by a sponsor, the proposed charter may be submitted to the state board of education, along with the sponsor's written reasons for its denial. If the state board determines that the applicant meets the requirements of this section and that granting a charter to the applicant would be likely to provide educational benefit to the children of the district, the state board may grant a charter and act as sponsor of the charter school. **The state board shall review the proposed charter and make a determination of whether to deny or grant the proposed charter within sixty days of receipt of the proposed charter and shall notify the applicant in writing as to the reasons for its denial, if applicable; [and]**

[(4)] (5) The sponsor of a charter school shall give priority to charter school applicants that propose a school oriented to high-risk students and to the reentry of dropouts into the school system. If a sponsor grants three or more charters, at least one-third of the charters granted by the sponsor shall be to schools that actively recruit dropouts or high-risk students as their student body and address the needs of dropouts or high-risk students through their proposed mission, curriculum, teaching methods, and services. For purposes of this subsection, a "high-risk" student is one who is at least one year behind in satisfactory completion of course work or obtaining credits for graduation, pregnant or a parent, homeless or has been homeless some time within the preceding six months, has limited English proficiency, has been suspended from school three or more times, **is eligible for free or reduced price school lunch**, or has been referred by the school district for enrollment in an alternative program. "Dropout" shall be defined through the guidelines of the school core data report. The provisions of this subsection do not apply to charters sponsored by the state board of education.

3. If a charter is approved by a sponsor, it shall be submitted to the state board of education which may, within [forty-five] **sixty** days, disapprove the granting of the charter. The state board of education may disapprove a charter only on grounds that the application fails to meet the requirements of sections 160.400 to 160.420.

4. Any disapproval of a charter pursuant to subsection 3 of this section shall be subject to judicial review pursuant to chapter 536, RSMo.

5. A charter school shall, as provided in its charter:

- (1) Be nonsectarian in its programs, admission policies, employment practices, and all other operations;
- (2) Comply with laws and regulations of the state relating to health, safety, and minimum educational standards;
- (3) Except as provided in sections 160.400 to 160.420, be exempt from all laws and rules relating to schools, governing boards and school districts;

(4) Be financially accountable, use practices consistent with the Missouri financial accounting manual, provide for an annual audit by a certified public accountant, **publish audit reports and annual financial reports as provided pursuant to chapter 165, RSMo, provided that the annual financial report may be published via the Internet on**

the secretary of state's web site in lieu of other publishing requirements, and provide liability insurance to indemnify the school, its board, staff and teachers against tort claims. For the purposes of securing such insurance, a charter school shall be eligible for the Missouri public entity risk management fund pursuant to section 537.700, RSMo. A charter school that incurs debt must include a repayment plan in its financial plan;

(5) Provide a comprehensive program of instruction for at least one grade or age group from kindergarten through grade twelve, which may include early childhood education if funding for such programs is established by statute, as specified in its charter;

(6) Design a method to measure pupil progress toward the pupil academic standards adopted by the state board of education pursuant to section 160.514, collect baseline data during at least the first three years for determining how the charter school is performing and to the extent applicable, [participate in] **employ** the statewide system of assessments, comprised of the essential skills tests and the nationally standardized norm-referenced achievement tests, as designated by the state board pursuant to section 160.518, complete and distribute an annual report card as prescribed in section 160.522, **which shall also include a statement that background checks have been completed on the charter school's board members**, report to its sponsor, the local school district, and the state board of education as to its teaching methods and any educational innovations and the results thereof, and provide data required for the study of charter schools pursuant to subsection 3 of section 160.410. No charter school will be considered in the Missouri school improvement program review of the district in which it is located for the resource or process standards of the program. Nothing in this paragraph shall be construed as permitting a charter school to be held to lower performance standards than other public schools within a district; however, the charter of a charter school may permit students to meet performance standards on a different time frame as specified in its charter;

(7) Assure that the needs of special education children are met in compliance with all applicable federal and state laws and regulations;

(8) Provide, in a timely fashion, all information necessary to confirm on-going compliance with all provisions of the charter and sections 160.400 to 160.420.

6. The charter of a charter school may be amended at the request of the governing body of the charter school and on the approval of the sponsor. The sponsor and the governing board and staff of the charter school shall jointly review the school's performance, management and operations at least once every two years.

7. (1) A sponsor may revoke a charter at any time if the charter school commits a serious breach of one or more provisions of its charter or on any of the following grounds: failure to meet academic performance standards as set forth in its charter, failure to meet generally accepted standards of fiscal management, **failure to provide information necessary to confirm compliance with all provisions of the charter and sections 160.400 to 160.420 within forty-five days following receipt of written notice requesting such information** or violation of law.

(2) The sponsor may place the charter school on probationary status to allow the implementation of a remedial plan, after which, if such plan is unsuccessful, the charter may be revoked. **The sponsor may require the remedial plan to provide for a change in methodology or leadership, or both.**

(3) At least sixty days before acting to revoke a charter, the sponsor shall notify the board of directors of the charter school of the proposed action in writing. The notice shall state the grounds for the proposed action. The school's board of directors may request in writing a hearing before the sponsor within two weeks of receiving the notice.

(4) The sponsor of a charter school shall establish procedures to conduct administrative hearings upon determination by the sponsor that grounds exist to revoke a charter. Final decisions of a sponsor from hearings conducted pursuant to this subsection are subject to judicial review pursuant to chapter 536, RSMo.

(5) A termination shall be effective only at the conclusion of the school year, unless the sponsor determines that continued operation of the school presents a clear and immediate threat to the health and safety of the children.

8. A sponsor shall take all reasonable steps necessary to confirm each charter school sponsored by such sponsor is in material compliance and remains in material compliance with all material provisions of the charter and sections 160.400 to 160.420.

9. A school district may enter into a lease with a charter school for physical facilities. [A charter school may not be located on the property of a school district unless the district governing board agrees.]

[9.] **10.** A governing board or a school district employee who has control over personnel actions shall not take unlawful reprisal against another employee at the school district because the employee is directly or indirectly involved in an application to establish a charter school. A governing board or a school district employee shall not take unlawful reprisal against an educational program of the school or the school district because an application to establish a charter school proposes the conversion of all or a portion of the educational program to a charter school. As used in this subsection, "unlawful reprisal" means an action that is taken by a governing board or a school district employee as a

direct result of a lawful application to establish a charter school and that is adverse to another employee or an educational program.

11. Charter school board members shall be subject to the same liability for acts while in office as if they were regularly and duly elected members of school boards in any other public school district in this state. The board of directors of a charter school may participate, to the same extent as a school board, in the Missouri public entity risk management fund in the manner provided pursuant to sections 537.700 to 537.755, RSMo.

160.410. 1. A charter school shall enroll all pupils resident in the district in which it operates or eligible to attend a district's school under an urban voluntary transfer program who submit a timely application, unless the number of applications exceeds the capacity of a program, class, grade level or building. If capacity is insufficient to enroll all pupils who submit a timely application, the charter school shall have an admissions process that assures all applicants of an equal chance of gaining admission except that:

(1) A charter school may establish a geographical area around the school whose residents will receive a preference for enrolling in the school, provided that such preferences do not result in the establishment of racially or socioeconomically isolated schools and provided such preferences conform to policies and guidelines established by the state board of education; and

(2) A charter school may also give a preference for admission of children whose siblings attend the school or whose parents are employed at the school.

2. A charter school shall not limit admission based on race, ethnicity, national origin, disability, gender, income level, proficiency in the English language or athletic ability, but may limit admission to pupils within a given age group or grade level.

3. The department of elementary and secondary education shall commission a study of the performance of students at each charter school in comparison with a comparable group and a study of the impact of charter schools upon the districts in which they are located, to be conducted by a contractor selected through a request for proposal. The department of elementary and secondary education shall reimburse the contractor from funds appropriated by the general assembly for the purpose. The study of a charter school's student performance in relation to a comparable group shall be designed to provide information that would allow parents and educators to make valid comparisons of academic performance between the charter school's students and a group of students comparable to the students enrolled in the charter school. The impact study shall be undertaken every two years to determine the effect of charter schools on education stakeholders in the districts where charter schools are operated. The impact study may include, but is not limited to, determining if changes have been made in district policy or procedures attributable to the charter school and to perceived changes in attitudes and expectations on the part of district personnel, school board members, parents, students, the business community and other education stakeholders. The department of elementary and secondary education shall make the results of the studies public and shall deliver copies to the governing boards of the charter schools, the sponsors of the charter schools, the school board and superintendent of the districts in which the charter schools are operated.

4. A charter school shall make available for public inspection, free of charge, and provide upon request, to the parent, guardian or other custodian of any school-age pupil resident in the district in which the school is located, the following information:

(1) **The school's charter; and**

(2) **The school's most recent annual report card published pursuant to section 160.522; and**

(3) **The results of background checks on the charter school's board members.**

The charter school may charge reasonable fees for furnishing copies of documents pursuant to this subsection.

160.415. 1. For the purposes of calculation and distribution of state school aid under section 163.031, RSMo, pupils enrolled in a charter school shall be included in the pupil enrollment of the school district within which each pupil resides. Each charter school shall report the names, addresses, and eligibility for free or reduced-price lunch or other categorical aid, of pupils resident in a school district who are enrolled in the charter school to the school district in which those pupils reside and to the state department of elementary and secondary education. Each charter school shall promptly notify the state department of elementary and secondary education and the pupil's school district when a student discontinues enrollment at a charter school.

2. (1) A school district having one or more resident pupils attending a charter school shall pay to the charter school an annual amount equal to the product of the equalized, adjusted operating levy for school purposes for the pupils' district of residence for the current year times the guaranteed tax base per eligible pupil, as defined in section 163.011, RSMo, times the number of the district's resident pupils attending the charter school plus all other state aid

attributable to such pupils, including summer school, if applicable, and all aid provided pursuant to section 163.031, RSMo.

(2) The district of residence of a pupil attending a charter school shall also pay to the charter school any other federal or state aid that the district receives on account of such child.

(3) The amounts provided pursuant to this subsection shall be prorated for partial year enrollment for a pupil.

(4) A school district shall pay the amounts due pursuant to this subsection as the disbursal agent and no later than twenty days following receipt of any such funds.

[(5) The per-pupil amount paid by a school district to a charter school shall be reduced by the amount per pupil determined by the state board of education to be needed by the district in the current year for repayment of leasehold revenue bonds obligated pursuant to a federal court desegregation action.]

3. If a school district fails to make timely payments of any amount for which it is the disbursal agent, the state department of elementary and secondary education shall authorize payment to the charter school of the amount due pursuant to subsection 2 of this section and shall deduct the same amount from the next state school aid apportionment to the owing school district. If a charter school is paid more or less than the amounts due pursuant to subsection 2 of this section, the amount of overpayment or underpayment shall be adjusted in its next payment by the school district or the department of elementary and secondary education, as appropriate. Any dispute between the school district and a charter school as to the amount owing to the charter school shall be resolved by the department of elementary and secondary education, and the department's decision shall be the final administrative action for the purposes of review pursuant to chapter 536, RSMo.

4. The charter school and a local school board may agree by contract for services to be provided by the school district to the charter school. The charter school may contract with any other entity for services. Such services may include but are not limited to food service, custodial service, maintenance, management assistance, curriculum assistance, media services and libraries and shall be subject to negotiation between the charter school and the local school board or other entity. Documented actual costs of such services shall be paid for by the charter school.

5. A charter school may enter into contracts with community partnerships and state agencies acting in collaboration with such partnerships that provide services to children and their families linked to the school.

6. A charter school shall be eligible for transportation state aid pursuant to section 163.161, RSMo, and shall be free to contract with the local district, or any other entity, for the provision of transportation to the students of the charter school.

7. (1) The proportionate share of state and federal resources generated by students with disabilities or staff serving them shall be paid in full to charter schools enrolling those students by their school district where such enrollment is through a contract for services described in this section. The proportionate share of money generated under other federal or state categorical aid programs shall be directed to charter schools serving such students eligible for that aid.

(2) A charter school district shall provide the special services provided pursuant to section 162.705, RSMo, and may provide the special services pursuant to a contract with a school district or any provider of such services.

8. A charter school may not charge tuition, nor may it impose fees that a school district is prohibited from imposing.

9. A charter school is authorized to incur debt in anticipation of receipt of funds. A charter school may also borrow to finance facilities and other capital items. A school district may incur bonded indebtedness or take other measures to provide for physical facilities and other capital items for charter schools that it sponsors or contracts with. Upon the dissolution of a charter school, any liabilities of the corporation will be satisfied through the procedures of chapter 355, RSMo.

Notwithstanding the provisions of section 33.080, RSMo, to the contrary, moneys in the fund shall not be transferred to the credit of the general revenue fund at the end of each biennium.

166.300. 1. As used in this section, the following [words and phrases] **terms** shall mean:

(2) **"New construction", either the construction of a new building or the addition of a newly constructed area to an existing building, including expenditures for lands or existing buildings, architectural and engineering services, tests and inspections of lands or buildings, construction of buildings, additions to buildings and technology connectivity;**

(2) **"Renovation", the modernization or modification of any existing building that will enhance the ability of such building to serve its educational purposes, excluding routine maintenance and repair, and including renovation expenditures for health and safety reasons, educational purposes, architectural and engineering services, tests and inspections of lands or buildings, renovations of existing buildings and technology connectivity;**

(3) "School [facility] **building**", a structure dedicated primarily to housing teachers and students in the instructional process, but shall not include [buildings] **facilities** dedicated primarily to administrative and support functions within the school **or the school district**.

2. There is hereby created a [revolving] fund to be known as the "School Building [Revolving] **Property Tax Relief Fund**". All forfeitures of assets transferred pursuant to section 166.131, all gifts and bequests to such fund, **all moneys transferred to such fund pursuant to section 160.534, RSMo**, and such moneys as may be appropriated to the fund shall be deposited into the school building [revolving] **property tax relief fund** [; except that no more than four hundred forty million dollars, in the aggregate, shall be transferred to the fund]. **The fund shall be administered by the department of elementary and secondary education in the manner described in, and for the purposes described in, sections 166.300 to 166.324.**

3. After a fund balance has been established by prior years' deposits and interest, school districts may submit

applications for [lease purchases] **matching grants** from the [revolving] fund for [specific] **allowed capital improvement** projects consistent with rules and regulations of the state board of education and [subsection 3 of] this section[, except that]. **The department shall divide its annual disbursements of matching grant moneys from the fund in equal, fifty percent portions to new construction projects and to renovation projects, and shall approve and prioritize applications accordingly, pursuant to this section. School districts may apply for both new construction and renovation grants in the same application, provided that new construction costs and renovation costs are separately itemized on such district's application, so that each may be separately approved or denied by the department. If, at the conclusion of the matching grant application period, there are funds available for either new construction or renovation that will not be used, and if there is a greater need for funds for the other category, then the department may transfer funds to the category with greater need at that time.**

4. No school district may be permitted to [enter into a lease purchase] **receive matching funds** from the school building [revolving] **property tax relief** fund without first submitting a long-range capital improvements plan. **Such plan shall include a detailed proposal of the specific allowed capital improvement projects to which grant moneys will be put, and shall include the specific manner in which the school district will provide for its matching portion, as such matching portion is calculated pursuant to section 166.305. Such plan shall also calculate the estimated amount of the state's portion of the matching funds, provided that the department shall not provide a match of funds for any costs of a project in excess of the maximum per-pupil amount described in section 166.308. Anticipated district expenditures on projects may exceed the maximum per-pupil amount, but in such case the state portion of matching funds shall be calculated solely on the maximum per-pupil amount stated in section 166.308. The department shall review and approve such plan prior to issuing matching grants.**

[3.] **5. To be eligible for [a lease purchase authorized by this section] matching funds pursuant to sections 166.300 to 166.324:**

6. The department of elementary and secondary education shall develop minimum state school building standards that may be used as criteria to determine if the district qualifies for a new construction project. The minimum state school building standards shall be met by any new construction project in order to qualify for matching grant approval by the department.

7. Matching grant applications for new construction shall be funded, as funds allow, first for all applications pursuant to subdivision (1) of this subsection [and], then for applications pursuant to subdivision (2) of this subsection and then for applications pursuant to **each successive** subdivision [(3)] of this subsection **thereafter**, and for funding of applications pursuant to a particular subdivision, applications shall be funded in the order that the applications are received by the department. If two or more applications are received on the same day, the district with the lowest [appraised] **assessed** valuation per pupil shall be given priority. Ranking of the applications for offering of [lease purchases] **matching grants for new construction** shall be done in the following order:

(1) Districts with [capital replacement] **new construction** costs in excess of insurance proceeds due to [facility] **school building** destruction caused by [fire or] natural **or man-made** disaster [shall be ranked on the basis of percentage of bonding capacity];

(2) Districts with a cumulative percentage growth in fall membership for the [third through the fifth] **three** preceding years in excess of twelve percent [and which have a bonded indebtedness which is no less than ninety percent of the constitutional limitation on indebtedness pursuant to section 26(b) of article VI of the Constitution of Missouri; and];

(3) [Districts with an equalized assessed valuation per pupil which is less than the statewide average equalized assessed valuation per pupil and which have a bonded indebtedness which is no less than ninety percent of the constitutional limitation on indebtedness pursuant to section 26(b) of article VI of the Constitution of Missouri.] **Districts with a cumulative percentage growth in fall membership for the three preceding years in excess of nine percent;**

(4) Districts with a cumulative percentage growth in fall membership for the three preceding years in excess of six percent;

(5) Districts that are experiencing overcrowding but do not have the percentages of required new growth described in subdivisions (1) to (4) of this subsection shall qualify pursuant to subdivisions (1) to (4) of this subsection based on the same percentage of need as do districts with new growth based on the method of calculation developed by the department to determine this percentage of need for districts with overcrowding; and

(6) Districts for which new school buildings, or additions to existing school buildings, are needed in order to provide for:

- (a) All-day kindergarten;
- (b) Educational technology;
- (c) Inter-district reorganization;
- (d) Intra-district reorganization; or
- (e) Increased student safety or student health.

8. The department shall develop minimum state school building standards that may be used as criteria to determine if a district qualifies for a renovation project. The minimum state school building standards shall be met by any renovation project in order to qualify for matching grant approval by the department.

9. Matching grant applications for renovations shall be funded, as funds allow, for all applications pursuant to subdivision (1) of subsection 10 of this section, then, with the remaining renovation funds, eighty percent of the funds shall be used on applications pursuant to subdivision (2) of subsection 10 of this section and twenty percent of the funds shall be used on applications pursuant to subdivision (3) of subsection 10 of this section. If, at the conclusion of the application period, there are funds available from either the allocation to subdivision (2) or to subdivision (3) of subsection 10 of this section, and if there is a greater need that can be met by transferring the remainder of the unused allocation to the allocation of the other subdivision, then the department may transfer funds to the allocation of the subdivision with the greater need.

10. For purposes of this subsection, the age of the original building for which the renovation grant is being sought shall be considered the age of the entire school building in question, regardless of subsequent renovations prior to the grant application. Ranking of the applications for offering of matching grants for renovation shall be done in the following order:

(1) Districts with renovation costs in excess of insurance proceeds due to school building destruction caused by natural or man-made disaster. Applications in this subdivision shall be funded in the order that the applications are received by the department. If two or more applications are received on the same day, the district with the lowest assessed valuation per pupil shall be given priority;

(2) School facilities that are thirty-five years old or older, ranked from oldest to newest. If a renovation project is for a school building that is on the National Register of Historic Places, or a similar historic buildings criteria which the state board of education may promulgate by rule, then the project will be ranked ahead of renovation projects for school buildings not so designated. If two or more buildings are the same age, the applications shall be funded in the order that the applications are received by the department. If two or more applications are received on the same day, the district with the lowest assessed valuation per pupil shall be given priority; and

(3) Buildings that are less than thirty-five years of age shall be ranked according to need, with the criteria for need developed by the department.

If a school district can demonstrate that a building that is fifty years old or older should be replaced instead of renovated, the replacement may be approved by the department with funding from renovation projects for buildings thirty-five years of age or older pursuant to subdivision (2) of this subsection. In order to approve a building replacement in lieu of renovation, the department may consider health and safety issues, a comparison of replacement or renovation costs, future energy savings or other criteria developed by the department. It shall be the school district's responsibility to present information to the department, on department developed forms or format, to demonstrate the need for the building replacement.

11. Each district that:

- (1) Receives approval of its grant application pursuant to subsections 3 and 4 of this section;
- (2) Is eligible pursuant to subsection 5 of this section; and
- (3) Qualifies, pursuant to the funding priorities and availabilities of subsections 6 to 10 of this section, for

funding; shall receive notification from the department within thirty days of its approval, and the district shall obtain its portion of the matching funds mandated by section 166.305 within one year of the date of its receipt of the notification. Upon obtaining the required matching funds, the district shall submit notification to the department, for approval by the department on forms created by the department. Such notification shall be given within thirty days of obtaining the funds, or as soon as possible prior to the end of the one-year period, whichever occurs first. In the event that the district fails to obtain all of its portion of the matching funds within the one-year period, the district shall forfeit its right to any state matching funds for the school year immediately following such failure, but the district shall not be prohibited from resubmitting its application for the school year next following such occurrence. Any district receiving a renovation matching grant shall not be eligible for another matching grant in any year unless all applications qualifying pursuant to this section for that year from districts which have not yet received a grant pursuant to this section are funded.

[5.] **12.** When school building replacement or renovation is caused by [fire or] natural or man-made disaster, the requirement for a school district to have a long-range capital improvements plan, as required by subsection 4 of this section, may be waived by the [state board of education] department of elementary and secondary education.

[6. Each school district participating in a lease purchase from the school building revolving fund shall repay such lease purchase in no more than ten annual payments made on or before June thirtieth of each year. The first such payment shall be due and payable on June thirtieth of the first full fiscal year following receipt of lease purchase proceeds. Lease purchase repayments shall be immediately deposited to the school building revolving fund by the department. Interest charged to the school district shall not exceed three percent.

7. Any school district which fails to obligate the full amount of a loan from the school building revolving fund for the allowable lease purchase must return the unobligated amount plus interest earned to the department no later than June thirtieth of the second full fiscal year after receipt of loan proceeds.

8. If a school district fails to make an annual payment to the school building revolving fund after notice of nonpayment by the department, members of the board of education and the school district's superintendent shall have violated section 162.091, RSMo, and the attorney general of the state of Missouri shall be notified by the state board of education to begin prosecution procedures.

9. All property purchased pursuant to a lease purchase from the school building revolving fund shall remain the property of the state until such time as the lease purchase has been fully repaid pursuant to this section. If a school district does not make an annual payment to the school building revolving fund after notice of nonpayment by the department, the state board of education may, if the delinquency exceeds one hundred eighty days, take possession of the property. As a part of the lease purchase agreement, the school district shall agree to assume all costs, obligations and liabilities for or arising out of establishment, operation and maintenance of the lease purchase property. Other provisions of law to the contrary notwithstanding, neither the state nor any state agency shall have any obligation for such costs, obligations or liabilities unless and until the state board of education takes possession of the property pursuant to this subsection upon a school district's failure to make annual payments as required in the lease purchase agreement.

10. Notwithstanding the provisions of section 33.080, RSMo, to the contrary, moneys in the school building revolving fund shall not be transferred to the credit of the general revenue fund at the end of the biennium. All yield, interest, income, increment or gain received from time deposit of moneys in the state treasury to the credit of the fund shall be credited by the state treasurer to the fund.]

13. The department shall be responsible for the publication of grant applications that incorporate the criteria of this section and any additional criteria in accordance with this section that the department deems appropriate. Such applications shall be first published on or before January 1, 2002, so that the initial applications for such grants may be acted upon for the 2002-2003 school year.

14. State funds provided pursuant to this section shall not be used for lease purchases.

166.301. All moneys in the school building revolving fund that existed prior to August 28, 2001, and which is hereby abolished, shall be transferred to the school building property tax relief fund. Notwithstanding the provisions of section 33.080, RSMo, to the contrary, moneys in the school building property tax relief fund shall not be transferred to the credit of the general revenue fund at the end of the biennium. All yield, interest, income, increment or gain received from time deposits of moneys in the state treasury to the credit of the former school building revolving fund shall be credited by the state treasurer to the property tax relief fund.

166.305. For the purpose of calculating the matching portion for which a school district is responsible pursuant to section 166.300, each school district in this state shall be assigned a local matching percentage pursuant to this section. All school districts in the state shall be rank ordered from lowest to highest based upon

the district's equalized, assessed valuation per eligible pupil for the second preceding school year. Each district will be assigned a unique percentage on a sliding scale which assigns a local match percentage of fifty percent to the lowest ranked district and a local match percentage of seventy-five percent to the highest ranked district and assigns a unique percentage to all remaining districts by assigning to districts percentages which are uniformly spaced across the interval from fifty percent to seventy-five percent and based upon the rank ordering.

For a renovation project of a school building on the National Register of Historic Places, or a similar historic buildings criteria which the state board of education may promulgate by rule, the local match percentage will be reduced by five percent.

166.308. 1. For new construction project grant applications pursuant to section 166.300, the department shall match funds with the applicant district up to the following maximum per-pupil state match amounts for new construction costs:

- (1) Eight thousand dollars per high school student that the project is designed to house;

- (2) Four thousand nine hundred dollars per middle school student to be housed in the renovated school facility or facilities; and
- (3) Four thousand two hundred dollars per elementary school student to be housed in the renovated school facility or facilities.

3. The department shall annually adjust the per-pupil apportionment in this section to reflect construction cost changes. For this purpose, the department may adopt the use of the Consumer Price Index for all Urban Consumers for the United States or its successor index, as defined and officially recorded by the United States Department of Labor or its successor entity or may adopt any other schedule of annual adjustment to accurately reflect such cost changes.

166.311. Moneys in the school building property tax relief fund shall be distributed between the first and fifteenth day of July most immediately following the date on which the department receives notification from an approved school district that such district has obtained its portion of the required matching funds pursuant to section 166.300. The state board of education shall certify the amounts to be distributed to the several school districts to the commissioner of administration who shall issue the warrants therefor. The funds shall be placed to the credit of the capital projects fund by the receiving school district in the amount approved pursuant to sections 166.300 to 166.308. Such moneys shall be used by such district solely for the capital construction or renovation project for which grant approval was awarded and shall not be used to retire debt.

166.314. 1. If any completed allowed project costs more than the estimated final cost submitted to the department by the district, then the district shall be responsible for all of such additional costs.

2. If any completed allowed project costs less than the estimated final cost submitted to the department by the district, then the district shall return the department's percentage of such excess funds, and the department shall deposit such funds in the school building construction and renovation fund established in section 166.300.

3. Upon completion of any project for which funds were granted pursuant to sections 166.300 to 166.324, the school district shall submit a final report to the department. The department may require an audit of these reports or other district records to ensure that all funds received pursuant to sections 166.300 to 166.324 are expended in accordance with program requirements.

4. If the department, after the review of expenditures or audit has been conducted pursuant to this section, determines that a school district failed to expend funds in accordance with this chapter, the department shall notify the school district of the amount that must be repaid to the department within sixty days. If the school district fails to make the required payment within sixty days, the department shall notify the school board and the school district in writing that an amount equal to the unused amount received by the school district shall be withdrawn from such school district's total amount of state aid calculated pursuant to chapter 163, RSMo, for certain subsequent school years, according to a withholding schedule developed by the department for such district.

166.317. The use of state matching grant moneys by a school district shall not make the department or this state liable for any tort, breach of contract or any other action for damages caused by a school district arising from an approved new construction or renovation project by the district, including, but not limited to, contracts between the school district and its construction contractors, construction managers, architects or engineers. The school district shall be liable for all torts, breaches of contract or any other actions for damages caused by the school district.

166.321. 1. All title to all property acquired, constructed or improved with grant moneys pursuant to sections 166.300 to 166.324 shall be held by the school district to which the department grants such moneys.

(3) The taxpayer shall not contest in court or otherwise any amount of the liability sought to be abated.

4. If due to a disagreement concerning the amount to be abated the taxpayer does not agree to the terms provided by subsection 3 of this section or if the director determines the amounts in dispute should not be abated, the director shall issue a final decision setting forth the director's determination. Within sixty days after the date on which the director's decision is delivered in person or is mailed to the taxpayer, whichever is earlier, the taxpayer may file a petition for review of the final decision with the administrative hearing commission.

5. On petition for review before the administrative hearing commission, the commission shall consider whether the director's determination was reasonable based on the factors set forth in subsection 2 of this section. The commission may:

(1) Issue an order to the director stating an amount to be abated by the director, if the commission finds the director's decision unreasonable; or

(2) Issue an order denying the relief sought by the taxpayer, if the commission finds the director's determination reasonable.

6. The provisions of subsection 3 of this section shall apply to any abatement ordered by the commission.

7. A decision of the administrative hearing commission pursuant to this section shall not be subject to appeal or petition for review by the taxpayer or the director.

32.378. 1. In addition to the authority granted to the director of revenue and the administrative hearing commission pursuant to section 32.375, the director of revenue may agree to compromise any tax, interest, penalties or additions to tax assessed or collected by the director of revenue on any of the following grounds:

(1) Doubt as to liability, which exists in any case where there is a genuine dispute as to the existence or amount of the correct tax liability under the law;

(2) Doubt as to collectibility, which exists in any case where the amount assessed including interest, additions to tax and penalties exceeds the taxpayer's ability to pay as defined by regulations promulgated by the director of revenue; or

(3) To promote effective tax administration which means that compromise of the liability will not undermine compliance by taxpayers with the tax laws and that:

(a) Collection of the full liability will result in severe economic hardship to the taxpayer; or

(b) Regardless of the taxpayer's financial circumstances, exceptional circumstances exist such that collection of the full liability will be detrimental to voluntary compliance by taxpayers. Such exceptional circumstances include, but are not limited to, instances where the taxpayer's failure to pay the taxes assessed is the result of circumstances beyond the reasonable control of the taxpayer and is not the result of negligence on the part of the taxpayer, or instances where a reasonable person would not have expected the assessment based on previous policy of the department of revenue or information provided to the taxpayer by the department of revenue.

2. As part of the consideration for any compromise of taxes that is based on subdivisions (2) or (3) of subsection 1 of this section, the taxpayer shall agree:

(1) That the state of Missouri shall keep all payments and other credits applied to the tax, interest, penalties or additions to tax for the periods covered by the offer;

(2) That the state of Missouri shall keep any and all amounts otherwise due the taxpayer as a result of overpayments of any tax or other liability, including interest, additions to tax and penalties, for periods ending before or as of the end of the calendar year in which the offer is accepted; except that the state shall not keep any amounts that, together with amounts already paid on the compromise exceed the liability compromised;

(3) That the taxpayer shall have no right to contest in court or otherwise the amount of the liability compromised;

(4) That the taxpayer shall bear his or her own costs, including any attorney fees;

(5) That during the three year period beginning with the date of the compromise, the taxpayer shall comply with all tax obligations arising from issues or transactions related to the issues or transactions that were the basis of the tax that is the subject of the compromise and that the taxpayer shall not challenge or protest any such tax obligations arising during the three year period; however, any statutory changes that become effective during the three year period shall apply to the taxpayer notwithstanding this provision of the compromise;

(6) That if there is a default in payment of any principal or interest due under terms of the agreement of compromise, or if the taxpayer fails to comply with the provisions of the agreement set forth in subdivision (5) of this subsection, the director of revenue may:

- (a) Proceed immediately by suit to collect the entire unpaid balance of the amount agreed upon; or
- (b) Proceed immediately by suit to collect as liquidated damages an amount equal to the liability compromised, minus any payments already received under the terms of the agreement, with interest on the unpaid balance from the date of default; or
- (c) Disregard the amount of the compromise and apply all amounts previously paid under the agreement against the amount of the liability compromised and assess and collect by levy or suit the balance of the liability. If the director chooses this option, the taxpayer shall have the right to contest in court or otherwise the amount of the liability compromised.

3. The director's remedies under this section are cumulative and the director may pursue any combination of such remedies together or consecutively until the entire liability is paid. No action or inaction by the director shall constitute a waiver or election not to pursue any remedy granted by this section.

4. The taxpayer requesting to compromise payment of taxes, interest, additions to tax, or penalties shall provide any information reasonably requested by the director in order that the director may determine that the offer is made in good faith.

5. If compromise of taxes is agreed upon, any statute of limitations applicable to the assessment and collection of the liability compromised shall be tolled during the period beginning on the date of the compromise and ending one year after the last payment is due pursuant to the agreement.

6. The director's decision to reject or accept an offer of compromise under this section shall be based on consideration of all the facts and circumstances, including the taxpayer's record of overall compliance with the tax laws. Notwithstanding any provision of law to the contrary, the director's decision shall not be subject to review by the administrative hearing commission or any court.

7. The provisions of this section shall not apply to the resolution of any dispute of tax liability in accordance with section 32.375.

Section 1. In the event the department of revenue enters into an agreement with a taxpayer and said agreement exceeds the department's statutory authority and the taxpayer has relied to his detriment, the department shall be permitted to honor said contract. This section shall only apply to cases where the department has collected sales tax that was not owed by the taxpayer."; and

For purposes of any requirement regarding the schedule of qualified investments for certified capital for which earned and vested credits against state premium tax liability are allowed pursuant to this subsection only, the definition of a "qualified Missouri business" as set forth in subdivision [(13)] **(15)** of subsection 2 of section 135.500 means:

(a) A Missouri business that is located in a distressed community as defined in section 135.530, **has at least eighty percent of its employees in distressed communities,** and meets all of the requirements of subdivision [(13)] **(15)** of subsection 2 of section 135.500, except that its gross sales during its most recent complete fiscal year shall not have exceeded five million dollars; **or**

(b) **With respect to certified capital invested in 2002, a qualified Missouri agricultural business.**

During any calendar year in which the limitation described in this subsection limits the amount of additional certified capital for which earned and vested credits against state premium tax liability are allowed, additional certified capital for which credits are allowed shall be allocated in order of priority based upon the date of filing of information described in subdivision (1) of subsection 5 of section 135.516 with respect to such additional certified capital. The department shall make separate allocations of certified capital for which credits are allowed under the limitations described in this subsection and under the limitations described in subsection 4 of this section. No limitation applicable to any certified capital company with respect to certified capital for which credits are allowed pursuant to subsection 4 of this section shall limit the amount of certified capital for which credits are allowed pursuant to this subsection. No limitation applicable to any certified capital company with respect to certified capital for which credits are allowed pursuant to this subsection shall limit the amount of certified capital for which credits are allowed pursuant to subsection 4 of this section.

6. The department shall advise any Missouri certified capital company, in writing, within fifteen days after receiving the filing described in subdivision (1) of subsection 5 of section 135.516 whether the limitations of subsection [3] **4 or 5** of this section then in effect will be applicable with respect to the investments and credits described in such filing with the department.

7. In no event shall the cumulative amount of tax credits authorized by this section exceed one hundred eighty million dollars.

135.508. 1. The department may certify profit or not-for-profit entities which submit an application to be

designated as a Missouri certified capital company. The department shall review the organizational documents for each applicant for certification and the business history of the applicant, determine that the Missouri certified capital company's cash, marketable securities and other liquid assets are at least five hundred thousand dollars, determine that the liquid asset base for certified companies is at least five hundred thousand dollars at all times during the company's participation in the program authorized by sections 135.500 to 135.529, and determine that the officers and the board of directors, partners, trustees or managers are thoroughly acquainted with the requirements of sections 135.500 to 135.529.

2. To be certified, at least two of the principals have a minimum of five years of experience making venture capital investments out of private equity funds, with no less than twenty million dollars being provided by third-party investors for investment in the early stage of operating businesses. At least one full-time manager or principal of the certified capital company who has such experience must be primarily located in an office of the certified capital company which is based in this state.

3. To be certified, there must be no evidence that the applicant has:

(1) Violated any provision of this law;
(2) Made a material misrepresentation or false statement or concealed any essential or material fact from any person during the application process or with respect to information and reports required of certified capital companies pursuant to this law;

(3) Been convicted of, or entered a plea of guilty or nolo contendere to, a crime against the laws of this state or any other state or of the United States or any other country or government, including a fraudulent act in connection with the operation of a certified capital company, or in connection with the performance of fiduciary duties in another capacity;

(4) Been adjudicated liable in a civil action on grounds of fraud, embezzlement, misrepresentation or deceit; or

(5) Been the subject of any decision, finding, injunction, suspension, prohibition, revocation, denial, judgment or administrative order by any court of competent jurisdiction, administrative law judge, or any state or federal agency, national securities, commodities, or option exchange, or national securities, commodities or option association, involving a material violation of any federal or state securities or commodities law or any rule or regulation adopted pursuant to such law, or any rule or regulation of any national securities, commodities or options exchange, or national securities, commodities or options association; or

(6) Been the subject of any injunction or adverse administrative order by a state or federal agency regulating banking, insurance, finance or small loan companies, real estate, mortgage brokers or other related or similar industries.

4. No insurance company which receives tax credits permitted under sections 135.500 to 135.529 for an investment in a Missouri certified capital company shall, individually or with or through one or more affiliates, be a managing general partner of or control the direction of investments of that Missouri certified capital company. Within seventy-five days of application, the department shall either issue the certification and notify the department of revenue and the director of the department of insurance of such certification or shall refuse the certification and communicate in detail to the applicant the grounds for the refusal, including the suggestions for the removal of those grounds.

5. The department shall be responsible for the administration of the tax credits authorized by sections 135.500 to 135.529. No rule or portion of a rule promulgated under the authority of sections 135.500 to 135.529 shall become effective unless it has been promulgated pursuant to the provisions of chapter 536, RSMo. All rulemaking authority delegated prior to June 27, 1997, is of no force and effect and repealed; however, nothing in this section shall be interpreted to repeal or affect the validity of any rule filed or adopted prior to June 27, 1997, if such rule complied with the provisions of chapter 536, RSMo. The provisions of this section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, including the ability to review, to delay the effective date, or to disapprove and annul a rule or portion of a rule, are subsequently held unconstitutional, then the purported grant of rulemaking authority and any rule so proposed and contained in the order of rulemaking shall be invalid and void.

135.516. 1. To continue to be certified, a Missouri certified capital company shall make qualified investments according to the following schedule:

(1) Within two years after the date on which a Missouri certified capital company is designated as a Missouri certified capital company at least twenty-five percent of its certified capital shall be, or have been, placed in qualified investments;

(2) Within three years after the date on which a Missouri certified capital company is designated as a Missouri

certified capital company at least forty percent of its certified capital shall be, or have been, placed in qualified investments;

(3) Within four years after the date on which a Missouri certified capital company is designated as a Missouri certified capital company, at least fifty percent of its total certified capital shall be, or have been, placed in qualified investments. A Missouri certified capital company may not make an investment in an affiliate of the certified capital company. For the purposes of this subsection, if a legal entity is not an affiliate before a certified capital company initially invests in the entity, it will not be an affiliate if a certified capital company provides additional investment in such entity subsequent to its initial investment;

(4) A certified capital company, at least fifteen working days prior to making what it determines to be an initial qualified investment in a specific qualified Missouri business, shall certify to the department that the company in which it proposes to invest meets the definition of a qualified Missouri business pursuant to subdivision (14) of subsection 2 of section 135.500. The certified capital company shall state the amount of capital it intends to invest and the name of the business in which it intends to invest. The certified capital company shall also provide to the department an explanation of its determination that the business meets the definition of a qualified Missouri business. If the department determines that the business does not meet the definition of a qualified Missouri business, it shall, within the fifteen-working-day period prior to the making of the proposed investment, notify the certified capital company of its determination and an explanation thereof. If the department fails to notify the certified capital company with respect to the proposed investment within the fifteen-working-day period prior to the making of the proposed investment, the company in which the certified capital company proposes to invest shall be deemed to be a qualified Missouri business. If a certified capital company fails to notify the department prior to making an initial investment in a business, the department may subsequently determine that the business in which the certified capital company invested was not a qualified Missouri business even though the business, at the time of the investment, met the requirements of subdivision (14) of subsection 2 of section 135.500;

(5) All certified capital which is not required to be placed in qualified investments or which has been placed in qualified investments and can be received by the company[, may be held or invested in such manner as the Missouri certified capital company, in its discretion, deems appropriate]:

 - d. **Mortgage-backed securities, with an average life of five years or less, after the acquisition of such securities, which are rated "A" or better by any nationally recognized credit rating agency;**
 - e. **Collateralized mortgage obligations and real estate mortgage investment conduits that are direct obligations of an agency of the United States government, are not private-label issues, are in book-entry form, and do not include the classes of interest only, principal only, residual or zero; or**
 - f. **Interests in money market funds, the portfolio of which is limited to cash and obligations described in subparagraphs a to e of this paragraph.**

2. The proceeds of all certified capital which is received by a certified capital company after it was originally placed in qualified investments may be placed again in qualified investments and shall count toward any requirement in sections 135.500 to 135.529 with respect to placing certified capital in qualified investments.

[2.] 3. A certified capital company may make qualified distributions at any time. In order to make distributions, other than qualified distributions, a certified capital company must have placed an amount cumulatively equal to one hundred percent of its certified capital in qualified investments, **and, with respect to qualified investments made with certified capital raised after August 28, 2001, twenty-five percent of such qualified investment must be in qualified Missouri agricultural businesses.** Cumulative distributions to equity holders, other than qualified distributions, in excess of the certified capital company's original certified capital and any additional capital contributions to the certified

capital company shall be subject to audit by a nationally recognized certified public accounting firm acceptable to the department, at the expense of the certified capital company. The audit shall determine whether aggregate cumulative distributions to all investors and equity holders, other than qualified distributions, when combined with all tax credits utilized by investors pursuant to sections 135.500 to 135.529, have resulted in an annual internal rate of return of fifteen percent computed on the sum of total original certified capital of the certified capital company and any additional capital contributions to the certified capital company. Twenty-five percent of distributions made, other than qualified distributions, in excess of the amount required to produce a fifteen percent annual internal rate of return, as determined by the audit, shall be payable by the certified capital company to the Missouri development finance board. Distributions or payments to debt holders of a certified capital company, however, may be made without restriction with respect to debt owed to them by a certified capital company. A debt holder that is also an investor or equity holder of a certified capital company may receive distributions or payments with respect to such debt without restriction.

4. In the event that a business in which a qualified investment is made fails to comply with its agreement to retain its headquarters and principal business operations in the state, or in a distressed community, if the investment is to be credited to a distressed community allocation, for three years following any qualified investment, by relocating its headquarters or principal business operations of such business within the state to another state, the cumulative amount of qualified investment shall be reduced for purposes of this subsection only by the amount of such qualified investment, unless:

(1) The certified capital company invests an amount of at least equal to the investment of certified capital in the relocated business in a qualified business located in the state or in a distressed community, if the investment is to be credited to a distressed community allocation, within six months of the relocation; or

(2) The business demonstrates that it has returned its principal business operations to Missouri or a distressed community, if the investment is to be credited to a distressed community allocation, within three months of such relocation.

[3.] **5.** No qualified investment may be made at a cost to a Missouri certified capital company greater than fifteen percent of the total certified capital under management of the Missouri certified capital company at the time of investment.

[4.] **6.** Documents and other materials submitted by Missouri certified capital companies or by businesses for purposes of the continuance of certification may be deemed "closed records" pursuant to the provisions of section 620.014, RSMo.

[5.] **7.** Each Missouri certified capital company shall report the following to the department:

The audit shall address the methods of operation and conduct of the business of the Missouri certified capital company to determine if the Missouri certified capital company is complying with the statutes and program rules and that the funds received by the Missouri certified capital company have been invested as required within the time limits provided by sections 135.500 to 135.529.

135.527. 1. On an annual basis, on or before January thirty-first, each certified capital company shall file with the department, on forms or in a manner prescribed by the department, a report for the period ending December thirty-first of the immediately preceding calendar year:

any additional capital invested in qualified businesses from sources other than certified capital companies.

2. The report shall be verified by one or more principals of the certified capital company submitting the form.

3. The department may audit and examine the accounts, books or records of certified capital companies, certified investors and qualified Missouri businesses that received qualified investments for the purpose of ascertaining the correctness of any report filed, and to ascertain a certified capital company's compliance with the provisions of sections 135.500 to 135.529.

4. Beginning on March 31, 2002, and on March thirty-first of each even-numbered year thereafter, the department shall report on a biennial basis to the governor, the speaker of the house of representatives, and the president pro tempore of the senate on or before April first:

2. The ordinance shall provide the method by which the amount of property taxes owed for the current tax year in which the payments are to be made shall be estimated. The collector shall submit to the governing body the procedures by which taxes will be collected pursuant to the ordinance or order. The estimate shall be based on the previous tax year's liability. A taxpayer's payment schedule shall be based on the estimate divided by the number of pay periods in which payments are to be made. The taxpayer shall at the end of the tax year pay any amounts owed in excess of the estimate for such year. The county shall at the end of the tax year refund to the taxpayer any amounts paid in excess of the property tax owed for such year. All other laws to the contrary notwithstanding, the assessor or the assessor's deputies in all counties of this state including the city of St. Louis shall annually make a list of all real and tangible personal property taxable in the assessor's city, county, town or district. Except as otherwise provided in subsection 3 of this section, the assessor shall annually assess all personal property at thirty-three and one-third percent of its true value in money as of January first of each calendar year. The assessor shall annually assess all real property, including any new construction and improvements to real property, and possessory interests in real property at the percent of its true value in money set in subsection 5 of this section. The final decision of the administrative hearing commission shall be subject to judicial review in the circuit court of the county involved. In the event a valuation of subclass (1) real property within any county of the first classification with a charter form of government, or within a city not within a county, is made by a computer, computer-assisted method or a computer program, the burden of proof, supported by clear, convincing and cogent evidence to sustain such valuation, shall be on the assessor at any hearing or appeal. In any such county, unless the assessor proves otherwise, there shall be a presumption that the assessment was made by a computer, computer-assisted method or a computer program. Such evidence shall include, but shall not be limited to, the following:

(1) The findings of the assessor based on an appraisal of the property by generally accepted appraisal techniques; and

(2) The purchase prices from sales of at least three comparable properties and the address or location thereof. As used in this paragraph, the word "comparable" means that:

2. Assessors in each county of this state and the city of St. Louis may send personal property assessment forms through the mail.

3. The following items of personal property shall each constitute separate subclasses of tangible personal property and shall be assessed and valued for the purposes of taxation at the following percents of their true value in money:

4. The person listing the property shall enter a true and correct statement of the property, in a printed blank prepared for that purpose. The statement, after being filled out, shall be signed and either affirmed or sworn to as provided in section 137.155. The list shall then be delivered to the assessor.

6. Manufactured homes, as defined in section 700.010, RSMo, which are actually used as dwelling units shall be assessed at the same percentage of true value as residential real property for the purpose of taxation. The percentage of assessment of true value for such manufactured homes shall be the same as for residential real property. If the county collector cannot identify or find the manufactured home when attempting to attach the manufactured home for payment of taxes owed by the manufactured home owner, the county collector may request the county commission to have the manufactured home removed from the tax books, and such request shall be granted within thirty days after the request

A manufactured home located on real estate owned by the manufactured home owner may be considered real property.

8. 9. The assessor of each county and each city not within a county shall use the trade-in value published in the October issue of the National Automobile Dealers' Association Official Used Car Guide, or its successor publication, as the recommended guide of information for determining the true value of motor vehicles described in such publication. In the absence of a listing for a particular motor vehicle in such publication, the assessor shall use such information or publications which in the assessor's judgment will fairly estimate the true value in money of the motor vehicle.

10. If the assessor increases the assessed valuation of any parcel of subclass (1) real property by more than seventeen percent since the last assessment, excluding increases due to new construction or improvements, then the assessor shall conduct a physical inspection of such property.

JOURNAL OF THE HOUSE

First Regular Session, 91st GENERAL ASSEMBLY

SEVENTY-SECOND DAY, FRIDAY, MAY 11, 2001

Speaker Pro Tem Abel in the Chair.

Prayer by Reverend Rudy Beard.

O Lord, Your presence gives us life itself. We are grateful before You for the gifts You give to Missouri and to us.

This week as we recall the sacred memories of our families, mothers and grandmothers, help us their children, be worthy of the love, devotion and faith we have known in them. And by kindness, compassion, loving care may we honor them in the coming weeks. For the great blessing of our families, our mothers, we praise Your Holy Name. To You be glory and honor. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as an Honorary Page for the Day, to serve without compensation: Joshua R. Davenport.

The Journal of the seventy-first day was approved as corrected.

The governing body of any municipality except those located in whole or in part within any first class county having a charter form of government and not containing any part of a city with a population of four hundred thousand or more and adjacent to a city not within a county for that part of the municipality located within such first class county is hereby authorized to impose, by ordinance or order, a one-eighth, one-fourth, three-eighths, or one-half of one percent sales tax on all retail sales made in such municipality which are subject to taxation under the provisions of sections 144.010 to 144.525, RSMo, for the purpose of funding capital improvements, including the operation and maintenance of capital improvements, which may be funded by issuing bonds which will be retired by the revenues received from the sales tax authorized by this section or the retirement of debt under previously authorized bonded indebtedness. A municipality located in a charter county may impose a sales tax on all retail sales for capital improvements as provided in section 94.890. The tax authorized by this section shall be in addition to any and all other sales taxes allowed by law; but no ordinance imposing a sales tax under the provisions of this section shall be effective unless the governing body of the municipality submits to the voters of the municipality, at a municipal or state general, primary or special election, a proposal to authorize the governing body of the municipality to impose such tax and, if such tax is to be used to retire bonds authorized under this section, to authorize such bonds and their retirement by such tax, or to authorize the retirement of debt under previously authorized bonded indebtedness.

2. The ballot of submission shall contain, but need not be limited to:

(1) If the proposal submitted involves only authorization to impose the tax authorized by this section, the following language:

Shall the municipality of (municipality's name) impose a sales tax of (insert amount) for the purpose of funding capital improvements which may include the retirement of debt under previously authorized bonded indebtedness?

G YES

G NO

If you are in favor of the question, place an "X" in the box opposite "Yes". If you are opposed to the question, place an "X" in the box opposite "No"; or

(2) If the proposal submitted involves authorization to issue bonds and repay such bonds with revenues from the tax authorized by this section, the following language:

Shall the municipality of (municipality's name) issue bonds in the amount of (insert amount) to fund capital improvements and impose a sales tax of (insert amount) to repay bonds?

G YES

G NO

If you are in favor of the question, place an "X" in the box opposite "Yes". If you are opposed to the question, place an "X" in box opposite "No".

If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal, including when the proposal authorizes the reduction of debt under previously authorized bonded indebtedness under subdivision (1) of this subsection, then the ordinance or order and any amendments thereto shall be in effect, except that any proposal submitted under subdivision (2) of this subsection to issue bonds and impose a sales tax to retire such bonds must be approved by the constitutionally required percentage of the voters voting thereon to become effective. If a majority of the votes cast by the qualified voters voting are opposed to the proposal, then the governing body of the municipality shall have no power to issue any bonds or impose the sales tax authorized in this section unless and until the governing body of the municipality shall again have submitted another proposal to authorize the governing body of the municipality to issue any bonds or impose the sales tax authorized by this section, and such proposal is approved by the requisite majority of the qualified voters voting thereon; however, in no event shall a proposal pursuant to this section be submitted to the voters sooner than twelve months from the date of the last proposal pursuant to this section, **except that any municipality with a population of greater than four hundred thousand and located within more than one county may submit a proposal pursuant to this section to the voters sooner than twelve months from the date of the last proposal submitted pursuant to this section, if the subsequent proposal is submitted to the voters on or before November 6, 2001.**

3. All revenue received by a municipality from the tax authorized under the provisions of this section shall be deposited in a special trust fund and shall be used solely for capital improvements, including the operation and maintenance of capital improvements, for so long as the tax shall remain in effect. Once the tax authorized by this section is abolished or is terminated by any means, all funds remaining in the special trust fund required by this subsection shall be used solely for the maintenance of the capital improvements made with revenues raised by the tax authorized by this section. Any funds in the special trust fund required by this subsection which are not needed for current expenditures may be invested by the governing body in accordance with applicable laws relating to the investment of other municipal funds. The provisions of this subsection shall apply only to taxes authorized by this section which have not been imposed to retire bonds issued pursuant to this section.

4. All revenue received by a municipality which issues bonds under this section and imposes the tax authorized by this section to retire such bonds shall be deposited in a special trust fund and shall be used solely to retire such bonds, except to the extent that such funds are required for the operation and maintenance of capital improvements. Once all of such bonds have been retired, all funds remaining in the special trust fund required by this subsection shall be used solely for the maintenance of the capital improvements made with the revenue received as a result of the issuance of such bonds. Any funds in the special trust fund required by this subsection which are not needed to meet current obligations under the bonds issued under this section may be invested by the governing body in accordance with applicable laws relating to the investment of other municipal funds. The provisions of this subsection shall apply only to taxes authorized by this section which have been imposed to retire bonds issued under this section.

5. After the effective date of any tax imposed under the provisions of this section, the director of revenue shall perform all functions incident to the administration, collection, enforcement, and operation of the tax in the same manner as provided in sections 94.500 to 94.570, and the director of revenue shall collect in addition to the sales tax for the state of Missouri the additional tax authorized under the authority of this section. The tax imposed pursuant to this section and the tax imposed under the sales tax law of the state of Missouri shall be collected together and reported upon such forms and under such administrative rules and regulations as may be prescribed by the director of revenue. Except as modified in this section, all provisions of sections 32.085 and 32.087, RSMo, shall apply to the tax imposed under this section.

6. No tax imposed pursuant to this section for the purpose of retiring bonds issued under this section may be terminated until all of such bonds have been retired.

7. In any city not within a county, no tax shall be imposed pursuant to this section for the purpose of funding in whole or in part the construction, operation or maintenance of a sports stadium, field house, indoor or outdoor recreational facility, center, playing field, parking facility or anything incidental or necessary to a complex suitable for any type of professional sport or recreation, either upon, above or below the ground.

8. The director of revenue may authorize the state treasurer to make refunds from the amounts in the trust fund and credited to any municipality for erroneous payments and overpayments made, and may redeem dishonored checks and drafts deposited to the credit of such municipalities. If any municipality abolishes the tax, the municipality shall notify the director of revenue of the action at least ninety days prior to the effective date of the repeal and the director of revenue may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the effective date of abolition of the tax in such municipality, the director of revenue shall remit the balance in the account to the municipality and close the account of that municipality. The director of revenue shall notify each municipality of each instance of any amount refunded or any check redeemed from receipts due the municipality."; and

HOUSE RESOLUTION

HR 922, (5-8-01, pages 1734 & 1735) - Ladd Baker

JOURNAL OF THE HOUSE

First Regular Session, 91st GENERAL ASSEMBLY

SEVENTY-THIRD DAY, MONDAY, MAY 14, 2001

Speaker Pro Tem Abel in the Chair.

Prayer by Father David Buescher.

The crunch is upon us, O God. As this final week of our session begins, Lord, flex not only our political muscles, but also our spiritual strength. We accept the challenges these five days will bring.

Let this august body roll up their spiritual sleeves, remember the values and goals we stand for, and dig in. Inspire each of these representatives with an array of Your virtues. Let Your Spirit stand under all that is accomplished this week. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Brandon Hoberecht, Josh Whitaker and Samantha Lyons.

The Journal of the seventy-second day was approved as corrected.

House Amendment No. 2

AMEND House Substitute for House Committee Substitute for Senate Bill No. 72, Section A, Page 1, Line 13, by inserting all the following immediately after said line:

The forms shall include the lobbyist's name and business address, the name and address of all persons such lobbyist employs for lobbying purposes, the name and address of each lobbyist principal by whom such lobbyist is employed or in whose interest such lobbyist appears or works. The commission shall maintain files on all lobbyists' filings, which shall be open to the public. Each lobbyist shall file an updating statement under oath within one week of any addition, deletion, or change in the lobbyist's employment or representation. The filing fee shall be deposited to the general revenue fund of the state. The lobbyist principal or a lobbyist employing another person for lobbying purposes may notify the commission that a judicial, executive or legislative lobbyist is no longer authorized to lobby for the principal or the lobbyist and should be removed from the commission's files.

2. Each person shall, before giving testimony before any committee of the general assembly, give to the secretary of such committee such person's name and address and the identity of any lobbyist or organization, if any, on whose behalf such person appears. A person who is not a lobbyist as defined in section 105.470 shall not be required to give such person's address if the committee determines that the giving of such address would endanger the person's physical health.

3. (1) During any period of time in which a lobbyist continues to act as an executive lobbyist, judicial lobbyist or a legislative lobbyist, the lobbyist shall file with the commission on standardized forms prescribed by the commission monthly reports which shall be due at the close of business on the tenth day of the following month;

(2) Each report filed pursuant to this subsection shall include a statement, verified by a written declaration that it is made under the penalties of perjury, setting forth the following:

(a) The total of all expenditures by the lobbyist or his or her lobbyist principals made on behalf of all public officials, their staffs and employees, and their spouses and dependent children, which expenditures shall be separated into at least the following categories by the executive branch, judicial branch and legislative branch of government: [printing and publication expenses; media and other advertising expenses;] travel; entertainment; [honoraria;] meals, food and beverages; and gifts;

(b) An itemized listing of the name of the recipient and the nature and amount of each expenditure by the lobbyist or his or her lobbyist principal, including a service or anything of value, for all expenditures made during any reporting period, paid or provided to or for a public official, such official's staff, employees, spouse or dependent children;

(c) The total of all expenditures made by a lobbyist or lobbyist principal for occasions and the identity of the group invited, the date and description of the occasion and the amount of the expenditure for each occasion when any of the following are invited in writing:

- a. All members of the senate;
- b. All members of the house of representatives;
- c. All members of a joint committee of the general assembly or a standing committee of either the house of representatives or senate; or
- d. All members of a caucus of the general assembly if the caucus consists of at least ten members, a list of the members of the caucus has been previously filed with the ethics committee of the house or the senate, and such list has been approved by either of such ethics committees;

(d) Any expenditure made on behalf of a public official, or the public official's staff, employees, spouse or dependent children, if such expenditure is solicited by such public official, the public official's staff, employees, or spouse or dependent children, from the lobbyist or his or her lobbyist principals and the name of such person or persons, except any expenditures made to any not for profit corporation, charitable, fraternal or civic organization or other association formed to provide for good in the order of benevolence;

(e) A statement detailing any direct business relationship or association or partnership the lobbyist has with any public official.

The reports required by this subdivision shall cover the time periods since the filing of the last report or since the lobbyist's employment or representation began, whichever is most recent.

4. No expenditure reported pursuant to this section shall include any amount expended by a lobbyist or lobbyist principal on himself or herself. **No expenditure reported pursuant to this section shall include any payment, gift, compensation, fee expenditure or anything of value which is bestowed upon or given to any public official or a staff member, employee, spouse or dependent child of a public official when it is compensation for employment or given as an employment benefit and when such employment is in addition to their employment as a public official.** All expenditures disclosed pursuant to this section shall be valued on the report at the actual amount of the payment made, or the charge, expense, cost, or obligation, debt or bill incurred by the lobbyist or the person the lobbyist represents. Whenever a lobbyist principal employs more than one lobbyist, expenditures of the lobbyist principal shall not be reported by each lobbyist, but shall be reported by one of such lobbyists.

5. Any lobbyist principal shall provide in a timely fashion whatever information is reasonably requested by the lobbyist principal's lobbyist for use in filing the reports required by this section.

6. All information required to be filed pursuant to the provisions of this section with the commission shall be kept available by the executive director of the commission at all times open to the public for inspection and copying for a reasonable fee for a period of five years from the date when such information was filed.

Any public official or other person whose name appears in any lobbyist report filed pursuant to this section who contests the accuracy of the portion of the report applicable to such person may petition the commission for an audit of such report and shall state in writing in such petition the specific disagreement with the contents of such report. The commission shall investigate such allegations in the manner described in section 105.959. If the commission determines that the contents of such report are incorrect, incomplete or erroneous, it shall enter an order requiring filing of an amended or corrected report.

11. The commission shall provide a report listing the total spent by a lobbyist for the month and year to any member or member-elect of the general assembly, judge or judicial officer, or any other person holding an elective office of state government on or before the twentieth day of each month. For the purpose of providing accurate information to the public, the commission shall not publish information in either written or electronic form for ten working days after providing the report pursuant to this subsection. The commission shall not release any portion of the lobbyist report if the accuracy of the report has been questioned pursuant to subsection 10 of this section unless it is conspicuously marked "Under Review".

12. Each lobbyist or lobbyist principal by whom the lobbyist was employed, or in whose behalf the lobbyist acted, shall provide a general description of the proposed legislation or action by the executive branch or judicial branch which the lobbyist or lobbyist principal supported or opposed. This information shall be supplied to the commission on March fifteenth and May thirtieth of each year.

105.475. [1. The provisions of sections 105.470 to 105.473 shall not apply to any public official or a staff member, employee, spouse or dependent child of a public official when employed by a lobbyist principal and who is acting on behalf of the lobbyist principal in their employment, except if such person's employment is as a lobbyist for the lobbyist principal.

2.] The provisions of sections 105.470 to 105.473 shall not apply to any member of a union who is acting in either an employment capacity or contractual capacity in association with the union, except if such person's employment or contractual capacity is as a lobbyist for the union.

105.477. 1. The commission shall supply a computer program which shall be used for filing by modem or by a common magnetic media chosen by the commission. The computer program shall be able to run on DOS, Windows or Macintosh based personal computers [or run on any other common personal computer operating environment which may become available in the future].

2. The commission shall have the appropriate software and hardware in place by January 1, 1998, for acceptance of reports electronically. The commission shall make this information available via an Internet Web site connection by no later than January 1, 1999.

3. All lobbyists shall file expenditure reports required by the commission electronically either through modem or common magnetic media. In addition, lobbyists shall file a signed form prescribed by the commission which verifies the information filed electronically within five working days; except that, [if] **when** a means becomes available which will allow a verifiable electronic signature, the commission may accept this in lieu of a [written statement] **signed form**.

4. All records that are in electronic format, not otherwise closed by law, shall be available in electronic format to the public. The commission shall maintain and provide for public inspection, a listing of all reports, with a complete description for each field contained on the report, that has been used to extract information from their database files. The commission shall develop a report or reports which contain every field in each database.

5. Annually, the commission shall provide[, without cost, a system-wide dump of] **to the general assembly at no cost a complete copy of** information contained in the commission's electronic **reporting** database files [to the general assembly]. The information [is to] **shall** be copied onto a medium specified by the general assembly. Such information shall not contain records otherwise closed by law. It is the intent of the general assembly to provide open access to the commission's records. The commission shall make every reasonable effort to comply with requests for information and shall take a liberal interpretation when considering such requests. Priority shall be given to public requests for reports identifying lobbyist or lobbyist principal expenditures per individual legislator.

105.961. 1. Upon receipt of a complaint as described by section 105.957, the commission shall assign the complaint to a special investigator, who may be a commission employee, who shall investigate and determine the merits

of the complaint. Within ten days of such assignment, the special investigator shall review such complaint and disclose, in writing, to the commission any conflict of interest which the special investigator has or might have with respect to the investigation and subject thereof. Within one hundred twenty days of receipt of the complaint from the commission, the special investigator shall submit the special investigator's report to the commission. The commission, after review of such report, shall determine:

- (1) That there is reasonable grounds for belief that a violation has occurred; or
- (2) That there are no reasonable grounds for belief that a violation exists and the complaint should be dismissed;

or

(3) That additional time is necessary to complete the investigation, and the status and progress of the investigation to date. The commission, in its discretion, may allow the investigation to proceed for additional successive periods of one hundred twenty days each, pending reports regarding the status and progress of the investigation at the end of each such period.

2. When the commission concludes, based on the report from the special investigator, or based on an audit conducted pursuant to section 105.959, that there are reasonable grounds to believe that a violation of any criminal law has occurred, and if the commission believes that criminal prosecution would be appropriate upon a vote of **at least** four members of the commission, the commission shall refer the report to the Missouri office of prosecution services, prosecutors coordinators training council established in section 56.760, RSMo, which shall submit a panel of five attorneys for recommendation to the court having criminal jurisdiction, for appointment of an attorney to serve as a special prosecutor; except that, the attorney general of Missouri or any assistant attorney general shall not act as such special prosecutor. The court shall then appoint from such panel a special prosecutor pursuant to section 56.110, RSMo, who shall have all the powers provided by section 56.130, RSMo. The court shall allow a reasonable and necessary attorney's fee for the services of the special prosecutor. Such fee shall be assessed as costs if a case is filed, or ordered by the court if no case is filed, and paid together with all other costs in the proceeding by the state, in accordance with rules and regulations promulgated by the state courts administrator, subject to funds appropriated to the office of administration for such purposes. If the commission does not have sufficient funds to pay a special prosecutor, the commission shall refer the case to the prosecutor or prosecutors having criminal jurisdiction. If the prosecutor having criminal jurisdiction is not able to prosecute the case due to a conflict of interest, the court may appoint a special prosecutor, paid from county funds, upon appropriation by the county or the attorney general to investigate and, if appropriate, prosecute the case. The special prosecutor or prosecutor shall commence an action based on the report by the filing of an information or seeking an indictment within sixty days of the date of such prosecutor's appointment, or shall file a written statement with the commission explaining why criminal charges should not be sought. If the special prosecutor or prosecutor fails to take either action required by this subsection, upon request of the commission, a new special prosecutor, who may be the attorney general, shall be appointed. The report may also be referred to the appropriate disciplinary authority over the person who is the subject of the report.

3. When the commission concludes, based on the report from the special investigator or based on an audit conducted pursuant to section 105.959, that there are reasonable grounds to believe that a violation of any law has occurred which is not a violation of criminal law or that criminal prosecution is not appropriate, the commission [shall] **may** conduct a hearing which shall be a closed meeting and not open to the public. The hearing shall be conducted pursuant to the procedures provided by sections 536.063 to 536.090, RSMo, and shall be considered to be a contested case for purposes of such sections. The commission shall determine, in its discretion, whether or not that there is probable cause that a violation has occurred. If the commission determines, by a vote of at least four members of the commission, that probable cause exists that a violation has occurred, the commission may refer its findings and conclusions to the appropriate disciplinary authority over the person who is the subject of the report, as described in subsection 7 of this section. **If the commission determines by a vote of at least four members that a hearing is not appropriate, the commission may, by a vote of at least four members, seek an agreement with the party or parties determined to have violated the provisions of subsection 1 of section 105.957, and the commission may collect a fee for such violation in an amount not greater than one thousand dollars.** After the commission determines by a vote of at least four members of the commission that probable cause exists that a violation has occurred, and the commission has referred the findings and conclusions to the appropriate disciplinary authority over the person subject of the report, the subject of the report may appeal the determination of the commission to the administrative hearing commission. Such appeal shall stay the action of the Missouri ethics commission. Such appeal shall be filed not later than the fourteenth day after the subject of the commission's action receives actual notice of the commission's action.

4. If the appropriate disciplinary authority receiving a report from the commission pursuant to subsection 3 of

this section fails to follow, within sixty days of the receipt of the report, the recommendations contained in the report, or if the commission determines, by a vote of at least four members of the commission that some action other than referral for criminal prosecution or for action by the appropriate disciplinary authority would be appropriate, the commission shall take any one or more of the following actions:

- (1) Notify the person to cease and desist violation of any provision of law which the report concludes was violated and that the commission may seek judicial enforcement of its decision pursuant to subsection 5 of this section;
- (2) Notify the person of the requirement to file, amend or correct any report, statement, or other document or information required by sections 105.473, 105.483 to 105.492, or chapter 130, RSMo, and that the commission may seek judicial enforcement of its decision pursuant to subsection 5 of this section; and
- (3) File the report with the executive director to be maintained as a public document; or
- (4) Issue a letter of concern or letter of reprimand to the person, which would be maintained as a public document; or
- (5) Issue a letter that no further action shall be taken, which would be maintained as a public document; or
- (6) Through reconciliation agreements or civil action, the power to seek fees for violations in an amount not greater than one thousand dollars or double the amount involved in the violation.

5. Upon vote of at least four members, the commission may initiate formal judicial proceedings seeking to obtain any of the following orders:

- (1) Cease and desist violation of any provision of sections 105.450 to 105.496, or chapter 130, RSMo, or sections 105.955 to 105.963;
- (2) Pay any civil penalties required by sections 105.450 to 105.496 or chapter 130, RSMo;
- (3) File any reports, statements, or other documents or information required by sections 105.450 to 105.496, or chapter 130, RSMo; or
- (4) Pay restitution for any unjust enrichment the violator obtained as a result of any violation of any criminal statute as described in subsection 6 of this section.

The Missouri ethics commission shall give actual notice to the subject of the complaint of the proposed action as set out in this section. The subject of the complaint may appeal the action of the Missouri ethics commission, other than a referral for criminal prosecution, to the administrative hearing commission. Such appeal shall stay the action of the Missouri ethics commission. Such appeal shall be filed no later than fourteen days after the subject of the commission's actions receives actual notice of the commission's actions.

6. (3) To administer oaths and affirmations;

(4) Upon refusal by any person to comply with a request for information relevant to an investigation, an investigator may issue a subpoena for any person to appear and give testimony, or for a subpoena duces tecum to produce documentary or other evidence which the investigator deems relevant to a matter under the investigator's inquiry. The subpoenas and subpoenas duces tecum may be enforced by applying to a judge of the circuit court of Cole County or any county where the person or entity that has been subpoenaed resides or may be found, for an order to show cause why the subpoena or subpoena duces tecum should not be enforced. The order and a copy of the application therefor shall be served in the same manner as a summons in a civil action, and if, after hearing, the court determines that the subpoena or subpoena duces tecum should be sustained and enforced, the court shall enforce the subpoena or subpoena duces tecum in the same manner as if it had been issued by the court in a civil action; and

The provisions of this section shall not be construed to limit or affect any other remedy or right of appeal or objection.

12. No person shall be required to make or file a complaint to the commission as a prerequisite for exhausting the person's administrative remedies before pursuing any civil cause of action allowed by law.

13. If, in the opinion of the commission, the complaining party was motivated by malice or reason contrary to the spirit of any law on which such complaint was based, in filing the complaint without just cause, this finding shall be reported to appropriate law enforcement authorities. Any person who knowingly files a complaint without just cause, or with malice, is guilty of a class A misdemeanor.

14. A respondent party who prevails in a formal judicial action brought by the commission shall be awarded those reasonable fees and expenses incurred by that party in the formal judicial action, unless the court finds that the position of the commission was substantially justified or that special circumstances make such an award unjust.

The special investigator and members and staff of the commission shall maintain confidentiality with respect to all matters concerning a complaint until and if a report is filed with the commission, with the exception of communications with any person which are necessary to the investigation. The report filed with the commission resulting from a complaint acted upon under the provisions of this section shall not contain the name of the complainant or other person providing information to the investigator, if so requested in writing by the complainant or such other person. Such retired judges shall by the tenth day of each month following any month in which the judge provided services pursuant to this section certify to the commission and to the state courts administrator the amount of time engaged in such services by hour or fraction thereof, the dates thereof, and the expenses incurred and allowable pursuant to this section. The commission shall then issue a warrant to the state treasurer for the payment of

the salary and expenses to the extent, and within limitations, provided for in this section. The state treasurer upon receipt of such warrant shall pay the same out of any appropriations made for this purpose on the last day of the month during which the warrant was received by the state treasurer.”; and

130.016. 1. No candidate for statewide elected office, general assembly, judicial office other than municipal judge, or municipal office in a city with a population of more than one hundred thousand shall be required to comply with the requirements to file a statement of organization or disclosure reports of contributions and expenditures for any election in which neither the aggregate of contributions received nor the aggregate of expenditures made on behalf of such candidate exceeds five hundred dollars and no single contributor, other than the candidate, has contributed more than two hundred [fifty] **seventy-five** dollars of the aggregate contributions received, provided that:

(1) The candidate files a sworn exemption statement with the appropriate officer that the candidate does not intend to either receive contributions or make expenditures in the aggregate of more than five hundred dollars or receive contributions from any single contributor, other than himself or herself, that aggregate more than two hundred [fifty] **seventy-five** dollars and that the total of all contributions received or expenditures made by the candidate and all committees or any other person with his knowledge and consent in support of his candidacy will not exceed five hundred dollars and that the aggregate of contributions received from any single contributor will not exceed two hundred [fifty] **seventy-five** dollars. Such exemption statement shall be filed no later than the date set forth in section 130.046 on which a disclosure report would otherwise be required if the candidate does not file the exemption statement. The exemption statement shall be filed on a form furnished to each appropriate officer by the executive director of the Missouri ethics commission. Each appropriate officer shall make the exemption statement available to candidates and shall direct each candidate's attention to the exemption statement and explain its purpose to the candidate; and

(2) The sworn exemption statement includes a statement that the candidate understands that records of contributions and expenditures must be maintained from the time the candidate first receives contributions or makes expenditures and that an exemption from filing a statement of organization or disclosure reports does not exempt the candidate from other provisions of this chapter. Each candidate described in subsection 1 of this section, who files a statement of exemption, shall file a statement of limited activity for each reporting period, described in section 130.046.

2. Any candidate who has filed an exemption statement as provided in subsection 1 of this section shall not accept any contribution or make any expenditure in support of the person's candidacy, either directly or indirectly or by or through any committee or any other person acting with the candidate's knowledge and consent, which would cause such contributions or expenditures to exceed the limits specified in subdivision (1) of subsection 1 of this section unless the candidate later rejects the exemption pursuant to the provisions of subsection 3 of this section. Any contribution received in excess of such limits shall be returned to the donor or transmitted to the state treasurer to escheat to the state.

3. If, after filing the exemption statement provided for in this section, the candidate subsequently determines the candidate wishes to exceed any of the limits in subdivision (1) of subsection 1 of this section, the candidate shall file a notice of rejection of the exemption with the appropriate officer; however, such rejection shall not be filed later than thirty days before election. A notice of rejection of exemption shall be accompanied by a statement of organization as required by section 130.021 and any other statements and reports which would have been required if the candidate had not filed an exemption statement.

4. A primary election and the immediately succeeding general election are separate elections, and restrictions on contributions and expenditures set forth in subsection 2 of this section shall apply to each election; however, if a successful primary candidate has correctly filed an exemption statement prior to the primary election and has not filed a notice of rejection prior to the date on which the first disclosure report applicable to the succeeding general election is required to be filed, the candidate shall not be required to file an exemption statement for that general election if the limitations set forth in subsection 1 of this section apply to the succeeding general election.

5. A candidate who has an existing candidate committee formed for a prior election for which all statements and reports required by this chapter have been properly filed shall be eligible to file the exemption statement as provided in subsection 1 of this section and shall not be required to file the disclosure reports pertaining to the election for which the candidate is eligible to file the exemption statement if the candidate and the treasurer or deputy treasurer of such existing candidate committee continue to comply with the requirements, limitations and restrictions set forth in subsections 1, 2, 3 and 4 of this section. The exemption permitted by this subsection does not exempt a candidate or the treasurer of the candidate's existing candidate committee from complying with the requirements of subsections 6 and 7 of section 130.046 applicable to a prior election.

6. No nonpartisan candidate for supreme court, circuit court, or associate circuit court, or candidate for political party office, or for county office or municipal office in a city of one hundred thousand or less, or for any special purpose district office shall be required to file an exemption statement pursuant to this section in order to be exempted from

forming a committee and filing disclosure reports required of committees pursuant to this chapter if the aggregate of contributions received or expenditures made by the candidate and any other person with the candidate's knowledge and consent in support of the person's candidacy does not exceed one thousand dollars and the aggregate of contributions from any single contributor does not exceed two hundred [fifty] **seventy-five** dollars. No candidate for any office listed in this subsection shall be excused from complying with the provisions of any section of this chapter, other than the filing of an exemption statement under the conditions specified in this subsection.

7. If any candidate for an office listed in subsection 6 of this section exceeds the limits specified in subsection 6 of this section, the candidate shall form a committee no later than thirty days prior to the election for which the contributions were received or expended which shall comply with all provisions of this chapter for committees.

130.021. 1. Every committee shall have a treasurer who, except as provided in subsection 10 of this section, shall be a resident of this state. A committee may also have a deputy treasurer who, except as provided in subsection 10 of this section, shall be a resident of this state, to serve in the capacity of committee treasurer in the event the committee treasurer is unable for any reason to perform the treasurer's duties.

2. Every candidate for offices listed in subsection 1 of section 130.016 who has not filed a statement of exemption pursuant to that subsection and every candidate for offices listed in subsection 6 of section 130.016 who is not excluded from filing a statement of organization and disclosure reports pursuant to subsection 6 shall form a candidate committee and appoint a treasurer. Thereafter, all contributions on hand and all further contributions received by such candidate and any of the candidate's own funds to be used in support of the person's candidacy shall be deposited in a candidate committee depository account established pursuant to the provisions of subsection 4 of this section, and all expenditures shall be made through the candidate, treasurer or deputy treasurer of the person's candidate committee. Nothing in this chapter shall prevent a candidate from appointing himself or herself as a committee of one and serving as the person's own treasurer, maintaining the candidate's own records and filing all the reports and statements required to be filed by the treasurer of a candidate committee.

3. A candidate who has more than one candidate committee supporting the person's candidacy shall designate one of those candidate committees as the committee responsible for consolidating the aggregate contributions to all such committees under the candidate's control and direction as required by section 130.041.

4. (1) Every committee shall have a single official fund depository within this state which shall be a federally or state-chartered bank, a federally or state-chartered savings and loan association, or a federally or state-chartered credit union in which the committee shall open and thereafter maintain at least one official depository account in its own name. An "official depository account" shall be a checking account or some type of negotiable draft or negotiable order of withdrawal account, and the official fund depository shall, regarding an official depository account, be a type of financial institution which provides a record of deposits, canceled checks or other canceled instruments of withdrawal evidencing each transaction by maintaining copies within this state of such instruments and other transactions. All contributions which the committee receives in money, checks and other negotiable instruments shall be deposited in a committee's official depository account. Contributions shall not be accepted and expenditures shall not be made by a committee except by or through an official depository account and the committee treasurer, deputy treasurer or candidate. Contributions received by a committee shall not be commingled with any funds of an agent of the committee, a candidate or any other person, except that contributions from a candidate of the candidate's own funds to the person's candidate committee shall be deposited to an official depository account of the person's candidate committee. No expenditure shall be made by a committee when the office of committee treasurer is vacant except that when the office of a candidate committee treasurer is vacant, the candidate shall be the treasurer until the candidate appoints a new treasurer.

(2) A committee treasurer, deputy treasurer or candidate may withdraw funds from a committee's official depository account and deposit such funds in one or more savings accounts in the committee's name in any bank, savings and loan association or credit union within this state, and may also withdraw funds from an official depository account for investment in the committee's name in any certificate of deposit, bond or security. Proceeds from interest or dividends from a savings account or other investment or proceeds from withdrawals from a savings account or from the sale of an investment shall not be expended or reinvested, except in the case of renewals of certificates of deposit, without first redepositing such proceeds in an official depository account. The special prosecutor or prosecutor shall commence an action based on the report by the filing of an information or seeking an indictment within sixty days of the date of such prosecutor's appointment, or shall file a written statement with the commission explaining why criminal charges should not be sought. The hearing shall be conducted pursuant to the procedures provided by sections 536.063 to 536.090, RSMo, and shall be considered to be a contested case for purposes of such sections. The commission shall determine, in its discretion, whether or not that there is probable cause that a violation has occurred. Such appeal shall stay the action of the Missouri ethics commission. Such appeal shall be filed not later than the fourteenth day after the subject of the commission's action receives actual notice of the commission's action.

4. If the appropriate disciplinary authority receiving a report from the commission pursuant to subsection 3 of this section fails to follow, within sixty days of the receipt of the report, the recommendations contained in the report, or if the commission determines, by a vote of at least four members of the commission that some action other than referral for criminal prosecution or for action by the appropriate disciplinary authority would be appropriate, the commission shall take any one or more of the following actions:

- (1) Notify the person to cease and desist violation of any provision of law which the report concludes was violated and that the commission may seek judicial enforcement of its decision pursuant to subsection 5 of this section;
- (2) Notify the person of the requirement to file, amend or correct any report, statement, or other document or information required by sections 105.473, 105.483 to 105.492, or chapter 130, RSMo, and that the commission may seek judicial enforcement of its decision pursuant to subsection 5 of this section; and
- (3) File the report with the executive director to be maintained as a public document; or
- (4) Issue a letter of concern or letter of reprimand to the person, which would be maintained as a public document; or
- (5) Issue a letter that no further action shall be taken, which would be maintained as a public document; or
- (6) Through reconciliation agreements or civil action, the power to seek fees for violations in an amount not greater than one thousand dollars or double the amount involved in the violation.

5. Upon vote of at least four members, the commission may initiate formal judicial proceedings seeking to obtain any of the following orders:

(4) Pay restitution for any unjust enrichment the violator obtained as a result of any violation of any criminal statute as described in subsection 6 of this section.

The Missouri ethics commission shall give actual notice to the subject of the complaint of the proposed action as set out in this section. The subject of the complaint may appeal the action of the Missouri ethics commission, other than a referral for criminal prosecution, to the administrative hearing commission. Such appeal shall stay the action of the Missouri ethics commission. Such appeal shall be filed no later than fourteen days after the subject of the commission's actions receives actual notice of the commission's actions.

6. In the proceeding in circuit court, the commission may seek restitution against any person who has obtained unjust enrichment as a result of violation of any provision of sections 105.450 to 105.496, or chapter 130, RSMo, and may recover on behalf of the state or political subdivision with which the alleged violator is associated, damages in the amount of any unjust enrichment obtained and costs and attorney's fees as ordered by the court.

(3) To administer oaths and affirmations;

(4) Upon refusal by any person to comply with a request for information relevant to an investigation, an investigator may issue a subpoena for any person to appear and give testimony, or for a subpoena duces tecum to produce documentary or other evidence which the investigator deems relevant to a matter under the investigator's inquiry. The subpoenas and subpoenas duces tecum may be enforced by applying to a judge of the circuit court of Cole County or any county where the person or entity that has been subpoenaed resides or may be found, for an order to show cause why the subpoena or subpoena duces tecum should not be enforced. The order and a copy of the application therefor shall be served in the same manner as a summons in a civil action, and if, after hearing, the court determines that the subpoena or subpoena duces tecum should be sustained and enforced, the court shall enforce the subpoena or subpoena duces tecum in the same manner as if it had been issued by the court in a civil action; and

11. The provisions of sections 105.957, 105.959 and 105.961 are in addition to other provisions of law under which any remedy or right of appeal or objection is provided for any person, or any procedure provided for inquiry or investigation concerning any matter. The provisions of this section shall not be construed to limit or affect any other remedy or right of appeal or objection.

12. No person shall be required to make or file a complaint to the commission as a prerequisite for exhausting the person's administrative remedies before pursuing any civil cause of action allowed by law.

13. If, in the opinion of the commission, the complaining party was motivated by malice or reason contrary to the spirit of any law on which such complaint was based, in filing the complaint without just cause, this finding shall be reported to appropriate law enforcement authorities. Any person who knowingly files a complaint without just cause, or with malice, is guilty of a class A misdemeanor.

14. A respondent party who prevails in a formal judicial action brought by the commission shall be awarded those reasonable fees and expenses incurred by that party in the formal judicial action, unless the court finds that the position of the commission was substantially justified or that special circumstances make such an award unjust.

Such retired judges shall by the tenth day of each month following any month in which the judge provided services pursuant to this section certify to the commission and to the state courts administrator the amount of time engaged in such services by hour or fraction thereof, the dates thereof, and the expenses incurred and allowable pursuant to this section. The commission shall then issue a warrant to the state treasurer for the payment of the salary and expenses to the extent, and within limitations, provided for in this section. The state treasurer upon receipt of such warrant shall pay the same out of any appropriations made for this purpose on the last day of the month during which the warrant was received by the state treasurer.”; and

130.016. 1. No candidate for statewide elected office, general assembly, judicial office other than municipal judge, or municipal office in a city with a population of more than one hundred thousand shall be required to comply with the requirements to file a statement of organization or disclosure reports of contributions and expenditures for any election in which neither the aggregate of contributions received nor the aggregate of expenditures made on behalf of such candidate exceeds five hundred dollars and no single contributor, other than the candidate, has contributed more than two hundred [fifty] **seventy-five** dollars of the aggregate contributions received, provided that:

(1) The candidate files a sworn exemption statement with the appropriate officer that the candidate does not intend to either receive contributions or make expenditures in the aggregate of more than five hundred dollars or receive contributions from any single contributor, other than himself or herself, that aggregate more than two hundred [fifty] **seventy-five** dollars and that the total of all contributions received or expenditures made by the candidate and all committees or any other person with his knowledge and consent in support of his candidacy will not exceed five hundred dollars and that the aggregate of contributions received from any single contributor will not exceed two hundred [fifty] **seventy-five** dollars. Such exemption statement shall be filed no later than the date set forth in section 130.046 on which a disclosure report would otherwise be required if the candidate does not file the exemption statement. The exemption statement shall be filed on a form furnished to each appropriate officer by the executive director of the Missouri ethics commission. Each appropriate officer shall make the exemption statement available to candidates and shall direct each candidate's attention to the exemption statement and explain its purpose to the candidate; and

(2) The sworn exemption statement includes a statement that the candidate understands that records of

contributions and expenditures must be maintained from the time the candidate first receives contributions or makes expenditures and that an exemption from filing a statement of organization or disclosure reports does not exempt the candidate from other provisions of this chapter. Each candidate described in subsection 1 of this section, who files a statement of exemption, shall file a statement of limited activity for each reporting period, described in section 130.046.

2. Any candidate who has filed an exemption statement as provided in subsection 1 of this section shall not accept any contribution or make any expenditure in support of the person's candidacy, either directly or indirectly or by or through any committee or any other person acting with the candidate's knowledge and consent, which would cause such contributions or expenditures to exceed the limits specified in subdivision (1) of subsection 1 of this section unless the candidate later rejects the exemption pursuant to the provisions of subsection 3 of this section. Any contribution received in excess of such limits shall be returned to the donor or transmitted to the state treasurer to escheat to the state.

3. If, after filing the exemption statement provided for in this section, the candidate subsequently determines the candidate wishes to exceed any of the limits in subdivision (1) of subsection 1 of this section, the candidate shall file a notice of rejection of the exemption with the appropriate officer; however, such rejection shall not be filed later than thirty days before election. A notice of rejection of exemption shall be accompanied by a statement of organization as required by section 130.021 and any other statements and reports which would have been required if the candidate had not filed an exemption statement.

4. A primary election and the immediately succeeding general election are separate elections, and restrictions on contributions and expenditures set forth in subsection 2 of this section shall apply to each election; however, if a successful primary candidate has correctly filed an exemption statement prior to the primary election and has not filed a notice of rejection prior to the date on which the first disclosure report applicable to the succeeding general election is required to be filed, the candidate shall not be required to file an exemption statement for that general election if the limitations set forth in subsection 1 of this section apply to the succeeding general election.

5. A candidate who has an existing candidate committee formed for a prior election for which all statements and reports required by this chapter have been properly filed shall be eligible to file the exemption statement as provided in subsection 1 of this section and shall not be required to file the disclosure reports pertaining to the election for which the candidate is eligible to file the exemption statement if the candidate and the treasurer or deputy treasurer of such existing candidate committee continue to comply with the requirements, limitations and restrictions set forth in subsections 1, 2, 3 and 4 of this section. The exemption permitted by this subsection does not exempt a candidate or the treasurer of the candidate's existing candidate committee from complying with the requirements of subsections 6 and 7 of section 130.046 applicable to a prior election.

6. No nonpartisan candidate for supreme court, circuit court, or associate circuit court, or candidate for political party office, or for county office or municipal office in a city of one hundred thousand or less, or for any special purpose district office shall be required to file an exemption statement pursuant to this section in order to be exempted from forming a committee and filing disclosure reports required of committees pursuant to this chapter if the aggregate of contributions received or expenditures made by the candidate and any other person with the candidate's knowledge and consent in support of the person's candidacy does not exceed one thousand dollars and the aggregate of contributions from any single contributor does not exceed two hundred [fifty] **seventy-five** dollars. No candidate for any office listed in this subsection shall be excused from complying with the provisions of any section of this chapter, other than the filing of an exemption statement under the conditions specified in this subsection.

7. If any candidate for an office listed in subsection 6 of this section exceeds the limits specified in subsection 6 of this section, the candidate shall form a committee no later than thirty days prior to the election for which the contributions were received or expended which shall comply with all provisions of this chapter for committees.

130.021. 1. Every committee shall have a treasurer who, except as provided in subsection 10 of this section, shall be a resident of this state. A committee may also have a deputy treasurer who, except as provided in subsection 10 of this section, shall be a resident of this state, to serve in the capacity of committee treasurer in the event the committee treasurer is unable for any reason to perform the treasurer's duties.

2. Every candidate for offices listed in subsection 1 of section 130.016 who has not filed a statement of exemption pursuant to that subsection and every candidate for offices listed in subsection 6 of section 130.016 who is not excluded from filing a statement of organization and disclosure reports pursuant to subsection 6 shall form a candidate committee and appoint a treasurer. Thereafter, all contributions on hand and all further contributions received by such candidate and any of the candidate's own funds to be used in support of the person's candidacy shall be deposited in a candidate committee depository account established pursuant to the provisions of subsection 4 of this section, and all expenditures shall be made through the candidate, treasurer or deputy treasurer of the person's candidate committee. Nothing in this chapter shall prevent a candidate from appointing himself or herself as a committee of one

and serving as the person's own treasurer, maintaining the candidate's own records and filing all the reports and statements required to be filed by the treasurer of a candidate committee.

3. A candidate who has more than one candidate committee supporting the person's candidacy shall designate one of those candidate committees as the committee responsible for consolidating the aggregate contributions to all such committees under the candidate's control and direction as required by section 130.041.

4. (1) Every committee shall have a single official fund depository within this state which shall be a federally or state-chartered bank, a federally or state-chartered savings and loan association, or a federally or state-chartered credit union in which the committee shall open and thereafter maintain at least one official depository account in its own name. An "official depository account" shall be a checking account or some type of negotiable draft or negotiable order of withdrawal account, and the official fund depository shall, regarding an official depository account, be a type of financial institution which provides a record of deposits, canceled checks or other canceled instruments of withdrawal evidencing each transaction by maintaining copies within this state of such instruments and other transactions. All contributions which the committee receives in money, checks and other negotiable instruments shall be deposited in a committee's official depository account. Contributions shall not be accepted and expenditures shall not be made by a committee except by or through an official depository account and the committee treasurer, deputy treasurer or candidate. Contributions received by a committee shall not be commingled with any funds of an agent of the committee, a candidate or any other person, except that contributions from a candidate of the candidate's own funds to the person's candidate committee shall be deposited to an official depository account of the person's candidate committee. No expenditure shall be made by a committee when the office of committee treasurer is vacant except that when the office of a candidate committee treasurer is vacant, the candidate shall be the treasurer until the candidate appoints a new treasurer.

(2) A committee treasurer, deputy treasurer or candidate may withdraw funds from a committee's official depository account and deposit such funds in one or more savings accounts in the committee's name in any bank, savings and loan association or credit union within this state, and may also withdraw funds from an official depository account for investment in the committee's name in any certificate of deposit, bond or security. Proceeds from interest or dividends from a savings account or other investment or proceeds from withdrawals from a savings account or from the sale of an investment shall not be expended or reinvested, except in the case of renewals of certificates of deposit, without first redepositing such proceeds in an official depository account. Investments, other than savings accounts, held outside the committee's official depository account at any time during a reporting period shall be disclosed by description, amount, any identifying numbers and the name and address of any institution or person in which or through which it is held in an attachment to disclosure reports the committee is required to file. Proceeds from an investment such as interest or dividends or proceeds from its sale, shall be reported by date and amount. In the case of the sale of an investment, the names and addresses of the persons involved in the transaction shall also be stated. Funds held in savings accounts and investments, including interest earned, shall be included in the report of money on hand as required by section 130.041.

5. For purposes of this subsection the term "late contribution or loan" means a contribution or loan received after the closing date of the last disclosure report required to be filed before an election but received prior to the date of the election itself. The disclosure report of a late contribution may be made by any written means of communication, setting forth the name and address of the contributor or lender and the amount of the contribution or loan and need not contain the signatures and certification required for a full disclosure report described in section 130.041. Each lobbyist shall, not later than five days after beginning any activities as a lobbyist, file standardized registration forms, verified by a written declaration that it is made under the penalties of perjury, along with a filing fee of ten dollars, with the commission. The forms shall include the lobbyist's name and business address, the name and address of all persons such lobbyist employs for lobbying purposes, the name and address of each lobbyist principal by whom such lobbyist is employed or in whose interest such lobbyist appears or works. The commission shall

maintain files on all lobbyists' filings, which shall be open to the public. Each lobbyist shall file an updating statement under oath within one week of any addition, deletion, or change in the lobbyist's employment or representation. The filing fee shall be deposited to the general revenue fund of the state. The lobbyist principal or a lobbyist employing another person for lobbying purposes may notify the commission that a judicial, executive or legislative lobbyist is no longer authorized to lobby for the principal or the lobbyist and should be removed from the commission's files.

2. Each person shall, before giving testimony before any committee of the general assembly, give to the secretary of such committee such person's name and address and the identity of any lobbyist or organization, if any, on whose behalf such person appears. A person who is not a lobbyist as defined in section 105.470 shall not be required to give such person's address if the committee determines that the giving of such address would endanger the person's physical health.

3. (1) During any period of time in which a lobbyist continues to act as an executive lobbyist, judicial lobbyist or a legislative lobbyist, the lobbyist shall file with the commission on standardized forms prescribed by the commission monthly reports which shall be due at the close of business on the tenth day of the following month;

(2) Each report filed pursuant to this subsection shall include a statement, verified by a written declaration that it is made under the penalties of perjury, setting forth the following:

(a) The total of all expenditures by the lobbyist or his or her lobbyist principals made on behalf of all public officials, their staffs and employees, and their spouses and dependent children, which expenditures shall be separated into at least the following categories by the executive branch, judicial branch and legislative branch of government: [printing and publication expenses; media and other advertising expenses;] travel; entertainment; [honoraria;] meals, food and beverages; and gifts;

(b) An itemized listing of the name of the recipient and the nature and amount of each expenditure by the lobbyist or his or her lobbyist principal, including a service or anything of value, for all expenditures made during any reporting period, paid or provided to or for a public official, such official's staff, employees, spouse or dependent children;

(c) The total of all expenditures made by a lobbyist or lobbyist principal for occasions and the identity of the group invited, the date and description of the occasion and the amount of the expenditure for each occasion when any of the following are invited in writing:

a. All members of the senate;
b. All members of the house of representatives;
c. All members of a joint committee of the general assembly or a standing committee of either the house of representatives or senate; or

d. All members of a caucus of the general assembly if the caucus consists of at least ten members, a list of the members of the caucus has been previously filed with the ethics committee of the house or the senate, and such list has been approved by either of such ethics committees;

(d) Any expenditure made on behalf of a public official, or the public official's staff, employees, spouse or dependent children, if such expenditure is solicited by such public official, the public official's staff, employees, or spouse or dependent children, from the lobbyist or his or her lobbyist principals and the name of such person or persons, except any expenditures made to any not for profit corporation, charitable, fraternal or civic organization or other association formed to provide for good in the order of benevolence;

(e) A statement detailing any direct business relationship or association or partnership the lobbyist has with any public official.

The reports required by this subdivision shall cover the time periods since the filing of the last report or since the lobbyist's employment or representation began, whichever is most recent.

4. No expenditure reported pursuant to this section shall include any amount expended by a lobbyist or lobbyist principal on himself or herself. **No expenditure reported pursuant to this section shall include any payment, gift, compensation, fee expenditure or anything of value which is bestowed upon or given to any public official or a staff member, employee, spouse or dependent child of a public official when it is compensation for employment or given as an employment benefit and when such employment is in addition to their employment as a public official.** All expenditures disclosed pursuant to this section shall be valued on the report at the actual amount of the payment made, or the charge, expense, cost, or obligation, debt or bill incurred by the lobbyist or the person the lobbyist represents. Whenever a lobbyist principal employs more than one lobbyist, expenditures of the lobbyist principal shall not be reported by each lobbyist, but shall be reported by one of such lobbyists.

5. Any lobbyist principal shall provide in a timely fashion whatever information is reasonably requested by the lobbyist principal's lobbyist for use in filing the reports required by this section.

6. All information required to be filed pursuant to the provisions of this section with the commission shall be kept available by the executive director of the commission at all times open to the public for inspection and copying for a reasonable fee for a period of five years from the date when such information was filed.

7. No person shall knowingly employ any person who is required to register as a registered lobbyist but is not registered pursuant to this section. Any person who knowingly violates this subsection shall be subject to a civil penalty in an amount of not more than ten thousand dollars for each violation. Such civil penalties shall be collected by action filed by the commission.

8. No lobbyist shall knowingly omit, conceal, or falsify in any manner information required pursuant to this section.

9. The prosecuting attorney of Cole County shall be reimbursed only out of funds specifically appropriated by the general assembly for investigations and prosecutions for violations of this section.

10. Any public official or other person whose name appears in any lobbyist report filed pursuant to this section who contests the accuracy of the portion of the report applicable to such person may petition the commission for an audit of such report and shall state in writing in such petition the specific disagreement with the contents of such report. The commission shall investigate such allegations in the manner described in section 105.959. If the commission determines that the contents of such report are incorrect, incomplete or erroneous, it shall enter an order requiring filing of an amended or corrected report.

11. The commission shall provide a report listing the total spent by a lobbyist for the month and year to any member or member-elect of the general assembly, judge or judicial officer, or any other person holding an elective office of state government on or before the twentieth day of each month. For the purpose of providing accurate information to the public, the commission shall not publish information in either written or electronic form for ten working days after providing the report pursuant to this subsection. The commission shall not release any portion of the lobbyist report if the accuracy of the report has been questioned pursuant to subsection 10 of this section unless it is conspicuously marked "Under Review".

12. Each lobbyist or lobbyist principal by whom the lobbyist was employed, or in whose behalf the lobbyist acted, shall provide a general description of the proposed legislation or action by the executive branch or judicial branch which the lobbyist or lobbyist principal supported or opposed. This information shall be supplied to the commission on March fifteenth and May thirtieth of each year.

105.475. [1. The provisions of sections 105.470 to 105.473 shall not apply to any public official or a staff member, employee, spouse or dependent child of a public official when employed by a lobbyist principal and who is acting on behalf of the lobbyist principal in their employment, except if such person's employment is as a lobbyist for the lobbyist principal.

2.] The provisions of sections 105.470 to 105.473 shall not apply to any member of a union who is acting in either an employment capacity or contractual capacity in association with the union, except if such person's employment or contractual capacity is as a lobbyist for the union.

105.477. 1. The commission shall supply a computer program which shall be used for filing by modem or by a common magnetic media chosen by the commission. The computer program shall be able to run on DOS, Windows or Macintosh based personal computers [or run on any other common personal computer operating environment which may become available in the future].

2. The commission shall have the appropriate software and hardware in place by January 1, 1998, for acceptance of reports electronically. The commission shall make this information available via an Internet Web site connection by no later than January 1, 1999.

3. All lobbyists shall file expenditure reports required by the commission electronically either through modem or common magnetic media. In addition, lobbyists shall file a signed form prescribed by the commission which verifies the information filed electronically within five working days; except that, [if] **when** a means becomes available which will allow a verifiable electronic signature, the commission may accept this in lieu of a [written statement] **signed form**.

4. All records that are in electronic format, not otherwise closed by law, shall be available in electronic format to the public. The commission shall maintain and provide for public inspection, a listing of all reports, with a complete description for each field contained on the report, that has been used to extract information from their database files. The commission shall develop a report or reports which contain every field in each database.

5. Annually, the commission shall provide[, without cost, a system-wide dump of] **to the general assembly at no cost a complete copy of** information contained in the commission's electronic **reporting** database files [to the general assembly]. The information [is to] **shall** be copied onto a medium specified by the general assembly. Such information shall not contain records otherwise closed by law. It is the intent of the general assembly to provide open

access to the commission's records. The commission shall make every reasonable effort to comply with requests for information and shall take a liberal interpretation when considering such requests. Priority shall be given to public requests for reports identifying lobbyist or lobbyist principal expenditures per individual legislator.

105.961. 1. Upon receipt of a complaint as described by section 105.957, the commission shall assign the complaint to a special investigator, who may be a commission employee, who shall investigate and determine the merits of the complaint. Within ten days of such assignment, the special investigator shall review such complaint and disclose, in writing, to the commission any conflict of interest which the special investigator has or might have with respect to the investigation and subject thereof. Within one hundred twenty days of receipt of the complaint from the commission, the special investigator shall submit the special investigator's report to the commission. The commission, after review of such report, shall determine:

- (1) That there is reasonable grounds for belief that a violation has occurred; or
- (2) That there are no reasonable grounds for belief that a violation exists and the complaint should be dismissed;

or

(3) That additional time is necessary to complete the investigation, and the status and progress of the investigation to date. The commission, in its discretion, may allow the investigation to proceed for additional successive periods of one hundred twenty days each, pending reports regarding the status and progress of the investigation at the end of each such period.

2. When the commission concludes, based on the report from the special investigator, or based on an audit conducted pursuant to section 105.959, that there are reasonable grounds to believe that a violation of any criminal law has occurred, and if the commission believes that criminal prosecution would be appropriate upon a vote of **at least** four members of the commission, the commission shall refer the report to the Missouri office of prosecution services, prosecutors coordinators training council established in section 56.760, RSMo, which shall submit a panel of five attorneys for recommendation to the court having criminal jurisdiction, for appointment of an attorney to serve as a special prosecutor; except that, the attorney general of Missouri or any assistant attorney general shall not act as such special prosecutor. The court shall then appoint from such panel a special prosecutor pursuant to section 56.110, RSMo, who shall have all the powers provided by section 56.130, RSMo. The court shall allow a reasonable and necessary attorney's fee for the services of the special prosecutor. Such fee shall be assessed as costs if a case is filed, or ordered by the court if no case is filed, and paid together with all other costs in the proceeding by the state, in accordance with rules and regulations promulgated by the state courts administrator, subject to funds appropriated to the office of administration for such purposes. If the commission does not have sufficient funds to pay a special prosecutor, the commission shall refer the case to the prosecutor or prosecutors having criminal jurisdiction. If the prosecutor having criminal jurisdiction is not able to prosecute the case due to a conflict of interest, the court may appoint a special prosecutor, paid from county funds, upon appropriation by the county or the attorney general to investigate and, if appropriate, prosecute the case. The special prosecutor or prosecutor shall commence an action based on the report by the filing of an information or seeking an indictment within sixty days of the date of such prosecutor's appointment, or shall file a written statement with the commission explaining why criminal charges should not be sought. If the special prosecutor or prosecutor fails to take either action required by this subsection, upon request of the commission, a new special prosecutor, who may be the attorney general, shall be appointed. The report may also be referred to the appropriate disciplinary authority over the person who is the subject of the report.

3. When the commission concludes, based on the report from the special investigator or based on an audit conducted pursuant to section 105.959, that there are reasonable grounds to believe that a violation of any law has occurred which is not a violation of criminal law or that criminal prosecution is not appropriate, the commission [shall] **may** conduct a hearing which shall be a closed meeting and not open to the public. The hearing shall be conducted pursuant to the procedures provided by sections 536.063 to 536.090, RSMo, and shall be considered to be a contested case for purposes of such sections. The commission shall determine, in its discretion, whether or not that there is probable cause that a violation has occurred. If the commission determines, by a vote of at least four members of the commission, that probable cause exists that a violation has occurred, the commission may refer its findings and conclusions to the appropriate disciplinary authority over the person who is the subject of the report, as described in subsection 7 of this section. **If the commission determines by a vote of at least four members that a hearing is not appropriate, the commission may, by a vote of at least four members, seek an agreement with the party or parties determined to have violated the provisions of subsection 1 of section 105.957, and the commission may collect a fee for such violation in an amount not greater than one thousand dollars.** After the commission determines by a vote of at least four members of the commission that probable cause exists that a violation has occurred, and the commission has referred the findings and conclusions to the appropriate disciplinary authority over the person

subject of the report, the subject of the report may appeal the determination of the commission to the administrative hearing commission. Such appeal shall stay the action of the Missouri ethics commission. Such appeal shall be filed not later than the fourteenth day after the subject of the commission's action receives actual notice of the commission's action.

4. If the appropriate disciplinary authority receiving a report from the commission pursuant to subsection 3 of this section fails to follow, within sixty days of the receipt of the report, the recommendations contained in the report, or if the commission determines, by a vote of at least four members of the commission that some action other than referral for criminal prosecution or for action by the appropriate disciplinary authority would be appropriate, the commission shall take any one or more of the following actions:

(1) Notify the person to cease and desist violation of any provision of law which the report concludes was violated and that the commission may seek judicial enforcement of its decision pursuant to subsection 5 of this section;

(2) Notify the person of the requirement to file, amend or correct any report, statement, or other document or information required by sections 105.473, 105.483 to 105.492, or chapter 130, RSMo, and that the commission may seek judicial enforcement of its decision pursuant to subsection 5 of this section; and

(3) File the report with the executive director to be maintained as a public document; or

(4) Issue a letter of concern or letter of reprimand to the person, which would be maintained as a public document; or

(5) Issue a letter that no further action shall be taken, which would be maintained as a public document; or

(6) Through reconciliation agreements or civil action, the power to seek fees for violations in an amount not greater than one thousand dollars or double the amount involved in the violation.

5. Upon vote of at least four members, the commission may initiate formal judicial proceedings seeking to obtain any of the following orders:

(1) Cease and desist violation of any provision of sections 105.450 to 105.496, or chapter 130, RSMo, or sections 105.955 to 105.963;

(2) Pay any civil penalties required by sections 105.450 to 105.496 or chapter 130, RSMo;

The subject of the complaint may appeal the action of the Missouri ethics commission, other than a referral for criminal prosecution, to the administrative hearing commission. Such appeal shall stay the action of the Missouri ethics commission. Such appeal shall be filed no later than fourteen days after the subject of the commission's actions receives actual notice of the commission's actions.

6. In the proceeding in circuit court, the commission may seek restitution against any person who has obtained unjust enrichment as a result of violation of any provision of sections 105.450 to 105.496, or chapter 130, RSMo, and may recover on behalf of the state or political subdivision with which the alleged violator is associated, damages in the amount of any unjust enrichment obtained and costs and attorney's fees as ordered by the court.

7. The appropriate disciplinary authority to whom a report shall be sent pursuant to subsection 2 or 3 of this section shall include, but not be limited to, the following:

(4) Upon refusal by any person to comply with a request for information relevant to an investigation, an investigator may issue a subpoena for any person to appear and give testimony, or for a subpoena duces tecum to produce documentary or other evidence which the investigator deems relevant to a matter under the investigator's inquiry. The subpoenas and subpoenas duces tecum may be enforced by applying to a judge of the circuit court of Cole County or any county where the person or entity that has been subpoenaed resides or may be found, for an order to show cause why the subpoena or subpoena duces tecum should not be enforced. The order and a copy of the application therefor shall be served in the same manner as a summons in a civil action, and if, after hearing, the court determines that the subpoena or subpoena duces tecum should be sustained and enforced, the court shall enforce the subpoena or subpoena duces tecum in the same manner as if it had been issued by the court in a civil action; and

The provisions of this section shall not be construed to limit or affect any other remedy or right of appeal or objection.

12. No person shall be required to make or file a complaint to the commission as a prerequisite for exhausting the person's administrative remedies before pursuing any civil cause of action allowed by law.

13. If, in the opinion of the commission, the complaining party was motivated by malice or reason contrary to the spirit of any law on which such complaint was based, in filing the complaint without just cause, this finding shall be reported to appropriate law enforcement authorities. Any person who knowingly files a complaint without just cause, or with malice, is guilty of a class A misdemeanor.

14. A respondent party who prevails in a formal judicial action brought by the commission shall be awarded those reasonable fees and expenses incurred by that party in the formal judicial action, unless the court finds that the position of the commission was substantially justified or that special circumstances make such an award unjust.

Such retired judges shall by the tenth day of each month following any month in which the judge provided services pursuant to this section certify to the commission and to the state courts administrator the amount of time engaged in such services by hour or fraction thereof, the dates thereof, and the expenses incurred and allowable pursuant to this section. The commission shall then issue a warrant to the state treasurer for the payment of the salary and expenses to the extent, and within limitations, provided for in this section. The state treasurer upon receipt of such warrant shall pay the same out of any appropriations made for this purpose on the last day of the month during which the warrant was received by the state treasurer.”; and,

130.016. 1. No candidate for statewide elected office, general assembly, judicial office other than municipal judge, or municipal office in a city with a population of more than one hundred thousand shall be required to comply with the requirements to file a statement of organization or disclosure reports of contributions and expenditures for any election in which neither the aggregate of contributions received nor the aggregate of expenditures made on behalf of such candidate exceeds five hundred dollars and no single contributor, other than the candidate, has contributed more than two hundred [fifty] **seventy-five** dollars of the aggregate contributions received, provided that:

(1) The candidate files a sworn exemption statement with the appropriate officer that the candidate does not intend to either receive contributions or make expenditures in the aggregate of more than five hundred dollars or receive contributions from any single contributor, other than himself or herself, that aggregate more than two hundred [fifty] **seventy-five** dollars and that the total of all contributions received or expenditures made by the candidate and all committees or any other person with his knowledge and consent in support of his candidacy will not exceed five hundred dollars and that the aggregate of contributions received from any single contributor will not exceed two hundred [fifty] **seventy-five** dollars. Such exemption statement shall be filed no later than the date set forth in section 130.046 on which a disclosure report would otherwise be required if the candidate does not file the exemption statement. The exemption statement shall be filed on a form furnished to each appropriate officer by the executive director of the Missouri ethics commission. Each appropriate officer shall make the exemption statement available to candidates and shall direct each candidate's attention to the exemption statement and explain its purpose to the candidate; and

(2) The sworn exemption statement includes a statement that the candidate understands that records of contributions and expenditures must be maintained from the time the candidate first receives contributions or makes expenditures and that an exemption from filing a statement of organization or disclosure reports does not exempt the candidate from other provisions of this chapter. Each candidate described in subsection 1 of this section, who files a statement of exemption, shall file a statement of limited activity for each reporting period, described in section 130.046.

2. Any candidate who has filed an exemption statement as provided in subsection 1 of this section shall not accept any contribution or make any expenditure in support of the person's candidacy, either directly or indirectly or by or through any committee or any other person acting with the candidate's knowledge and consent, which would cause such contributions or expenditures to exceed the limits specified in subdivision (1) of subsection 1 of this section unless the candidate later rejects the exemption pursuant to the provisions of subsection 3 of this section. Any contribution received in excess of such limits shall be returned to the donor or transmitted to the state treasurer to escheat to the state.

3. If, after filing the exemption statement provided for in this section, the candidate subsequently determines the candidate wishes to exceed any of the limits in subdivision (1) of subsection 1 of this section, the candidate shall file a notice of rejection of the exemption with the appropriate officer; however, such rejection shall not be filed later than thirty days before election. A notice of rejection of exemption shall be accompanied by a statement of organization as required by section 130.021 and any other statements and reports which would have been required if the candidate had not filed an exemption statement.

4. A primary election and the immediately succeeding general election are separate elections, and restrictions on contributions and expenditures set forth in subsection 2 of this section shall apply to each election; however, if a successful primary candidate has correctly filed an exemption statement prior to the primary election and has not filed a notice of rejection prior to the date on which the first disclosure report applicable to the succeeding general election is required to be filed, the candidate shall not be required to file an exemption statement for that general election if the limitations set forth in subsection 1 of this section apply to the succeeding general election.

5. A candidate who has an existing candidate committee formed for a prior election for which all statements and reports required by this chapter have been properly filed shall be eligible to file the exemption statement as provided in subsection 1 of this section and shall not be required to file the disclosure reports pertaining to the election for which the candidate is eligible to file the exemption statement if the candidate and the treasurer or deputy treasurer of such existing candidate committee continue to comply with the requirements, limitations and restrictions set forth in

subsections 1, 2, 3 and 4 of this section. The exemption permitted by this subsection does not exempt a candidate or the treasurer of the candidate's existing candidate committee from complying with the requirements of subsections 6 and 7 of section 130.046 applicable to a prior election.

6. No nonpartisan candidate for supreme court, circuit court, or associate circuit court, or candidate for political party office, or for county office or municipal office in a city of one hundred thousand or less, or for any special purpose district office shall be required to file an exemption statement pursuant to this section in order to be exempted from forming a committee and filing disclosure reports required of committees pursuant to this chapter if the aggregate of contributions received or expenditures made by the candidate and any other person with the candidate's knowledge and consent in support of the person's candidacy does not exceed one thousand dollars and the aggregate of contributions from any single contributor does not exceed two hundred [fifty] **seventy-five** dollars. No candidate for any office listed in this subsection shall be excused from complying with the provisions of any section of this chapter, other than the filing of an exemption statement under the conditions specified in this subsection.

7. If any candidate for an office listed in subsection 6 of this section exceeds the limits specified in subsection 6 of this section, the candidate shall form a committee no later than thirty days prior to the election for which the contributions were received or expended which shall comply with all provisions of this chapter for committees.

130.021. 1. Every committee shall have a treasurer who, except as provided in subsection 10 of this section, shall be a resident of this state. A committee may also have a deputy treasurer who, except as provided in subsection 10 of this section, shall be a resident of this state, to serve in the capacity of committee treasurer in the event the committee treasurer is unable for any reason to perform the treasurer's duties.

2. Every candidate for offices listed in subsection 1 of section 130.016 who has not filed a statement of exemption pursuant to that subsection and every candidate for offices listed in subsection 6 of section 130.016 who is not excluded from filing a statement of organization and disclosure reports pursuant to subsection 6 shall form a candidate committee and appoint a treasurer. Thereafter, all contributions on hand and all further contributions received by such candidate and any of the candidate's own funds to be used in support of the person's candidacy shall be deposited in a candidate committee depository account established pursuant to the provisions of subsection 4 of this section, and all expenditures shall be made through the candidate, treasurer or deputy treasurer of the person's candidate committee. Nothing in this chapter shall prevent a candidate from appointing himself or herself as a committee of one and serving as the person's own treasurer, maintaining the candidate's own records and filing all the reports and statements required to be filed by the treasurer of a candidate committee.

3. A candidate who has more than one candidate committee supporting the person's candidacy shall designate one of those candidate committees as the committee responsible for consolidating the aggregate contributions to all such committees under the candidate's control and direction as required by section 130.041.

4. (1) Every committee shall have a single official fund depository within this state which shall be a federally or state-chartered bank, a federally or state-chartered savings and loan association, or a federally or state-chartered credit union in which the committee shall open and thereafter maintain at least one official depository account in its own name. An "official depository account" shall be a checking account or some type of negotiable draft or negotiable order of withdrawal account, and the official fund depository shall, regarding an official depository account, be a type of financial institution which provides a record of deposits, canceled checks or other canceled instruments of withdrawal evidencing each transaction by maintaining copies within this state of such instruments and other transactions. All contributions which the committee receives in money, checks and other negotiable instruments shall be deposited in a committee's official depository account. Contributions shall not be accepted and expenditures shall not be made by a committee except by or through an official depository account and the committee treasurer, deputy treasurer or candidate. 2. Those members serving in 2001 shall complete their terms and upon the expiration of such terms, the committee shall be composed of:
- (1) Five members appointed by the governor with the advice and consent of the senate, not more than three of whom shall be from the same political party. (1) Review and approve or disapprove all applications for a review certification made under sections 197.370 to 197.398. It shall issue reasonable rules and regulations governing the submission, review, and disposition of applications;

(2) Notify the applicant within fifteen days of the date of filing of an application as to the completeness of such application as defined by rule;

(3) Provide written notification to persons located within this state at the beginning of a review. The notification may be given through publication of the review schedule in all newspapers of general circulation in the area to be served;

(8) Consider the predominant ethnic, cultural, or religious compositions of the residents to be served by a health care facility in considering whether to grant a review certification;

(9) Failure by the committee to issue a written decision on an application for review certification within the time required by this section shall constitute approval of the final administrative action on the application and is subject to appeal pursuant to section 197.382 only on the question of approval.

197.380. 1. Any person who proposes to develop or offer a new institutional health service or a first-time service shall submit a letter of intent to the committee at least thirty days prior to the filing of the application.

2. An application fee must accompany each application for a review certification. The time of filing commences with the receipt of the application and the fee. The fee is one thousand dollars, or one-tenth of one percent of the total project cost, whichever is greater. All application fees shall be deposited in the state treasury. The general assembly will appropriate funds to the Missouri health facilities review committee.

197.382. Within thirty days of the decision of the committee, only the applicant may file an appeal pursuant to chapter 621, RSMo. Any subsequent appeal shall be to the circuit court of the county in which such health care service or facility is proposed to be developed.

197.384. 1. Prior to May 31, 2004, any person who proposes to develop or offer a new institutional health service must obtain a review certification from the committee prior to the time such services are offered.

2. Prior to May 31, 2004, any person who proposes a first-time service must obtain a review certification from the committee prior to the time such services are offered.

3. Any person who proposes to add new, not previously licensed, beds to an existing hospital, intermediate care facility, residential care facility I or II or skilled nursing facility must obtain a review certification. This shall not preclude the transfer of already licensed beds as defined in section 197.374.

4. Prior to May 31, 2004, any person who proposes to renovate or replace a project in a current location whose cost is over seven million five hundred thousand dollars must obtain a review certification.

5. Any person who proposes renovation, replacement or expansion in excess of ten million dollars shall demonstrate a level of uncompensated care equal to five percent of net operating revenue for the three fiscal years preceding the year in which the application for review certification is filed.

6. Those new institutional health services, first-time services, or addition of beds, that are found by the committee to meet the health needs of the community served pursuant to section 197.390, shall be granted a

review certification.

7. A review certification shall be issued only for the premises and persons named in the application and is not transferable except by the consent of the committee.

8. Project cost increases, exceeding the initial estimate by more than ten percent shall not be incurred without consent of the committee.

9. Periodic reports to the committee shall be required of any applicant who has been granted a review certification until the project has been completed. The committee may order the forfeiture of the review certification upon failure of the applicant to file any such report.

10. A review certification shall be subject to forfeiture for failure to incur expenditures equal to twenty percent of the total approved cost of the project within twelve months after the date of the order. The applicant may request an extension from the committee of not more than six additional months to avoid forfeiture.

11. No state agency charged by statute to license or certify health care facilities shall issue a license to or certify any such facility, or distinct part of such facility, that is developed and is required to have a review certification, without first obtaining a review certification.

12. No state agency may appropriate or grant funds to or make payment of any funds to any person or health care facility that has not first obtained every review certification required pursuant to sections 197.370 to 197.398.

13. In no event shall a review certification be denied because the applicant refuses to provide abortion services or information.

14. A review certification shall not be required for the transfer of ownership of an existing and operational health care facility in its entirety.

15. A review certification may be granted for something less than that which was sought in the original application.

16. To assure the safe, appropriate, and cost-effective transfer of new medical technology throughout the state, a review certification shall not be required for the purchase and operation of research equipment that is to be used in a clinical trial that has received written approval from a duly constituted institutional review board of an accredited school of medicine or osteopathy located in Missouri to establish its safety and efficacy and does not increase the bed complement of the institution in which the equipment is to be located. After the clinical trial has been completed, a review certification must be obtained for continued use in such facility.

17. The provisions of subsections 1, 2 and 4 of this section shall expire on May 31, 2004.

197.386. Review certification is not required for:

(1) Facilities operated by the state. Appropriation of funds to such facilities by the general assembly shall be in compliance, and such facilities shall be deemed to have received an appropriate review certification without any fee or charge;

(2) Facilities which are licensed pursuant to the provisions of chapter 198, RSMo, which are designed and operated exclusively for the care and treatment of persons with acquired human immunodeficiency syndrome (AIDS). Only AIDS patients shall be residents of such a facility and no others. Any facility that violates this provision shall be liable for a fine of one hundred dollars per resident per day for each such violation;

(3) Nonreviewable projects as per subdivision (7) of section 197.374.

197.388. 1. After July 1, 1983, no review certification shall be issued for the following:

(1) Additional residential care facility I, residential care facility II, intermediate care facility or skilled nursing facility beds above the number then licensed by this state;

(2) Beds in a licensed hospital to be reallocated on a temporary or permanent basis to nursing care or beds in a long-term care hospital meeting the requirements described in 42 CFR, Section 412.23(e), excepting those which are not subject to a review certification; nor

(3) The reallocation of intermediate care facility or skilled nursing facility beds of existing licensed beds by transfer or sale of licensed beds between a hospital licensed pursuant to this chapter or a nursing care facility licensed pursuant to chapter 198, RSMo; except for beds in counties in which there is no existing nursing care facility. No review certification shall be issued for the reallocation of existing residential care facility I or II, or intermediate care facilities operated exclusively for the mentally retarded to intermediate care or skilled nursing facilities or beds. However, after January 1, 2003, nothing in this section shall prohibit the Missouri health facilities review committee from issuing a review certification for additional beds in existing health care facilities or for new beds in new health care facilities or for the reallocation of licensed beds, provided that no construction shall begin prior to January 1, 2004.

2. The health facilities review committee shall utilize demographic data from the office of social and economic data analysis, or its successor organization, at the University of Missouri as their source of information in considering applications for new institutional long-term care facilities.

197.390. 1. The provisions of section 197.388 shall not apply to a residential care facility I, residential care facility II, intermediate care facility or skilled nursing facility only where the department of health has first determined that there presently exists a need for additional beds of that classification because the average occupancy of all licensed and available residential care facility I, residential care facility II, intermediate care facility and skilled nursing facility beds exceeds ninety percent for at least four consecutive calendar quarters, in a particular county, and within a fifteen-mile radius of the proposed facility, and the facility otherwise appears to qualify for a review certification. The department's certification that there is no need for additional beds shall serve as the final determination and decision of the committee. In determining ninety percent occupancy, residential care facility I and II shall be one separate classification and intermediate care and skilled nursing facilities are another separate classification.

2. The Missouri health facilities review committee may, for any facility certified to it by the department, consider the predominant ethnic or religious composition of the residents to be served by that facility in considering whether to grant a review certification.

3. There shall be no expenditure minimum for facilities, beds, or services referred to in subdivisions (1), (2) and (3) of section 197.388. The provisions of this subsection shall expire January 1, 2003.

4. As used in this section, the term "licensed and available" means beds which are actually in place and for which a license has been issued.

5. The provisions of section 197.388 shall not apply to any facility where at least ninety-five percent of the patients require diets meeting the dietary standards defined by section 196.165, RSMo.

6. The committee shall review all letters of intent and applications for long-term care hospital beds meeting the requirements described in 42 CFR, Section 412.23(e) under its criteria and standards for long-term care beds.

7. Sections 197.370 to 197.398 shall not be construed to apply to litigation pending in state court on or before April 1, 1996, in which the Missouri health facilities review committee is a defendant in an action concerning the application of sections 197.300 to 197.366 to long-term care hospital beds meeting the requirements described in 42 CFR, Section 412.23(e).

8. Notwithstanding any other provision of this chapter to the contrary:

(1) A facility licensed pursuant to chapter 198, RSMo, may increase its licensed bed capacity by:

(a) Submitting a letter of intent to expand to the division of aging and the health facilities review committee;

(b) Certification from the division of aging that the facility:

a. Has no patient care class I deficiencies within the last eighteen months; and

b. Has maintained a ninety-percent average occupancy rate for the previous six quarters;

(c) Has made an effort to purchase beds for eighteen months following the date the letter of intent to expand is submitted pursuant to paragraph (a) of this subdivision. For purposes of this paragraph, an "effort to purchase" means a copy certified by the offeror as an offer to purchase beds from another licensed facility in the same licensure category; and

(d) If an agreement is reached by the selling and purchasing entities, the health facilities review committee shall issue a review certification for the expansion of the purchaser facility upon surrender of the seller's license; or

(e) If no agreement is reached by the selling and purchasing entities, the health facilities review committee shall permit an expansion for:

a. A facility with more than forty beds may expand its licensed bed capacity within the same licensure category by twenty-five percent or thirty beds, whichever is greater, if that same licensure category in such facility has experienced an average occupancy of ninety-three percent or greater over the previous six quarters;

b. A facility with fewer than forty beds may expand its licensed bed capacity within the same licensure category by twenty-five percent or ten beds, whichever is greater, if that same licensure category in such facility has experienced an average occupancy of ninety-two percent or greater over the previous six quarters;

c. A facility adding beds pursuant to subparagraphs a. or b. of this paragraph shall not expand by more than fifty percent of its then licensed bed capacity in the qualifying licensure category;

(2) Any beds sold shall, for five years from the date of relicensure by the purchaser, remain unlicensed

and unused for any long-term care service in the selling facility, whether they do or do not require a license;

(3) The beds purchased shall, for two years from the date of purchase, remain in the bed inventory attributed to the selling facility and be considered by the department of social services as licensed and available for purposes of this section;

(4) Any residential care facility licensed pursuant to chapter 198, RSMo, may relocate any portion of such facility's current licensed beds to any other facility to be licensed within the same licensure category if both facilities are under the same licensure ownership or control, and are located within six miles of each other;

(5) A facility licensed pursuant to chapter 198, RSMo, may transfer or sell individual long-term care licensed beds to facilities qualifying pursuant to paragraphs (a) and (b) of subdivision (1) of this subsection. Any facility which transfers or sells licensed beds shall not expand its licensed bed capacity in that licensure category for a period of five years from the date the licensure is relinquished.

9. Any existing licensed and operating health care facility offering long-term care services may replace one-half of its licensed beds at the same site or a site not more than thirty miles from its current location if, for at least the most recent four consecutive calendar quarters, the facility operates only fifty percent of its then licensed capacity with every resident residing in a private room. In such case:

(1) The facility shall report to the division of aging vacant beds as unavailable for occupancy for at least the most recent four consecutive calendar quarters;

(2) The replacement beds shall be built to private room specifications and only used for single occupancy; and

(3) The existing facility and proposed facility shall have the same owner or owners, regardless of corporate or business structure, and such owner or owners shall stipulate in writing that the existing facility beds to be replaced will not later be used to provide long-term care services. If the facility is being operated under a lease, both the lessee and the owner of the existing facility shall stipulate the same in writing.

10. Nothing in this section shall prohibit a health care facility licensed pursuant to chapter 198, RSMo, from being replaced in its entirety within fifteen miles of its existing site so long as the existing facility and proposed or replacement facility have the same owner or owners regardless of corporate or business structure and the health care facility being replaced remains unlicensed and unused for any long-term care services whether they do or do not require a license from the date of licensure of the replacement facility.

197.394. 1. Any person who is paid to support or oppose any project before the committee shall register with the staff of the committee for every project in which such person has an interest. The registration shall also include the names and addresses of any person, firm, corporation or association that the person registering represents in relation to the named project. Any person violating the provisions of this subsection shall be subject to the penalties specified in section 105.478, RSMo.

2. Any person regulated by chapter 197 or 198, RSMo, and any officer, attorney, agent and employee thereof, shall not offer to any committee member or to any member of the committee staff, any office, appointment or position, or any present, gift, entertainment or gratuity of any kind while such application is pending before the committee. Any person guilty of knowingly violating the provisions of this section shall be punished as follows: For the first offense, such person is guilty of a class B misdemeanor; and for the second and subsequent offenses, such person is guilty of a class D felony.

197.396. For the purposes of reimbursement under section 208.152, RSMo, project costs for new institutional health services in excess of ten percent of the initial project estimate shall not be eligible for reimbursement for the first three years that a facility receives payment for services provided under section 208.152, RSMo. The initial estimate shall be that amount for which the original review certification was obtained. Reimbursement for these excess costs after the first three years shall not be made until a review certification has been granted for the excess project costs. The provisions of this section shall apply only to facilities which file an application for a review certification or make application for cost-overrun review of their original application or waiver.

197.397. The health facilities review committee shall submit an annual report to the governor and members of the general assembly on all projects that have come before the committee and have been approved, are in process or have been disapproved.

197.398. The committee shall have the power to promulgate reasonable rules, regulations, criteria and standards in conformity with this section and chapter 536, RSMo, to meet the objectives of sections 197.370 to 197.398 including the power to establish criteria and standards to review new types of equipment or service. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the

authority delegated in sections 197.370 to 197.398 shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, sections 536.028, RSMo. All rulemaking authority delegated prior to August 28, 2001, is of no force and effect and repealed. Nothing in this section shall be interpreted to repeal or affect the validity of any rule filed or adopted prior to August 28, 2001, if it fully complied with all applicable provisions of the law. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2001, shall be invalid and void."; and

Further amend said bill, Page 26, Section 610.027, Line 15 of said page, by inserting after all of said line the following:

All application fees shall be deposited in the state treasury. Because of the loss of federal funds, the general assembly will appropriate funds to the Missouri health facilities review committee.

11. In determining whether a certificate of need should be granted, no consideration shall be given to the facilities or equipment of any other health care facility located more than a fifteen-mile radius from the applying facility.

12. When a nursing facility shifts from a skilled to an intermediate level of nursing care, it may return to the higher level of care if it meets the licensure requirements, without obtaining a certificate of need.

13. In no event shall a certificate of need be denied because the applicant refuses to provide abortion services

or information.

14. A certificate of need shall not be required for the transfer of ownership of an existing and operational health facility in its entirety.

15. A certificate of need may be granted to a facility for an expansion, an addition of services, a new institutional service, or for a new hospital facility which provides for something less than that which was sought in the application.

16. The provisions of this section shall not apply to facilities operated by the state, and appropriation of funds to such facilities by the general assembly shall be deemed in compliance with this section, and such facilities shall be deemed to have received an appropriate certificate of need without payment of any fee or charge.

17. Notwithstanding other provisions of this section, a certificate of need may be issued after July 1, 1983, for an intermediate care facility operated exclusively for the mentally retarded.

18. To assure the safe, appropriate, and cost-effective transfer of new medical technology throughout the state, a certificate of need shall not be required for the purchase and operation of research equipment that is to be used in a clinical trial that has received written approval from a duly constituted institutional review board of an accredited school of medicine or osteopathy located in Missouri to establish its safety and efficacy and does not increase the bed complement of the institution in which the equipment is to be located. After the clinical trial has been completed, a certificate of need must be obtained for continued use in such facility.]

[197.316. 1. The provisions of subsection 10 of section 197.315 and sections 197.317 and 197.318 shall not apply to facilities which are licensed pursuant to the provisions of chapter 198, RSMo, which are designed and operated exclusively for the care and treatment of persons with acquired human immunodeficiency syndrome, AIDS.

2. If a facility is granted a certificate of need and is found to be exempt from the provisions of subsection 10 of section 197.315 and sections 197.317 and 197.318 pursuant to the provisions of subsection 1 of this section, then only AIDS patients shall be residents of such facility and no others.

3. Any facility that violates the provisions of subsection 2 of this section shall be liable for a fine of one hundred dollars per resident per day for each such violation.

4. The attorney general shall, upon request of the department of health, bring an action in a circuit court of competent jurisdiction for violation of this section.]

[197.317. 1. After July 1, 1983, no certificate of need shall be issued for the following:

(1) Additional residential care facility I, residential care facility II, intermediate care facility or skilled nursing facility beds above the number then licensed by this state;

(2) Beds in a licensed hospital to be reallocated on a temporary or permanent basis to nursing care or beds in a long-term care hospital meeting the requirements described in 42 CFR, Section 412.23(e), excepting those which are not subject to a certificate of need pursuant to paragraphs (e) and (g) of subdivision (10) of section 197.305; nor

(3) The reallocation of intermediate care facility or skilled nursing facility beds of existing licensed beds by transfer or sale of licensed beds between a hospital licensed pursuant to this chapter or a nursing care facility licensed pursuant to chapter 198, RSMo; except for beds in counties in which there is no existing nursing care facility. No certificate of need shall be issued for the reallocation of existing residential care facility I or II, or intermediate care facilities operated exclusively for the mentally retarded to intermediate care or skilled nursing facilities or beds. However, after January 1, 2003, nothing in this section shall prohibit the Missouri health facilities review committee from issuing a certificate of need for additional beds in existing health care facilities or for new beds in new health care facilities or for the reallocation of licensed beds, provided that no construction shall begin prior to January 1, 2004. The provisions of subsections 16 and 17 of section 197.315 shall apply to the provisions of this section.

2. The health facilities review committee shall utilize demographic data from the office of social and economic data analysis, or its successor organization, at the University of Missouri as their source of information in considering applications for new institutional long-term care facilities.]

[197.318. 1. The provisions of section 197.317 shall not apply to a residential care facility I, residential care facility II, intermediate care facility or skilled nursing facility only where the department of social services has first determined that there presently exists a need for additional beds of that classification because the average occupancy of all licensed and available residential care facility I, residential care facility II, intermediate care facility and skilled nursing facility beds exceeds ninety percent for at least four consecutive calendar quarters, in a particular county, and within a fifteen-mile radius of the proposed facility, and the facility otherwise appears to qualify for a certificate of need. The department's certification that there is no need for additional beds shall serve as the final determination and decision of the committee. In determining ninety percent occupancy, residential care facility I and II shall be one separate classification and intermediate care and skilled nursing facilities are another separate classification.

2. The Missouri health facilities review committee may, for any facility certified to it by the department, consider

the predominant ethnic or religious composition of the residents to be served by that facility in considering whether to grant a certificate of need.

3. There shall be no expenditure minimum for facilities, beds, or services referred to in subdivisions (1), (2) and (3) of section 197.317. The provisions of this subsection shall expire January 1, 2003.

4. As used in this section, the term "licensed and available" means beds which are actually in place and for which a license has been issued.

5. The provisions of section 197.317 shall not apply to any facility where at least ninety-five percent of the patients require diets meeting the dietary standards defined by section 196.165, RSMo.

6. The committee shall review all letters of intent and applications for long-term care hospital beds meeting the requirements described in 42 CFR, Section 412.23(e) under its criteria and standards for long-term care beds.

7. Sections 197.300 to 197.366 shall not be construed to apply to litigation pending in state court on or before April 1, 1996, in which the Missouri health facilities review committee is a defendant in an action concerning the application of sections 197.300 to 197.366 to long-term care hospital beds meeting the requirements described in 42 CFR, Section 412.23(e).

8. Notwithstanding any other provision of this chapter to the contrary:

(1) A facility licensed pursuant to chapter 198, RSMo, may increase its licensed bed capacity by:

(a) Submitting a letter of intent to expand to the division of aging and the health facilities review committee;

(b) Certification from the division of aging that the facility:

a. Has no patient care class I deficiencies within the last eighteen months; and

b. Has maintained a ninety-percent average occupancy rate for the previous six quarters;

(c) Has made an effort to purchase beds for eighteen months following the date the letter of intent to expand is submitted pursuant to paragraph (a) of this subdivision. For purposes of this paragraph, an "effort to purchase" means a copy certified by the offeror as an offer to purchase beds from another licensed facility in the same licensure category; and

(d) If an agreement is reached by the selling and purchasing entities, the health facilities review committee shall issue a certificate of need for the expansion of the purchaser facility upon surrender of the seller's license; or

(e) If no agreement is reached by the selling and purchasing entities, the health facilities review committee shall permit an expansion for:

a. A facility with more than forty beds may expand its licensed bed capacity within the same licensure category by twenty-five percent or thirty beds, whichever is greater, if that same licensure category in such facility has experienced an average occupancy of ninety-three percent or greater over the previous six quarters;

b. A facility with fewer than forty beds may expand its licensed bed capacity within the same licensure category by twenty-five percent or ten beds, whichever is greater, if that same licensure category in such facility has experienced an average occupancy of ninety-two percent or greater over the previous six quarters;

c. A facility adding beds pursuant to subparagraphs a. or b. of this paragraph shall not expand by more than fifty percent of its then licensed bed capacity in the qualifying licensure category;

(2) Any beds sold shall, for five years from the date of relicensure by the purchaser, remain unlicensed and unused for any long-term care service in the selling facility, whether they do or do not require a license;

(3) The beds purchased shall, for two years from the date of purchase, remain in the bed inventory attributed to the selling facility and be considered by the department of social services as licensed and available for purposes of this section;

(4) Any residential care facility licensed pursuant to chapter 198, RSMo, may relocate any portion of such facility's current licensed beds to any other facility to be licensed within the same licensure category if both facilities are under the same licensure ownership or control, and are located within six miles of each other;

(5) A facility licensed pursuant to chapter 198, RSMo, may transfer or sell individual long-term care licensed beds to facilities qualifying pursuant to paragraphs (a) and (b) of subdivision (1) of this subsection. Any facility which transfers or sells licensed beds shall not expand its licensed bed capacity in that licensure category for a period of five years from the date the licensure is relinquished.

9. Any existing licensed and operating health care facility offering long-term care services may replace one-half of its licensed beds at the same site or a site not more than thirty miles from its current location if, for at least the most recent four consecutive calendar quarters, the facility operates only fifty percent of its then licensed capacity with every resident residing in a private room. In such case:

(1) The facility shall report to the division of aging vacant beds as unavailable for occupancy for at least the most recent four consecutive calendar quarters;

- (2) The replacement beds shall be built to private room specifications and only used for single occupancy; and
- (3) The existing facility and proposed facility shall have the same owner or owners, regardless of corporate or business structure, and such owner or owners shall stipulate in writing that the existing facility beds to be replaced will not later be used to provide long-term care services. If the facility is being operated under a lease, both the lessee and the owner of the existing facility shall stipulate the same in writing.

10. Nothing in this section shall prohibit a health care facility licensed pursuant to chapter 198, RSMo, from being replaced in its entirety within fifteen miles of its existing site so long as the existing facility and proposed or replacement facility have the same owner or owners regardless of corporate or business structure and the health care facility being replaced remains unlicensed and unused for any long-term care services whether they do or do not require a license from the date of licensure of the replacement facility.]

[197.320. The committee shall have the power to promulgate reasonable rules, regulations, criteria and standards in conformity with this section and chapter 536, RSMo, to meet the objectives of sections 197.300 to 197.366 including the power to establish criteria and standards to review new types of equipment or service. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in sections 197.300 to 197.366 shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. All rulemaking authority delegated prior to August 28, 1999, is of no force and effect and repealed. Nothing in this section shall be interpreted to repeal or affect the validity of any rule filed or adopted prior to August 28, 1999, if it fully complied with all applicable provisions of law. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 1999, shall be invalid and void.]

[197.325. Any person who proposes to develop or offer a new institutional health service shall submit a letter of intent to the committee at least thirty days prior to the filing of the application.]

[197.326. 1. Any person who is paid either as part of his normal employment or as a lobbyist to support or oppose any project before the health facilities review committee shall register as a lobbyist pursuant to chapter 105, RSMo, and shall also register with the staff of the health facilities review committee for every project in which such person has an interest and indicate whether such person supports or opposes the named project. The registration shall also include the names and addresses of any person, firm, corporation or association that the person registering represents in relation to the named project. Any person violating the provisions of this subsection shall be subject to the penalties specified in section 105.478, RSMo.

2. A member of the general assembly who also serves as a member of the health facilities review committee is prohibited from soliciting or accepting campaign contributions from any applicant or person speaking for an applicant or any opponent to any application or persons speaking for any opponent while such application is pending before the health facilities review committee.

3. Any person regulated by chapter 197 or 198, RSMo, and any officer, attorney, agent and employee thereof, shall not offer to any committee member or to any person employed as staff to the committee, any office, appointment or position, or any present, gift, entertainment or gratuity of any kind or any campaign contribution while such application is pending before the health facilities review committee. Any person guilty of knowingly violating the provisions of this section shall be punished as follows: For the first offense, such person is guilty of a class B misdemeanor; and for the second and subsequent offenses, such person is guilty of a class D felony.]

[197.327. 1. If a facility is granted a certificate of need pursuant to sections 197.300 to 197.365 based on an application stating a need for additional Medicaid beds, such beds shall be used for Medicaid patients and no other.

2. Any person who violates the provisions of subsection 1 of this section shall be liable to the state for civil penalties of one hundred dollars for every day of such violation. Each nonMedicaid patient placed in a Medicaid bed shall constitute a separate violation.

3. The attorney general shall, upon the request of the department, bring an action in a circuit court of competent jurisdiction to recover the civil penalty. The department may bring such an action itself. The civil action may be brought in the circuit court of Cole County or, at the option of the director, in another county which has venue of an action against the person under other provisions of law.]

[197.330. 1. The committee shall:

(1) Notify the applicant within fifteen days of the date of filing of an application as to the completeness of such application;

(2) Provide written notification to affected persons located within this state at the beginning of a review. This notification may be given through publication of the review schedule in all newspapers of general circulation in the area

to be served;

(3) Hold public hearings on all applications when a request in writing is filed by any affected person within thirty days from the date of publication of the notification of review;

(4) Within one hundred days of the filing of any application for a certificate of need, issue in writing its findings of fact, conclusions of law, and its approval or denial of the certificate of need; provided, that the committee may grant an extension of not more than thirty days on its own initiative or upon the written request of any affected person;

(5) Cause to be served upon the applicant, the respective health system agency, and any affected person who has filed his prior request in writing, a copy of the aforesaid findings, conclusions and decisions;

(6) Consider the needs and circumstances of institutions providing training programs for health personnel;

(7) Provide for the availability, based on demonstrated need, of both medical and osteopathic facilities and services to protect the freedom of patient choice; and

(8) Establish by regulation procedures to review, or grant a waiver from review, nonsubstantive projects.

The term "filed" or "filing" as used in this section shall mean delivery to the staff of the health facilities review committee the document or documents the applicant believes constitute an application.

2. Failure by the committee to issue a written decision on an application for a certificate of need within the time required by this section shall constitute approval of and final administrative action on the application, and is subject to appeal pursuant to section 197.335 only on the question of approval by operation of law.]

[197.335. Within thirty days of the decision of the committee, the applicant may file an appeal to be heard de novo by the administrative hearing commissioner, the circuit court of Cole County or the circuit court in the county within which such health care service or facility is proposed to be developed.]

[197.340. Any health facility providing a health service must notify the committee of any discontinuance of any previously provided health care service, a decrease in the number of licensed beds by ten percent or more, or the change in licensure category for any such facility.]

[197.345. Any health facility with a project for facilities or services for which a binding construction or purchase contract has been executed prior to October 1, 1980, or health care facility which has commenced operations prior to October 1, 1980, shall be deemed to have received a certificate of need, except that such certificate of need shall be subject to forfeiture under the provisions of subsections 8 and 9 of section 197.315.]

[197.355. The legislature may not appropriate any money for capital expenditures for health care facilities until a certificate of need has been issued for such expenditures.]

[197.357. For the purposes of reimbursement under section 208.152, RSMo, project costs for new institutional health services in excess of ten percent of the initial project estimate whether or not approval was obtained under subsection 7 of section 197.315 shall not be eligible for reimbursement for the first three years that a facility receives payment for services provided under section 208.152, RSMo. The initial estimate shall be that amount for which the original certificate of need was obtained or, in the case of facilities for which a binding construction or purchase contract was executed prior to October 1, 1980, the amount of that contract. Reimbursement for these excess costs after the first three years shall not be made until a certificate of need has been granted for the excess project costs. The provisions of this section shall apply only to facilities which file an application for a certificate of need or make application for cost-overrun review of their original application or waiver after August 13, 1982.]

[197.366. The provisions of subdivision (8) of section 197.305 to the contrary notwithstanding, after December 31, 2001, the term "health care facilities" in sections 197.300 to 197.366 shall mean:

(1) Facilities licensed under chapter 198, RSMo;

(2) Long-term care beds in a hospital as described in subdivision (3) of subsection 1 of section 198.012, RSMo;

(3) Long-term care hospitals or beds in a long-term care hospital meeting the requirements described in 42 CFR, section 412.23(e); and

(4) Construction of a new hospital as defined in chapter 197.]; and

[197.367. Upon application for renewal by any residential care facility I or II which on the effective date of this act has been licensed for more than five years, is licensed for more than fifty beds and fails to maintain for any calendar year its occupancy level above thirty percent of its then licensed beds, the division of aging shall license only fifty beds for such facility.]; and

(11) Establish by regulation a brief reporting format, sworn and notarized, for nonsubstantive and nonreviewable projects.

197.374. 1. Any person who proposes to develop or offer a new institutional acute care service or a first-time service shall submit a letter of intent to the committee at least thirty days prior to the filing of the application.

2. An application fee shall accompany each application for a review certification. The time of filing commences with the receipt of the application and the fee. The fee shall be one thousand dollars or one-tenth of one percent of the total project, whichever is greater. All application fees shall be deposited in the state treasury. The general assembly will appropriate funds to the Missouri health facilities review committee.

197.376. Within thirty days of the decision of the committee, the applicant may file an appeal pursuant to chapter 621, RSMo. Any subsequent appeal venue shall be the circuit court in the county within which such acute care service or facility is proposed to be developed.

197.378. 1. 2. Any person who proposes a first-time service shall obtain a review certification from the committee prior to the time such services are offered.

3. Any person who proposes to add new, not previously licensed, beds to an existing hospital shall obtain a review certification. This shall not preclude the addition or transfer of beds without review certification as defined in paragraphs (c) and (d) of subdivision (6) of section 197.370.

197.380. Review certification is not required for:

(1) Facilities operated by the state and appropriation of funds to such facilities by the general assembly shall be in compliance, and such facilities shall be deemed to have received an appropriate review certification without any fee or charge;

Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in sections 197.300 to 197.384 shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. All rulemaking authority delegated prior to August 28, 2001, is of no force and effect and repealed. Nothing in this section shall be interpreted to repeal or affect the validity of any rule filed or adopted prior to August 28, 2001, if it fully complied with all applicable provisions of the law. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of

rulemaking authority and any rule proposed or adopted after August 28, 2001, shall be invalid and void.
197.385. The provisions of sections 197.370 to 197.384 shall expire on December 31, 2003."; and

"376.1199. 1. Each health carrier or health benefit plan that offers or issues health benefit plans providing obstetrical/gynecological benefits and pharmaceutical coverage, which are delivered, issued for delivery, continued or renewed in this state on or after January 1, 2002, shall:

(1) Notwithstanding the provisions of subsection 4 of section 354.618, RSMo, provide enrollees with direct access to the services of a participating obstetrician, participating gynecologist or participating obstetrician/gynecologist of her choice within the provider network for covered services. The services covered by this subdivision shall be limited to those services defined by the published recommendations of the accreditation council for graduate medical education for training an obstetrician, gynecologist or obstetrician/gynecologist, including but not limited to diagnosis, treatment and referral for such services. A health carrier shall not impose additional co-payments, coinsurance or deductibles upon any enrollee who seeks or receives health care services pursuant to this subdivision, unless similar additional co-payments, coinsurance or deductibles are imposed for other types of health care services received within the provider network. Nothing in this subsection shall be construed to require a health carrier to perform, induce, pay for, reimburse, guarantee, arrange, provide any resources for or refer a patient for an abortion, as defined in section 188.015, RSMo, other than a spontaneous abortion or to prevent the death of the female upon whom the abortion is performed, or to supersede or conflict with section 376.805; and

(2) Notify enrollees annually of cancer screenings covered by the enrollees' health benefit plan and the current American Cancer Society guidelines for all cancer screenings or notify enrollees at intervals consistent with current American Cancer Society guidelines of cancer screenings which are covered by the enrollees' health benefit plans. The notice shall be delivered by mail unless the enrollee and health carrier have agreed on another method of notification; and

(3) Include coverage for services related to diagnosis, treatment and appropriate management of osteoporosis when such services are provided by a person licensed to practice medicine and surgery in this state, for individuals with a condition or medical history for which bone mass measurement is medically indicated for such individual. In determining whether testing or treatment is medically appropriate, due consideration shall be given to peer reviewed medical literature. A policy, provision, contract, plan or agreement may apply to such services the same deductibles, coinsurance and other limitations as apply to other covered services; and

(4) If the health benefit plan also provides coverage for pharmaceutical benefits, provide coverage for contraceptives either at no charge or at the same level of deductible, coinsurance or co-payment as any other covered drug. No such deductible, coinsurance or co-payment shall be greater than any drug on the health benefit plan's formulary. As used in this section, "contraceptive" shall include all prescription drugs and devices approved by the federal Food and Drug Administration for use as a contraceptive, but shall exclude all drugs and devices that are intended to induce an abortion, as defined in section 188.015, RSMo, which shall be subject to section 376.805. Nothing in this subdivision shall be construed to exclude coverage for prescription contraceptive drugs or devices ordered by a health care provider with prescriptive authority for reasons other than contraceptive or abortion purposes.

2. For the purposes of this section, "health carrier" and "health benefit plan" shall have the same

meaning as defined in section 376.1350.

3. The provisions of this section shall not apply to a supplemental insurance policy, including a life care contract, accident-only policy, specified disease policy, hospital policy providing a fixed daily benefit only, Medicare supplement policy, long-term care policy, short-term major medical policies of six months or less duration, or any other supplemental policy as determined by the director of the department of insurance.

4. Notwithstanding the provisions of subdivision (4) of subsection 1 of this section to the contrary:

(1) Any health carrier may issue to any person or entity purchasing a health benefit plan, a health benefit plan that excludes coverage for contraceptives if the use or provision of such contraceptives is contrary to the moral, ethical or religious beliefs or tenets of such person or entity;

(2) Upon request of an enrollee who is a member of a group health benefit plan and who states that the use or provision of contraceptives is contrary to his or her moral, ethical or religious beliefs, any health carrier shall issue to or on behalf of such enrollee a policy form that excludes coverage for contraceptives. Any administrative costs to a group health benefit plan associated with such exclusion of coverage not offset by the decreased costs of providing coverage shall be borne by the group policyholder or group plan holder;

(3) Any health carrier which is owned, operated or controlled in substantial part by an entity that is operated pursuant to moral, ethical or religious tenets that are contrary to the use or provision of contraceptives shall be exempt from the provisions of subdivision (4) of subsection 1 of this section.

For purposes of this subsection, if new premiums are charged for a contract, plan or policy, it shall be determined to be a new contract, plan or policy.

5. Except for a health carrier that is exempted from providing coverage for contraceptives pursuant to this section, a health carrier shall allow enrollees in a health benefit plan that excludes coverage for contraceptives pursuant to subsection 4 of this section to purchase a health benefit plan that includes coverage for contraceptives.

6. Any health benefit plan issued pursuant to subsection 1 of this section shall provide clear and conspicuous written notice on the enrollment form or any accompanying materials to the enrollment form and the group health benefit plan contract:

(1) Whether coverage for contraceptives is or is not included;

(2) That an enrollee who is a member of a group health benefit plan with coverage for contraceptives has the right to exclude coverage for contraceptives if such coverage is contrary to his or her moral, ethical or religious beliefs; and

(3) That an enrollee who is a member of a group health benefit plan without coverage for contraceptives has the right to purchase coverage for contraceptives.

7. Health carriers shall not disclose to the person or entity who purchased the health benefit plan the names of enrollees who exclude coverage for contraceptives in the health benefit plan or who purchase a health benefit plan that includes coverage for contraceptives. Health carriers and the person or entity who purchased the health benefit plan shall not discriminate against an enrollee because the enrollee excluded coverage for contraceptives in the health benefit plan or purchased a health benefit plan that includes coverage for contraceptives.

“135.095. For all tax years beginning on or after January 1, 1999, but before January 1, 2005, a [resident individual] **claimant** who has attained sixty-five years of age on or before the last day of the tax year shall be allowed, for the purpose of offsetting the cost of legend drugs, a maximum credit against the tax otherwise due pursuant to chapter 143, RSMo, not including sections 143.191 to 143.265, RSMo, of two hundred dollars. **For the purpose of this section, a “claimant” is defined as a person or persons claiming a credit under sections 135.005. If two claimants are eligible to file a joint federal income tax return and reside at the same address at any time during the taxable year, then the credit may only be allowed if claimed on a combined Missouri income tax return or a combined claim return reporting their combined incomes and property taxes. A claimant shall not be allowed a credit unless the claimant or spouse has attained the age of sixty-five on or before the last day of the calendar year and the claimant or spouse was a resident of Missouri for the entire year during which the credit is claimed. A claimant must apply for his or her own credit.** [An individual] A claimant shall be entitled to the maximum credit allowed by this section if the [individual] **claimant** has [a Missouri adjusted gross income] **an income as defined in section 135.010** of fifteen thousand dollars or less; provided that, no [individual who receives full reimbursement for the cost of legend drugs from Medicare or Medicaid, or] **claimant who meets the income criteria for Medicaid eligibility, or has coverage for pharmaceutical benefits through a health benefit plan as defined in section 376.1350, RSMo, including a Medicare supplement or Medicare + Choice plan, or through a self-funded employee benefit plan shall qualify for the credit allowed pursuant to this section unless a claimant’s pharmaceutical expenses exceed the claimant’s coverage, in which case, a claimant may qualify for a credit for the additional expenses, up to two hundred dollars. No claimant who is a resident of a local, state or federally funded facility shall qualify for the credit allowed pursuant to this section. If [an individual’s Missouri adjusted gross income] a claimant’s income as defined in section 135.010 is greater than fifteen thousand dollars, such [individual] claimant shall be entitled to a credit equal to the greater of zero or the maximum credit allowed by this section reduced by two dollars for every hundred dollars such [individual’s] claimant’s income exceeds fifteen thousand dollars. The credit shall be claimed as prescribed by the director of the department of revenue. Such credit shall be considered an overpayment of tax and shall be refundable even if the amount of the credit exceeds [an individual’s] a claimant’s tax liability. A credit may not be claimed pursuant to this section for any tax year ending after December 31, 2001, or any tax year during which the Missouri pharmaceutical assistance program is in full operation, whichever is later.**

208.550. 1. As used in this section, the following terms mean:

- (1) "Department", the department of social services;
- (2) "Household income", the amount of income as defined in section 135.010, RSMo. For purposes of this section, household income shall be the household income of the applicant for the previous calendar year;
- (3) "Medicaid", the program for medical assistance established pursuant to Title XIX of the federal Social Security Act and administered by the department;
- (4) "Missouri resident", an individual who establishes residence for a period of twelve months in a settled or permanent home or domicile within the state of Missouri with the intention of remaining in this state. An individual is a resident of this state until the individual establishes a permanent residence outside this state;
- (5) "Prescription drug", a prescription drug as defined in 13 CSR 70-20. The current limitations or restrictions placed on certain pharmaceuticals by the department shall remain and the department may define additional restrictions by rule;
- (6) "Program", the pharmaceutical investment program for seniors (PIPS) established pursuant to this section.

2. The department of social services shall establish a "Pharmaceutical Investment Program for Seniors" to help defray the costs of prescription drugs for elderly Missouri residents. The following Missouri residents shall be eligible to participate in the program:

- (1) Any person sixty-five years of age or older, with a household income at or below fifteen thousand dollars who is not currently ineligible pursuant to subsection 3 of this section. Such person shall demonstrate that his or her estimated annual prescription drug costs will exceed the total deductible for twelve months outlined in subsections 5 and 6 of this section;
- (2) For a married couple in which at least one spouse is sixty-five years of age or older, with an annual household income at or below twenty-five thousand dollars:
 - (a) If only one spouse is sixty-five years of age or older, such spouse shall be eligible if his or her household income is at or below fifteen thousand dollars, he or she is not ineligible pursuant to subsection 3 of this section, and his or her estimated annual prescription drug costs will exceed the total deductible for twelve

months outlined in subsections 5 and 6 of this section;

(b) If both spouses are sixty-five years of age or older, both spouses shall be eligible if their estimated annual prescription drug costs will exceed the total deductible for twelve months outlined in subsections 5 and 6 of this section. One or both spouses may be currently ineligible pursuant to subsection 3 of this section;

(3) Any person sixty-five years of age or older who does not qualify pursuant to subdivision (1) of this subsection and who is not currently ineligible pursuant to subsection 3 of this section, if such person's estimated annual pharmaceutical costs will exceed ten percent of such person's household income. Such person shall be eligible to participate in the program and receive benefits not to exceed six thousand dollars per year after such person has expended ten percent of his or her household income; or

(4) A married couple in which at least one spouse is sixty-five years of age or older who does not qualify pursuant to subdivision (2) of this subsection and who are not currently ineligible pursuant to subsection 3 of this section, if such couple's estimated annual pharmaceutical costs will exceed ten percent of such couple's family household income. Such couple shall be eligible to participate in the program and receive benefits not to exceed twelve thousand dollars per year after such couple has expended ten percent of their family household income on their annual pharmaceutical costs.

3. Any person who is receiving Medicaid benefits shall not be eligible to participate in the program, except those Medicaid recipients whose Medicaid coverage does not include pharmacy benefits. The pharmaceutical investment program for seniors is a payer of last resort. If a senior has coverage for pharmaceutical benefits through a health benefit plan, as defined in section 376.1350, RSMo, including a Medicare supplement or Medicare+Choice plan, or through a self-funded employee benefit plan, the pharmaceutical investment program for seniors shall pay only for eligible costs not provided by such coverage and only after the senior has met the deductible required by subsections 5 and 6 of this section.

4. Applicants for the program shall submit an annual application to the department, or the department's designee, that attests to the age, residence, annual household income and estimated annual prescription drug costs for an individual or couple, if married. The department shall prescribe by rule the form of the application for enrollment in the program.

5. Upon notification of eligibility, an enrollee may access the program by meeting the cost-sharing obligation through a monthly deductible calculated and based on one of the following:

(1) If the enrollee's household income is at or below twelve thousand dollars for an individual or twenty thousand dollars for a couple, the monthly deductible is one-twelfth of eight hundred dollars for an individual or one-twelfth of sixteen hundred dollars for a couple; or

(2) If the enrollee's household income is between twelve thousand one dollars and fifteen thousand dollars for an individual or twenty thousand one dollars and twenty-five thousand dollars for a couple, the monthly deductible is one-twelfth of one thousand two hundred dollars for an individual or one-twelfth of twenty-four hundred dollars for a couple.

6. For any month in which the enrollee does not meet the deductible, the difference between the monthly deductible and the actual expenditure on prescription drugs shall be added to the next month's deductible.

7. Nothing in this section shall be construed as requiring an applicant to accept Medicaid benefits in lieu of participation in this program.

8. For prescription drugs, enrollees shall pay a five dollar co-payment for a generic prescription drug or a brand name prescription drug when a recognized generic drug is not available or is more expensive and a fifteen dollar co-payment for a brand name prescription drug when a recognized generic prescription drug is available. The department may implement higher co-payments. Such co-payment may be modified annually by the general assembly through the appropriation process. Such co-payment shall be used to reduce the state's cost for the program. In addition, each enrollee shall pay an annual twenty-five dollar co-payment to offset the administrative costs of the program. Nothing in this subsection shall be construed as permitting therapeutic substitutions.

9. In providing program benefits, the department may enter into a contract with a private individual, corporation or agency to manage the program.

10. The department shall collaborate with the division of aging in the department of health and utilize area agencies on aging, senior citizens centers and other senior focused entities to provide outreach, enrollment referral assistance and education services to potentially eligible seniors for the pharmaceutical investment program for seniors.

11. The department shall submit quarterly reports to the governor, the senate appropriations committee,

and the house of representatives budget committee, the speaker of the house of representatives and the president pro tem of the senate, that include:

(1) Quantified data as to the number of program applicants and enrollees subsequently found eligible for Medicaid;

(2) An estimate of whether the current rate of expenditures will exceed the existing appropriation for the program in the current fiscal year; and

(3) Recommendations for changes to the deductibles and co-payments for enrollees in the program.

12. The program established in this section is not an entitlement. Benefits shall be limited to the level supported by the moneys explicitly appropriated pursuant to this section. If in any fiscal year the department projects that the total cost of the program will exceed the amount currently appropriated for the program, the department shall implement cost control measures to reduce the projected cost. Such cost control measures may include, but are not limited to, increasing the co-payments outlined in subsection 8 of this section or increasing the deductible requirements outlined in subsection 5 of this section. The department may request a supplemental appropriation to meet the projected costs, but must implement cost containment measures to reduce the projected cost to the current appropriated amount. The pharmaceutical investment program for seniors is a payer of last resort. If the federal government establishes a pharmaceutical assistance program that covers program eligible seniors under Medicare or another program, the pharmaceutical insurance program for seniors shall cover only eligible costs not covered by the federal program.

13. The department may promulgate rules to implement the provisions of this section. No rule or portion of a rule promulgated pursuant to the authority of this section shall become effective unless it has been promulgated pursuant to chapter 536, RSMo.

14. Any person who knowingly makes any false statements, falsifies or permits to be falsified any records, or engages in conduct in an attempt to defraud the program is guilty of a misdemeanor and shall forfeit all rights to which he or she may be entitled hereunder.

Section B. Section 208.550 of section A of this act shall become effective July 1, 2002.”; and

Further amend said title, enacting clause and intersectional references accordingly.

The documentary evidence used to establish a delayed certificate shall be shown on all copies issued. All forms and procedures used in the issuance of certified copies of vital records in the state shall be provided or approved by the state registrar.

2. A certified copy of a vital record or any part thereof, issued in accordance with subsection 1 of this section, shall be considered for all purposes the same as the original and shall be prima facie evidence of the facts stated therein, provided that the evidentiary value of a certificate or record filed more than one year after the event, or a record which

has been amended, shall be determined by the judicial or administrative body or official before whom the certificate is offered as evidence.

3. The federal agency responsible for national vital statistics may be furnished such copies or data from the system of vital statistics as it may require for national statistics, provided such federal agency share in the cost of collecting, processing, and transmitting such data, and provided further that such data shall not be used for other than statistical purposes by the federal agency unless so authorized by the state registrar.

4. Federal, state, local and other public or private agencies may, upon request, be furnished copies or data of any other vital statistics not obtainable under subsection 1 of this section for statistical or administrative purposes upon such terms or conditions as may be prescribed by regulation, provided that such copies or data shall not be used for purposes other than those for which they were requested unless so authorized by the state registrar.

5. The state registrar may, by agreement, transmit copies of records and other reports required by sections 193.005 to 193.325 to offices of vital statistics outside this state when such records or other reports relate to residents of those jurisdictions or persons born in those jurisdictions. This agreement shall require that the copies be used for statistical and administrative purposes only, and the agreement shall further provide for the retention and disposition of such copies. Copies received by the department from offices of vital statistics in other states shall be handled in the same manner as prescribed in this section.

6. No person shall prepare or issue any certificate which purports to be an original, certified copy, or copy of a vital record except as authorized herein or by regulations adopted hereunder."; and

Representative Luetkenhaus offered **House Amendment No. 14**.

House Amendment No. 14

AMEND House Substitute for House Committee Substitute for Senate Committee Substitute for Senate Bill No. 236, by inserting at the appropriate locations the following:

"354.603. 1. A health carrier shall maintain a network that is sufficient in number and types of [providers] health care professionals to assure that all services to enrollees shall be accessible without unreasonable delay. In the case of emergency services, enrollees shall have access twenty-four hours per day, seven days per week. The health

carrier's medical director shall be responsible for the sufficiency and supervision of the health carrier's network. Sufficiency shall be determined by the director in accordance with the requirements of this section and by reference to any reasonable criteria, including but not limited to, provider-enrollee ratios by specialty, primary care provider-enrollee ratios, geographic accessibility, reasonable distance accessibility criteria for pharmacy and other services, waiting times for appointments with participating [providers] **health care professionals**, hours of operation, and the volume of technological and specialty services available to serve the needs of enrollees requiring technologically advanced or specialty care.

(1) In any case where the health carrier has an insufficient number or type of participating [providers] **health care professionals** to provide a covered benefit, the health carrier shall ensure that the enrollee obtains the covered benefit at no greater cost than if the benefit was obtained from a participating [provider] **health care professional**, or shall make other arrangements acceptable to the director.

(2) The health carrier shall establish and maintain adequate arrangements to ensure reasonable proximity of participating [providers] **health care professional**, including local pharmacists, to the business or personal residence of enrollees. In determining whether a health carrier has complied with this provision, the director shall give due consideration to the relative availability of health care [providers] **professionals** in the service area under, especially rural areas, consideration.

(3) A health carrier shall monitor, on an ongoing basis, the ability, clinical capacity[, financial capability] and legal authority of its [providers] **health care professionals** to furnish all contracted benefits to enrollees. **The provisions of this subdivision shall not be construed to require any health care professional to submit copies of such health care professional's income tax returns to a health carrier. A health carrier may require a health care professional to obtain audited financial statements if such health care professional received ten percent or more of the total medical expenditures made by the health carrier.**

(4) A health carrier shall make its entire network available to all enrollees unless a contract holder has agreed in writing to a different or reduced network.

2. [Beginning July 1, 1998,] A health carrier shall file with the director, in a manner and form defined by rule of the department of insurance, an access plan meeting the requirements of sections 354.600 to 354.636 for each of the managed care plans that the **health** carrier offers in this state. The health carrier may request the director to deem sections of the access plan as proprietary or competitive information that shall not be made public. For the purposes of this section, information is proprietary or competitive if revealing the information will cause the health carrier's competitors to obtain valuable business information. The health carrier shall provide such plans, absent any information deemed by the director to be proprietary, to any interested party upon request. The **health** carrier shall prepare an access plan prior to offering a new managed care plan, and shall update an existing access plan whenever it makes any change as defined by the director to an existing managed care plan. The director shall approve or disapprove the access plan, or any subsequent alterations to the access plan, within sixty days of filing. The access plan shall describe or contain at a minimum the following:

- (1) The health carrier's network;
- (2) The health carrier's procedures for making referrals within and outside its network;
- (3) The health carrier's process for monitoring and assuring on an ongoing basis the sufficiency of the network to meet the health care needs of enrollees of the managed care plan;
- (4) The health carrier's methods for assessing the health care needs of enrollees and their satisfaction with services;
- (5) The health carrier's method of informing enrollees of the plan's services and features, including but not limited to, the plan's grievance procedures, its process for choosing and changing [providers] **health care professionals**, and its procedures for providing and approving emergency and specialty care;
- (6) The health carrier's system for ensuring the coordination and continuity of care for enrollees referred to specialty physicians, for enrollees using ancillary services, including social services and other community resources, and for ensuring appropriate discharge planning;
- (7) The health carrier's process for enabling enrollees to change primary care professionals;
- (8) The health carrier's proposed plan for providing continuity of care in the event of contract termination between the health carrier and any of its participating [providers] **health care professionals**, in the event of a reduction in service area or in the event of the health carrier's insolvency or other inability to continue operations. The description shall explain how enrollees shall be notified of the contract termination, reduction in service area or the health carrier's insolvency or other modification or cessation of operations, and transferred to other [providers] **health care professionals** in a timely manner; and

(9) Any other information required by the director to determine compliance with the provisions of sections 354.600 to 354.636.

354.606. 1. A health carrier shall establish a mechanism by which the participating provider shall be notified on an ongoing basis of the specific covered health services for which the provider shall be responsible, including any limitations or conditions on services.

2. Every contract between a health carrier and a participating provider shall set forth a hold harmless provision specifying protection for enrollees. This requirement shall be met by including a provision substantially similar to the following:

"Provider agrees that in no event, including but not limited to nonpayment by the health carrier or intermediary, insolvency of the health carrier or intermediary, or breach of this agreement, shall the provider bill, charge, collect a deposit from, seek compensation, remuneration or reimbursement from, or have any recourse against an enrollee or a person, other than the health carrier or intermediary, acting on behalf of the enrollee for services provided pursuant to this agreement. This agreement shall not prohibit the provider from collecting coinsurance, deductibles or co-payments, as specifically provided in the evidence of coverage, or fees for uncovered services delivered on a fee-for-service basis to enrollees. This agreement shall not prohibit a provider, except for a health care professional who is employed full time on the staff of a health carrier and has agreed to provide service exclusively to that health carrier's enrollees and no others, and an enrollee from agreeing to continue services solely at the expense of the enrollee, as long as the provider has clearly informed the enrollee that the health carrier may not cover or continue to cover a specific service or services. Except as provided herein, this agreement does not prohibit the provider from pursuing any available legal remedy; including, but not limited to, collecting from any insurance carrier providing coverage to a covered person."

3. Every contract between a health carrier and a participating provider shall set forth that in the event of a health carrier's or intermediary's insolvency or other cessation of operations, covered services to enrollees shall continue through the period for which a premium has been paid to the health carrier on behalf of the enrollee or until the enrollee's discharge from an inpatient facility, whichever time is greater.

4. The contract provisions satisfying the requirements of subsections 2 and 3 of this section shall:

(1) Be construed in favor of the enrollee;

(2) Survive the termination of the contract regardless of the reason for termination, including the insolvency of the health carrier; and

(3) Supersede any oral or written contrary agreement between a provider and an enrollee or the representative of an enrollee if the contrary agreement is inconsistent with the hold harmless and continuation of covered services provisions required by subsections 2 and 3 of this section.

5. In no event shall a participating provider collect or attempt to collect from an enrollee any money owed to the provider by the health carrier nor shall a participating provider collect or attempt to collect from an enrollee any money in excess of the coinsurance, co-payments or deductibles. Failure of a health carrier to make timely payment of an amount owed to a provider in accordance with the provider's contract shall constitute an unfair claims settlement practice subject to sections 375.1000 to 375.1018, RSMo.

6. (1) A health carrier shall develop selection standards for participating primary care professionals and each participating health care professional specialty. Such standards shall be in writing and used in determining the selection of health care professionals by the health carrier, its intermediaries and any provider networks with which it contracts. Selection criteria shall not be established in a manner that will:

(a) Allow a health carrier to avoid a high-risk population by excluding a provider because such provider is located in a geographic area that contains a population presenting a risk of higher than average claims, losses or health services utilization; or

(b) Exclude a provider because such provider treats or specializes in treating a population presenting a risk of higher than average claims, losses or health services utilization.

(2) Paragraphs (a) and (b) of subdivision (1) of this subsection shall not be construed to prohibit a health carrier from declining to select a provider who fails to meet the other legitimate selection criteria of the health carrier developed in compliance with sections 354.600 to 354.636.

(3) The provisions of sections 354.600 to 354.636 shall not require a health carrier, its intermediaries or the provider networks with which it contracts, to employ specific providers or types of providers, or to contract with or retain more providers or types of providers than are necessary to maintain an adequate network.

7. A health carrier shall file its selection standards for participating providers with the director. A health carrier shall also file any subsequent changes to its selection standards with the director. The selection standards shall be made available to licensed health care providers.

8. A health carrier shall notify a participating provider of the provider's responsibilities with respect to the health carrier's applicable administrative policies and programs, including but not limited to payment terms, utilization review, quality assessment and improvement programs, credentialing, grievance procedures, data reporting requirements, confidentiality requirements and any applicable federal or state programs.

9. No contract between a health carrier and a provider for the delivery of health care service, entered into or renewed after August 28, 2001, shall require the mandatory use of a hospitalist. For purposes of this subsection, "hospitalist" means a physician who becomes a physician of record at a hospital for a patient of a participating provider and who may return the care of the patient to that participating provider at the end of hospitalization.

[9.] **10.** A health carrier shall not offer an inducement under the managed care plan to a provider to provide less than medically necessary services to an enrollee.

[10.] **11.** A health carrier shall not prohibit a participating provider from advocating in good faith on behalf of enrollees within the utilization review or grievance processes established by the health carrier or a person contracting with the health carrier.

[11.] **12.** A health carrier shall require a provider to make health records available to appropriate state and federal authorities involved in assessing the quality of care but shall not disclose individual identities, or investigating the grievances or complaints of enrollees, and to comply with the applicable state and federal laws related to the confidentiality of medical or health records.

[12.] **13.** The rights and responsibilities of a provider under a contract between a health carrier and a participating provider shall not be assigned or delegated by the provider without the prior written consent of the health carrier.

[13.] **14.** A health carrier shall be responsible for ensuring that a participating provider furnishes covered benefits to all enrollees without regard to the enrollee's enrollment in the plan as a private purchaser of the plan or as a participant in a publicly financed program of health care service.

[14.] **15.** A health carrier shall notify the participating providers of their obligations, if any, to collect applicable coinsurance, co-payments or deductibles from enrollees pursuant to the evidence of coverage, or of the providers' obligations, if any, to notify enrollees of their personal financial obligations for noncovered services.

[15.] **16.** A health carrier shall not penalize a provider because the provider, in good faith, reports to state or federal authorities any act or practice by the health carrier that may jeopardize patient health or welfare.

[16.] **17.** A health carrier shall establish a mechanism by which a participating provider may determine in a timely manner whether a person is covered by the carrier.

[17.] **18.** A health carrier shall not discriminate between health care professionals when selecting such professionals for enrollment in the network or when referring enrollees for health care services to be provided by such health care professional who is acting within the scope of his professional license.

[18.] **19.** A health carrier shall establish procedures for resolution of administrative, payment or other disputes between providers and the health carrier.

[19.] **20.** A contract between a health carrier and a provider shall not contain definitions or other provisions that conflict with the definitions or provisions contained in the managed care plan or sections 354.600 to 354.636.

376.383. 1. To the extent consistent with the Employee Retirement Income Security Act of 1974 (ERISA), 29 U.S.C. 1001, et seq., this section shall apply to any health [insurer] **carrier** as defined in section [376.806, any nonprofit health service plan and any health maintenance organization] **376.1350.**

2. Within [forty-five] **thirty** days after receipt of a claim **by a health carrier or a third party claims administrator contracted with said health carrier to receive or process the claim** for reimbursement [from a person entitled to reimbursement] **for a health care service provided in this state as defined in section 376.1350,** a health [insurer, nonprofit health service plan or health maintenance organization] **carrier** shall pay the claim in accordance with this section or send a notice of receipt and status of the claim that states:

(1) That the [insurer, nonprofit health service plan or health maintenance organization] **health carrier** refuses to reimburse all or part of the claim and the reason for the refusal; or

(2) That **a request for** additional information is necessary to determine if all or part of the claim will be reimbursed and what specific additional information is necessary[.] **to process the claim for payment. The health carrier must acknowledge receipt to the health care professional or entity that submitted the claim of all the requested additional information. Payment or denial of the claim shall constitute acknowledgment. Acknowledgment may be through electronic means.**

3. Within forty-five days after receipt of a claim by a health carrier or a third party claims administrator

contracted with said health carrier to receive or process the claim for reimbursement for a health care service provided in this state as defined in section 376.1350, a health carrier shall pay the claim in accordance with this section or send a notice of receipt and status of the claim that states:

- (1) That the health carrier refuses to reimburse all or part of the claim and the reason for refusal; or
- (2) That a final request for additional information is necessary to determine if all or part of the claim will be reimbursed and what specific additional information is necessary to process the claim for payment. The health carrier must acknowledge receipt to the health care professional or entity that submitted the claim of the requested additional information within five working days.

[3.] 4. If [an insurer, nonprofit health service plan or health maintenance organization] a health carrier fails to comply with subsection 2 or 3 of this section, the [insurer, nonprofit health service plan or health maintenance organization] health carrier shall pay interest on the amount of the claim that remains unpaid forty-five days after the claim is [filed] received by the health carrier or a third party claims administrator contracted with said health carrier to receive or process the claim at the monthly rate of one percent. The interest paid pursuant to this subsection shall be included in any late reimbursement without the necessity for the person that filed the original claim to make an additional claim for that interest. A carrier may combine interest payments and make payment once the aggregated amount reaches five dollars.

5. All claims shall be deemed complete claims upon receipt until such time as it is determined that additional information is required in order to pay the claim. If additional information is requested pursuant to subsection 2 or 3 of this section, the claim shall again be deemed complete upon receipt of all additional information requested. For the purpose of calculating the number of days pursuant to this section, the counting of days shall begin on the day the claim is received by the health carrier or a third party claims administrator contracted with said health carrier to receive or process the claim. The counting of days shall be suspended the day following the day the health carrier sends a request for additional information pursuant to this section and the counting of days shall resume once all additional information requested is received by the health carrier or a third party claims administrator contracted with said health carrier to receive or process the claim. All requests for additional information may be made electronically.

[4.] 6. Within [ten] sixty days after the day on which [all additional information is received] a claim is received by [an insurer, nonprofit health service plan or health maintenance organization] a health carrier or a third party claims administrator contracted with said health carrier to receive or process the claim, [it] said health carrier shall pay the claim in accordance with this section or send a written notice that:

- (1) States refusal to reimburse the claim or any part of the claim; and
- (2) Specifies each reason for denial.

[An insurer, nonprofit health service plan or health maintenance organization that fails to comply with this subsection shall pay interest on any amount of the claim that remains unpaid at the monthly rate of one percent.

5. A provider who is paid interest under this section shall pay the proportionate amount of said interest to the enrollee or insured to the extent and for the time period that the enrollee or insured had paid for the services and for which reimbursement was due to the insured or enrollee.

6.] 7. The failure of the health carrier to receive all requested information pursuant to subsection 2 or 3 of this section by the one hundred twentieth day after the initial receipt of the original claim, including any suspended days accrued pursuant to subsection 5 of this section, may be a proper ground for denying all or part of the claim.

8. If a health carrier fails to pay or deny a claim pursuant to the requirements of this section, the health carrier shall pay a penalty in the amount of ten dollars per day for each day each unpaid claim, interest or penalty remains unpaid. The penalty imposed by this subsection shall not exceed triple the amount of the unpaid claim. The penalty shall cease to accrue after thirty days, unless prior to such date, but after the penalty period commences, the provider sends notice by certified mail, return receipt requested, of the unpaid claim. Said notice shall identify the claim in question.

10. In any civil action filed pursuant to this section, the court may order the payment of reasonable attorney's fees and court costs. If such action is dismissed on the grounds that it was frivolous, malicious or failed to state a claim upon which relief may be granted, the court shall order reasonable attorney's fees and

The uniform format and the standard medical code sets shall be promulgated by the department of insurance through rules consistent with but no more stringent than the federal administrative simplification standards adopted pursuant to the Health Insurance Portability and Accountability Act of 1996. Any claim submitted in a nonelectronic format after January 1, 2002, shall not be subject to the provisions of subsection 8 of section 376.383; however, interest shall accrue on claims filed in a nonelectronic format that are not paid or denied in accordance with section 376.383. A health carrier shall provide electronic filing after January 1, 2002.

3. Nothing in this section shall apply to workers' compensation claims filed pursuant to chapter 287, RSMo.

2. The coverage for newly born children shall consist of coverage of injury or sickness including the necessary care and treatment of medically diagnosed congenital defects and birth abnormalities.

3. If payment of a specific premium or subscription fee is required to provide coverage for a child, the [policy or contract] **health benefit plan may require that notification of birth of a newly born child and payment of the required premium or fees must be furnished to the [insurer or nonprofit service or indemnity corporation] **health carrier** within thirty-one days after the date of birth in order to have the coverage continue beyond such thirty-one day period. **If an application or other form of enrollment is required in order to continue coverage beyond the thirty-one-day period after the date of birth and the enrollee has notified the health carrier of the birth, either orally or in writing, the health carrier shall, upon notification, provide the enrollee with all forms and instructions necessary to enroll the newly born child and shall allow the enrollee an additional ten days from the date the forms and instructions are provided in which to enroll the newly born child.****

4. The requirements of this section shall apply to all [insurance policies and subscriber contracts] **health benefit plans delivered or issued for delivery in this state [more than one hundred twenty days after August 13, 1974] **on or after August 28, 2001.****

AMEND House Substitute for House Committee Substitute for Senate Committee Substitute for Senate Bill No. 236, Page 5, Section 198.071, Line 21 of said page, by inserting after all of said line the following:

"198.530. 1. If an enrollee in a managed care organization is also a resident in a long-term care facility licensed pursuant to chapter 198, or a continuing care retirement community, as defined in section 197.305, RSMo, such enrollee's managed care organization shall provide the enrollee with the option of receiving the covered service in the long-term care facility which serves as the enrollee's primary residence. For purposes of this section, "managed care organization" means any [organization that offers any health plan certified] **entity licensed** by the department of [health] **insurance that offers any health plans** designed to provide incentives to medical care providers to manage the cost and use of care associated with claims, including, but not limited to, a health maintenance organization [and preferred provider organization], **insurance company and health services corporation.** The resident enrollee's managed care organization shall reimburse the resident facility for those services which would otherwise be covered by the managed care organization if the following conditions apply:

- (2) The facility and those health care professionals delivering services to residents pursuant to this section meet the licensing and training standards as prescribed by law; and
- (3) The facility is certified through Medicare; and
- (4) The facility and those health care professionals delivering services to residents pursuant to this section agree to abide by the terms and conditions of the health carrier's contracts with similar providers, abide by patient protection standards and requirements imposed by state or federal law for plan enrollees and meet the quality standards established by the health carrier for similar providers.

2. The managed care organization shall reimburse the resident facility at a rate of reimbursement not less than the Medicare allowable rate pursuant to Medicare rules and regulations.

3. The services in subsection 1 of this section shall include, but are not limited to, skilled nursing care, rehabilitative and other therapy services, and postacute care, as needed. Nothing in this section shall limit the managed care organization from utilizing contracted providers to deliver the services in the enrollee's resident facility.

4. A resident facility shall not prohibit a health carrier's participating providers from providing covered benefits to an enrollee in the resident facility. A resident facility or health care professional shall not impose any charges on an enrollee for any service that is ancillary to, a component of, or in support of the services provided under this section when the services are provided by a health carrier's participating provider, or otherwise create a disincentive for the use of the health carrier's participating providers. Any violation of the requirements of this subsection by the resident facility shall be considered abuse or neglect of the resident enrollee."; and

Further amend said bill, Page 34, Section 208.819, Line 19 of said page, by inserting after all of said line the following:

"354.603. 1. A health carrier shall maintain a network that is sufficient in number and types of [providers] **health care professionals** to assure that all services to enrollees shall be accessible without unreasonable delay. In the case of emergency services, enrollees shall have access twenty-four hours per day, seven days per week. The health carrier's medical director shall be responsible for the sufficiency and supervision of the health carrier's network. Sufficiency shall be determined by the director in accordance with the requirements of this section and by reference to any reasonable criteria, including but not limited to, provider-enrollee ratios by specialty, primary care provider-enrollee ratios, geographic accessibility, reasonable distance accessibility criteria for pharmacy and other services, waiting times for appointments with participating [providers] **health care professionals**, hours of operation, and the volume of technological and specialty services available to serve the needs of enrollees requiring technologically advanced or specialty care.

- (1) In any case where the health carrier has an insufficient number or type of participating [providers] **health**

care professionals to provide a covered benefit, the health carrier shall ensure that the enrollee obtains the covered benefit at no greater cost than if the benefit was obtained from a participating [provider] **health care professional**, or shall make other arrangements acceptable to the director.

(2) The health carrier shall establish and maintain adequate arrangements to ensure reasonable proximity of participating [providers] **health care professional**, including local pharmacists, to the business or personal residence of enrollees. In determining whether a health carrier has complied with this provision, the director shall give due consideration to the relative availability of health care [providers] **professionals** in the service area under, especially rural areas, consideration.

(3) A health carrier shall monitor, on an ongoing basis, the ability, clinical capacity[, financial capability] and legal authority of its [providers] **health care professionals** to furnish all contracted benefits to enrollees. **The provisions of this subdivision shall not be construed to require any health care professional to submit copies of such health care professional's income tax returns to a health carrier. A health carrier may require a health care professional to obtain audited financial statements if such health care professional received ten percent or more of the total medical expenditures made by the health carrier.**

(4) A health carrier shall make its entire network available to all enrollees unless a contract holder has agreed in writing to a different or reduced network.

2. [Beginning July 1, 1998,] A health carrier shall file with the director, in a manner and form defined by rule of the department of insurance, an access plan meeting the requirements of sections 354.600 to 354.636 for each of the managed care plans that the **health** carrier offers in this state. The health carrier may request the director to deem sections of the access plan as proprietary or competitive information that shall not be made public. For the purposes of this section, information is proprietary or competitive if revealing the information will cause the health carrier's competitors to obtain valuable business information. The health carrier shall provide such plans, absent any information deemed by the director to be proprietary, to any interested party upon request. **The health** carrier shall prepare an access plan prior to offering a new managed care plan, and shall update an existing access plan whenever it makes any change as defined by the director to an existing managed care plan. The director shall approve or disapprove the access plan, or any subsequent alterations to the access plan, within sixty days of filing. The access plan shall describe or contain at a minimum the following:

- (1) The health carrier's network;
- (2) The health carrier's procedures for making referrals within and outside its network;
- (3) The health carrier's process for monitoring and assuring on an ongoing basis the sufficiency of the network to meet the health care needs of enrollees of the managed care plan;
- (4) The health carrier's methods for assessing the health care needs of enrollees and their satisfaction with services;
- (5) The health carrier's method of informing enrollees of the plan's services and features, including but not limited to, the plan's grievance procedures, its process for choosing and changing [providers] **health care professionals**, and its procedures for providing and approving emergency and specialty care;
- (6) The health carrier's system for ensuring the coordination and continuity of care for enrollees referred to specialty physicians, for enrollees using ancillary services, including social services and other community resources, and for ensuring appropriate discharge planning;
- (7) The health carrier's process for enabling enrollees to change primary care professionals;
- (8) The health carrier's proposed plan for providing continuity of care in the event of contract termination between the health carrier and any of its participating [providers] **health care professionals**, in the event of a reduction in service area or in the event of the health carrier's insolvency or other inability to continue operations. The description shall explain how enrollees shall be notified of the contract termination, reduction in service area or the health carrier's insolvency or other modification or cessation of operations, and transferred to other [providers] **health care professionals** in a timely manner; and
- (9) Any other information required by the director to determine compliance with the provisions of sections 354.600 to 354.636.

354.606. 1. A health carrier shall establish a mechanism by which the participating provider shall be notified on an ongoing basis of the specific covered health services for which the provider shall be responsible, including any limitations or conditions on services.

2. Every contract between a health carrier and a participating provider shall set forth a hold harmless provision specifying protection for enrollees. This requirement shall be met by including a provision substantially similar to the following:

"Provider agrees that in no event, including but not limited to nonpayment by the health carrier or intermediary, insolvency of the health carrier or intermediary, or breach of this agreement, shall the provider bill, charge, collect a deposit from, seek compensation, remuneration or reimbursement from, or have any recourse against an enrollee or a person, other than the health carrier or intermediary, acting on behalf of the enrollee for services provided pursuant to this agreement. This agreement shall not prohibit the provider from collecting coinsurance, deductibles or co-payments, as specifically provided in the evidence of coverage, or fees for uncovered services delivered on a fee-for-service basis to enrollees. This agreement shall not prohibit a provider, except for a health care professional who is employed full time on the staff of a health carrier and has agreed to provide service exclusively to that health carrier's enrollees and no others, and an enrollee from agreeing to continue services solely at the expense of the enrollee, as long as the provider has clearly informed the enrollee that the health carrier may not cover or continue to cover a specific service or services. Except as provided herein, this agreement does not prohibit the provider from pursuing any available legal remedy; including, but not limited to, collecting from any insurance carrier providing coverage to a covered person."

3. Every contract between a health carrier and a participating provider shall set forth that in the event of a health carrier's or intermediary's insolvency or other cessation of operations, covered services to enrollees shall continue through the period for which a premium has been paid to the health carrier on behalf of the enrollee or until the enrollee's discharge from an inpatient facility, whichever time is greater.

4. The contract provisions satisfying the requirements of subsections 2 and 3 of this section shall:

(1) Be construed in favor of the enrollee;

(2) Survive the termination of the contract regardless of the reason for termination, including the insolvency of the health carrier; and

(3) Supersede any oral or written contrary agreement between a provider and an enrollee or the representative of an enrollee if the contrary agreement is inconsistent with the hold harmless and continuation of covered services provisions required by subsections 2 and 3 of this section.

5. In no event shall a participating provider collect or attempt to collect from an enrollee any money owed to the provider by the health carrier nor shall a participating provider collect or attempt to collect from an enrollee any money in excess of the coinsurance, co-payments or deductibles. Failure of a health carrier to make timely payment of an amount owed to a provider in accordance with the provider's contract shall constitute an unfair claims settlement practice subject to sections 375.1000 to 375.1018, RSMo.

6. (1) A health carrier shall develop selection standards for participating primary care professionals and each participating health care professional specialty. Such standards shall be in writing and used in determining the selection of health care professionals by the health carrier, its intermediaries and any provider networks with which it contracts. Selection criteria shall not be established in a manner that will:

(a) Allow a health carrier to avoid a high-risk population by excluding a provider because such provider is located in a geographic area that contains a population presenting a risk of higher than average claims, losses or health services utilization; or

(b) Exclude a provider because such provider treats or specializes in treating a population presenting a risk of higher than average claims, losses or health services utilization.

(2) Paragraphs (a) and (b) of subdivision (1) of this subsection shall not be construed to prohibit a health carrier from declining to select a provider who fails to meet the other legitimate selection criteria of the health carrier developed in compliance with sections 354.600 to 354.636.

(3) The provisions of sections 354.600 to 354.636 shall not require a health carrier, its intermediaries or the provider networks with which it contracts, to employ specific providers or types of providers, or to contract with or retain more providers or types of providers than are necessary to maintain an adequate network.

7. A health carrier shall file its selection standards for participating providers with the director. A health carrier shall also file any subsequent changes to its selection standards with the director. The selection standards shall be made available to licensed health care providers.

8. A health carrier shall notify a participating provider of the provider's responsibilities with respect to the health carrier's applicable administrative policies and programs, including but not limited to payment terms, utilization review, quality assessment and improvement programs, credentialing, grievance procedures, data reporting requirements, confidentiality requirements and any applicable federal or state programs.

9. No contract between a health carrier and a provider for the delivery of health care service, entered into or renewed after August 28, 2001, shall require the mandatory use of a hospitalist. For purposes of this subsection, "hospitalist" means a physician who becomes a physician of record at a hospital for a patient of a participating provider and who may return the care of the patient to that participating provider at the end of

hospitalization.

[9.] **10.** A health carrier shall not offer an inducement under the managed care plan to a provider to provide less than medically necessary services to an enrollee.

[10.] **11.** A health carrier shall not prohibit a participating provider from advocating in good faith on behalf of enrollees within the utilization review or grievance processes established by the health carrier or a person contracting with the health carrier.

[11.] **12.** A health carrier shall require a provider to make health records available to appropriate state and federal authorities involved in assessing the quality of care but shall not disclose individual identities, or investigating the grievances or complaints of enrollees, and to comply with the applicable state and federal laws related to the confidentiality of medical or health records.

[12.] **13.** The rights and responsibilities of a provider under a contract between a health carrier and a participating provider shall not be assigned or delegated by the provider without the prior written consent of the health carrier.

[13.] **14.** A health carrier shall be responsible for ensuring that a participating provider furnishes covered benefits to all enrollees without regard to the enrollee's enrollment in the plan as a private purchaser of the plan or as a participant in a publicly financed program of health care service.

[14.] **15.** A health carrier shall notify the participating providers of their obligations, if any, to collect applicable coinsurance, co-payments or deductibles from enrollees pursuant to the evidence of coverage, or of the providers' obligations, if any, to notify enrollees of their personal financial obligations for noncovered services.

[15.] **16.** A health carrier shall not penalize a provider because the provider, in good faith, reports to state or federal authorities any act or practice by the health carrier that may jeopardize patient health or welfare.

[16.] **17.** A health carrier shall establish a mechanism by which a participating provider may determine in a timely manner whether a person is covered by the carrier.

[17.] **18.** A health carrier shall not discriminate between health care professionals when selecting such professionals for enrollment in the network or when referring enrollees for health care services to be provided by such health care professional who is acting within the scope of his professional license.

[18.] **19.** A health carrier shall establish procedures for resolution of administrative, payment or other disputes between providers and the health carrier.

[19.] **20.** A contract between a health carrier and a provider shall not contain definitions or other provisions that conflict with the definitions or provisions contained in the managed care plan or sections 354.600 to 354.636.

354.618. 1. A health carrier shall be required to offer as an additional health plan, an open referral health plan whenever it markets a gatekeeper group plan as an exclusive or full replacement health plan offering to a group contract holder:

(1) In the case of group health plans offered to employers of fifty or fewer employees, the decision to accept or reject the additional open referral plan offering shall be made by the group contract holder. For health plans marketed to employers of over fifty employees, the decision to accept or reject shall be made by the employee;

(2) Contracts currently in existence shall offer the additional open referral health plan at the next annual renewal after August 28, 1997; however, multiyear group contracts need not comply until the expiration of their current multiyear term unless the group contract holder elects to comply before that time;

(3) If an employer provides more than one health plan to its employees and at least one is an open referral plan, then all health benefit plans offered by such employer shall be exempt from the requirements of this section.

2. For the purposes of this [act] **section**, the following terms shall mean:

(1) "Open referral plan", a plan in which the enrollee is allowed to obtain treatment for covered benefits without a referral from a primary care physician from any person licensed to provide such treatment;

(2) "Gatekeeper group plan", a plan in which the enrollee is required to obtain a referral from a primary care professional in order to access specialty care.

3. Any health benefit plan provided pursuant to the Medicaid program shall be exempt from the requirements of this section.

4. [A health carrier shall have a procedure by which a female enrollee may seek the health care services of an obstetrician/gynecologist at least once a year without first obtaining prior approval from the enrollee's primary care provider if the benefits are covered under the enrollee's health benefit plan, and the obstetrician/gynecologist is a member of the health carrier's network.] **Each health carrier or health benefit plan that offers or issues health benefit plans providing obstetrical/gynecological benefits which are delivered, issued for delivery, continued or renewed in this state on or after January 1, 2002, shall provide enrollees with direct access to the services of a**

participating obstetrician, participating gynecologist or participating obstetrician/gynecologist of her choice within the provider network for covered services. The services covered by this subsection shall be limited to those services defined by the published recommendations of the accreditation council for graduate medical education for training an obstetrician, gynecologist or obstetrician/gynecologist, including but not limited to diagnosis, treatment and referral for such services. A health carrier shall not impose additional co-payments, coinsurance, or deductibles upon any enrollee who seeks or receives health care services pursuant to this subsection, unless similar additional co-payments, coinsurance, or deductibles are imposed for other types of health care services received within the provider network. Nothing in this subsection shall be construed to conflict with section 376.805, RSMo. In no event shall a health carrier be required to permit an enrollee to have health care services delivered by a nonparticipating obstetrician/gynecologist. An obstetrician/gynecologist who delivers health care services directly to an enrollee shall report such visit and health care services provided to the enrollee's primary care provider. [A health carrier may require an enrollee to obtain a referral from the primary care physician, if such enrollee requires more than one annual visit with an obstetrician/gynecologist.]

5. Except for good cause, a health carrier shall be prohibited either directly, or indirectly through intermediaries, from discriminating between eye care providers when selecting among providers of health services for enrollment in the network and when referring enrollees for health services provided within the scope of those professional licenses and when reimbursing amounts for covered services among persons duly licensed to provide such services. For the purposes of this section, an eye care provider may be either an optometrist licensed pursuant to chapter 336, RSMo, or a physician who specializes in [ophthamologic] **ophthalmologic** medicine, licensed pursuant to chapter 334, RSMo.

6. Nothing contained in this section shall be construed as to require a health carrier to pay for health care services not provided for in the terms of a health benefit plan.

7. Any health carrier, which is sponsored by a federally qualified health center and is presently in existence and which has been in existence for less than three years shall be exempt from this section for a period not to exceed two years from August 28, 1997.

8. A health carrier shall not be required to offer the direct access rider for a group contract holder's health benefit plan if the health benefit plan is being provided pursuant to the terms of a collective bargaining agreement with a labor union, in accordance with federal law and the labor union has declined such option on behalf of its members.

9. Nothing in this [act] **section** shall be construed to preempt the employer's right to select the health care provider pursuant to section 287.140, RSMo, in a case where an employee incurs a work-related injury covered by the provisions of chapter 287, RSMo.

10. Nothing contained in this [act] **section** shall apply to certified managed care organizations while providing medical treatment to injured employees entitled to receive health benefits [under] **pursuant to the provisions of** chapter 287, RSMo, pursuant to contractual arrangements with employers, or their insurers, [under] **pursuant to** section 287.135, RSMo.

376.383. 1. To the extent consistent with the Employee Retirement Income Security Act of 1974 (ERISA), 29 U.S.C. 1001, et seq., this section shall apply to any health [insurer] **carrier** as defined in section [376.806, any nonprofit health service plan and any health maintenance organization] **376.1350**.

2. Within [forty-five] **thirty** days after receipt of a claim **by a health carrier or a third party contracted with said health carrier to receive or process the claim** for reimbursement [from a person entitled to reimbursement] **for a health care service provided in this state as defined in section 376.1350**, a health [insurer, nonprofit health service plan or health maintenance organization] **carrier** shall pay the claim in accordance with this section or send a notice of receipt and status of the claim that states:

(1) That the [insurer, nonprofit health service plan or health maintenance organization] **health carrier** refuses to reimburse all or part of the claim and the reason for the refusal; or

(2) That **a request for** additional information is necessary to determine if all or part of the claim will be reimbursed and what specific additional information is necessary[.] **to process the entire claim for payment. The health carrier must acknowledge receipt to the health care professional or entity that submitted the claim of all the requested additional information or pay the claim. Acknowledgment may be through electronic means.**

3. Within forty-five days after receipt of a claim by a health carrier or a third party contracted with said health carrier to receive or process the claim for reimbursement for a health care service provided in this state as defined in section 376.1350, a health carrier shall pay the claim in accordance with this section or send a notice of receipt and status of the claim that states:

- (1) That the health carrier refuses to reimburse all or part of the claim and the reason for refusal; or
- (2) That a final request for additional information is necessary to determine if all or part of the claim will

be reimbursed and what specific additional information is necessary to process the entire claim for payment. The health carrier must acknowledge receipt to the health care professional or entity that submitted the claim of the requested additional information within five working days.

[3.] **4.** If [an insurer, nonprofit health service plan or health maintenance organization] **a health carrier** fails to comply with subsection 2 or 3 of this section, the [insurer, nonprofit health service plan or health maintenance organization] **health carrier** shall pay interest on the amount of the claim that remains unpaid forty-five days after the claim is [filed] **received by the health carrier or a third party contracted with said health carrier to receive or process the claim** at the monthly rate of one percent. The interest paid pursuant to this subsection shall be included in any late reimbursement without the necessity for the person that filed the original claim to make an additional claim for that interest. **A carrier may combine interest payments and make payment once the aggregated amount reaches five dollars.**

5. All claims shall be deemed complete claims upon receipt until such time as it is determined that additional information is required in order to pay the claim. If additional information is requested pursuant to subsection 2 or 3 of this section, the claim shall again be deemed complete upon receipt of all additional information requested. For the purpose of calculating the number of days pursuant to this section, the counting of days shall begin on the day the claim is received by the health carrier or a third party contracted with said health carrier to receive or process the claim. The counting of days shall be suspended the day following the day the health care professional receives a request for additional information pursuant to this section and the counting of days shall resume again once all the additional information requested is received by the health carrier or a third party contracted with said health carrier to receive or process the claim. All requests for additional information may be made electronically.

[4.] **6.** Within [ten] **sixty** days after the day on which [all additional information is received] **a claim is received** by [an insurer, nonprofit health service plan or health maintenance organization] **a health carrier or a third party contracted with said health carrier to receive or process the claim**, [it] **said health carrier** shall pay the claim in accordance with this section or send a written notice that:

- (1) States refusal to reimburse the claim or any part of the claim; and
- (2) Specifies each reason for denial.

[An insurer, nonprofit health service plan or health maintenance organization that fails to comply with this subsection shall pay interest on any amount of the claim that remains unpaid at the monthly rate of one percent.]

7. The failure of the health care professional to provide and the health carrier to receive all requested information pursuant to subsection 2 or 3 of this section by the one hundred twentieth day after the initial receipt of the original claim may be a proper ground for denying all or part of the claim.

8. A health carrier that fails to pay or deny a claim pursuant to the requirements of this section shall pay, in addition to interest, a penalty prescribed by this subsection. Beginning January 1, 2002, for a claim received by a health carrier or a third party contracted with said health carrier to receive or process the claim which is not paid or denied as required by this section, a penalty shall accrue in the amount of forty dollars per day for each day all or part of the claim, interest in excess of five dollars, or penalty remains unpaid. If such claim and interest are paid in their entirety prior to day sixty, then no penalty shall accrue.

9. The penalties prescribed by this section shall cease to accrue if, within thirty days after penalties begin to accrue, the health care professional fails to notify the health carrier that all or part of the claim, interest or penalty remains unpaid. Such notification shall reference the claim or claims in question.

[5. A provider who is paid interest under this section shall pay the proportionate amount of said interest to the enrollee or insured to the extent and for the time period that the enrollee or insured had paid for the services and for which reimbursement was due to the insured or enrollee.

3. Nothing in this section shall apply to workers' compensation claims filed pursuant to chapter 287, RSMo.

3. 6. As used in this section, the terms "health benefit plan", "health carrier" and "enrollee" shall have the same meaning as defined in section 376.1350.

376.419. 1. As used in this section, the term "hold harmless clause" means a contractual arrangement whereby a health care provider assumes the sole liability inherent in the provision of health care services, thereby relieving an insurer from such liability; except that, nothing in this section shall be construed to apply to any clause in the contract prohibiting providers from balance billing the enrollee or his or her family for any amount in excess of the amount provided for in the contract between the provider and the carrier. For purposes of this section, "health care provider" or "provider" means a health care professional or facility.

2. Except to the extent preempted by the Employee Retirement Income Security Act of 1974 (ERISA), 29 U.S.C. 1001, et seq., this section shall apply to any health carrier, as defined in section 376.1350.

3. Any contract between a health care provider and a health carrier entered into after the effective date of this section shall include a clause that states that each party shall be responsible for any and all claims, liabilities, damages or judgments which may arise as a result of its own negligence or intentional wrongdoing. Each party signatory to the contract shall hold harmless and indemnify the other party against any claims, liabilities, damages or judgments which may be asserted against, imposed upon or incurred by the other party as a result of the first party's negligence or intentional wrongdoing.

376.893. 1. 3. Within fourteen days of receipt of notice [under] **pursuant to** subsection 1 or 2 of this section, the plan administrator shall notify the legally separated, divorced or surviving spouse that the policy may be continued. The notice shall be mailed to the mailing address provided to the plan administrator and shall include:

- (1) A form for election to continue the coverage;
- (2) A statement of the amount of periodic premiums to be charged for the continuation of coverage and of the method and place of payment; [and]
- (3) Instructions for returning the election form by mail within sixty days after the date of mailing of the notice by the plan administrator; **and**

(4) Notice that if insurance is continued the insurer is required to provide both parents of a covered child with coverage information upon request regardless of whether the parent is the primary policyholder pursuant to section 376.895.

4. Failure of the legally separated, divorced or surviving spouse to exercise the election in accordance with subsection 3 of this section shall terminate the right to continuation of benefits.

5. If a plan administrator was properly notified pursuant to the provisions of subsection 1 or 2 of this section and fails to notify the legally separated, divorced or surviving spouse as required by subsection 3 of this section, such spouse's coverage shall continue in effect, and such spouse's obligation to make any premium payment for continuation coverage [under] **pursuant to** sections 376.891 to 376.894 shall be postponed for the period of time beginning on the date the spouse's coverage would otherwise terminate and ending thirty-one days after the date the plan administrator provides the required notice. Failure or delay by a plan administrator in providing the notice required by this section shall not reduce, eliminate or postpone the plan sponsor's obligation to pay premiums on behalf of such legally separated, divorced or surviving spouse to the plan administrator during such period.

6. The provisions of sections 376.891 to 376.894 apply only to employers with twenty or more employees and any policy, contract or plan with twenty or more certificate holders.

376.895. Any health carrier, as defined in section 376.1350, providing coverage for a child with parents who are legally separated or divorced shall provide upon request coverage information regarding such child to both parents regardless of whether the inquiring parent is the primary policyholder."; and

With Senate Amendment No. 1, Senate Amendment No. 2 and Senate Amendment No. 3

Senate Amendment No. 1

“The provisions of Section 367.100(1)(b) shall not be effective until January 1, 2002.”.

Senate Amendment No. 3

AMEND Senate Substitute for House Committee Substitute for House Bill No. 738, Page 1, Section 139.050, Line 14, by inserting immediately before said line the following:

“135.230. 1. The exemption or credit established and allowed by section 135.220 and the credits allowed and established by subdivisions (1), (2), (3) and (4) of subsection 1 of section 135.225 shall be granted with respect to any new business facility located within an enterprise zone for a vested period not to exceed ten years following the date upon which the new business facility commences operation within the enterprise zone and such exemption shall be calculated, for each succeeding year of eligibility, in accordance with the formulas applied in the initial year in which the new business facility is certified as such, subject, however, to the limitation that all such credits allowed in sections 135.225 and 135.235 and the exemption allowed in section 135.220 shall be removed not later than fifteen years after the enterprise zone is designated as such. No credits shall be allowed pursuant to subdivision (1), (2), (3) or (4) of subsection 1 of section 135.225 or section 135.235 and no exemption shall be allowed pursuant to section 135.220 unless the number of new business facility employees engaged or maintained in employment at the new business facility for the taxable year for which the credit is claimed equals or exceeds two or the new business facility is a revenue-producing enterprise as defined in paragraph (d) of subdivision (6) of section 135.200. In order to qualify for either the exemption pursuant to section 135.220 or the credit pursuant to subdivision (4) of subsection 1 of section 135.225, or both, it shall be required that at least thirty percent of new business facility employees, as determined by subsection 4 of section 135.110, meet the criteria established in section 135.240 or are residents of an enterprise zone or some combination thereof, except taxpayers who establish a new business facility by operating a revenue-producing enterprise as defined in paragraph (d) of subdivision (6) of section 135.200 or any taxpayer that is an insurance company that established a new business facility satisfying the requirements of subdivision (8) of section 135.100 located within an enterprise zone after June 30, 1993, and before December 31, 1994, and that employs in excess of three hundred fifty new business facility employees at such facility each tax period for which the credits allowable pursuant to subdivisions (1) to (4) of subsection 1 of section 135.225 are claimed shall not be required to meet such requirement. A new business facility described as SIC 3751 shall be required to employ fifteen percent of such employees instead of the required thirty percent. For the purpose of satisfying the thirty-percent requirement, residents must have lived in the enterprise zone for a period of at least one full calendar month and must have been employed at the new business facility for at least one full calendar month, and persons qualifying because they meet the requirements of section 135.240 must have satisfied such requirement at the time they were employed by the new business facility and must have been employed at the new business facility for at least one full calendar month. The director may temporarily reduce or waive this

requirement for any business in an enterprise zone with ten or less full-time employees, and for businesses with eleven to twenty full-time employees this requirement may be temporarily reduced. No reduction or waiver may be granted for more than one tax period and shall not be renewable. The exemptions allowed in sections 135.215 and 135.220 and the credits allowed in sections 135.225 and 135.235 and the refund established and authorized in section 135.245 shall not be allowed to any "public utility", as such term is defined in section 386.020, RSMo. **For the purposes of achieving the fifteen percent employment requirement set forth in this subsection, a new business facility described as NAICS 336991 may count employees who were residents of the enterprise zone at the time they were employed by the new business facility and for at least ninety days thereafter, regardless of whether such employees continue to reside in the enterprise zone, so long as the employees remain employed by the new business facility and residents of the state of Missouri.**

2. Notwithstanding the provisions of subsection 1 of this section, motor carriers, barge lines or railroads engaged in transporting property for hire or any interexchange telecommunications company that establish a new business facility shall be eligible to qualify for the exemptions allowed in sections 135.215 and 135.220, and the credits allowed in sections 135.225 and 135.235 and the refund established and authorized in section 135.245, except that trucks, truck-trailers, truck semitrailers, rail or barge vehicles or other rolling stock for hire, track, switches, bridges, barges, tunnels, rail yards and spurs shall not constitute new business facility investment nor shall truck drivers or rail or barge vehicle operators constitute new business facility employees.

3. Notwithstanding any other provision of sections 135.200 to 135.256 to the contrary, motor carriers establishing a new business facility on or after January 1, 1993, but before January 1, 1995, may qualify for the tax credits available pursuant to sections 135.225 and 135.235 and the exemption provided in section 135.220, even if such new business facility has not satisfied the employee criteria, provided that such taxpayer employs an average of at least two hundred persons at such facility, exclusive of truck drivers and provided that such taxpayer maintains an average investment of at least ten million **dollars** at such facility, exclusive of rolling stock, during the tax period for which such credits and exemption are being claimed.

4. Any governing authority having jurisdiction of an area that has been designated an enterprise zone may petition the department to expand the boundaries of such existing enterprise zone. The director may approve such expansion if the director finds that:

(1) The area to be expanded meets the requirements prescribed in section 135.207 or 135.210, whichever is applicable;

(2) The area to be expanded is contiguous to the existing enterprise zone; **and**

(3) The number of expansions do not exceed three after August 28, 1994.

5. Notwithstanding the fifteen-year limitation as prescribed in subsection 1 of this section, any governing authority having jurisdiction of an area that has been designated as an enterprise zone by the director, except one designated pursuant to this subsection, may file a petition, as prescribed by the director, for redesignation of such area for an additional period not to exceed seven years following the fifteenth anniversary of the enterprise zone's initial designation date; provided:

(1) The petition is filed with the director within three years prior to the date the tax credits authorized in sections 135.225 and 135.235 and the exemption allowed in section 135.220 are required to be removed pursuant to subsection 1 of this section;

(2) The governing authority identifies and conforms the boundaries of the area to be designated a new enterprise zone to the political boundaries established by the latest decennial census, unless otherwise approved by the director;

(3) The area satisfies the requirements prescribed in subdivisions (3), (4) and (5) of section 135.205 according to the latest decennial census or other appropriate source as approved by the director;

(4) The governing authority satisfies the requirements prescribed in sections 135.210, 135.215 and 135.255;

(5) The director finds that the area is unlikely to support reasonable tax assessment or to experience reasonable economic growth without such designation; and

(6) The director's recommendation that the area be designated as an enterprise zone, is approved by the joint committee on economic development policy and planning, as otherwise required in subsection 3 of section 135.210.

6. Any taxpayer having established a new business facility in an enterprise zone except one designated pursuant to subsection 5 of this section, who did not earn the tax credits authorized in sections 135.225 and 135.235 and the exemption allowed in section 135.220 for the full ten-year period because of the fifteen-year limitation as prescribed in subsection 1 of this section, shall be granted such benefits for ten tax years, less the number of tax years the benefits were claimed or could have been claimed prior to the expiration of the original fifteen-year period, except that such tax benefits shall not be earned for more than seven tax periods during the ensuing seven-year period, provided the taxpayer

continues to operate the new business facility in an area that is designated an enterprise zone pursuant to subsection 5 of this section. Any taxpayer who establishes a new business facility subsequent to the commencement of the ensuing seven-year period, as authorized in subsection 5 of this section, may qualify for the tax credits authorized in sections 135.225 and 135.235, and the exemptions authorized in sections 135.215 and 135.220, pursuant to the same terms and conditions as prescribed in sections 135.100 to 135.256. The designation of any enterprise zone pursuant to subsection 5 of this section shall not be subject to the fifty enterprise zone limitation imposed in subsection 4 of section 135.210.”; and

Further amend the title and enacting clause accordingly.

In which the concurrence of the House is respectfully requested.

Each state agency shall provide the department with all vehicle fleet information necessary to determine the number of EPAAct credits generated by the agency. The department may sell credits in any manner pursuant to the provisions of EPAAct.

3. 6. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. Senate Amendment No. 11

AMEND Senate Substitute for Senate Committee Substitute for House Bill No. 453, Page 4, Section 109.241, Line 22, by inserting immediately after said line the following:

"135.230. 1. The exemption or credit established and allowed by section 135.220 and the credits allowed and established by subdivisions (1), (2), (3) and (4) of subsection 1 of section 135.225 shall be granted with respect to any new business facility located within an enterprise zone for a vested period not to exceed ten years following the date upon which the new business facility commences operation within the enterprise zone and such exemption shall be calculated, for each succeeding year of eligibility, in accordance with the formulas applied in the initial year in which the new business facility is certified as such, subject, however, to the limitation that all such credits allowed in sections 135.225 and 135.235 and the exemption allowed in section 135.220 shall be removed not later than fifteen years after the enterprise zone is designated as such. No credits shall be allowed pursuant to subdivision (1), (2), (3) or (4) of subsection 1 of section 135.225 or section 135.235 and no exemption shall be allowed pursuant to section 135.220 unless the number of new business facility employees engaged or maintained in employment at the new business facility for the taxable year for which the credit is claimed equals or exceeds two or the new business facility is a revenue-producing enterprise as defined in paragraph (d) of subdivision (6) of section 135.200. In order to qualify for either the exemption pursuant to section 135.220 or the credit pursuant to subdivision (4) of subsection 1 of section 135.225, or both, it shall be required that at least thirty percent of new business facility employees, as determined by subsection 4 of section 135.110, meet the criteria established in section 135.240 or are residents of an enterprise zone or some combination thereof, except taxpayers who establish a new business facility by operating a revenue-producing enterprise as defined in paragraph (d) of subdivision (6) of section 135.200 or any taxpayer that is an insurance company that established a new business facility satisfying the requirements of subdivision (8) of section 135.100 located within an enterprise zone after June 30, 1993, and before December 31, 1994, and that employs in excess of three hundred fifty new business facility employees at such facility each tax period for which the credits allowable pursuant to subdivisions (1) to (4) of subsection 1 of section 135.225 are claimed shall not be required to meet such requirement. A new business facility described as SIC 3751 shall be required to employ fifteen percent of such employees instead of the required thirty percent. For the purpose of satisfying the thirty-percent requirement, residents must have lived in the enterprise zone for a period of at least one full calendar month and must have been employed at the new business facility for at least one full calendar month, and persons qualifying because they meet the requirements of section 135.240 must have satisfied such requirement at the time they were employed by the new business facility and must have been employed at the new business facility for at least one full calendar month. The director may temporarily reduce or waive this requirement for any business in an enterprise zone with ten or less full-time employees, and for businesses with eleven to twenty full-time employees this requirement may be temporarily reduced. No reduction or waiver may be granted for more than one tax period and shall not be renewable. The exemptions allowed in sections 135.215 and 135.220 and the credits allowed in sections 135.225 and 135.235 and the refund established and authorized in section 135.245 shall not be allowed to any "public utility", as such term is defined in section 386.020, RSMo. **For the purposes of achieving the fifteen percent employment requirement set forth in this subsection, a new business facility**

described as NAICS 336991 may count employees who were residents of the enterprise zone at the time they were employed by the new business facility and for at least ninety days thereafter, regardless of whether such employees continue to reside in the enterprise zone, so long as the employees remain employed by the new business facility and residents of the state of Missouri.

2. Notwithstanding the provisions of subsection 1 of this section, motor carriers, barge lines or railroads engaged in transporting property for hire or any interexchange telecommunications company that establish a new business facility shall be eligible to qualify for the exemptions allowed in sections 135.215 and 135.220, and the credits allowed in sections 135.225 and 135.235 and the refund established and authorized in section 135.245, except that trucks, truck-trailers, truck semitrailers, rail or barge vehicles or other rolling stock for hire, track, switches, bridges, barges, tunnels, rail yards and spurs shall not constitute new business facility investment nor shall truck drivers or rail or barge vehicle operators constitute new business facility employees.

3. Notwithstanding any other provision of sections 135.200 to 135.256 to the contrary, motor carriers establishing a new business facility on or after January 1, 1993, but before January 1, 1995, may qualify for the tax credits available pursuant to sections 135.225 and 135.235 and the exemption provided in section 135.220, even if such new business facility has not satisfied the employee criteria, provided that such taxpayer employs an average of at least two hundred persons at such facility, exclusive of truck drivers and provided that such taxpayer maintains an average investment of at least ten million **dollars** at such facility, exclusive of rolling stock, during the tax period for which such credits and exemption are being claimed.

4. Any governing authority having jurisdiction of an area that has been designated an enterprise zone may petition the department to expand the boundaries of such existing enterprise zone. The director may approve such expansion if the director finds that:

(1) The area to be expanded meets the requirements prescribed in section 135.207 or 135.210, whichever is applicable;

(2) The area to be expanded is contiguous to the existing enterprise zone; **and**

(3) The number of expansions do not exceed three after August 28, 1994.

5. Notwithstanding the fifteen-year limitation as prescribed in subsection 1 of this section, any governing authority having jurisdiction of an area that has been designated as an enterprise zone by the director, except one designated pursuant to this subsection, may file a petition, as prescribed by the director, for redesignation of such area for an additional period not to exceed seven years following the fifteenth anniversary of the enterprise zone's initial designation date; provided:

(1) The petition is filed with the director within three years prior to the date the tax credits authorized in sections 135.225 and 135.235 and the exemption allowed in section 135.220 are required to be removed pursuant to subsection 1 of this section;

(2) The governing authority identifies and conforms the boundaries of the area to be designated a new enterprise zone to the political boundaries established by the latest decennial census, unless otherwise approved by the director;

(3) The area satisfies the requirements prescribed in subdivisions (3), (4) and (5) of section 135.205 according to the latest decennial census or other appropriate source as approved by the director;

(4) The governing authority satisfies the requirements prescribed in sections 135.210, 135.215 and 135.255;

(5) The director finds that the area is unlikely to support reasonable tax assessment or to experience reasonable economic growth without such designation; and

(6) The director's recommendation that the area be designated as an enterprise zone, is approved by the joint committee on economic development policy and planning, as otherwise required in subsection 3 of section 135.210.

6. Any taxpayer having established a new business facility in an enterprise zone except one designated pursuant to subsection 5 of this section, who did not earn the tax credits authorized in sections 135.225 and 135.235 and the exemption allowed in section 135.220 for the full ten-year period because of the fifteen-year limitation as prescribed in subsection 1 of this section, shall be granted such benefits for ten tax years, less the number of tax years the benefits were claimed or could have been claimed prior to the expiration of the original fifteen-year period, except that such tax benefits shall not be earned for more than seven tax periods during the ensuing seven-year period, provided the taxpayer continues to operate the new business facility in an area that is designated an enterprise zone pursuant to subsection 5 of this section. Any taxpayer who establishes a new business facility subsequent to the commencement of the ensuing seven-year period, as authorized in subsection 5 of this section, may qualify for the tax credits authorized in sections

135.225 and 135.235, and the exemptions authorized in sections 135.215 and 135.220, pursuant to the same terms and conditions as prescribed in sections 135.100 to 135.256. The designation of any enterprise zone pursuant to subsection 5 of this section shall not be subject to the fifty enterprise zone limitation imposed in subsection 4 of section 135.210."; and

Further amend the title and enacting clause accordingly.

In which the concurrence of the House is respectfully requested.

JOURNAL OF THE HOUSE

First Regular Session, 91st GENERAL ASSEMBLY

SEVENTY-FOURTH DAY, TUESDAY, MAY 15, 2001

Speaker Pro Tem Abel in the Chair.

Prayer by Father David Buescher.

Oh God, Your ways may be level and smooth, but this House, in its last week in session, is anything but serene. Give these men and women some of Your calmness and sanity. Bid Your angels aid our thought processes, and gather in the nooks and crannies, that the work of this Chamber moves forward to prompt and proper completion.

Let politics play the back seat to moral decision, that our representatives may do any voting based on their inner convictions. Hold this place and all present here in the palm of Your strong and gentle hands. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Jamie Crane, Whitney Stipp, Kaylay Isaac, Amy Mundy, Sarah Occhipinto, Sarah Littleton, Melissa Sperry, Pleasants Robinson, Tim Michael, Dustin Veach, Anthony Egger, Korey Lewis, Jessica Church and Brian Schneier.

The Journal of the seventy-third day was approved as corrected.

194.220. 1. Any individual of sound mind who is at least eighteen years of age may give all or any part of his **or her** body for any purpose specified in section 194.230, the gift to take effect upon death. **Any individual who is a minor and at least sixteen years of age may effectuate a gift for any purpose specified in section 194.230, provided parental or guardian consent is deemed given. Parental or guardian consent shall be noted on the minor's donor card, application for the donor's instruction permit or driver's license, or other document of gift.** An express gift that is not revoked by the donor before death is irrevocable, and the donee shall be authorized to accept the gift without obtaining the consent of any other person.

2. Any of the following persons, in order of priority stated, when persons in prior classes are not available at the time of death, and in the absence of actual knowledge of a gift by the decedent [under] **pursuant to** subsection 1 of this section or actual notice of contrary indications by the decedent [or of opposition by a member of the same or a prior class], may give all or any part of the decedent's body for any purpose specified in section 194.230:

The persons authorized by subsection 2 of this section may make the gift after or immediately before death.

4. A gift of all or part of a body authorizes any examination necessary to assure medical acceptability of the gift for the purposes intended.

5. The rights of the donee created by the gift are paramount to the rights of others except as provided by subsection 4 of section 194.270.

194.230. The following persons may become donees of gifts of bodies or parts thereof for the purposes stated:

(1) Any hospital, surgeon, or physician, for medical or dental education, research, advancement of medical or dental science, therapy, or transplantation; or

194.233. 1. [The chief executive officer of each hospital in this state shall designate one or more trained persons to request anatomical gifts which persons shall not be connected with determination of death. The hospital official may designate a representative of an organ or tissue procurement organization to request consent.

2. When there is a patient who is a suitable candidate for organ or tissue donation based on hospital accepted criteria the designee shall request consent to a donation from the persons authorized to give consent as specified in subdivision (1), (2), (3), (4), (5) or (6) of subsection 2 of section 194.220. The request shall be made in the order of priority stated in subsection 2 of section 194.220. When the hospital cannot, from available information, ascertain that the patient has next-of-kin authorized to give consent as specified in subdivision (2), (3), (4), (5) or (6) of subsection 2 of section 194.220, then the hospital shall notify and request consent to a donation from a member of the class described in subdivision (7) of subsection 2 of section 194.220. Such notification to a member of the class described in subdivision (7) of subsection 2 of section 194.220 shall occur before death where practicable.

3. No request shall be required if the hospital designee has actual notice of a gift by the decedent under subsection 1 of section 194.220 or actual notice of contrary indications by the decedent.

4. Consent shall be obtained by the methods specified in section 194.240.

5. Where a donation is requested, the designee shall verify such request in the patient's medical record. Such verification of request for organ donation shall include a statement to the effect that a request for consent to an anatomical gift has been made, and shall further indicate thereupon whether or not consent was granted, the name of

the person granting or refusing the consent, and his or her relationship to the decedent.

6. Upon the approval of the designated next of kin or other individual, as set forth in subsection 2 of section 194.220, the hospital shall then notify an organ or tissue procurement organization and cooperate in the procurement of the anatomical gift or gifts pursuant to applicable provisions of sections 194.210 to 194.290.

7. No hospital shall have an obligation to retrieve the organ or tissue donated pursuant to this section.] **At or near the time of death of any patient in a hospital, the attending physician or hospital designee shall make contact with the OPO to determine the suitability for organ, tissue and eye donation for any purpose specified pursuant to sections 194.210 to 194.307. Such contact and the disposition shall be noted in the patient's medical record.**

2. The person designated by the hospital to contact the OPO shall have the following information available:

- (1) The patient's name and identifier number;**
- (2) The patient's age;**
- (3) Anticipated cause of death;**
- (4) Past medical history; and**
- (5) Other pertinent medical information.**

3. The OPO, in consultation with the patient's attending physician, or such physician's designee or the hospital's designee, shall determine suitability for donation. Such determination shall be made prior to the initiation of any request of the persons identified pursuant to section 194.220 for anatomical donation.

4. If the OPO determines that donation is not appropriate based on established medical criteria, such determination shall be noted by hospital personnel in the patient's record and no further action shall be necessary.

5. If the OPO determines that the patient is a suitable candidate for anatomical donation, a request shall be initiated by informing the appropriate persons of the option to donate organs, tissue or eyes. The request for anatomical donation shall be made by a representative of the OPO in consultation with the attending physician or the hospital designee. In those cases where the attending physician desires to approach the family to discuss organ or tissue donation, he or she may do so when accompanied by a representative of the OPO. The person making the request shall ask persons pursuant to section 194.220, whether the deceased had a validly executed donor card, will, other document or gift, driver's license or identification card evidencing an anatomical gift. If there is no such evidence of an anatomical gift, the person designated pursuant to section 194.220 shall be informed in accordance with sections 194.210 to 194.307 of the option to donate organs, tissue or eyes.

6. Within one year of the effective date of this section, each hospital in the state shall develop and implement a protocol for referring potential anatomical donors as provided in this section. The protocol shall require that, at or near the time of death of any patient, the hospital shall contact by telephone the OPO to determine suitability for anatomical donation of the potential donor. The protocol shall encourage discretion and sensitivity to family circumstances and beliefs in all discussions regarding donations of organs, tissue or eyes.

7. If the hospital staff advises the OPO that the hospital staff has received actual notice that the decedent did not wish to be an anatomical donor, the gift of all or any part of the decedent's body shall not be requested.

8. Death medical record reviews shall be performed in each hospital for the sole purpose of determining anatomical donor potential at the hospital. The hospital may perform the medical record review or may designate the OPO to conduct the review. If the hospital chooses to conduct its own review, it shall do so in accordance with clinical specifications and guidelines established by the OPO. If the hospital conducts the review, the OPO shall provide the necessary training to hospital personnel conducting the review. The hospital shall report the results of the review to the OPO no later than forty-five days following the completion of the review. If the hospital designates the OPO to conduct the review, the OPO shall provide the hospital with written assurance that the OPO shall maintain the confidentiality of patient identifying information.

194.240. 1. A gift of all or part of the body [under] **pursuant to** subsection 1 of section 194.220 may be made by will. The gift becomes effective upon the death of the testator without waiting for probate. If the will is not probated, or if it is declared invalid for testamentary purposes, the gift, to the extent that it has been acted upon in good faith, is nevertheless valid and effective.

2. A gift of all or part of the body [under] **pursuant to** subsection 1 of section 194.220 may also be made by document other than a will. The gift becomes effective upon the death of the donor. The document, which may be a card designed to be carried on the person, must be signed by the donor in the presence of two witnesses who must sign

the document in [his] **the donor's** presence or before a notary or other official authorized to administer oaths generally. If the donor cannot sign, the document may be signed for [him] **the donor** at [his] **the donor's** direction and in [his] **the donor's** presence in the presence of two witnesses who must sign the document in [his] **the donor's** presence. Delivery of the document of gift during the donor's lifetime is not necessary to make the gift valid.

3. The gift may be made to a specified donee or without specifying a donee. If the latter, the gift may be accepted by a physician as donee upon or following death. If the gift is made to a specified donee who is not available at the time and place of death or if the gift cannot be implemented, a physician upon or following death, in the absence of any expressed indication that the donor desired otherwise, may accept the gift as donee. The physician who becomes a donee [under] **pursuant to** this subsection shall not participate in the procedures for removing or transplanting a part.

4. Notwithstanding the provisions of subsection 2 of section 194.270, the donor may designate in his **or her** will, card, or other document of gift the surgeon or physician to carry out the appropriate procedures. In the absence of a designation or if the designee is not available, the donee or other person authorized to accept the gift may employ or authorize any surgeon or physician to carry out the appropriate procedures. For the purpose of removing an eye or part thereof, any medical technician employed by a hospital, physician or eye bank and acting under supervision may perform the appropriate procedures. Any medical technician authorized to perform such procedure shall successfully complete the course prescribed in section 194.295 for embalmers.

5. Any gift by a person designated in subsection 2 of section 194.220 shall be made by a document signed by him **or her** or made by his **or her** telegraphic, recorded telephonic, or other recorded message.

6. A gift of part of the body [under] **pursuant to** subsection 1 of section 194.220 may also be made by a statement on a form which shall be provided on the reverse side of all Missouri motor vehicle licenses issued pursuant to chapter 302, RSMo. The statement to be effective shall be signed by the owner of the license in the presence of two witnesses, who shall sign the statement in the presence of the donor. Use of the form is prima facie evidence that the owner of the license intended to make the anatomical gift, and there shall be no civil or criminal liability for removal of any part of the body indicated on the form by a licensed physician or surgeon, **or donee**. The gift becomes effective upon the death of the donor. Delivery of the license during the donor's lifetime is not necessary to make the gift valid. The gift shall [become invalidated upon expiration, cancellation, revocation, or suspension of the license, and the gift must] be renewed upon renewal of each license. Pertinent medical information which may affect the quality of the gift may be included in the statement of gift.

7. Any person eighteen years of age or older, or any person under the age of eighteen with parental consent who indicates the desire to make an organ donation through any method prescribed in this section may also contact the department of health when completing such form, so that the information may be included in the registry maintained by the department pursuant to subsection 1 of section 194.304. Failure to contact the department of health shall not be construed to challenge the validity of the organ donation.

8. Organ procurement organizations and tissue banks may employ **procurement coordinators and enucleators who may not be physicians or surgeons** to assist in the [procurement] **recovery** of cadaveric organs and tissue for transplant or research. A **or enucleator** coordinator who assists in the procurement of cadaveric organs or tissue for transplantation or research must do so under the direction and supervision of a physician or surgeon. With the exception of organ procurement surgery, this supervision may be indirect supervision. For purposes of this subsection, the term "indirect supervision" means that a physician or surgeon is responsible for the medical actions of the coordinator, that the coordinator is acting under protocols expressly approved by a physician or surgeon, and that a physician or surgeon is available, in person or by telephone, to provide medical direction, consultation and advice in cases of organ and tissue donation and procurement.

9. The department of health shall collect information and publish an annual report which shall include the number of organ and tissue donations made in the state, the number of organ or tissue donations received by citizens of the state of Missouri, the number of organ or tissue donations transported outside the state boundaries and the cost of such organ or tissue donations.

194.243. 1. Beginning no later than January 1, 2001, the division of motor vehicle and driver licensing shall modify the driver's license and identification card application process and renewal system to:

(1) Obtain information from individuals over the age of eighteen regarding such individual's consent to anatomical donation; and

(2) Allow persons under the age of eighteen to register as donors with parental consent. The division shall include an inquiry on the application and renewal form to read as follows:

"Do you wish to have the organ donor designation printed on your driver's license?"

If an individual indicates his or her consent to anatomical donation, such consent shall be noted on the front of the individual's driver's license or identification card with the word "Organ Donor" and recorded in the individual's computer record with the division of motor vehicle and driver licensing. 2. The OPO shall be given access to the donor information in subsection 1 of this section twenty-four hours a day through the division's database. Notwithstanding any other law to the contrary, the division is authorized to provide the OPO with the foregoing donor information. The OPO shall not be assessed a fee or other charges for such access.

3. The donor designation on the driver's license or identification card shall be deemed sufficient to satisfy all requirements for consent to organ and tissue donation.

4. Any person may request that his or her consent to anatomical donation by validly executed donor card, will, other document or gift be included in such person's computer record with the division of motor vehicle and driver licensing. The division may promulgate rules and regulations to implement the provisions of this subsection. No rule or portion of a rule promulgated pursuant to the authority of this section shall become effective unless it has been promulgated pursuant to the provisions of chapter 536, RSMo.

194.245. Notwithstanding any other law to the contrary, if a validly executed donor card, advance health care directive, will, other document or gift, driver's license or identification card evidencing an anatomical gift exists, consent at the time of death shall not be necessary to render the gift valid.

194.249. The department of revenue shall provide a space on the face of the state individual income tax return for the 2000 tax year and each year thereafter whereby an individual may voluntarily designate a contribution of any amount desired to the organ donor program fund established in section 194.297. The amount designated by an individual on the state income tax return form shall be deducted from the tax refund to which the individual is entitled or added to the individual's payment and shall not constitute a charge against the income tax revenues due the state.

194.266. 1. The following persons may make a reasonable search for a document of gift or other information identifying the bearer as an organ donor or as an individual who has refused to make an anatomical gift:

(1) A law enforcement officer, firefighter, paramedic or other official emergency rescuer finding an individual who the searcher believes is near death; and

(2) A hospital, upon the admission of an individual at or near the time of death, if there is not immediately available any other source of such information.

2. Any law enforcement officer or other person listed in subsection 1 of this section may conduct an administrative search of the individual's driver's license record with the division of motor vehicle and driver's licensing to determine if the individual's authorization for organ donation or refusal of organ donation.

3. A physical search pursuant to subsection 1 of this section may be conducted at or near the time of death or hospital admission, and shall be limited to those personal effects of the individual where a driver's license may be reasonably stored. Any information, document, tangible objects or other items discovered during the search shall be used solely for the purpose of ascertaining the individual's identity, notifying the individual's next of kin, and determining whether the individual intends to make an anatomical gift. In no event shall any such discovered material be admissible in any subsequent criminal or civil proceeding, unless obtained pursuant to a lawful search on other grounds.

194.293. A hospital or physician who acts in good faith in accord with the terms of sections 194.210 to 194.307 shall not be liable for damages in any civil action or subject to prosecution in any criminal proceeding for such act.

194.297. There is established in the state treasury the "Organ Donor Program Fund", which shall consist of all moneys deposited by the director of revenue pursuant to **section 194.249 and** subsection 2 of section 302.171, RSMo, and any other moneys donated or appropriated to the fund. The state treasurer shall administer the fund, and the moneys in the fund shall be used solely, upon appropriation, by the department of health, in consultation with the organ donation advisory committee, for implementation of organ donation awareness programs in the manner prescribed in [subsection 2 of section 194.300] **section 194.302**. Notwithstanding the provisions of section 33.080, RSMo, to the contrary, moneys in the organ donor program fund at the end of any biennium shall not be transferred to the credit of the general revenue fund. There shall be no money appropriated from general revenue to administer the fund in the event the fund cannot sustain itself.

194.300. 1. There is established within the department of health the "Organ Donation Advisory Committee", which shall consist of the following members appointed by the governor with the advice and consent of the senate:

- (1) [Four representatives of organ and tissue procurement organizations;
 - (2)] **Two current representatives from each federally certified OPO;**
 - (2) **One current representative from an eye bank;**
 - (3) Four members representative of organ recipients, families of organ recipients, organ donors and families of organ donors;
 - [(3)] (4) One health care representative from [a hospital located in Missouri; and] **the Missouri Hospital Association;**
 - [(4)] (5) One representative of the department of health; **and**
 - (6) **One representative of the department of revenue.**
2. Members of the advisory committee shall receive no compensation for their services, but may be reimbursed for the reasonable and necessary expenses incurred in the performance of their duties out of appropriations made for that purpose. Members shall serve for five year terms and shall serve at the pleasure of the governor."; and

Further amend said bill, Page 17, Section 199.200, Line 16, by inserting after said line the following:

"302.171. 1. Application for a license shall be made upon an approved form furnished by the director. Every application shall state the full name, Social Security number, age, height, weight, color of eyes, sex, residence, mailing address of the applicant, and the classification for which the applicant has been licensed, and, if so, when and by what state, and whether or not such license has ever been suspended, revoked, or disqualified, and, if revoked, suspended or disqualified, the date and reason for such suspension, revocation or disqualification and whether the applicant is making a [one-dollar] **two-dollar** donation to promote an organ donation program as prescribed in subsection 2 of this section. The application shall also contain such information as the director may require to enable the director to determine the applicant's qualification for driving a motor vehicle; and shall state whether or not the applicant has been convicted in this or any other state for violating the laws of this or any other state or any ordinance of any municipality, relating to driving without a license, careless driving, or driving while intoxicated, or failing to stop after an accident and disclosing the applicant's identity, or driving a motor vehicle without the owner's consent. The application shall contain a certification by the applicant as to the truth of the facts stated therein. Every person who applies for a license to operate a motor vehicle who is less than twenty-one years of age shall be provided with educational materials relating to the hazards of driving while intoxicated, including information on penalties imposed by law for violation of the intoxication-related offenses of the state. Beginning January 1, 2001, if the applicant is less than eighteen years of age, the applicant must comply with all requirements for the issuance of an intermediate driver's license pursuant to section 302.178.

2. An applicant for a license may make a donation of [one dollar] **two dollars** to promote an organ donor program. The director of revenue shall collect the donations and deposit all such donations in the state treasury to the credit of the organ donor program fund established in sections 194.297 to 194.304, RSMo. Moneys in the organ donor program fund shall be used solely for the purposes established in sections 194.297 to 194.304, RSMo, except that the department of revenue shall retain no more than one percent for its administrative costs. The donation prescribed in this subsection is voluntary and may be refused by the applicant for the license at the time of issuance or renewal of the license. The director shall make available an informational booklet or other informational sources on the importance of organ donations to applicants for licensure as designed by the organ donation advisory committee established in sections 194.297 to 194.304, RSMo. The director shall inquire of each applicant at the time the licensee presents the completed application to the director whether the applicant is interested in making the one-dollar donation prescribed in this subsection and whether the applicant is interested in making an organ donation and shall also specifically inform the licensee of the ability to make an organ donation by completing the form on the reverse of the license that the applicant will receive in the manner prescribed by subsection 6 of section 194.240, RSMo. The director shall notify the department of health of information obtained from applicants who indicate to the director that they are interested in making organ donations, and the department of health shall enter the complete name, address, date of birth, race, gender and a unique personal identifier in the registry established in subsection 1 of section 194.304, RSMo.

3. An applicant for a license may make a donation of one dollar to promote a blindness education, screening and treatment program. The director of revenue shall collect the donations and deposit all such donations in the state treasury to the credit of the blindness education, screening and treatment program fund established in section 192.935, RSMo. Moneys in the blindness education, screening and treatment program fund shall be used solely for the purposes established in section 192.935, RSMo, except that the department of revenue shall retain no more than one percent for its administrative costs. The donation prescribed in this subsection is voluntary and may be refused by the applicant

for the license at the time of issuance or renewal of the license. The director shall inquire of each applicant at the time the licensee presents the completed application to the director whether the applicant is interested in making the one-dollar donation prescribed in this subsection.

302.181. 1. The license issued pursuant to the provisions of sections 302.010 to 302.340 shall be in such form as the director shall prescribe, but the license shall be a card made of plastic or other comparable material. All licenses shall be manufactured of materials and processes that will prohibit, as nearly as possible, the ability to reproduce, alter, counterfeit, forge or duplicate any license without ready detection. All licenses shall bear the licensee's Social Security number, if the licensee has one, and if not, a notarized affidavit must be signed by the licensee stating that the licensee does not possess a Social Security number, or, if applicable, a certified statement must be submitted as provided in subsection 4 of this section. The license shall also bear the expiration date of the license, the classification of the license, the name, date of birth, residence address including the county of residence or a code number corresponding to such county established by the department, and brief description and colored photograph of the licensee, and a facsimile of the signature of the licensee. The director shall provide by administrative rule the procedure and format for a licensee to indicate on the back of the license together with the designation for an anatomical gift as provided in section 194.240, RSMo, the name and address of the person designated pursuant to sections 404.800 to 404.865, RSMo, as the licensee's attorney in fact for the purposes of a durable power of attorney for health care decisions. No license shall be valid until it has been so signed by the licensee. If any portion of the license is prepared by a private firm, any contract with such firm shall be made in accordance with the competitive purchasing procedures as established by the state director of the division of purchasing. For all licenses issued or renewed after March 1, 1992, the applicant's Social Security number shall serve as the applicant's license number. Where the licensee has no Social Security number, or where the licensee is issued a license without a Social Security number in accordance with subsection 4 of this section, the director shall issue a license number for the licensee and such number shall also include an indicator showing that the number is not a Social Security number.

2. All film involved in the production of photographs for licenses shall become the property of the department of revenue.

3. The license issued shall be carried at all times by the holder thereof while driving a motor vehicle, and shall be displayed upon demand of any officer of the highway patrol, or any police officer or peace officer, or any other duly authorized person, for inspection when demand is made therefor. Failure of any operator of a motor vehicle to exhibit his or her license to any duly authorized officer shall be presumptive evidence that such person is not a duly licensed operator.

4. The director of revenue shall issue a commercial or noncommercial driver's license without a Social Security number to an applicant therefor, who is otherwise qualified to be licensed, upon presentation to the director of a certified statement that the applicant objects to the display of the Social Security number on the license. The director shall assign an identification number, that is not based on a Social Security number, to the applicant which shall be displayed on the license in lieu of the Social Security number.

5. The director of revenue shall issue a license without the photograph to an applicant therefor, who is otherwise qualified to be licensed, upon presentation to the director of a statement on forms prescribed and made available by the department of revenue which states that the applicant is a member of a specified religious denomination which prohibits photographs of members as being contrary to its religious tenets. The license shall state thereon that no photograph is required because of the religious affiliation of the licensee. The director of revenue shall establish guidelines and furnish to each circuit court such forms as the director deems necessary to comply with this subsection. The circuit court shall not charge or receive any fee or court cost for the performance of any duty or act pursuant to this subsection.

6. The department of revenue may issue a temporary license without the photograph to out-of-state applicants and members of the armed forces, except that where such temporary license is issued it shall be valid only until the applicant shall have had time to appear and have his or her picture taken and a license with his or her photograph issued.

7. The department of revenue shall issue upon request a nondriver's license card containing essentially the same information as the driver's license upon payment of six dollars if the applicant is under the age of sixty-five. An applicant who is sixty-five years of age or older may purchase a nondriver's license card without a photograph for one dollar or a nondriver's license card with a photograph for six dollars. All nondriver's licenses shall expire on the applicant's birthday in the sixth year after issuance. A person who has passed his or her seventieth birthday shall upon application be issued a nonexpiring nondriver's license card. The nondriver's license card shall be used for identification purposes only and shall not be valid as a license. **The director shall provide by administrative rule the procedure and format for an applicant to indicate a designation for an anatomical gift as provided in section 194.240, RSMo, on the back of the nondriver's license card.**

8. No rule or portion of a rule promulgated pursuant to the authority of this chapter shall become effective unless it is promulgated pursuant to the provisions of chapter 536, RSMo."; and

House Amendment No. 2

AMEND House Committee Substitute for Senate Substitute for Senate Bill No. 244, Page 2, Section 301.260, Line 36, by inserting after all of said line the following:

"302.173. 1. Any applicant for a license, who does not possess a valid license issued pursuant to the laws of this state **or any other state** shall be examined as herein provided. Any person who has failed to renew such person's license on or before the date of its expiration or within six months thereafter must take the complete examination. Any active member of the armed forces, their adult dependents or any active member of the peace corps may apply for a renewal license without examination of any kind, unless otherwise required by sections 302.700 to 302.780, provided the renewal application shows that the previous license had not been suspended or revoked. Any person honorably discharged from the armed forces of the United States who held a valid license prior to being inducted may apply for a renewal license within sixty days after such person's honorable discharge without submitting to any examination of such person's ability to safely operate a motor vehicle over the highways of this state unless otherwise required by sections 302.700 to 302.780, other than the vision test provided in section 302.175, unless the facts set out in the renewal application or record of convictions on the expiring license, or the records of the director show that there is good cause to authorize the director to require the applicant to submit to the complete examination. No applicant for a renewal license shall be required to submit to any examination of his or her ability to safely operate a motor vehicle over the highways of this state unless otherwise required by sections 302.700 to 302.780 or regulations promulgated thereunder, other than a test of the applicant's ability to understand highway signs regulating, warning or directing traffic and the vision test provided in section 302.175, unless the facts set out in the renewal application or record of convictions on the expiring license, or the records of the director show that there is good cause to authorize the director to require the applicant to submit to the complete examination. The examination shall be made available in each county.

Reasonable notice of the time and place of the examination shall be given the applicant by the person or officer designated to conduct it. The complete examination shall include a test of the applicant's natural or corrected vision as prescribed in section 302.175, the applicant's ability to understand highway signs regulating, warning or directing traffic, the applicant's practical knowledge of the traffic laws of this state, and an actual demonstration of ability to exercise due care in the operation of a motor vehicle of the classification for which the license is sought. When an applicant for a license has a valid license from a state which has requirements for issuance of a license comparable to the Missouri requirements, the director may waive the requirement of actual demonstration of ability to exercise due care in the operation of a motor vehicle. If the director has reasonable grounds to believe that an applicant is suffering from some known physical or mental ailment which ordinarily would interfere with the applicant's fitness to operate a motor vehicle safely upon the highways, the director may require that the examination include a physical or mental examination by a licensed physician of the applicant's choice, at the applicant's expense, to determine the fact. The director shall prescribe regulations to ensure uniformity in the examinations and in the grading thereof and shall prescribe and furnish all forms to the members of the highway patrol and to other persons authorized to conduct examinations as may be necessary to enable the officer or person to properly conduct the examination. The records of the examination shall be forwarded to the director who shall not issue any license hereunder if in the director's opinion the applicant is not qualified to operate a motor vehicle safely upon the highways of this state.

2. The director of revenue shall delegate the power to conduct the examinations required for a license or permit to any member of the highway patrol or any person employed by the highway patrol. The powers delegated to any examiner may be revoked at any time by the director of revenue upon notice.

3. Representative Kelly (27) offered **House Amendment No. 5.**

House Amendment No. 5

AMEND House Committee Substitute for Senate Substitute for Senate Bill No. 244, Page 2, Section 301.260, Line 36, by inserting after all of said line the following:

"302.173. 1. Any applicant for a license, who does not possess a valid license issued pursuant to the laws of this state shall be examined as herein provided. Any person who has failed to renew such person's license on or before the date of its expiration or within six months thereafter must take the complete examination. Any active member of the armed forces, their adult dependents or any active member of the peace corps may apply for a renewal license without examination of any kind, unless otherwise required by sections 302.700 to 302.780, provided the renewal application shows that the previous license had not been suspended or revoked. Any person honorably discharged from the armed forces of the United States who held a valid license prior to being inducted may apply for a renewal license within sixty days after such person's honorable discharge without submitting to any examination of such person's ability to safely operate a motor vehicle over the highways of this state unless otherwise required by sections 302.700 to 302.780, other than the vision test provided in section 302.175, unless the facts set out in the renewal application or record of convictions on the expiring license, or the records of the director show that there is good cause to authorize the director to require the applicant to submit to the complete examination. No applicant for a renewal license shall be required to submit to any examination of his or her ability to safely operate a motor vehicle over the highways of this state unless otherwise required by sections 302.700 to 302.780 or regulations promulgated thereunder, other than a test of the applicant's ability to understand highway signs regulating, warning or directing traffic and the vision test provided in section 302.175, unless the facts set out in the renewal application or record of convictions on the expiring license, or the records of the director show that there is good cause to authorize the director to require the applicant to submit to the complete examination. The examination shall be made available in each county. Reasonable notice of the time and place of the examination shall be given the applicant by the person or officer designated to conduct it. The complete examination shall include a test of the applicant's natural or corrected vision as prescribed in section 302.175, the applicant's ability to understand highway signs regulating, warning or directing traffic, the applicant's practical knowledge of the traffic laws of this state, and an actual demonstration of ability to exercise due care in the operation of a motor vehicle of the classification for which the license is sought. When an applicant for a license has a valid license from [a state which has requirements for issuance of a license comparable to the Missouri requirements,] **another state which is currently in good standing in that state,** the director [may] **shall** waive the [requirement] **requirements** of [actual demonstration of ability to exercise due care in the operation of a motor vehicle] **this section including the vision test requirements set forth in section 302.175.** If the director has reasonable grounds to believe that an applicant is suffering from some known physical or mental ailment which ordinarily would interfere with the applicant's fitness to operate a motor vehicle safely upon the highways, the director may require that the examination include a physical or mental examination by a licensed physician of the applicant's choice, at the applicant's expense, to determine the fact. The director shall prescribe regulations to ensure uniformity in the examinations and in the grading thereof and shall prescribe and furnish all forms to the members of the highway patrol and to other persons authorized to conduct examinations as may be necessary to enable the officer or person to properly conduct the examination. The records of the examination shall be forwarded to the director who shall not issue any license

hereunder if in the director's opinion the applicant is not qualified to operate a motor vehicle safely upon the highways of this state.

2. The director of revenue shall delegate the power to conduct the examinations required for a license or permit to any member of the highway patrol or any person employed by the highway patrol. The powers delegated to any examiner may be revoked at any time by the director of revenue upon notice.

3. Notwithstanding the requirements of subsections 1 and 2 of this section, the successful completion of a motorcycle rider training course approved pursuant to sections 302.133 to 302.138 shall constitute an actual demonstration of the person's ability to exercise due care in the operation of a motorcycle or motortricycle, and no further driving test shall be required to obtain a motorcycle or motortricycle license or endorsement."; and

Each state agency shall provide the department with all vehicle fleet information necessary to determine the number of EPAAct credits generated by the agency. The department may sell credits in any manner pursuant to the provisions of EPAAct.

3. There is hereby created in the state treasury the **"Biodiesel Fuel Revolving Fund"**, into which shall be deposited moneys received from the sale of EPAAct credits banked by state agencies on the effective date of this section and in future reporting years, any moneys appropriated to the fund by the General Assembly, and any other moneys obtained or accepted by the department for deposit into the fund. The principal amount of such bonds shall not exceed five hundred million dollars in any one fiscal year. **The sale of such bonds shall be negotiated, after a competitive selection process, with an underwriting group managed by firms headquartered within the State of Missouri, as long as such firms are not deemed to be unqualified or price uncompetitive. The underwriting group so managed shall have as its first priority the sale of the bonds to Missouri individual investors as long as such sale is not inconsistent with deriving the lowest possible financing costs.** Proceeds from the issuance of the bonds shall be provided to the department of transportation to pay for the cost of construction engineering and construction. The proceeds from the bonds shall not be used to pay for administrative expenses, including but not limited to planning and design expenses. Contracted final design shall not be considered an administrative expense, but shall not exceed seven percent of any project.

2. To obtain authorization for the issuance of bonds, the highways and transportation commission shall annually present to the general assembly, by the tenth legislative day, a proposed plan and an analysis demonstrating the feasibility and appropriateness thereof. The plan to issue bonds shall become effective no later than forty-five calendar days after the plan proposed by the highways and transportation commission is submitted to a regular session of the general assembly, unless it is disapproved within forty-five calendar days of its submission to a regular session by a concurrent resolution introduced within fourteen calendar days of the submission of the plan to a regular session of the general assembly and adopted by a majority vote of the elected members of each house. If no concurrent resolution disapproving of the highway plan is introduced within fourteen calendar days of the submission of the plan to the legislature, then the plan shall become effective immediately. The presiding officer of each house in which a concurrent

resolution disapproving of a plan to issue bonds has been introduced, unless the resolution has been previously accepted or rejected by that house, shall submit it to a vote of the membership not sooner than seven calendar days or later than fourteen calendar days after introduction of the concurrent resolution pertaining to the department of transportation plan. The presiding officer of the house passing a concurrent resolution disapproving of a plan to issue bonds shall immediately forward the bill to the other house and the presiding officer of that house shall submit it to a vote of the membership not sooner than seven calendar days or later than fourteen calendar days of its receipt from the other legislative body. The plan submitted by the highways and transportation commission shall not be subject to amendment by either chamber and may only be rejected in its entirety.

3. The highways and transportation commission shall offer such bonds at public sale or negotiated sale. The bonds shall be for a period of not less than ten years and not more than twenty years from their date of issue and shall bear interest at a rate or rates not exceeding the rate permitted by law.

4. The proceeds of the sale or sales of any bonds issued pursuant to this section shall be paid into the state road fund to be expended for the purpose specified pursuant to the provisions of section 226.220.

5. Bonds issued pursuant to this section shall be state road bonds as such term is used in section 30(b) of article IV of the state constitution, and as such, principal and interest payments on such bonds shall be made from the state road fund as provided in section 30(b) of article IV of the state constitution. Bonds issued pursuant to this section shall not be deemed to constitute a debt or liability of the state or a pledge of the full faith and credit of the state, and the principal and interest on such bonds shall be payable solely from the state road fund. Bonds issued pursuant to this section, the interest thereon, or any proceeds from such bonds, shall be exempt from taxation in the state of Missouri for all purposes except for the state estate tax.

6. Bonds may be issued for the purpose of refunding either at maturity or in advance of maturity, any bonds issued [under] **pursuant** to this section. The proceeds of such refunding bonds may either be applied to the payment of the bonds being refunded or deposited in trust and maintained in cash or investments for the retirement of the bonds being refunded, as shall be specified by the highways and transportation commission and the authorizing resolution or trust indenture securing such refunding bonds. The authorizing resolution or trust indenture securing the refunding bonds shall specify the amount and other terms of the refunding bonds and may provide that the refunding bonds shall have the same security for their payment as provided for the bonds being refunded. The refunding bonds shall be for a period of not less than ten years and not more than twenty years from their date of issue and shall bear interest at a rate or rates not exceeding the rate permitted by law. The principal amount of refunding bonds issued pursuant to this section shall not be counted toward the limit on the principal amount of bonds permitted [under] **pursuant** to this section.”; and

The state highways and transportation commission, with respect to bridges on the supplementary system, or the person in charge of supervision or maintenance of the bridges on the county, township or city roads and streets may determine and by official order declare that certain designated bridges do not appear susceptible to unreasonable and unusual damage by reason of such higher weight limits and may legally be subjected to the higher limits in this section.]

Whenever the state highways and transportation commission finds that any state highway bridge in the state is in such a condition that use of such bridge by vehicles of the weights specified in subsection 3 of this section will endanger the bridge, or the users of the bridge, the commission may establish maximum weight limits and speed limits for vehicles using such bridge. The governing body of any city or county may grant authority by act or ordinance to the state highways and transportation commission to enact the limitations established in this section on those roadways within the purview of such city or county. Notice of the weight limits and speed limits established by the commission shall be given by posting signs at a conspicuous place at each end of any such bridge.

[6.] **5.** Nothing in this section shall be construed as permitting lawful axle loads, tandem axle loads or gross loads in excess of those permitted under the provisions of Section 127 of Title 23 of the United States Code.

[7. Additional routes may be designated by the state highways and transportation commission for movement or operation by vehicles or combinations of vehicles having the weights described in subsections 1 and 3 of this section.

[8.] **6.** Notwithstanding the weight limitations contained in this section, any vehicle or combination of vehicles operating on highways other than the interstate highway system may exceed single axle, tandem axle and gross weight limitations in an amount not to exceed two thousand pounds. However, total gross weight shall not exceed eighty thousand pounds.

[9.] **7.** Notwithstanding any provision of this section to the contrary, the department of transportation shall issue a single-use special permit, or upon request of the owner of the truck or equipment, shall issue an annual permit, for the transporting of any concrete pump truck or well-drillers' equipment. The department of transportation shall set fees for the issuance of permits pursuant to this subsection. Representative Reid offered **House Amendment No. 12**.

AMEND House Committee Substitute for Senate Substitute for Senate Bill No. 244, Page 4, Section 304.580, Line 36, by inserting after all of said line the following:

"407.565. For the purposes of sections 407.560 to [407.579] **407.581**, if a new motor vehicle does not conform to all applicable express warranties, and the consumer reports the nonconformity to the manufacturer, [or] its agent, **the new motor vehicle lessor or any of the manufacturer's authorized motor vehicle dealers and makes the new motor vehicle available for repair** during the term of such express warranties, or during the period of [one year] **eighteen months** following the date of original delivery of the new motor vehicle to the consumer, **or before the new motor vehicle's odometer accurately indicates that the vehicle has traveled eighteen thousand miles**, whichever period expires earlier, the manufacturer, or its agent, shall make such repairs as are necessary to conform the new vehicle to such express warranties, notwithstanding the fact that such repairs are made after the expiration of such term or such [one-year] **eighteen-month or eighteen-thousand-mile** period.

407.568. No motor vehicle returned by a consumer or motor vehicle lessor in this state pursuant to section 407.567, or by a consumer or motor vehicle lessor in another state under a similar law of that state, may be sold or leased again in this state unless full disclosure of the reasons for return is made to any prospective buyer or lessee.

407.571. It shall be presumed that a reasonable number of attempts have been undertaken to conform a new motor vehicle to the applicable express warranties if within the terms, conditions, or limitations of the express warranty, or during the period of [one year] **eighteen months** following the date of original delivery of the new motor vehicle to a consumer, **or before the new motor vehicle's odometer accurately indicates that the vehicle has traveled eighteen thousand miles**, whichever expires earlier, either:

(1) The same nonconformity has been subject to repair [four] **three** or more times by the manufacturer, or its agents, and such nonconformity continues to exist; or

(2) The new vehicle is out of service by reason of repair of the nonconformity by the manufacturer, through its authorized dealer or its agents, for a cumulative total of thirty or more [working] days, exclusive of down time for routine maintenance as prescribed by the manufacturer, since delivery of the new vehicle to the consumer. The thirty-day period may be extended by a period of time during which repair services are not available to the consumer because of conditions beyond the control of the manufacturer or its agents.

407.573. 1. The terms, conditions, or limitations of the express warranty, or the period of [one year] **eighteen months** following the date of original delivery of the new motor vehicle to a consumer **or eighteen thousand miles, or before the new motor vehicle's odometer accurately indicates that the vehicle has traveled eighteen thousand miles**, whichever expires earlier, may be extended if the new motor vehicle warranty problem has been reported but has not been repaired by the manufacturer, or its agent, by the expiration of the applicable time period.

2. The manufacturer shall provide information for consumer complaint remedies with each new motor vehicle. It shall be the responsibility of the consumer, or his representative, prior to availing himself of the provisions of sections 407.560 to [407.579] **407.581**, to give written notification to the manufacturer of the need for the repair of the nonconformity, in order to allow the manufacturer an opportunity to cure the alleged defect. The manufacturer shall immediately notify the consumer of a reasonably accessible repair facility of a franchised new vehicle dealer to conform the new vehicle to the express warranty. After delivery of the new vehicle to an authorized repair facility by the consumer, the manufacturer shall have ten calendar days to conform the new motor vehicle to the express warranty. Upon notification from the consumer that the new vehicle has not been conformed to the express warranty, the manufacturer shall inform the consumer if an informal dispute settlement procedure has been established by the manufacturer in accordance with section 407.575. However, if prior notice by the manufacturer of an informal dispute settlement procedure has been given, no further notice is required.

3. Any action brought under sections 407.560 to [407.579] **407.581** shall be commenced within six months following expiration of the terms, conditions, or limitations of the express warranty, or within eighteen months following the date of original delivery of the new motor vehicle to a consumer, whichever is earlier, or, in the event that a consumer resorts to an informal dispute settlement procedure as provided in sections 407.560 to [407.579] **407.581**, within ninety days following the final action of any panel established pursuant to such procedure.

407.577. 1. If a consumer undertakes a court action after complying with the provisions of sections 407.560 to 407.579 and finally prevails in that action, he shall be allowed by the court to recover as part of the judgment a sum equal to the aggregate amount of costs and expenses, including attorney's fees based on actual time expended,

determined by the court to have been reasonably incurred by the plaintiff for or in connection with the commencement and prosecution of such action.

2. If any claim by a consumer under sections 407.560 to 407.579 is found by a court to have been filed in bad faith, or solely for the purpose of harassment, or in the absence of a substantial justifiable issue of either law or fact raised by the consumer, [or for which the final recovery is not at least ten percent greater than any settlement offer made by the manufacturer prior to the commencement of the court action,] then the consumer shall be liable for all costs and reasonable attorney's fees incurred by the manufacturer, or its agent, as a direct result of the bad faith claim.

3. In addition to pursuing any other remedy, a consumer may bring an action to recover damages caused by a violation of sections 407.560 to 407.581. A court shall award a consumer who prevails in such an action twice the amount of any pecuniary loss, together with costs, disbursements and reasonable attorney's fees, and any equitable relief the court deems appropriate.

407.579. 1. Except as provided in subdivision (1) of section 407.560, nothing in sections 407.560 to 407.579 shall in any way limit the rights or remedies which are otherwise available to a consumer at law or in equity.

2. [Sections 407.560 to 407.579 shall apply to any new motor vehicle sold after January 1, 1985.] **Any waiver by a consumer of rights pursuant to sections 407.560 to 407.581 is void.**

3. In addition to pursuing any other remedy, a consumer may bring an action to recover for any damages caused by a violation of this section. The court shall award a consumer who prevails in such an action twice the amount of any pecuniary loss, together with costs, disbursements and reasonable attorney's fees, and any equitable relief the court determines appropriate."; and

Further amend said title, enacting clause and intersectional references accordingly.

House Committee Amendment No. 1

AMEND Senate Committee Substitute for Senate Bill Nos. 52 & 91, Page 1, In the Title, Line 9, by inserting after the word "provisions" the following: **"and an emergency clause"**; and

Further amend said bill, Pages 20 and 21, Section 302.130, Lines 1 to 69, by deleting all of said lines and inserting in lieu thereof the following:

"302.130. 1. Any person at least fifteen years of age who, except for age or lack of instruction in operating a motor vehicle, would otherwise be qualified to obtain a license pursuant to sections 302.010 to 302.340 may apply for and the director shall issue a temporary instruction permit entitling the applicant, while having such permit in the applicant's immediate possession, to drive a motor vehicle of the appropriate class upon the highways for a period of twelve months, but any such person, except when operating a motorcycle or motortricycle, must be accompanied by a licensed operator for the type of motor vehicle being operated who is actually occupying a seat beside the driver for the purpose of giving instruction in driving the motor vehicle, who is at least twenty-one years of age, and in the case of any driver under sixteen years of age, the licensed operator occupying the seat beside the driver shall be a grandparent, parent [or], guardian, **a driver training instructor holding a valid driver education endorsement on a teaching certificate issued by the department of elementary and secondary education or a qualified instructor of a private drivers' education program** who has a valid driver's license. Beginning January 1, 2001, an applicant for a temporary instruction permit shall successfully complete a vision test and a test of the applicant's ability to understand highway signs which regulate, warn or direct traffic and practical knowledge of the traffic laws of this state, pursuant to section 302.173. In addition, beginning January 1, 2001, no permit shall be granted pursuant to this subsection unless a parent or legal guardian gives written permission by signing the application and in so signing, state they, or their designee as set forth in subsection 2 of this section, will provide a minimum of twenty hours of behind-the-wheel driving instruction. **The twenty hours of behind-the-wheel driving instruction that is completed pursuant to this subsection may include any time that the holder of an instruction permit has spent operating a motor vehicle in a driver training program taught by a driver training instructor holding a valid driver education endorsement on a teaching certificate issued by the department of elementary and secondary education or by a qualified instructor of a private drivers' education program. If the applicant for a permit is enrolled in a federal residential job training program, the instructor, as defined in subsection 5 of this section, is authorized to sign the application stating that the applicant will receive the behind-the-wheel driving instruction required by this section.**

2. In the event the parent, grandparent or guardian of the person under sixteen years of age has a physical disability which prohibits or disqualifies said parent, grandparent or guardian from being a qualified licensed operator pursuant to this section, said parent, grandparent or guardian may designate a maximum of two individuals authorized to accompany the applicant for the purpose of giving instruction in driving the motor vehicle. An authorized designee must be a licensed operator for the type of motor vehicle being operated and have attained twenty-one years of age. At least one of the designees must occupy the seat beside the applicant while giving instruction in driving the motor vehicle. The name of the authorized designees must be provided to the department of revenue by the parent, grandparent or guardian at the time of application for the temporary instruction permit. The name of each authorized designee shall be printed on the temporary instruction permit, however, the director may delay the time at which permits are printed bearing such names until the inventories of blank permits and related forms existing on August 28, 1998, are exhausted.

3. The director, upon proper application on a form prescribed by the director, in his or her discretion, may issue a restricted instruction permit effective for a school year or more restricted period to an applicant who is enrolled in a high school driver training program taught by a driver training instructor holding a valid driver education endorsement on a teaching certificate issued by the state department of elementary and secondary education even though the applicant has not reached the age of sixteen years but has passed the age of fifteen years. Such instruction permit shall entitle the applicant, when the applicant has such permit in his or her immediate possession, to operate a motor vehicle on the highways, but only when a driver training instructor holding a valid driver education endorsement on a teaching certificate issued by the state department of elementary and secondary education is occupying a seat beside the driver.

4. The director, in his or her discretion, may issue a temporary driver's permit to an applicant who is otherwise qualified for a license permitting the applicant to operate a motor vehicle while the director is completing the director's investigation and determination of all facts relative to such applicant's rights to receive a license. Such permit must be in the applicant's immediate possession while operating a motor vehicle, and it shall be invalid when the applicant's license has been issued or for good cause has been refused.

5. In the event that the applicant for a temporary instruction permit described in subsection 1 of this section is a participant in a federal residential job training program, the permittee may operate a motor vehicle accompanied by a driver training instructor who holds a valid driver education endorsement issued by the department of elementary and secondary education and a valid driver's license.

6. A person at least fifteen years of age may operate a motor vehicle as part of a driver training program

taught by a driver training instructor holding a valid driver education endorsement on a teaching certificate issued by the department of elementary and secondary education or a qualified instructor of a private drivers' education program.

7. The director may adopt rules and regulations necessary to carry out the provisions of this section."; and

Further amend said bill, Pages 21 to 24, Section 302.178, Lines 1 to 89, by deleting all of said lines and inserting in lieu thereof the following:

"302.178. 1. Beginning January 1, 2001, any person between the ages of sixteen and eighteen years who is qualified to obtain a license pursuant to sections 302.010 to 302.340, may apply for, and the director shall issue, an intermediate driver's license entitling the applicant, while having such license in his or her possession, to operate a motor vehicle of the appropriate class upon the highways of this state in conjunction with the requirements of this section. An intermediate driver's license shall be readily distinguishable from a license issued to those over the age of eighteen. All applicants for an intermediate driver's license shall:

- (1) Successfully complete the examination required by section 302.173;
- (2) Pay the fee required by subsection 3 of this section;
- (3) Have had a temporary instruction permit issued pursuant to subsection 1 of section 302.130 for at least a six-month period or a valid license from another state; and
- (4) Have a parent, grandparent [or], legal guardian, **or, if the applicant is a participant in a federal residential job training program, a driving instructor employed by a federal residential job training program**, sign the application stating that the applicant has completed at least twenty hours of supervised driving experience under a temporary instruction permit issued pursuant to subsection 1 of section 302.130, or, if the applicant is an emancipated minor, the person over twenty-one years of age who supervised such driving. For purposes of this section, the term "emancipated minor" means a person who is at least sixteen years of age, but less than eighteen years of age, who:
 - (a) Marries with the consent of the legal custodial parent or legal guardian pursuant to section 451.080, RSMo;
 - (b) Has been declared emancipated by a court of competent jurisdiction;
 - (c) Enters active duty in the armed forces;
 - (d) Has written consent to the emancipation from the custodial parent or legal guardian; or
 - (e) Through employment or other means provides for such person's own food, shelter and other cost-of-living expenses;
- (5) Have had no alcohol-related enforcement contacts as defined in section 302.525 during the preceding twelve months; and
- (6) Have no nonalcoholic traffic convictions for which points are assessed pursuant to section 302.302, within the preceding six months.

2. An intermediate driver's license grants the licensee the same privileges to operate that classification of motor vehicle as a license issued pursuant to section 302.177, except that no person shall operate a motor vehicle on the highways of this state under such an intermediate driver's license between the hours of 1:00 a.m. and 5:00 a.m. unless accompanied by a person described in subsection 1 of section 302.130; except the licensee may operate a motor vehicle without being accompanied if the travel is to or from a school or educational program or activity, a regular place of employment or in emergency situations as defined by the director by regulation. Each intermediate driver's license shall be restricted by requiring that the driver and all passengers in the licensee's vehicle wear safety belts at all times. This safety belt restriction shall not apply to a person operating a motorcycle.

3. Notwithstanding the provisions of section 302.177 to the contrary, the fee for an intermediate driver's license shall be five dollars and such license shall be valid for a period of two years.

4. Any intermediate driver's licensee accumulating six or more points in a twelve-month period may be required to participate in and successfully complete a driver-improvement program approved by the director of the department of public safety. The driver-improvement program ordered by the director of revenue shall not be used in lieu of point assessment.

5. (1) An intermediate driver's licensee who has, for the preceding twelve-month period, had no alcohol-related enforcement contacts, as defined in section 302.525 and no traffic convictions for which points are assessed, upon reaching the age of eighteen years may apply for and receive without further examination, other than a vision test as prescribed by section 302.173, a license issued pursuant to this chapter granting full driving privileges. Such person shall pay the required fee for such license as prescribed in section 302.177.

(2) The director of revenue shall deny an application for a full driver's license until the person has had no traffic

convictions for which points are assessed for a period of twelve months prior to the date of application for license or until the person is eligible to apply for a six-year driver's license as provided for in section 302.177, provided the applicant is otherwise eligible for full driving privileges. An intermediate driver's license shall expire when the licensee is eligible and receives a full driver's license as prescribed in subdivision (1) of this section.

6. No person upon reaching the age of eighteen years whose intermediate driver's license and driving privilege is denied, suspended, canceled or revoked in this state or any other state, for any reason may apply for a full driver's license until such license or driving privilege is fully reinstated. Any such person whose intermediate driver's license has been revoked pursuant to the provisions of sections 302.010 to 302.540 shall, upon receipt of reinstatement of the revocation from the director, pass the complete driver examination, apply for a new license, and pay the proper fee before again operating a motor vehicle upon the highways of this state.

7. A person shall be exempt from the intermediate licensing requirements if the person has reached the age of eighteen years and meets all other licensing requirements.

8. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2000, shall be invalid and void."; and

Further amend said bill, Page 44, Section 577.020, Line 62, by inserting after all of said line the following:

"Section B. Because proper driving instruction is important to creating safe drivers, sections 302.130 and 302.178 of this act is deemed necessary for the immediate preservation of the public health, welfare, peace and safety, and is hereby declared to be an emergency act within the meaning of the constitution, and sections 302.130 and 302.178 of this act shall be in full force and effect upon its passage and approval."; and

Further amend said title, enacting clause and intersectional references accordingly.

JOURNAL OF THE HOUSE

First Regular Session, 91st GENERAL ASSEMBLY

SEVENTY-FIFTH DAY, WEDNESDAY, MAY 16, 2001

Speaker Pro Tem Abel in the Chair.

Prayer by Father David Buescher.

Heavenly Power, You are faithful to us, even placing Your trust in our capabilities as You inspire our minds, hearts, and souls. As the days of the session spin towards the close, may we continue to be faithful to You. Help this House rise up to its capacities again today, amid the commotion and the time constraints, building freely on the best efforts in the past.

Assemble these women and men on Your promise to be within our hearts, minds, and souls at all times. You who are everywhere, invade gracefully the everywhere of this Chamber and the hearts of all in this building and all in our noble Missouri always, world without end. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Clyde Manners and Zach Kelly.

The Journal of the seventy-fourth day was approved as corrected.

“570.120. 1. A person commits the crime of passing a bad check when:

(1) With purpose to defraud, [he] **the person** makes, issues or passes a check or other similar sight order for the payment of money, knowing that it will not be paid by the drawee, or that there is no such drawee; or

(2) [He] **The person** makes, issues, or passes a check or other similar sight order for the payment of money, knowing that there are insufficient funds in [his] **that** account or that there is no such account or no drawee and fails to pay the check or sight order within ten days after receiving actual notice in writing that it has not been paid because of insufficient funds or credit with the drawee or because there is no such drawee.

2. As used in subdivision (2) of subsection 1 of this section, actual notice in writing means notice of the nonpayment which is actually received by the defendant. Such notice may include the service of summons or warrant upon the defendant for the initiation of the prosecution of the check or checks which are the subject matter of the prosecution if the summons or warrant contains information of the ten-day period during which the instrument may be paid and that payment of the instrument within such ten-day period will result in dismissal of the charges. The requirement of notice shall also be satisfied for written communications which are tendered to the defendant and which the defendant refuses to accept.

3. The face amounts of any bad checks passed pursuant to one course of conduct within any ten-day period may be aggregated in determining the grade of the offense.

4. Passing bad checks is a class A misdemeanor, unless:

(1) The face amount of the check or sight order or the aggregated amounts is one hundred fifty dollars or more; or

(2) The issuer had no account with the drawee or if there was no such drawee at the time the check or order was issued, in which cases passing bad checks is a class D felony.

5. The cost shall be [five dollars for checks of less than ten dollars, ten dollars for checks of ten dollars but less than one hundred dollars, and twenty-five dollars for checks of one hundred dollars or more.] **twenty-five dollars for any bad check. For checks of one hundred dollars or more and additional fee of ten percent of the face amount shall be assessed, with a maximum fee for administrative handling costs not to exceed one hundred dollars total.** Notwithstanding the provisions of sections 50.525 to 50.745, RSMo, the costs provided for in this subsection shall be deposited by the county treasurer into a separate interest-bearing fund to be expended by the prosecuting attorney or circuit attorney. The funds shall be expended, upon warrants issued by the prosecuting attorney or circuit attorney directing the treasurer to issue checks thereon, only for purposes related to that previously authorized in this section. Any revenues that are not required for the purposes of this section may be placed in the general revenue fund of the county or city not within a county.

(2) The moneys deposited in the fund may be used by the prosecuting or circuit attorney for office supplies, postage, books, training, office equipment, capital outlay, expenses of trial and witness preparation, additional

employees for the staff of the prosecuting or circuit attorney and employees' salaries.

(3) This fund may be audited by the state auditor's office or the appropriate auditing agency.

(4) If the moneys collected and deposited into this fund are not totally expended annually, then the unexpended balance shall remain in said fund and the balance shall be kept in said fund to accumulate from year to year.

6. Notwithstanding any other provisions of law to the contrary, in addition to the administrative handling costs provided for in subsection 5 of this section, the prosecuting attorney or circuit attorney may, in his discretion, collect from the issuer, in addition to the face amount of the check, a reasonable service charge, which along with the face amount of the check shall be turned over to the party to whom the bad check was issued. If the prosecuting attorney or circuit attorney does not collect the service charge and the face amount of the check, the party to whom the check was issued may collect from the issuer a reasonable service charge along with the face amount of the check.

7. In all cases where a prosecutor receives notice from the original holder that a person has violated this section with respect to a payroll check or order, the prosecutor, if he determines there is a violation of this section, shall file an information or seek an indictment within sixty days of such notice and may file an information or seek an indictment thereafter if the prosecutor has failed through neglect or mistake to do so within sixty days of such notice and if he determines there is sufficient evidence shall further prosecute such cases.

8. When any financial institution returns a dishonored check to the person who deposited such check, it shall be in substantially the same physical condition as when deposited, or in such condition as to provide the person who deposited the check the information required to identify the person who wrote the check.”; and

In the event that there are insufficient funds in the crime victims' compensation fund to pay all claims in full, all claims shall be paid on a pro rata basis. If there are no funds in the crime victims' compensation fund, then no claim shall be paid until funds have again accumulated in the crime victims' compensation fund. When sufficient funds become available from the fund, awards which have not been paid shall be paid in chronological order with the oldest paid first. In the event an award was to be paid in installments and some remaining installments have not been paid due to a lack of funds, then when funds do become available that award shall be paid in full. All such awards on which installments remain due shall be paid in full in chronological order before any other postdated award shall be paid. Any award pursuant to this

subsection is specifically not a claim against the state, if it cannot be paid due to a lack of funds in the crime victims' compensation fund.

[14.] **15.** When judgment is entered against a defendant as provided in this section and such sum, or any part thereof, remains unpaid, there shall be withheld from any disbursement, payment, benefit, compensation, salary, or other transfer of money from the state of Missouri to such defendant an amount equal to the unpaid amount of such judgment. Such amount shall be paid forthwith to the crime victims' compensation fund and satisfaction of such judgment shall be entered on the court record. Under no circumstances shall the general revenue fund be used to reimburse court costs or pay for such judgment. The director of the department of corrections shall have the authority to pay into the crime victims' compensation fund from an offender's compensation or account the amount owed by the offender to the crime victims' compensation fund, provided that the offender has failed to pay the amount owed to the fund prior to entering a correctional facility of the department of corrections.

[15.] **16.** All interest earned as a result of investing funds in the crime victims' compensation fund shall be paid into the crime victims' compensation fund and not into the general revenue of this state.

[16.] **17.** Any person who knowingly makes a fraudulent claim or false statement in connection with any claim hereunder is guilty of a class A misdemeanor.

[17.] **18.** Any gifts, contributions, grants or federal funds specifically given to the division for the benefit of victims of crime shall be credited to the crime victims' compensation fund. Payment or expenditure of moneys in such funds shall comply with any applicable federal crime victims' compensation laws, rules, regulations or other applicable federal guidelines.

"94.577. 1. The governing body of any municipality except those located in whole or in part within any first class county having a charter form of government and not containing any part of a city with a population of four hundred thousand or more and adjacent to a city not within a county for that part of the municipality located within such first class county is hereby authorized to impose, by ordinance or order, a one-eighth, one-fourth, three-eighths, or one-half of one percent sales tax on all retail sales made in such municipality which are subject to taxation under the provisions of sections 144.010 to 144.525, RSMo, for the purpose of funding capital improvements, including the operation and maintenance of capital improvements, which may be funded by issuing bonds which will be retired by the revenues received from the sales tax authorized by this section or the retirement of debt under previously authorized bonded indebtedness. A municipality located in a charter county may impose a sales tax on all retail sales for capital improvements as provided in section 94.890. The tax authorized by this section shall be in addition to any and all other sales taxes allowed by law; but no ordinance imposing a sales tax under the provisions of this section shall be effective unless the governing body of the municipality submits to the voters of the municipality, at a municipal or state general, primary or special election, a proposal to authorize the governing body of the municipality to impose such tax and, if such tax is to be used to retire bonds authorized under this section, to authorize such bonds and their retirement by such tax, or to authorize the retirement of debt under previously authorized bonded indebtedness.

2. The ballot of submission shall contain, but need not be limited to:

(1) If the proposal submitted involves only authorization to impose the tax authorized by this section, the following language:

Shall the municipality of (municipality's name) impose a sales tax of (insert amount) for the purpose of funding capital improvements which may include the retirement of debt under previously authorized bonded indebtedness?

G YES

G NO

If you are in favor of the question, place an "X" in the box opposite "Yes". If you are opposed to the question, place an "X" in the box opposite "No"; or

(2) If the proposal submitted involves authorization to issue bonds and repay such bonds with revenues from the tax authorized by this section, the following language:

Shall the municipality of (municipality's name) issue bonds in the amount of (insert amount) to fund capital improvements and impose a sales tax of (insert amount) to repay bonds?

G YES

G NO

If you are in favor of the question, place an "X" in the box opposite "Yes". If you are opposed to the question, place an "X" in box opposite "No".

If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal, including when the proposal authorizes the reduction of debt under previously authorized bonded indebtedness under subdivision (1) of this subsection, then the ordinance or order and any amendments thereto shall be in effect, except that any proposal submitted under subdivision (2) of this subsection to issue bonds and impose a sales tax to retire such bonds must be approved by the constitutionally required percentage of the voters voting thereon to become effective. If a majority of the votes cast by the qualified voters voting are opposed to the proposal, then the governing body of the municipality shall have no power to issue any bonds or impose the sales tax authorized in this section unless and until the governing body of the municipality shall again have submitted another proposal to authorize the governing body of the municipality to issue any bonds or impose the sales tax authorized by this section, and such proposal is approved by the requisite majority of the qualified voters voting thereon; however, in no event shall a proposal pursuant to this section be submitted to the voters sooner than twelve months from the date of the last proposal pursuant to this section,

except that any municipality with a population of greater than four hundred thousand and located within more than one county may submit a proposal pursuant to this section to the voters sooner than twelve months from the date of the last proposal submitted pursuant to this section if submitted to the voters on or before November 6, 2001.

3. All revenue received by a municipality from the tax authorized under the provisions of this section shall be deposited in a special trust fund and shall be used solely for capital improvements, including the operation and maintenance of capital improvements, for so long as the tax shall remain in effect. Once the tax authorized by this section is abolished or is terminated by any means, all funds remaining in the special trust fund required by this subsection shall be used solely for the maintenance of the capital improvements made with revenues raised by the tax authorized by this section. Any funds in the special trust fund required by this subsection which are not needed for current expenditures may be invested by the governing body in accordance with applicable laws relating to the investment of other municipal funds. The provisions of this subsection shall apply only to taxes authorized by this section which have not been imposed to retire bonds issued pursuant to this section.

4. All revenue received by a municipality which issues bonds under this section and imposes the tax authorized by this section to retire such bonds shall be deposited in a special trust fund and shall be used solely to retire such bonds, except to the extent that such funds are required for the operation and maintenance of capital improvements. Once all of such bonds have been retired, all funds remaining in the special trust fund required by this subsection shall be used solely for the maintenance of the capital improvements made with the revenue received as a result of the issuance of such bonds. Any funds in the special trust fund required by this subsection which are not needed to meet current obligations under the bonds issued under this section may be invested by the governing body in accordance with applicable laws relating to the investment of other municipal funds. The provisions of this subsection shall apply only to taxes authorized by this section which have been imposed to retire bonds issued under this section.

5. After the effective date of any tax imposed under the provisions of this section, the director of revenue shall perform all functions incident to the administration, collection, enforcement, and operation of the tax in the same manner as provided in sections 94.500 to 94.570, and the director of revenue shall collect in addition to the sales tax for the state of Missouri the additional tax authorized under the authority of this section. Except as modified in this section, all provisions of sections 32.085 and 32.087, RSMo, shall apply to the tax imposed under this section.

6. No tax imposed pursuant to this section for the purpose of retiring bonds issued under this section may be terminated until all of such bonds have been retired.

7. In any city not within a county, no tax shall be imposed pursuant to this section for the purpose of funding in whole or in part the construction, operation or maintenance of a sports stadium, field house, indoor or outdoor recreational facility, center, playing field, parking facility or anything incidental or necessary to a complex suitable for any type of professional sport or recreation, either upon, above or below the ground.

8. The director of revenue may authorize the state treasurer to make refunds from the amounts in the trust fund and credited to any municipality for erroneous payments and overpayments made, and may redeem dishonored checks and drafts deposited to the credit of such municipalities. If any municipality abolishes the tax, the municipality shall notify the director of revenue of the action at least ninety days prior to the effective date of the repeal and the director of revenue may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the effective date of abolition of the tax in such municipality, the director of revenue shall remit the balance in the account to the municipality and close the account of that municipality. The director of revenue shall notify each municipality of each instance of any amount refunded or any check redeemed from receipts due the municipality. "; and

Further amend said bill, Page 15, Section B, Line 11, by inserting after all of said line the following:

No county or municipality shall retain more than one thousand five hundred dollars of such funds for each certified law enforcement officer, candidate for certification employed by that agency or a coroner and the coroner's

2. The director shall have the authority to limit any exception provided in subsection 1 of this section to persons remaining in the same commission or transferring to a commission in a similar jurisdiction.

3. The basic training of every peace officer, except agents of the conservation commission, shall include at least thirty hours of training in the investigation and management of cases involving domestic and family violence. Such training shall include instruction, specific to domestic and family violence cases, regarding: report writing; physical abuse, sexual abuse, child fatalities and child neglect; interviewing children and alleged perpetrators; the nature, extent and causes of domestic and family violence; the safety of victims, other family and household members and investigating officers; legal rights and remedies available to victims, including rights to compensation and the enforcement of civil and criminal remedies; services available to victims and their children; the effects of cultural, racial and gender bias in law enforcement; and state statutes. Said curriculum shall be developed and presented in consultation with the department of health, the division of family services, public and private providers of programs for victims of domestic and family violence, persons who have demonstrated expertise in training and education concerning domestic and family violence, and the Missouri coalition against domestic violence.

590.050. 1. The POST commission shall establish requirements for the continuing education of all peace officers. Peace officers who make traffic stops shall be required to receive annual training concerning the prohibition against racial profiling and such training shall promote understanding and respect for racial and cultural differences and the use of effective, non-combative methods for carrying out law enforcement duties in a racially and culturally diverse environment.

2. The director shall license continuing education providers and may probate, suspend and revoke such licenses upon written notice stating the reasons for such action. Any person aggrieved by a decision of the director pursuant to this subsection may appeal as provided in chapter 536, RSMo.

3. The costs of continuing law enforcement education shall be reimbursed in part by moneys from the peace officer standards and training commission fund created in section 590.178, subject to availability of funds, except that no such funds shall be used for the training of any person not actively commissioned or employed by a county or municipal law enforcement agency.

4. The director may engage in any activity intended to further the professionalism of peace officers through training and education, including the provision of specialized training through the department of public safety.

590.060. 1. The POST commission shall establish minimum standards for training instructors and training centers, and the director shall establish minimum qualifications for admittance into a basic training course.

2. The director shall license training instructors, centers, and curricula, and may probate, suspend and revoke such licenses upon written notice stating the reasons for such action. Any person aggrieved by a decision pursuant to this subsection may appeal as provided in chapter 536, RSMo.

3. Each person seeking entrance into a basic training program shall submit a fingerprint card and authorization for a criminal history background check to include the records of the Federal Bureau of Investigation to the training center where such person is seeking entrance. The training center shall cause a criminal history background check to be made and shall cause the resulting report to be forwarded to the director. The person seeking entrance may be charged a fee for the cost of this procedure.

590.070. 1. The chief executive officer of each law enforcement agency shall, within thirty days after commissioning any peace officer, notify the director on a form to be adopted by the director. The director may require the chief executive officer to conduct a current criminal history background check and to forward the

resulting report to the director.

2. The chief executive officer of each law enforcement agency shall, within thirty days after any licensed peace officer departs from employment or otherwise ceases to be commissioned, notify the director on a form to be adopted by the director. Such notice shall state the circumstances surrounding the departure from employment or loss of commission and shall specify any of the following that apply:

- (1) The officer failed to meet the minimum qualifications for commission as a peace officer;
- (2) The officer violated municipal, state or federal law;
- (3) The officer violated the regulations of the law enforcement agency; or
- (4) The officer was under investigation for violating municipal, state or federal law, or for gross violations of the law enforcement agency regulations.

3. Whenever the chief executive officer of a law enforcement agency has reasonable grounds to believe that any peace officer commissioned by the agency is subject to discipline pursuant to section 590.080, the chief executive officer shall report such knowledge to the director.

590.080. 1. The director shall have cause to discipline any peace officer licensee who:

- (1) Is unable to perform the functions of a peace officer with reasonable competency or reasonable safety as a result of a mental condition, including alcohol or substance abuse;
- (2) Has committed any criminal offense, whether or not a criminal charge has been filed;
- (3) Has committed any act while on active duty or under color of law that involves moral turpitude or a reckless disregard for the safety of the public or any person;
- (4) Has caused a material fact to be misrepresented for the purpose of obtaining or retaining a peace officer commission or any license issued pursuant to this chapter;
- (5) Has violated a condition of any order of probation lawfully issued by the director; or
- (6) Has violated a provision of this chapter or a rule promulgated pursuant to this chapter.

2. When the director has knowledge of cause to discipline a peace officer license pursuant to this section, the director may cause a complaint to be filed with the administrative hearing commission, which shall conduct a hearing to determine whether the director has cause for discipline, and which shall issue findings of fact and conclusions of law on the matter. The administrative hearing commission shall not consider the relative severity of the cause for discipline or any rehabilitation of the licensee or otherwise impinge upon the discretion of the director to determine appropriate discipline when cause exists pursuant to this section.

3. Upon a finding by the administrative hearing commission that cause to discipline exists, the director shall, within thirty days, hold a hearing to determine the form of discipline to be imposed and thereafter shall probate, suspend, or permanently revoke the license at issue. If the licensee fails to appear at the director's hearing, this shall constitute a waiver of the right to such hearing.

4. Notice of any hearing pursuant to this chapter or section may be made by certified mail to the licensee's address of record pursuant to subdivision (2) of subsection 3 of section 590.130. Proof of refusal of the licensee to accept delivery or the inability of postal authorities to deliver such certified mail shall be evidence that required notice has been given. Notice may be given by publication.

5. Nothing contained in this section shall prevent a licensee from informally disposing of a cause for discipline with the consent of the director by voluntarily surrendering a license or by voluntarily submitting to discipline.

6. The provisions of chapter 621, RSMo, and any amendments thereto, except those provisions or amendments that are in conflict with this chapter, shall apply to and govern the proceedings of the administrative hearing commission and pursuant to this section the rights and duties of the parties involved.

590.090. 1. The director shall have cause to suspend immediately the peace officer license of any licensee who:

- (1) Is under indictment for, is charged with, or has been convicted of the commission of any felony;
- (2) Is subject to an order of another state, territory, the federal government, or any peace officer licensing authority suspending or revoking a peace officer license or certification; or
- (3) Presents a clear and present danger to the public health or safety if commissioned as a peace officer.

2. At any time after the filing of a disciplinary complaint pursuant to section 590.080, if the director determines that probable cause exists to suspend immediately the peace officer license of the subject of the complaint, the director may, without notice or hearing, issue an emergency order suspending such license until final determination of the disciplinary complaint. Such order shall state the probable cause for the suspension and shall be served upon the licensee by certified mail at the licensee's address of record pursuant to subdivision

(2) of subsection 3 of section 590.130. Proof of refusal of the licensee to accept delivery or the inability of postal authorities to deliver such certified mail shall be evidence that required notice has been given. The director shall also notify the chief executive officer of any law enforcement agency currently commissioning the officer. The director shall have authority to dissolve an emergency order of suspension at any time for any reason.

3. A licensee subject to an emergency order of suspension may petition the administrative hearing commission for review of the director's determination of probable cause, in which case the administrative hearing commission shall within five business days conduct an emergency hearing, render its decision, and issue findings of fact and conclusions of law. Sworn affidavits or depositions shall be admissible on the issue of probable cause and may be held sufficient to establish probable cause. The administrative hearing commission shall have no authority to stay or terminate an emergency order of suspension without a hearing pursuant to this subsection. Findings and conclusions made in determining probable cause for an emergency suspension shall not be binding on any party in any proceeding pursuant to section 590.080.

4. Any party aggrieved by a decision of the administrative hearing commission pursuant to this section may appeal to the circuit court of Cole County as provided in section 536.100, RSMo.

590.100. 1. The director shall have cause to deny any application for a peace officer license or entrance into a basic training course when the director has knowledge that would constitute cause to discipline the applicant if the applicant were licensed.

2. When the director has knowledge of cause to deny an application pursuant to this section, the director may grant the application subject to probation or may deny the application. The director shall notify the applicant in writing of the reasons for such action and of the right to appeal pursuant to this section.

3. Any applicant aggrieved by a decision of the director pursuant to this section may appeal within thirty days to the administrative hearing commission, which shall conduct a hearing to determine whether the director has cause for denial, and which shall issue findings of fact and conclusions of law on the matter. The administrative hearing commission shall not consider the relative severity of the cause for denial or any rehabilitation of the applicant or otherwise impinge upon the discretion of the director to determine whether to grant the application subject to probation or deny the application when cause exists pursuant to this section. Failure to submit a written request for a hearing to the administrative hearing commission within thirty days after a decision of the director pursuant to this section shall constitute a waiver of the right to appeal such decision.

4. Upon a finding by the administrative hearing commission that cause for denial exists, the director shall not be bound by any prior action on the matter and shall, within thirty days, hold a hearing to determine whether to grant the application subject to probation or deny the application. If the licensee fails to appear at the director's hearing, this shall constitute a waiver of the right to such hearing.

5. The provisions of chapter 621, RSMo, and any amendments thereto, except those provisions or amendments that are in conflict with this chapter, shall apply to and govern the proceedings of the administrative hearing commission pursuant to this section and the rights and duties of the parties involved.

[590.105. 1. A program of mandatory standards for the basic training and certification of peace officers and a program of optional standards for the basic training and certification of reserve officers in this state is hereby established. The peace officer standards and training commission shall establish the minimum number of hours of training and core curriculum. In no event, however, shall the commission require more than one thousand hours of such training for either peace or reserve officers employed by any state law enforcement agency, or more than six hundred hours of such training for other peace or reserve officers; provided, however, that the minimum hours of training shall be no lower than the following:

(1) One hundred twenty hours as of August 28, 1993;

(2) Three hundred hours as of August 28, 1994; and

(3) Four hundred seventy hours as of August 28, 1996.

The higher standards provided in this section for certification after August 28, 1993, shall not apply to any peace or reserve officer certified prior to August 28, 1993, or to deputies of any sheriff's department in any city not within a county requiring no more or less than one hundred twenty hours of training. Certified peace and reserve officers between January 1, 1992, and August 28, 1995, shall only meet the hours of training applicable to the year in which the officer was employed or appointed.

2. Beginning on August 28, 1996, peace officers shall be required to complete the four hundred fifty hours of training as peace officers and be certified to be eligible for employment. Park rangers appointed pursuant to section 64.335, RSMo, who do not carry firearms shall be exempt from the training requirements of this section.

3. Bailiffs who are not certified peace officers shall be required to complete a minimum of sixty hours of mandated training, except that any person who has served as a bailiff prior to January 1, 1995, shall not be required to complete the training requirements mandated by this subsection, provided such person's training or experience is deemed adequate by the peace officer standards and training commission in accordance with current standards.

4. All political subdivisions within this state may adopt standards which are higher than the minimum standards implemented pursuant to sections 590.100 to 590.180, and such minimum standards shall in no way be deemed adequate in those cases in which higher standards have been adopted.

5. Any federal officer who has the duty and power of arrest on any federal military installation in this state may, at the option of the federal military installation in which the officer is employed, participate in the training program required under the provisions of sections 590.100 to 590.180 and, upon satisfactory completion of such training program, shall be certified by the director in the same manner provided for peace officers, as defined in section 590.100, except that the duty and power of arrest of military officers for violation of the general criminal laws of the state or for violation of ordinances of counties or municipalities of the state shall extend only to the geographical boundaries within which the federal military installation is located. Any costs involved in the training of a federal officer shall be borne by the participating federal military installation.

6. Notwithstanding any provision of this chapter to the contrary, any peace officer who is employed by a law enforcement agency located within a county of the third classification shall be required to have no more or less than one hundred twenty hours of training for certification if the respective city or county adopts an order or ordinance to that effect.

7. The peace officers standards and training commission with input from the department of health and the division of family services shall provide a minimum of thirty hours of initial education to all prospective law enforcement officers, except for agents of the conservation commission, concerning domestic and family violence.

8. The course of instruction and the objectives in learning and performance for the education of law enforcement officers required pursuant to subsection 6 of this section shall be developed and presented in consultation with public and private providers of programs for victims of domestic and family violence, persons who have demonstrated expertise in training and education concerning domestic and family violence, and the Missouri coalition against domestic violence. The peace officers standards and training commission shall consider the expertise and grant money of the national council of juvenile and family court judges, with their domestic and family violence project, as well as other federal funds and grant moneys available for training.

9. The course of instruction shall include, but is not limited to:

(1) The investigation and management of cases involving domestic and family violence and writing of reports in such cases, including:

590.110. 1. The director may investigate any cause for the discipline of any license or denial of any application pursuant to this chapter. During the course of such investigation, the director shall have the power to inspect any training center, require by subpoena the attendance and sworn deposition of any witness and the production of any documents, records, or evidence that the director deems relevant. Subpoenas shall be served by a person authorized to serve subpoenas of courts of record. In lieu of the production of any document or record, the director may require that a sworn copy of such document or record be delivered to the director.

2. The director may apply to the circuit court of Cole County or of any county where the person resides or may be found for an order upon any person who shall fail to obey a subpoena to show cause why such subpoena should not be enforced. A show cause order and a copy of the application shall be served upon the person in the same manner as a summons in a civil action. If, after a hearing, the circuit court determines that the subpoena should be enforced, the court shall proceed to enforce the subpoena in the same manner as in a civil case.

[590.110. 1. No person shall be appointed as a peace officer by any public law enforcement agency, which is possessed of the duty and power to enforce the general criminal laws of the state or the ordinances of any political subdivision of this state, unless he has been certified by the director as provided in sections 590.100 to 590.180, unless he is appointed on a probationary basis, and the hiring agency, within one year after his initial appointment, takes all necessary steps to qualify him for certification by the director. Unless a peace officer is certified within the one-year period after appointment, his appointment shall be terminated and he shall not be eligible for appointment by any other law enforcement agency as a peace officer. Beginning on August 28, 1995, peace officers shall be required to complete the four hundred fifty hours of training as peace officers and be certified to be eligible for employment.

2. The chief executive officer of each law enforcement agency shall notify the director of the appointment of any peace or reserve officer not later than thirty days after the date of the appointment and include with such notification a copy of a fingerprint card verified by the Missouri state highway patrol pertaining to the results of a criminal background check of the officer appointed and evidence of the completion of the standards necessary for employment as provided in sections 590.100 to 590.180.

3. Training and certification requirements specified in sections 590.100 to 590.180 are recommended but not required of a reserve officer; however, any person who serves as a reserve officer in any public law enforcement agency which is possessed of the duty and power to enforce the general criminal laws of this state or the ordinances of any political subdivision of this state may, at the option of the political subdivision in which the reserve officer is appointed, participate in the basic training program required under the provisions of sections 590.100 to 590.180, and, upon

completion of such training program, shall be certified by the director in the same manner as provided for peace officers.]

[590.112. 1. This section applies to any employees of the sheriff's department of any county of the first classification with a population of two hundred thousand or more inhabitants, who have been certified in a program of training, including but not limited to a training and certification program established pursuant to this chapter.

2. If any person subject to subsection 1 of this section is transferred to a department of public safety or similar agency as a result of the passage of a charter form of government in the county, then notwithstanding the provisions of this chapter, or any local ordinance or order to the contrary, such person's training certification shall remain in effect and shall not lapse, and the training and certification required for the person to be employed by the sheriff's department shall be deemed adequate to be appointed to the department of public safety or similar agency. If such person is thereafter reassigned to the sheriff's department, such person shall be deemed certified for appointment to such position, notwithstanding the provisions of section 590.110, to the contrary; and the chief executive officer as defined in section 590.100, shall not be required to furnish to the director of the department of public safety evidence that such person has satisfactorily completed instruction in a course of training for peace officers.]

[590.115. 1. Training and certification requirements specified in sections 590.100 to 590.180 are recommended but not required of a peace officer who has been consistently employed as a full-time peace officer and was appointed before December 31, 1978, whether or not such officer changes his place of employment.

2. Training and certification requirements specified in sections 590.100 to 590.180 are recommended but not required of a reserve officer who was appointed as a reserve officer prior to August 15, 1988. Requirements for certification of such reserve officers may be determined by the commission. A certified reserve officer may transfer from one similar jurisdiction to another as a certified reserve officer without any additional training requirements unless or until the certified reserve officer becomes or attempts to become a full-time peace officer, at which time the individual must satisfy the requirements of this chapter to become a certified full-time police officer, or unless or until the certified reserve officer attempts to become a certified reserve officer in a jurisdiction wherein the basic training requirement is higher than the previous jurisdiction's basic training requirement, at which time the individual must satisfy the higher basic training requirements of the new jurisdiction to become a certified reserve officer.

3. Except as provided in subsections 1, 2 and 4 of this section, in the event that a peace officer claims to have had prior basic training, the chief executive officer shall furnish to the director evidence that the noncertified officer has satisfactorily completed instruction in a course of basic training for peace officers conducted by a law enforcement training academy or institute which is approved by the director as providing basic training equivalent to standards set for jurisdictions within this state. The basic training course satisfactorily completed by the noncertified officer shall meet the minimum basic training requirements of the jurisdiction in which he is appointed or is to be appointed as required under the provisions of sections 590.100 to 590.180.

4. The director may certify a chief executive officer as qualified under sections 590.100 to 590.180, if the person's employer furnishes the director with evidence that the chief executive officer has training or experience equivalent to the standards set forth in subsection 1, 2, or 3 of this section or is a graduate of the FBI National Academy or its equivalent as determined by the director, or holds a bachelor of science degree in criminal justice or a related field received from an accredited college or university or a doctor of jurisprudence degree received from a college or university approved by the American Bar Association.

5. Peace officers and reserve officers meeting the basic training requirements under sections 590.100 to 590.180 shall be eligible to be certified by the director.

6. Beginning August 28, 1996, the peace officer standards and training commission shall establish a program of continuing law enforcement education and training. Each peace officer or reserve officer subject to the training provisions of sections 590.100 to 590.180 shall participate in continuing law enforcement education to maintain certification. The providers of continuing law enforcement education and training, as well as the contents and subject matter thereof, shall be subject to the approval of the peace officer standards and training commission. The costs of the continuing law enforcement education and training offered by certified providers to persons entitled to receive such education and training shall be reimbursed by moneys from the peace officer standards and training commission fund created in section 590.178. The peace officer standards and training commission shall require by rule that all peace officers or reserve officers, subject to the training provisions herein, contribute, based on standards set by the commission, to the cost of said training.

7. The peace officer standards and training commission may provide by rule for the reciprocal recognition of equivalent entry level core basic training at a training center by law enforcement officers of the federal government or other states or territories of the United States, and may require such additional training prior to certification as the

commission deems necessary.]

[590.117. The department shall provide by administrative rule for the requirements for continuing certification of an inactive or unemployed peace officer during the term of such inactivity or unemployment, provided that the certification of such peace officers shall expire after five consecutive years of such inactivity or unemployment. The cost of any continuing law enforcement education and training required to maintain such certification shall be paid by the inactive or unemployed peace officer.]

590.120. 1. There is hereby established within the department of public safety a "Peace Officer Standards and Training Commission" which shall be composed of nine members, including a voting public member, appointed by the governor, by and with the advice and consent of the senate, from a list of qualified candidates submitted to the governor by the director of the department of public safety. No member of the **POST** commission shall reside in the same congressional district as any other at the time of their appointments but this provision shall not apply to the public member. Three members of the **POST** commission shall be police chiefs, three members [of the commission] shall be sheriffs, one member [of the commission] shall represent a state law enforcement agency covered by the provisions of [sections 590.100 to 590.180] **this chapter**, and one member shall be a chief executive officer of a certified training academy. The public member shall be at the time of appointment a registered voter; a person who is not and never has been a member of any profession certified or regulated under this chapter or the spouse of such person; and a person who does not have and never has had a material financial interest in either the providing of the professional services regulated by [sections 590.100 to 590.180] **this chapter**, or an activity or organization directly related to any profession certified or regulated under [sections 590.100 to 590.180] **this chapter**. Each member of the **POST** Commission shall have been at the time of his appointment a citizen of the United States and a resident of this state for a period of at least one year, and members who are peace officers shall be qualified as established by [sections 590.100 to 590.180] **this chapter**. No member of the **POST** commission serving a full term of three years may be reappointed to the **POST** commission until at least one year after the expiration of his most recent term.

2. Three of the original members of the **POST** commission shall be appointed for terms of one year, three of the original members shall be appointed for terms of two years, and three of the original members shall be appointed for terms of three years. Thereafter the terms of the members of the **POST** commission shall be for three years or until their successors are appointed. The director may remove any member of the **POST** commission for misconduct or neglect of office. Any member of the **POST** commission may be removed for cause by the director but such member shall first be presented with a written statement of the reasons thereof, and shall have a hearing before the **POST** commission if the member so requests. Any vacancy in the membership of the commission shall be filled by appointment for the unexpired term.

3. Annually the director shall appoint one of the members as chairperson. The **POST** commission shall meet at least twice each year as determined by the director or a majority of the members to perform its duties. A majority of the members of the **POST** commission shall constitute a quorum.

4. No member of the **POST** commission shall receive any compensation for the performance of his official duties.

5. The **POST** commission shall [establish the core curriculum and shall also formulate definitions, rules and regulations for the administration of peace officer standards and training and] guide and advise the director concerning duties [as outlined by sections 590.100 to 590.180. No rule or portion of a rule promulgated under the authority of this chapter shall become effective unless it has been promulgated pursuant to the provisions of section 536.024, RSMo] **pursuant to this chapter**.

[590.121. The director shall certify such academies, core curriculum and instruction as necessary to fulfill the purposes of sections 590.100 to 590.180. The certification shall be made by the director on the basis of the experience and educational background of the instructors, the quality and aptness of curriculum, the educational equipment and materials used in the training and the methods and measurements used in such training. The director shall adopt and publish rules pertaining to the establishment of minimum standards for certification pursuant to sections 590.100 to 590.180.]

[590.123. 1. The peace officer standards and training commission may promulgate rules and regulations to effectuate the purposes of this chapter. No rule or portion of a rule promulgated under the authority of this section shall become effective until it has been approved by the joint committee on administrative rules in accordance with the procedures provided in this section, and the delegation of the legislative authority to enact law by the adoption of such rules is dependent upon the power of the joint committee on administrative rules to review and suspend rules pending ratification by the senate and the house of representatives as provided in this section.

2. Upon filing any proposed rule with the secretary of state, the commission shall concurrently submit such

proposed rule to the committee which may hold hearings upon any proposed rule or portion thereof at any time.

3. A final order of rulemaking shall not be filed with the secretary of state until thirty days after such final order of rulemaking has been received by the committee. The committee may hold one or more hearings upon such final order of rulemaking during the thirty-day period. If the committee does not disapprove such order of rulemaking within the thirty-day period, the commission may file such order of rulemaking with the secretary of state and the order of rulemaking shall be deemed approved.

4. The committee may, by majority vote of the members, suspend the order of rulemaking or portion thereof by action taken prior to the filing of the final order of rulemaking only for one or more of the following grounds:

- (1) An absence of statutory authority for the proposed rule;
- (2) An emergency relating to public health, safety or welfare;
- (3) The proposed rule is in conflict with state law;
- (4) A substantial change in circumstance since enactment of the law upon which the proposed rule is based;
- (5) That the rule is arbitrary and capricious.

5. If the committee disapproves any rule or portion thereof, the commission shall not file such disapproved portion of any rule with the secretary of state and the secretary of state shall not publish in the Missouri Register any final order of rulemaking containing the disapproved portion.

6. If the committee disapproves any rule or portion thereof, the committee shall report its findings to the senate and the house of representatives. No rule or portion thereof disapproved by the committee shall take effect so long as the senate and the house of representatives ratify the act of the joint committee by resolution adopted in each house within thirty legislative days after such rule or portion thereof has been disapproved by the joint committee.

7. Upon adoption of a rule as provided in this section, any such rule or portion thereof may be suspended or revoked by the general assembly either by bill or, pursuant to section 8, article IV of the Constitution of Missouri, by concurrent resolution upon recommendation of the joint committee on administrative rules. The committee shall be authorized to hold hearings and make recommendations pursuant to the provisions of section 536.037, RSMo. The secretary of state shall publish in the Missouri Register, as soon as practicable, notice of the suspension or revocation.]

[590.125. The director may:

- (1) Publish and distribute to all Missouri law enforcement agencies bulletins, pamphlets, and educational materials relating to training of peace officers;

[590.130. No elected county peace officer or official shall be required to be certified under sections 590.100 to 590.180 to seek or hold such office, but all appointive deputies or assistants of such officer or official who are employed as peace officers, provided that such county has five or more full-time peace officers, shall be certified as a condition of appointment in the same manner as other peace officers are required to be certified. No arrest shall be deemed unlawful in any criminal or civil proceeding solely because the peace officer is not certified under the terms of sections 590.100 to 590.180. Evidence on the question cannot be received in any civil or criminal case.]

[590.131. The chief executive officer of each law enforcement agency shall notify the director of a peace officer's separation from the agency, whether voluntary or involuntary, and shall set forth in detail the facts and reasons for the separation on a form to be provided by the director.]

[590.135. 1. The director or any of his designated representatives may:

- (1) Visit and inspect any certified academy or training program requesting certification for the purpose of determining whether or not the minimum standards established pursuant to sections 590.100 to 590.180 are being complied with, and may issue, suspend or revoke certificates indicating such compliance;

3. Any person aggrieved by a decision of the director under this section may appeal as provided in chapter 536, RSMo.

4. Any person or agency authorized to submit information pursuant to this section to the director shall be immune from liability arising from the submission of the information so long as the information was submitted in good faith and without malice.

5. The director may refuse to certify any law enforcement school, academy, or training program, any law enforcement instructor or any peace officer not meeting the requirements for certification under the provisions of sections 590.100 to 590.180. The director shall notify the applicant in writing of the reasons for the refusal. The applicant shall have the right to appeal the refusal by filing a complaint with the administrative hearing commission as provided by chapter 621, RSMo, and the director shall advise the applicant of this right of appeal.

6. The director shall cause a complaint to be filed with the administrative hearing commission as provided by chapter 621, RSMo, against any law enforcement instructor or any peace officer not in compliance with the requirements for certification under the provisions of sections 590.100 to 590.180.

7. After the filing of the complaint, the proceeding will be conducted in accordance with the provisions of chapter 621, RSMo. Upon a finding by the administrative hearing commission that the grounds, provided in subsection 5 of this section for disciplinary action are met, the director may revoke the certification of any such law enforcement school, academy, or training program, law enforcement instructor or any peace officer.]

[590.150. The provisions of sections 590.100 to 590.180 shall not apply to a political subdivision having a population of less than two thousand persons or which does not have at least four full-time paid peace officers unless such political subdivision is located in a county of the first class having a charter form of government; provided, however, the governing body of the political subdivision may by order or ordinance elect to come under the provisions of sections 590.100 to 590.180 or such election may be later rescinded and, provided further, that upon election to come under the provisions of sections 590.100 to 590.180 the political subdivision shall be entitled to authorize the fees allowed by section 590.140, otherwise, such fees shall not be collected.]

[590.170. 1. Any person who is elected to his first term as sheriff in a general election or in a special election in any county of this state shall, within eighteen months of such election, cause to be filed with the presiding circuit judge of the county and director of the department of public safety proof that he has completed the training program formulated pursuant to sections 590.170 and 590.175 or some other comparable training program of not less than one hundred twenty hours instruction approved by the director of the department of public safety.

2. During the time that a sheriff-elect is enrolled in such a training program, he shall be hired as a county employee and receive as full compensation from the county from which he was elected, compensation at a rate equal to that of the sheriff of the county. Tuition and room and board for newly elected sheriffs and sheriffs-elect enrolled in such a training program shall be paid by the state.]

590.180. 1. No arrest shall be deemed unlawful solely because of the licensure status of a peace officer, and evidence on the question cannot be received in any civil or criminal case.

2. The name, licensure status, and commissioning or employing law enforcement agency, if any, of applicants and licensees pursuant to this chapter shall be an open record. All other records retained by the director pertaining to any applicant or licensee shall be confidential and shall not be disclosed to the public or any member of the public, except with written consent of the person or entity whose records are involved, provided, however, that the director may disclose such information in the course of voluntary interstate exchange of information, during the course of litigation involving the director, to other state agencies, or, upon a final determination of cause to discipline, to law enforcement agencies. No closed record conveyed to the director pursuant to this chapter shall lose its status as a closed record solely because it is retained by the director. Nothing in this section shall be used to compel the director to disclose any record subject to attorney-client privilege or work-product privilege.

3. In any investigation, hearing, or other proceeding pursuant to this chapter, any record relating to any applicant or licensee shall be discoverable by the director and shall be admissible into evidence, regardless of any statutory or common law privilege or the status of any record as open or closed, including records in criminal cases whether or not a sentence has been imposed. No person or entity shall withhold records or testimony bearing upon the fitness to be commissioned as a peace officer of any applicant or licensee on the ground of any privilege involving the applicant or licensee, with the exception of attorney-client privilege.

590.190. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. 3. The director of economic development shall prescribe the manner in which the tax credit may be applied for. The tax credit authorized by this section may be claimed by the taxpayer to offset the tax liability imposed by chapter 143, RSMo, or chapter 148, RSMo, that becomes due in the tax year during which such qualified research expenses were incurred. Where the amount of the credit exceeds the tax liability, the difference between the credit and the tax liability may only be carried forward for the next five succeeding taxable years or until the full credit has been claimed, whichever first occurs. Failure to expend such funds in the manner prescribed pursuant to this section shall cause the applicant to be subject to the provisions of section 620.017.

5. No rule or portion of a rule promulgated under the authority of this section shall become effective unless it has been promulgated pursuant to the provisions of chapter 536, RSMo. All rulemaking authority delegated prior to June 27, 1997, is of no force and effect and repealed; however, nothing in this section shall be interpreted to repeal or affect the validity of any rule filed or adopted prior to June 27, 1997, if such rule complied with the provisions of chapter 536, RSMo. 14. (1) There is hereby established a "Division of Professional Registration" assigned to the department of economic development as a type III division, headed by a director appointed by the director of the department with the advice and consent of the senate.

(2) The director of the division of professional registration shall promulgate rules and regulations which designate for each board or commission assigned to the division the renewal date for licenses or certificates. After the initial establishment of renewal dates, no director of the division shall promulgate a rule or regulation which would change the renewal date for licenses or certificates if such change in renewal date would occur prior to the date on which the renewal date in effect at the time such new renewal date is specified next occurs. Each board or commission shall by rule or regulation establish licensing periods of one, two, or three years. Registration fees set by a board or commission shall be effective for the entire licensing period involved, and shall not be increased during any current licensing period. Persons who are required to pay their first registration fees shall be allowed to pay the pro rata share of such fees for the remainder of the period remaining at the time the fees are paid. Each board or commission shall provide the necessary forms for initial registration, and thereafter the director may prescribe standard forms for renewal of licenses and certificates. Each board or commission shall by rule and regulation require each applicant to provide the information which is required to keep the board's records current. Each board or commission shall issue the original license or certificate.

(3) The division shall provide clerical and other staff services relating to the issuance and renewal of licenses for all the professional licensing and regulating boards and commissions assigned to the division. The division shall perform the financial management and clerical functions as they each relate to issuance and renewal of licenses and certificates. "Issuance and renewal of licenses and certificates" means the ministerial function of preparing and delivering licenses or certificates, and obtaining material and information for the board or commission in connection with the renewal thereof. It does not include any discretionary authority with regard to the original review of an applicant's qualifications for licensure or certification, or the subsequent review of licensee's or certificate holder's qualifications, or any disciplinary action contemplated against the licensee or certificate holder. The division may develop and implement microfilming systems and automated or manual management information systems.

(4) The director of the division shall establish a system of accounting and budgeting, in cooperation with the director of the department, the office of administration, and the state auditor's office, to ensure proper charges are made to the various boards for services rendered to them. The general assembly shall appropriate to the division and other state agencies from each board's funds, moneys sufficient to reimburse the division and other state agencies for all

(5) For accounting purposes, the appropriation to the division and to the office of administration for the payment of rent for quarters provided for the division shall be made from the "Professional Registration Fees Fund", which is hereby created, and is to be used solely for the purpose defined in subdivision (4) of subsection 14 of this section. The fund shall consist of moneys deposited into it from each board's fund. Each board shall contribute a prorated amount necessary to fund the division for services rendered and rent based upon the system of accounting and budgeting established by the director of the division as provided in subdivision (4) of this subsection. Transfers of funds to the professional registration fees fund shall be made by each board on July first of each year; provided, however, that the director of the division may establish an alternative date or dates of transfers at the request of any board. Such transfers shall be made until they equal the prorated amount for services rendered and rent by the division. The provisions of section 33.080, RSMo, to the contrary notwithstanding, money in this fund shall not be transferred and placed to the credit of general revenue.

(6) The director of the division shall be responsible for collecting and accounting for all moneys received by the division or its component agencies. Any money received by a board or commission shall be promptly given, identified by type and source, to the director. The director shall keep a record by board and state accounting system classification of the amount of revenue the director receives. The director shall promptly transmit all receipts to the department of revenue for deposit in the state treasury to the credit of the appropriate fund. The director shall provide each board with all relevant financial information in a timely fashion. Each board shall cooperate with the director by providing necessary information.

(7) All educational transcripts, test scores, complaints, investigatory reports, and information pertaining to any person who is an applicant or licensee of any agency assigned to the division of professional registration by statute or by the department of economic development are confidential and may not be disclosed to the public or any member of the public, except with the written consent of the person whose records are involved. The agency which possesses the records or information shall disclose the records or information if the person whose records or information is involved has consented to the disclosure. Each agency is entitled to the attorney-client privilege and work-product privilege to the same extent as any other person. Provided, however, that any board may disclose confidential information without the consent of the person involved in the course of voluntary interstate exchange of information, or in the course of any litigation concerning that person, or pursuant to a lawful request, or to other administrative or law enforcement agencies acting within the scope of their statutory authority. Information regarding identity, including names [and addresses], registration, and currency of the license of the persons possessing licenses to engage in a professional occupation and the names [and addresses] of applicants for such licenses is not confidential information.

15. (1) The division of registration and examination, department of education, within chapter 161, RSMo, and others, is abolished and the following boards and commissions are transferred by specific type transfers to the division of professional registration, department of economic development: state board of accountancy, chapter 326, RSMo; state board of barber examiners, chapter 328, RSMo; state board of registration for architects, professional engineers and land surveyors, chapter 327, RSMo; state board of chiropractic examiners, chapter 331, RSMo; state board of cosmetology, chapter 329, RSMo; state board of healing arts, chapter 334, RSMo; Missouri dental board, chapter 332, RSMo; state board of embalmers and funeral directors, chapter 333, RSMo; state board of optometry, chapter 336, RSMo; state board of nursing, chapter 335, RSMo; board of pharmacy, chapter 338, RSMo; state board of podiatry, chapter 330, RSMo; Missouri real estate commission, chapter 339, RSMo; and Missouri veterinary medical board chapter 340, RSMo. The governor shall appoint members of these boards by and with the advice and consent of the senate from nominees submitted by the director of the department.

(2) The boards and commissions assigned to the division shall exercise all their respective statutory duties and powers, except those clerical and other staff services involving collecting and accounting for moneys and financial management relating to the issuance and renewal of licenses, which services shall be provided by the division, within the appropriation therefor.

All clerical and other staff services relating to the issuance and renewal of licenses of the individual boards and commissions are abolished. All clerical and other staff services pertaining to collecting and accounting for moneys and to financial management relative to the issuance and renewal of licenses of the individual boards and commissions are abolished. Nothing herein shall prohibit employment of professional examining or testing services from professional associations or others as required by the boards or commissions on contract. Nothing herein shall be construed to affect the power of a board or commission to expend its funds as appropriated. However, the division shall review the expense vouchers of each board. The results of such review shall be submitted to the board reviewed and to the house and senate appropriations committees annually.

(3) Notwithstanding any other provisions of law, the director of the division shall exercise only those management functions of the boards and commissions specifically provided in the Reorganization Act of 1974, and those relating to the allocation and assignment of space, personnel other than board personnel, and equipment.

Any board or commission which hires temporary employees shall annually provide the division director and the appropriation committees of the general assembly with a complete list of all persons employed in the previous year, the length of their employment, the amount of their remuneration and a description of their responsibilities.

(5) Board personnel for each board or commission shall be employed by and serve at the pleasure of the board or commission, shall be supervised as the board or commission designates, and shall have their duties and compensation prescribed by the board or commission, within appropriations for that purpose, except that compensation for board personnel shall not exceed that established for comparable positions as determined by the board or commission pursuant to the job and pay plan of the department of economic development. Nothing herein shall be construed to permit salaries for any board personnel to be lowered except by board action.

(6) Each board or commission shall receive complaints concerning its licensees' business or professional practices. Each board or commission shall establish by rule a procedure for the handling of such complaints prior to the filing of formal complaints before the administrative hearing commission. An official copy of any such publication shall be filed with the director of the department of economic development.

At the time of issuance, each certification shall be entered on the general accounting books as an encumbrance on the appropriation.

196.1078. 1. The state treasurer shall allocate tobacco claim payments credited to the health care trust fund as follows:

(1) Fifty-five percent of such moneys shall be placed into the prescription drug coverage and health care treatment and access account created in subsection 1 of section 196.1081;

(4) Twenty percent of such moneys shall be placed into the life sciences and medical research account created in section 196.1090.

2. All moneys in the health care trust fund shall be appropriated by the general assembly in a separate appropriations bill.

Defeat of the referendum measure would not create the funds and the moneys shall be credited to general revenue for appropriation by the general assembly.’”; and

Further amend the title, enacting clause and intersectional references accordingly.

JOURNAL OF THE HOUSE

First Regular Session, 91st GENERAL ASSEMBLY

SEVENTY-SIXTH DAY, THURSDAY, MAY 17, 2001

Speaker Kreider in the Chair.

Prayer by Reverend Rudy Beard.

O Lord, as we pray for the members of this House, its officers and staff, we remember that You do not hurry, that You are the center of all peace.

But we are human. We grow tired. We feel the strain of meeting deadlines. We become irritated by frustrations. We need an inner calm, peace of mind; and only You can supply the needs of soul.

Give us Your peace, and refresh these men and women who labor for our state in this final week of their work. To You be glory and honor. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Sam Kichline, Samantha Mack, Caitlin Davis, Jack Follis, Austin Sherrill, Emma Short, Dominique Falls, John E. Willett and Nathan Kelly.

The Journal of the seventy-fifth day was approved as corrected.

“376.1199. 1. Each health carrier or health benefit plan that offers or issues health benefit plans providing obstetrical/gynecological benefits, which are delivered, issued for delivery, continued or renewed in this state on or after January 1, 2002, shall:

(1) Notwithstanding the provisions of subsection 4 of section 354.618, RSMo, provide enrollees with direct access to the services of a participating obstetrician, participating gynecologist or participating obstetrician/gynecologist of her choice within the provider network for covered services. The services covered by this subdivision shall be limited to those services defined by the published recommendations of the accreditation council for graduate medical education for training an obstetrician, gynecologist or obstetrician/ gynecologist, including but not limited to diagnosis, treatment and referral for such services. A health carrier shall not impose additional copayments, coinsurance, or deductibles upon any enrollee who seeks or receives health care services pursuant to this subdivision, unless similar additional copayments, coinsurance, or deductibles are imposed for other types of health care services received within the provider network. Nothing in this subsection shall be construed to require a health carrier to perform, induce, pay for, reimburse, guarantee, arrange, provide any resources for or refer a patient for an abortion, as defined in section 188.015, RSMo, other than a spontaneous abortion or to prevent the death of the female upon whom the abortion is performed, or to supersede or conflict with section 376.805;

(2) Notify enrollees annually of cancer screenings covered by the enrollees' health benefit plan and the current American Cancer Society guidelines for all cancer screenings or notify enrollees at intervals consistent with current American Cancer Society guidelines of cancer screenings which are covered by the enrollees' health benefit plans. (3) Include coverage for services related to diagnosis, treatment and appropriate management of osteoporosis when such services are provided by a person licensed to practice medicine and surgery in this state, for individuals with a condition or medical history for which bone mass measurement is medically indicated for such individual. A policy, provision, contract, plan or agreement may apply to such services the same deductibles, coinsurance and other limitations as apply to other covered services; and

(4) If a health benefit plan provides coverage for pharmaceutical benefits, provide coverage for contraceptives either at no charge or at the same level of deductible, coinsurance or copayment as any other covered drug. No such deductible, coinsurance or copayment shall be greater than any drug on the health benefit plan's formulary. As used in this section, “contraceptive” shall include all prescription drugs and devices approved by the federal Food and Drug Administration for use as a contraceptive, but shall exclude all drugs and devices that are intended to induce an abortion, as defined in section 188.015, RSMo, which shall be subject to the provisions of section 376.805. Nothing in this subdivision shall be construed to exclude coverage for prescription contraceptive drugs or devices ordered by a health care provider with prescriptive authority for reasons other than contraceptive or abortion purposes.

2. For the purposes of this section, “health carrier” and “health benefit plan” shall have the same meaning as defined in section 376.1350.

3. The provisions of this section shall not apply to a supplemental insurance policy, including a life care contract, accident-only policy, specified disease policy, hospital policy providing a fixed daily benefit only, Medicare supplement policy, long-term care policy, short-term major medical policies of six months or less duration, or any other supplemental policy as determined by the director of the department of insurance.

(2) Upon request of an enrollee who is a member of a group health benefit plan and who states that the use or provision of contraceptives is contrary to his or her moral, ethical or religious beliefs, any health carrier shall issue to or on behalf of such enrollee a policy form that excludes coverage for contraceptives. Any administrative costs to a group health benefit plan associated with such exclusion of coverage not offset by the decreased costs of providing coverage shall be borne by the group policyholder or group plan holder;

(3) Any health carrier which is owned, operated or controlled in substantial part by an entity that is operated pursuant to moral, ethical or religious tenets that are contrary to the use or provision of contraceptives shall be exempt from the provisions of subdivision (4) of subsection 1 of this section.

For purposes of this subsection, if new premiums are charged for a contract, plan or policy, it shall be determined to be a new contract, plan or policy.

5. Except for a health carrier that is exempted from providing coverage for contraceptives pursuant to this section, a health carrier shall allow enrollees in a health benefit plan that excludes coverage for contraceptives pursuant to subsection 4 of this section to purchase a rider to the health benefit plan that includes coverage for contraceptives.

6. Any health benefit plan issued by a health carrier described in subdivision (3) of subsection 4 of this section and any group health benefit plan issued pursuant to subsection 1 of this section shall provide clear and conspicuous written notice on the enrollment form or any accompanying materials to the enrollment form and the group health benefit plan contract:

Health carriers and the person or entity who purchased the health benefit plan shall not discriminate against an enrollee because the enrollee excluded coverage for contraceptives in the health benefit plan or purchased a rider to the health benefit plan that includes coverage for contraceptives.

8. The department of insurance may promulgate rules necessary to implement the provisions of this section. No rule or portion of a rule promulgated pursuant to this section shall become effective unless it has been promulgated pursuant to chapter 536, RSMo.”; and

192.1020. Grant awards made by the life sciences research board shall provide for the reimbursement of costs. Whether reimbursement of particular costs will be allowed depends on the application of a four-part test balancing, which shall include:

- (1) The reasonableness of the cost;
- (2) The connection to the grant;
- (3) The consistency demonstrated in assigning costs to the grant; and
- (4) Conformance with the particular terms and conditions of the award.

192.1025. Grant recipients have an obligation to preserve research freedom, to ensure timely disclosure of their research findings to the scientific community, including through publications and presentations at

scientific meetings, and to promote utilization, commercialization and public availability of their inventions and other intellectual property developed in the performance of research funded by a grant award. Institutions or organizations receiving grant awards shall retain all right, title and interest, including all intellectual property rights, in and to any and all inventions, ideas, data, improvement, modifications, discoveries, know-how, creations, copyrightable material, trade secrets, methods, processes, discoveries and derivatives, whether patentable or not, which are made in the performance of work under a grant award. The life sciences research board may, however, adopt reasonable regulations to insure that any such intellectual property rights are utilized reasonably and in a manner which is in the public interest.

192.1030. 1. Notwithstanding the provisions of sections 192.1010 to 192.1025, no grant awards shall be paid, granted, or used, to subsidize in whole or in part:

(3) “Destructive human research” shall mean research in which there is the taking or utilization of the organs, tissue or cellular material of a:

(a) Deceased child, unless consent was given the manner provided pursuant to sections 194.210 to 194.290, RSMo, relating to anatomical gifts, and neither parent caused the death of such child or consented to someone causing the death of such child; or

(b) Living child, when the intended or likely result of such taking or utilization is to kill or cause serious harm to the health, safety or welfare of such child, or when the purpose is to target such child for possible destruction in the future;

(4) “Facilities and administrative costs” shall mean those costs that are incurred for common or joint objectives and therefore cannot be identified readily and specifically with a particular research project or any other institutional activity;

(5) “Grant awards” shall mean awards of state funds pursuant to sections 192.1010 to 192.1030;

(6) “Human cloning” shall mean the replication of a human being genetically identical to another human being;

(7) “Research project” shall mean research specified in the grant award conducted under the auspices of the institution or institutions that applied for and received such grant award pursuant to sections 192.1010 to 192.1030, regardless of whether the research is funded in whole or part by such grant award. Such research shall include: basic research, including the discovery of new knowledge; translational research, including translating knowledge into a usable form; and developmental research and clinical research, including but not limited to research in human development and aging, cancer, endocrine, cardiovascular, neurological, pulmonary and infectious disease, and nutrition and food safety. Such research may also include research and development on product safety and preventative care technologies.

3. No grant awards shall be paid or granted pursuant to sections 192.1010 to 192.1030 to or on behalf of an existing or proposed research project that involves, as part of the project, abortion services, destructive human research, the development of drugs or chemicals intended to be used to induce an abortion or human cloning. A research project that receives a grant award shall not share costs with another research project, person or entity not qualified to receive a grant award pursuant to sections 192.1010 to 192.1030; provided, however, the research project that receives a grant award may pay facilities and administrative costs directly allocable to such research project. A research project that receives a grant award shall maintain financial records that demonstrate strict compliance with this section. The audit conducted pursuant to section 192.1015 shall also certify compliance with this section.

4. Any taxpayer of this state or its political subdivisions shall have standing to bring suit against the department of health, its officers or employees, in a circuit court of proper venue to enforce the provisions of this section.

5. Sections 192.1010 to 192.1030 shall not be construed to permit or make lawful any conduct that is

otherwise unlawful under the laws of this state.

6. All of the provisions of sections 192.1010 to 192.1025 are severable; provided, however, the provisions of section 192.1030 are not severable from the provisions of sections 192.1010 to 192.1025. If any provision of sections 192.1010 to 192.1025 is found to be invalid, unenforceable or unconstitutional, the remaining provisions of sections 192.1010 to 192.1025 shall be and remain valid. However, if any provision of section 192.1030 shall be found to be invalid, unenforceable or unconstitutional, all the provisions of sections 192.1010 to 192.1025 shall be invalid and unenforceable.”; and

Further amend the title and enacting clause accordingly.

House Amendment No. 4

AMEND House Substitute for House Committee Substitute for Senate Committee Substitute for Senate Bill No. 186, Page 74, Section 367.532, Line 2 of said page, by inserting after all of said line the following:

"379.316. 1. Section 379.017 and sections 379.316 to 379.361 apply to insurance companies incorporated pursuant to sections 379.035 to 379.355, section 379.080, sections 379.060 to 379.075, sections 379.085 to 379.095, sections 379.205 to 379.310, and to insurance companies of a similar type incorporated pursuant to the laws of any other state of the United States, and alien insurers licensed to do business in this state, which transact fire and allied lines, marine and inland marine insurance, to any and all combinations of the foregoing or parts thereof, and to the combination of fire insurance with other types of insurance within one policy form at a single premium, on risks or operations in this state, except:

- (1) Reinsurance, other than joint reinsurance to the extent stated in section 379.331;
- (2) Insurance of vessels or craft, their cargoes, marine builders' risks, marine protection and indemnity, or other risks commonly insured pursuant to marine, as distinguished from inland marine, insurance policies;
- (3) Insurance against loss or damage to aircraft;
- (4) All forms of motor vehicle insurance; and
- (5) All forms of life, accident and health, and workers' compensation insurance.

2. Inland marine insurance shall be deemed to include insurance now or hereafter defined by statute, or by interpretation thereof, or if not so defined or interpreted, by ruling of the director, or as established by general custom of the business, as inland marine insurance.

3. Commercial property and commercial casualty insurance policies [which meet the exemption requirements of section 379.362 shall be exempt from those insurance laws of this state which concern the regulation by the director of the department of insurance of the policy language, policy provisions or the format of such policies, or the regulation of the rates used to calculate the amount of premium charged] **are subject to rate and form filing requirements as provided in section 379.321.**

379.321. 1. Every insurer shall file with the director, except as to commercial property or commercial casualty insurance as provided in subsection 6 of this section [and as to inland marine risks which by regulation or general custom of the business are not written according to manual rates or rating plans], every manual of classifications, rules, underwriting rules and rates, every rating plan and every modification of the foregoing which it uses and the policies and forms to which such rates are applied. Any insurer may satisfy its obligation to make any such filings by becoming a member of, or a subscriber to, a licensed rating organization which makes such filings and by authorizing the director to accept such filings on its behalf, provided that nothing contained in section 379.017 and sections 379.316 to 379.361 shall be construed as requiring any insurer to become a member of or a subscriber to any rating organization or as requiring any member or subscriber to authorize the director to accept such filings on its behalf. Filing with the director by such insurer or licensed rating organization within ten days after such manuals, rating plans or modifications thereof or policies or forms are effective shall be sufficient compliance with this section.

2. Except as to commercial property or commercial casualty insurance as provided in subsection 6 of this section and [as to contracts or policies for] inland marine risks [as to which filings are not required] **as provided in subsection 1 of this section**, no insurer shall make or issue a policy or contract except pursuant to filings which are in effect for

that insurer or pursuant to section 379.017 and sections 379.316 to 379.361. Any rates, rating plans, rules, classifications or systems, in effect on August 13, 1972, shall be continued in effect until withdrawn by the insurer or rating organization which filed them.

3. Upon the written application of the insured, stating his or her reasons therefor, filed with the insurer, a rate in excess of that provided by a filing otherwise applicable may be used on any specific risk.

4. Every insurer which is a member of or a subscriber to a rating organization shall be deemed to have authorized the director to accept on its behalf all filings made by the rating organization which are within the scope of its membership or subscribership, provided:

(1) That any subscriber may withdraw or terminate such authorization, either generally or for individual filings, by written notice to the director and to the rating organization and may then make its own independent filings for any kinds of insurance, or subdivisions, or classes of risks, or parts or combinations of any of the foregoing, with respect to which it has withdrawn or terminated such authorization, or may request the rating organization, within its discretion, to make any such filing on an agency basis solely on behalf of the requesting subscriber; and

(2) That any member may proceed in the same manner as a subscriber unless the rating organization shall have adopted a rule, with the approval of the director:

(a) Requiring a member, before making an independent filing, first to request the rating organization to make such filing on its behalf and requiring the rating organization, within thirty days after receipt of such request, either:

- a. To make such filing as a rating organization filing;
- b. To make such filing on an agency basis solely on behalf of the requesting member; or
- c. To decline the request of such member; and

(b) Excluding from membership any insurer which elects to make any filing wholly independently of the rating organization.

5. Any change in a filing made pursuant to this section during the first six months of the date such filing becomes effective shall be approved or disapproved by the director within ten days following the director's receipt of notice of such proposed change.

6. [Commercial property and commercial casualty insurance policies which meet the exemption requirements of section 379.362 shall adhere to the filing requirements of this section, provided however, that the filings for such policies shall be for informational purposes only. Therefore, all manuals of classifications, rules, underwriting rules, rates, rate plans and modifications, policy forms and other forms to which such rates are applied, shall be filed with the director for policies which meet the exemption requirements of section 379.362. Such filings shall be made with the director within thirty days after such materials are used by the insurer, but such policies and rates need not be reviewed or approved by the department of insurance as a condition of their use. Nothing in this subsection shall require the filing of individual policies or the rates related thereto where the original policy forms, manuals, rates and rules for the insurance plan or program to which such individual policies conform have already been filed with the director.]

Commercial property and commercial casualty requirements differ as follows:

(1) **All commercial property and commercial casualty insurance rates, rate plans, modifications, and manuals of classifications, where appropriate, shall be filed with the director for informational purposes only. Such rates are not to be reviewed or approved by the department of insurance as a condition of their use. Nothing in this subsection shall require the filing of individual rates where the original manuals, rates and rules for the insurance plan or program to which such individual policies conform have already been filed with the director;**

(2) **If an insurer will only renew a commercial casualty or commercial property insurance policy with an increase in premium of twenty-five percent or more, a "premium alteration requiring notification" notice must be mailed or delivered by the insurer at least sixty days prior to the expiration date of the policy, except in the case of an umbrella or excess policy the coverage of which is contingent on the coverage of an underlying policy of commercial property or casualty insurance, in which case notice of an increase in premium of twenty-five percent or more shall be mailed or delivered at least thirty days prior to the expiration date of the policy. Such notice shall be mailed or delivered to the agent of record and to the named insured at the address shown in the policy. If the insurer fails to meet this notice requirement, the insured shall have the option of continuing the policy for the remainder of the notice period plus an additional thirty days at the premium rate of the existing policy or contract. This provision does not apply if the insurer has offered to renew a policy without such an increase in premium or if the insured fails to pay a premium due or any advance premium required by the insurer for renewal. For purposes of this section, "premium alteration requiring notification" means an annual increase in premium of twenty-five percent or more, exclusive of premium increases due to a change in the operations of the insured which increases either the hazard insured against or the individual loss**

characteristics, or due to a change in the magnitude of the exposure basis, including, without limitation, increases in payroll or sales. For commercial multiperil policies, no "premium alteration requiring notification" shall be required unless the increase in premium for all of a policyholder's policies taken together amounts to a twenty-five percent or more annual increase in premium;

(3) Commercial property and commercial casualty policy forms shall be filed with the director as provided pursuant to subsection 1 of this section. However, if after review, it is determined that corrective action must be taken to modify the filed forms, the director shall impose such corrective action on a prospective basis for new policies. All policies previously issued which are of a type that is subject to such corrective action shall be deemed to have been modified to conform to such corrective action retroactive to their inception date;

(4) For purposes of this section, "commercial casualty" means "commercial casualty insurance" as defined in section 379.882. For purposes of this section, "commercial property" means property insurance, which is for business and professional interests, whether for profit, nonprofit or public in nature which is not for personal, family or household purposes, but does not include title insurance;

(5) Nothing in this subsection shall limit the director's authority over excessive, inadequate or unfairly discriminatory rates.

379.356. 1. No insurer, broker or agent shall knowingly charge, demand or receive a premium for any policy of insurance except in accordance with the provisions of section 379.017 and sections 379.316 to 379.361. No insurer or employee thereof, and no broker or agent shall pay, allow, or give, directly or indirectly, as an inducement to insurance, or after insurance has been effected, any rebate, discount, abatement, credit or reduction of the premium named in a policy of insurance, or any special favor or advantage in the dividends or other benefits to accrue thereon, or any valuable consideration or inducement whatever, not specified in the policy of insurance, except to the extent provided for in applicable filings. No insured named in any policy of insurance shall knowingly receive or accept, directly or indirectly, any such rebate, discount, abatement, credit or reduction of premium, or any such special favor or advantage or valuable consideration or inducement. Nothing in this section shall be construed as prohibiting the payment of, nor permitting the regulation of the payment of, commissions or other compensation to duly licensed agents and brokers; nor as prohibiting, or permitting the regulation of, any insurer from allowing or returning to its participating policyholders or members, dividends or savings.

2. An insurer or insurance producer, agent or broker may charge additional incidental fees for premium installments, late payments, policy reinstatements, or other similar services specifically provided for by law or regulation. Such fees shall be disclosed to the applicant or insured in writing.

379.425. 1. Sections 379.420 to 379.510 apply to casualty insurance, including fidelity, surety and guaranty bonds, and to all forms of motor vehicle insurance, on risks or operations in this state, except:

(1) Reinsurance, other than joint reinsurance to the extent stated in section 379.460 and subsection 2 of section 379.430;

(2) Insurance against workers' compensation liability;

(3) Accident and health insurance;

(4) Insurance against loss of or damage to aircraft, or against liability, other than employers' liability, arising out of the ownership, maintenance or use of aircraft.

2. Commercial casualty insurance policies [which meet the exemption requirements of section 379.362] shall be exempt from [those insurance laws of this state which concern the regulation by the director of insurance of the policy language, policy provisions or the format of such policies, or regulation of the rates used to calculate the amount of premium charged] **the provisions of sections 379.420 to 379.510 to the extent permitted pursuant to subsection 6 of section 379.321.**

379.888. 1. As used in sections 379.888 to 379.893, the following terms mean:

(1) "'A' rated risk", any insurance coverage for which rates are individually determined based upon judgment because neither a rate service organization nor the insurer has yet established a manual rate based upon experience, except that if a rate service organization or the insurer acquires sufficient experience to establish, or if the insurer itself has, a manual rate for such coverage, then such coverage shall no longer be considered an "A" rated risk for each insurer;

(2) "Base rate", the rate designed to reflect the average aggregate experience of a particular market, prior to adjustment for individual risk characteristics resulting from application of any rating plan;

(3) "Classification", a grouping of insurance risks according to a classification system used by an insurer;

(4) "Classification system", a schedule of classifications and a rule or set of rules used by an insurer for determining the classification applicable to an insured;

(5) "Commercial casualty insurance", casualty insurance for business or nonprofit interests which is not for

personal, family, or household purposes;

- (6) "Director", the director of the department of insurance;
- (7) "Rate", a monetary amount applied to the units of exposure basis assigned to a classification and used by an insurer to determine the premium for an insured;
- (8) "Rating plan", a rule or set of rules used by an insurer to calculate premium for an insured, and the parameter values used in such calculation, after application of classification premium rates to units of exposure; and
- (9) "Rating system", a collection of rating plans to be used by an insurer, rules for determining which rating plans are applicable to an insured, a classification system, and other rules used by an insurer for determining contractual consideration for insured.

2. [Every filing of commercial casualty insurance premium rates, rating plans or rating systems by an insurer or rating organization shall be submitted to the director for review prior to becoming effective if it produces an increase or decrease exceeding twenty-five percent annually from changes in any:

- (1) Base rates;
- (2) Rating basis;
- (3) Rating plans;
- (4) Manual rules;
- (5) Territorial definitions; or
- (6) Combination of such rating system components of subdivisions (1) to (5) of this subsection.

3.] Nothing in this section applies to premium increases or decreases from:

- (1) Change in hazard of the insured's operation;
- (2) Change in magnitude of the exposure basis for the insured, including, without limitation, changes in payroll or sales;

- (3) "A" rated risks[; or
- (4) Commercial casualty insurance that is exempt pursuant to section 379.362].

[4.] **3.** Any renewal notice of a commercial casualty insurance policy as defined in section 379.882 for any Missouri risk or portion thereof which would have the effect of increasing the premium charged to the insured due to a change in any scheduled rating factor applied to the policy during the previous policy period shall contain or be accompanied by a notice to the insured informing the insured that any inquiry by the insured concerning the change may be directed to the agent of record or directly to the insurer. When any insured makes a request for information pursuant to this subsection, the insurer, directly or through the insurer's agent, shall inform the insured in writing in terms sufficiently clear and specific of the basis for any reduction in a scheduled rating credit or increase in a scheduled rating debit which is applied to the policy. Evidence supporting the basis for any scheduled rating credit or debit shall be retained by the insurer for the policy term plus two calendar years pursuant to section 374.205, RSMo. The department of insurance shall notify commercial casualty insurers of the requirements of this section by bulletin.

4. Any renewal involving a "premium alteration requiring notification" as defined in subsection 6 of section 379.321, shall be handled pursuant to the requirements of that subsection."; and

Further amend said bill, Page 92, Section 513.430, Line 14 of said page, by inserting after all of said line the following:

"Section 1. No insurer or its agent or representative shall require any applicant or policyholder to divulge if any insurer has denied any claim of that applicant or policyholder."; and

Further amend said title, enacting clause and intersectional references accordingly.

"590.010. As used in this chapter, the following terms mean:

- (1) "Commission", when not obviously referring to the POST commission, means a grant of authority to act as a peace officer;**
- (2) "Director", the director of the Missouri department of public safety or his or her designated agent or representative;**
- (3) "Peace officer", a law enforcement officer of the state or any political subdivision of the state with the power of arrest for a violation of the criminal code or declared or deemed to be a peace officer by state statute;**
- (4) "POST commission", the peace officer standards and training commission;**
- (5) "Reserve peace officer", a peace officer who regularly works less than thirty hours per week.**

590.020. 1. No person shall hold a commission as a peace officer without a valid peace officer license.

2. The director shall establish various classes of peace officer license and may provide that certain classes are not valid for commission within counties of certain classifications, by certain state agencies, or for commission as other than a reserve peace officer with police powers restricted to the commissioning political subdivision.

3. Notwithstanding any other provision of this chapter, no license shall be required:

- (1) Of any person who has no power of arrest;**
- (2) To seek or hold an elected county office, subject to such requirements as chapter 57, RSMo, may impose;**
- (3) To be commissioned pursuant to section 64.335, RSMo, as a park ranger not carrying a firearm;**
- (4) To be commissioned as a peace officer by a political subdivision having less than four full-time paid peace officers or a population less than two thousand, provided that such commission was in effect on the**

effective date of this section and continually since that date, and provided that this exception shall not apply to any commission within a county of the first class having a charter form of government;

(5) Of any reserve officer continually holding the same commission since August 15, 1988; or

(6) For any person continually holding any commission as a full-time peace officer since December 31, 1978.

4. Any political subdivision or law enforcement agency may require its peace officers to meet standards more stringent than those required for licensure pursuant to this chapter.

590.030. 1. The POST commission shall establish minimum standards for the basic training of peace officers. Such standards may vary for each class of license established pursuant to subsection 2 of section 590.020.

2. The director shall establish minimum age, citizenship, and general education requirements and may require a qualifying score on a certification examination as conditions of eligibility for a peace officer license.

3. The director shall provide for the licensure, with or without additional basic training, of peace officers possessing credentials by other states or jurisdictions, including federal and military law enforcement officers.

4. The director shall establish a procedure for obtaining a peace officer license and shall issue the proper license when the requirements of this chapter have been met.

5. As conditions of licensure, all licensed peace officers shall:

(1) Obtain continuing law enforcement education pursuant to rules to be promulgated by the POST commission; and

(2) Maintain a current address of record on file with the director.

6. A peace officer license shall automatically expire if the licensee fails to hold a commission as a peace officer for a period of five consecutive years, provided that the POST commission shall provide for the relicensure of such persons and may require retraining as a condition of eligibility for relicensure, and provided that the director may provide for the continuing licensure, subject to restrictions, of persons who hold and exercise a law enforcement commission requiring a peace officer license but not meeting the definition of a peace officer pursuant to this chapter.

590.040. 1. The POST commission shall set the minimum number of hours of basic training for licensure as a peace officer no lower than four hundred seventy and no higher than six hundred, with the following exceptions:

(1) Up to one thousand hours may be mandated for any class of license required for commission by a state law enforcement agency;

(2) As few as one hundred twenty hours may be mandated for any class of license restricted to commission as a reserve peace officer with police powers limited to the commissioning political subdivision;

(3) Persons validly licensed on August 28, 2001, may retain licensure without additional basic training;

(4) Persons licensed and commissioned within a county of the third classification before July 1, 2002, may retain licensure with one hundred twenty hours of basic training if the commissioning political subdivision has adopted an order or ordinance to that effect; and

(5) The POST commission shall provide for the recognition of basic training received at law enforcement training centers of other states, the military, the federal government and territories of the United States regardless of the number of hours included in such training and shall have authority to require supplemental training as a condition of eligibility for licensure.

2. The director shall have the authority to limit any exception provided in subsection 1 of this section to persons remaining in the same commission or transferring to a commission in a similar jurisdiction.

3. The basic training of every peace officer, except agents of the conservation commission, shall include at least thirty hours of training in the investigation and management of cases involving domestic and family violence. Such training shall include instruction, specific to domestic and family violence cases, regarding: report writing; physical abuse, sexual abuse, child fatalities and child neglect; interviewing children and alleged perpetrators; the nature, extent and causes of domestic and family violence; the safety of victims, other family and household members and investigating officers; legal rights and remedies available to victims, including rights to compensation and the enforcement of civil and criminal remedies; services available to victims and their children; the effects of cultural, racial and gender bias in law enforcement; and state statutes. Said curriculum shall be developed and presented in consultation with the department of health, the division of family services, public and private providers of programs for victims of domestic and family violence, persons who have demonstrated expertise in training and education concerning domestic and family violence, and the Missouri coalition against domestic violence.

590.050. 1. The POST commission shall establish requirements for the continuing education of all peace officers. Peace officers who make traffic stops shall be required to receive annual training concerning the prohibition against racial profiling and such training shall promote understanding and respect for racial and cultural differences and the use of effective, non-combative methods for carrying out law enforcement duties in a racially and culturally diverse environment.

2. The director shall license continuing education providers and may probate, suspend and revoke such licenses upon written notice stating the reasons for such action. Any person aggrieved by a decision of the director pursuant to this subsection may appeal as provided in chapter 536, RSMo.

3. The costs of continuing law enforcement education shall be reimbursed in part by moneys from the peace officer standards and training commission fund created in section 590.178, subject to availability of funds, except that no such funds shall be used for the training of any person not actively commissioned or employed by a county or municipal law enforcement agency.

4. The director may engage in any activity intended to further the professionalism of peace officers through training and education, including the provision of specialized training through the department of public safety.

590.060. 1. The POST commission shall establish minimum standards for training instructors and training centers, and the director shall establish minimum qualifications for admittance into a basic training course.

2. The director shall license training instructors, centers, and curricula, and may probate, suspend and revoke such licenses upon written notice stating the reasons for such action. Any person aggrieved by a decision pursuant to this subsection may appeal as provided in chapter 536, RSMo.

3. Each person seeking entrance into a basic training program shall submit a fingerprint card and authorization for a criminal history background check to include the records of the Federal Bureau of Investigation to the training center where such person is seeking entrance. The training center shall cause a criminal history background check to be made and shall cause the resulting report to be forwarded to the director. The person seeking entrance may be charged a fee for the cost of this procedure.

590.070. 1. The chief executive officer of each law enforcement agency shall, within thirty days after commissioning any peace officer, notify the director on a form to be adopted by the director. The director may require the chief executive officer to conduct a current criminal history background check and to forward the resulting report to the director.

2. The chief executive officer of each law enforcement agency shall, within thirty days after any licensed peace officer departs from employment or otherwise ceases to be commissioned, notify the director on a form to be adopted by the director. Such notice shall state the circumstances surrounding the departure from employment or loss of commission and shall specify any of the following that apply:

- (1) The officer failed to meet the minimum qualifications for commission as a peace officer;
- (2) The officer violated municipal, state or federal law;
- (3) The officer violated the regulations of the law enforcement agency; or
- (4) The officer was under investigation for violating municipal, state or federal law, or for gross violations of the law enforcement agency regulations.

3. Whenever the chief executive officer of a law enforcement agency has reasonable grounds to believe that any peace officer commissioned by the agency is subject to discipline pursuant to section 590.080, the chief executive officer shall report such knowledge to the director.

590.080. 1. The director shall have cause to discipline any peace officer licensee who:

- (1) Is unable to perform the functions of a peace officer with reasonable competency or reasonable safety as a result of a mental condition, including alcohol or substance abuse;
- (2) Has committed any criminal offense, whether or not a criminal charge has been filed;
- (3) Has committed any act while on active duty or under color of law that involves moral turpitude or a reckless disregard for the safety of the public or any person;
- (4) Has caused a material fact to be misrepresented for the purpose of obtaining or retaining a peace officer commission or any license issued pursuant to this chapter;
- (5) Has violated a condition of any order of probation lawfully issued by the director; or
- (6) Has violated a provision of this chapter or a rule promulgated pursuant to this chapter.

2. When the director has knowledge of cause to discipline a peace officer licensed pursuant to this section, the director may cause a complaint to be filed with the administrative hearing commission, which shall conduct a hearing to determine whether the director has cause for discipline, and which shall issue findings of fact and

conclusions of law on the matter. The administrative hearing commission shall not consider the relative severity of the cause for discipline or any rehabilitation of the licensee or otherwise impinge upon the discretion of the director to determine appropriate discipline when cause exists pursuant to this section.

3. Upon a finding by the administrative hearing commission that cause to discipline exists, the director shall, within thirty days, hold a hearing to determine the form of discipline to be imposed and thereafter shall probate, suspend, or permanently revoke the license at issue. If the licensee fails to appear at the director's hearing, this shall constitute a waiver of the right to such hearing.

4. Notice of any hearing pursuant to this chapter or section may be made by certified mail to the licensee's address of record. Proof of refusal of the licensee to accept delivery or the inability of postal authorities to deliver such certified mail shall be evidence that required notice has been given. Notice may be given by publication.

5. Nothing contained in this section shall prevent a licensee from informally disposing of a cause for discipline with the consent of the director by voluntarily surrendering a license or by voluntarily submitting to discipline.

6. The provisions of chapter 621, RSMo, and any amendments thereto, except those provisions or amendments that are in conflict with this chapter, shall apply to and govern the proceedings of the administrative hearing commission and pursuant to this section the rights and duties of the parties involved.

590.090. 1. The director shall have cause to suspend immediately the peace officer license of any licensee who:

(1) Is under indictment for, is charged with, or has been convicted of the commission of any felony;

(2) Is subject to an order of another state, territory, the federal government, or any peace officer licensing authority suspending or revoking a peace officer license or certification; or

(3) Presents a clear and present danger to the public health or safety if commissioned as a peace officer.

2. At any time after the filing of a disciplinary complaint pursuant to section 590.080, if the director determines that probable cause exists to suspend immediately the peace officer license of the subject of the complaint, the director may, without notice or hearing, issue an emergency order suspending such license until final determination of the disciplinary complaint. Such order shall state the probable cause for the suspension and shall be served upon the licensee by certified mail at the licensee's address of record. Proof of refusal of the licensee to accept delivery or the inability of postal authorities to deliver such certified mail shall be evidence that required notice has been given. The director shall also notify the chief executive officer of any law enforcement agency currently commissioning the officer. The director shall have authority to dissolve an emergency order of suspension at any time for any reason.

3. A licensee subject to an emergency order of suspension may petition the administrative hearing commission for review of the director's determination of probable cause, in which case the administrative hearing commission shall within five business days conduct an emergency hearing, render its decision, and issue findings of fact and conclusions of law. Sworn affidavits or depositions shall be admissible on the issue of probable cause and may be held sufficient to establish probable cause. The administrative hearing commission shall have no authority to stay or terminate an emergency order of suspension without a hearing pursuant to this subsection. Findings and conclusions made in determining probable cause for an emergency suspension shall not be binding on any party in any proceeding pursuant to section 590.080.

4. Any party aggrieved by a decision of the administrative hearing commission pursuant to this section may appeal to the circuit court of Cole County as provided in section 536.100, RSMo.

590.100. 1. The director shall have cause to deny any application for a peace officer license or entrance into a basic training course when the director has knowledge that would constitute cause to discipline the applicant if the applicant were licensed.

2. When the director has knowledge of cause to deny an application pursuant to this section, the director may grant the application subject to probation or may deny the application. The director shall notify the applicant in writing of the reasons for such action and of the right to appeal pursuant to this section.

3. Any applicant aggrieved by a decision of the director pursuant to this section may appeal within thirty days to the administrative hearing commission, which shall conduct a hearing to determine whether the director has cause for denial, and which shall issue findings of fact and conclusions of law on the matter. The administrative hearing commission shall not consider the relative severity of the cause for denial or any rehabilitation of the applicant or otherwise impinge upon the discretion of the director to determine whether to grant the application subject to probation or deny the application when cause exists pursuant to this section. Failure to submit a written request for a hearing to the administrative hearing commission within thirty days

after a decision of the director pursuant to this section shall constitute a waiver of the right to appeal such decision.

4. Upon a finding by the administrative hearing commission that cause for denial exists, the director shall not be bound by any prior action on the matter and shall, within thirty days, hold a hearing to determine whether to grant the application subject to probation or deny the application. If the licensee fails to appear at the director's hearing, this shall constitute a waiver of the right to such hearing.

5. The provisions of chapter 621, RSMo, and any amendments thereto, except those provisions or amendments that are in conflict with this chapter, shall apply to and govern the proceedings of the administrative hearing commission pursuant to this section and the rights and duties of the parties involved.

[590.105. 1. A program of mandatory standards for the basic training and certification of peace officers and a program of optional standards for the basic training and certification of reserve officers in this state is hereby established. The peace officer standards and training commission shall establish the minimum number of hours of training and core curriculum. In no event, however, shall the commission require more than one thousand hours of such training for either peace or reserve officers employed by any state law enforcement agency, or more than six hundred hours of such training for other peace or reserve officers; provided, however, that the minimum hours of training shall be no lower than the following:

(1) One hundred twenty hours as of August 28, 1993;

(2) Three hundred hours as of August 28, 1994; and

(3) Four hundred seventy hours as of August 28, 1996.

The higher standards provided in this section for certification after August 28, 1993, shall not apply to any peace or reserve officer certified prior to August 28, 1993, or to deputies of any sheriff's department in any city not within a county requiring no more or less than one hundred twenty hours of training. Certified peace and reserve officers between January 1, 1992, and August 28, 1995, shall only meet the hours of training applicable to the year in which the

officer was employed or appointed.

2. Beginning on August 28, 1996, peace officers shall be required to complete the four hundred fifty hours of training as peace officers and be certified to be eligible for employment. Park rangers appointed pursuant to section 64.335, RSMo, who do not carry firearms shall be exempt from the training requirements of this section.

3. Bailiffs who are not certified peace officers shall be required to complete a minimum of sixty hours of mandated training, except that any person who has served as a bailiff prior to January 1, 1995, shall not be required to complete the training requirements mandated by this subsection, provided such person's training or experience is deemed adequate by the peace officer standards and training commission in accordance with current standards.

4. All political subdivisions within this state may adopt standards which are higher than the minimum standards implemented pursuant to sections 590.100 to 590.180, and such minimum standards shall in no way be deemed adequate in those cases in which higher standards have been adopted.

5. Any federal officer who has the duty and power of arrest on any federal military installation in this state may, at the option of the federal military installation in which the officer is employed, participate in the training program required under the provisions of sections 590.100 to 590.180 and, upon satisfactory completion of such training program, shall be certified by the director in the same manner provided for peace officers, as defined in section 590.100, except that the duty and power of arrest of military officers for violation of the general criminal laws of the state or for violation of ordinances of counties or municipalities of the state shall extend only to the geographical boundaries within which the federal military installation is located. Any costs involved in the training of a federal officer shall be borne by the participating federal military installation.

6. Notwithstanding any provision of this chapter to the contrary, any peace officer who is employed by a law enforcement agency located within a county of the third classification shall be required to have no more or less than one hundred twenty hours of training for certification if the respective city or county adopts an order or ordinance to that effect.

7. The peace officers standards and training commission with input from the department of health and the division of family services shall provide a minimum of thirty hours of initial education to all prospective law enforcement officers, except for agents of the conservation commission, concerning domestic and family violence.

8. The course of instruction and the objectives in learning and performance for the education of law enforcement officers required pursuant to subsection 6 of this section shall be developed and presented in consultation with public and private providers of programs for victims of domestic and family violence, persons who have demonstrated expertise in training and education concerning domestic and family violence, and the Missouri coalition against domestic violence. - (6) The services available to victims of domestic and family violence and their children;
- (7) Sensitivity to cultural, racial and sexual issues and the effect of cultural, racial, and gender bias on the response of law enforcement officers and the enforcement of laws relating to domestic and family violence; and
- (8) The provisions of applicable state statutes concerning domestic and family violence.]

590.110. 1. The director may investigate any cause for the discipline of any license or denial of any application pursuant to this chapter. During the course of such investigation, the director shall have the power to inspect any training center, require by subpoena the attendance and sworn deposition of any witness and the production of any documents, records, or evidence that the director deems relevant. Subpoenas shall be served by a person authorized to serve subpoenas of courts of record. In lieu of the production of any document or

record, the director may require that a sworn copy of such document or record be delivered to the director.

2. The director may apply to the circuit court of Cole County or of any county where the person resides or may be found for an order upon any person who shall fail to obey a subpoena to show cause why such subpoena should not be enforced. A show cause order and a copy of the application shall be served upon the person in the same manner as a summons in a civil action. If, after a hearing, the circuit court determines that the subpoena should be enforced, the court shall proceed to enforce the subpoena in the same manner as in a civil case.

[590.110. 1. No person shall be appointed as a peace officer by any public law enforcement agency, which is possessed of the duty and power to enforce the general criminal laws of the state or the ordinances of any political subdivision of this state, unless he has been certified by the director as provided in sections 590.100 to 590.180, unless he is appointed on a probationary basis, and the hiring agency, within one year after his initial appointment, takes all necessary steps to qualify him for certification by the director. Unless a peace officer is certified within the one-year period after appointment, his appointment shall be terminated and he shall not be eligible for appointment by any other law enforcement agency as a peace officer. Beginning on August 28, 1995, peace officers shall be required to complete the four hundred fifty hours of training as peace officers and be certified to be eligible for employment.

2. The chief executive officer of each law enforcement agency shall notify the director of the appointment of any peace or reserve officer not later than thirty days after the date of the appointment and include with such notification a copy of a fingerprint card verified by the Missouri state highway patrol pertaining to the results of a criminal background check of the officer appointed and evidence of the completion of the standards necessary for employment as provided in sections 590.100 to 590.180.

3. Training and certification requirements specified in sections 590.100 to 590.180 are recommended but not required of a reserve officer; however, any person who serves as a reserve officer in any public law enforcement agency which is possessed of the duty and power to enforce the general criminal laws of this state or the ordinances of any political subdivision of this state may, at the option of the political subdivision in which the reserve officer is appointed, participate in the basic training program required under the provisions of sections 590.100 to 590.180, and, upon completion of such training program, shall be certified by the director in the same manner as provided for peace officers.]

[590.112. 1. This section applies to any employees of the sheriff's department of any county of the first classification with a population of two hundred thousand or more inhabitants, who have been certified in a program of training, including but not limited to a training and certification program established pursuant to this chapter.

2. If any person subject to subsection 1 of this section is transferred to a department of public safety or similar agency as a result of the passage of a charter form of government in the county, then notwithstanding the provisions of this chapter, or any local ordinance or order to the contrary, such person's training certification shall remain in effect and shall not lapse, and the training and certification required for the person to be employed by the sheriff's department shall be deemed adequate to be appointed to the department of public safety or similar agency. If such person is thereafter reassigned to the sheriff's department, such person shall be deemed certified for appointment to such position, notwithstanding the provisions of section 590.110, to the contrary; and the chief executive officer as defined in section 590.100, shall not be required to furnish to the director of the department of public safety evidence that such person has satisfactorily completed instruction in a course of training for peace officers.]

[590.115. 1. Training and certification requirements specified in sections 590.100 to 590.180 are recommended but not required of a peace officer who has been consistently employed as a full-time peace officer and was appointed before December 31, 1978, whether or not such officer changes his place of employment.

2. Training and certification requirements specified in sections 590.100 to 590.180 are recommended but not required of a reserve officer who was appointed as a reserve officer prior to August 15, 1988. Requirements for certification of such reserve officers may be determined by the commission. No member of the **POST** commission serving a full term of three years may be reappointed to the **POST** commission until at least one year after the expiration of his most recent term.

2. Three of the original members of the **POST** commission shall be appointed for terms of one year, three of the original members shall be appointed for terms of two years, and three of the original members shall be appointed

No rule or portion of a rule promulgated under the authority of this section shall become effective until it has been approved by the joint committee on administrative rules in accordance with the procedures provided in this section, and the delegation of the legislative authority to enact law by the adoption of such rules is dependent upon the power of the joint committee on administrative rules to review and suspend rules pending ratification by the senate and the house of representatives as provided in this section.

7. Upon adoption of a rule as provided in this section, any such rule or portion thereof may be suspended or revoked by the general assembly either by bill or, pursuant to section 8, article IV of the Constitution of Missouri, by concurrent resolution upon recommendation of the joint committee on administrative rules. The coroner or his deputy shall take possession of any object or article which, in his opinion, may be useful in establishing the cause of death, and deliver it to the prosecuting attorney of the county.

2. When a death occurs outside a licensed health care facility, the first licensed medical professional or law enforcement official learning of such death shall contact the county coroner. Immediately upon receipt of such notification, the coroner or the coroner's deputy shall make the determination if further investigation is necessary, based on information provided by the individual contacting the coroner, and immediately advise such individual of the coroner's intentions.

3. Upon taking charge of the dead body and before moving the body the coroner shall notify the police department of any city in which the dead body is found, or if the dead body is found in the unincorporated area of a county governed by the provisions of sections 58.451 to 58.457, the coroner shall notify the county sheriff and the highway patrol and cause the body to remain unmoved until the police department, sheriff or the highway patrol has inspected the body and the surrounding circumstances and carefully noted the appearance, the condition and position of the body and recorded every fact and circumstance tending to show the cause and manner of death, with the names and addresses of all known witnesses, and shall subscribe the same and make such record a part of his report.

4. In any case of sudden, violent or suspicious death after which the body was buried without any investigation or autopsy, the coroner, upon being advised of such facts, may at his own discretion request that the prosecuting attorney apply for a court order requiring the body to be exhumed.

5. The coroner shall certify the cause of death in any case under his charge when a physician is unavailable to sign a certificate of death.

6. When the cause of death is established by the coroner, he shall file a copy of his findings in his office within thirty days.

The coroner may on his own authority employ the services of a pathologist, chemist, or other expert to aid in the examination of the body or of substances supposed to have caused or contributed to death, and if the pathologist, chemist, or other expert is not already employed by the city or county for the discharge of such services, he shall, upon written authorization of the coroner, be allowed reasonable compensation, payable by the city or county, in the manner provided in section 58.530. The coroner shall, at the time of the autopsy, record or cause to be recorded each fact and circumstance tending to show the condition of the body and the cause and manner of death.

[8.] 9. If on view of the dead body and after personal inquiry into the cause and manner of death, the coroner considers a further inquiry and examination necessary in the public interest, he shall make out his warrant directed to

the sheriff of the city or county requiring him forthwith to summon six good and lawful citizens of the county to appear before the coroner, at the time and place expressed in the warrant, and to inquire how and by whom the deceased came to his death.

In such cases, the county in which the deceased was institutionalized shall be considered the place of death.

HOUSE COMMITTEE SUBSTITUTE
FOR
SENATE CONCURRENT RESOLUTION NO. 31

WHEREAS, the General Assembly believes the principles of free markets, limited government, federalism and individual liberty are essential to providing the greatest amount of economic and political freedom for our citizens; and

WHEREAS, careful stewardship of our nation's precious natural resources is essential if future generations are to enjoy and prosper from them; and

WHEREAS, voluntary industry leadership in the private sector is the best method of productive and economically viable environmental stewardship of our land, forests, water and wild life; and

WHEREAS, the General Assembly believes that voluntary forest product management and leadership by the private sector in sustaining forest resources is preferable to government-imposed resource management mandates; and

WHEREAS, Americans have taken pride in their nation's rich bounty of natural resources, and careful stewardship of these precious assets is essential if future generations are to enjoy and benefit from them; and

WHEREAS, the forest products industry, an essential component of the nation's economy sustaining businesses, families, and rural communities since its founding, is comprised of more than 34,000 employees and 400,000 forest landowners; and

WHEREAS, close to one-third of the nation's land is forested, with 14 million acres in Missouri alone, and the vital importance of the industry underscores the necessity for intelligent management of the over 736 million acres of America's forest land; and

WHEREAS, the forest products industry relies on forest resources to make this state one of the leading producers of wood flooring, staves, furniture, cabinetry, lumber, pallets, charcoal, and other wood products, and meeting society's increasing demand for wood and wood-related products is important to our nation's quality of life; and

WHEREAS, America's forest products companies have made considerable capital improvements in recycling, and the industry nationally has voluntarily set a goal to recover 50% of the paper it produces; and

WHEREAS, Missouri's forest products industry, in recognition of its stewardship responsibilities in nurturing the forest resources, has pledged itself to the continuing principles of sustainable forestry by initiating the "Sustainable Forestry Initiative Program", a comprehensive program committed to responsible environmental stewardship of the forests, water resources and wild life; and

WHEREAS, the goal of the Sustainable Forestry Initiative Program is to educate the public on the importance of industry leadership in voluntarily protecting these valuable resources, and to promote and monitor the progress made toward this worthy goal; and

WHEREAS, the Missouri Forest Products Association's members are actively demonstrating a commitment to the principles of sustainable forestry and are bench marking this commitment by implementing Sustainable Forestry Initiative Program principles and practices, such as prompt reforestation and protection of water quality and wildlife habitat:

JOURNAL OF THE HOUSE

First Regular Session, 91st GENERAL ASSEMBLY

SEVENTY-SEVENTH DAY, FRIDAY, MAY 18, 2001

Speaker Kreider in the Chair.

Prayer by Reverend Rudy Beard.

God of mercy and grace: all thoughts are open to You, nothing is hidden. As these men and women of the House, the hard working staff and families, celebrate this day, as they bring to conclusion their work, give them Your peace.

It is sometimes dangerous to be kind and tender-hearted, dangerous to be forgiving and understanding. But help them to do that now. And give to them a joy for all that is good and fine in our life.

Keep them alive to new possibilities and the gifts of this day. And to You be glory and honor. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as an Honorary Page for the Day, to serve without compensation: Tyler D. Lewelling.

The Journal of the seventy-sixth day was approved as corrected.

Notwithstanding any other provision of the law, the division of design and construction is hereby authorized to institute a pilot program whereby the design-build procurement process may be utilized on a limited number of public projects as set out below for the purpose of demonstrating the benefits of the design-build process in the public sector. This authorization for design-build procurement shall be for the sole and exclusive use of the division of design and construction.

2. The maximum number of projects to be procured on a design-build basis during the course of this pilot program shall be no more than four projects each with an estimated cost of five million dollars or less and no more than four projects each with an estimated cost of more than five million dollars.

3. The director of design and construction shall select those projects for which the use of the design-build procurement process is appropriate. In making that determination, the director shall consider:

- (1) The likelihood that the design-build method of procurement will serve the public interest by providing substantial savings of time or money over the traditional design-bid-build delivery process;
- (2) The time available to complete the project and meet the needs of the end user and any need to expedite the delivery process;
- (3) The type of project and its suitability to the design-build process;

8.1006. The division may adopt regulations pursuant to chapter 536, RSMo, for the conduct of the design-build process.

8.1009. 1. The director shall determine the scope and level of detail required to permit qualified persons to submit proposals in accordance with the request for proposals given the nature of the project.

2. A design criteria consultant may be employed or retained by the division to assist in preparation of the request for proposal, perform periodic site visits, prepare progress reports, review and approve progress and final pay applications of the design-builder, review shop drawings and submittals, decide disputes, interpret the construction documents, perform inspections upon substantial and final completion, assist in warranty inspections and to provide any other professional service where the director deems it to be in the public interest to have an independent design professional assisting with the project administration. The consultant shall be selected and its contract negotiated in compliance with sections 8.285 to 8.291.

8.1012. 1. Notice of requests for proposals shall be advertised in accordance with section 8.250. The division shall publish a notice of a request for proposal with a description of the project, the rationale for the decision to use the design-build method of procurement, the procedures for submittal and the selection criteria to be used.

2. The director shall establish in the request for proposal a time, place and other specific instructions for the receipt of proposals. Proposals not submitted in strict accordance with those instructions shall be subject to rejection.

3. A request for proposals shall be prepared for each design-build contract containing at minimum the

following elements:

- (1) The procedures to be followed for submitting proposals, the criteria for evaluation of proposals and their relative weight and the procedures for making awards;
- (2) The proposed terms and conditions for the design-build contract;
- (3) The design criteria package;
- (4) A description of the drawings, specifications or other information to be submitted with the proposal, with guidance as to the form and level of completeness of the drawings, specifications or other information that will be acceptable;

- (10) No request for proposal for a design build project issued by the division of design and construction shall include a project labor agreement, collective bargaining agreement, pre-hire agreement or any other agreement with employees, their representatives or any labor organization as a condition of bidding, negotiating, being awarded or performing work on a design build project. Any bidder, offeror, contractor, subcontractor or taxpayer shall have standing to challenge any bid specification, project agreement, grant or cooperative agreement which contains a project labor agreement, collective bargaining agreement, pre-hire agreement or similar agreement as being in violation of this section.

4. The director shall solicit proposals in a three-stage process. Phase I shall be the solicitation of qualifications of the design-build team. Phase II shall be the solicitation of a technical proposal including conceptual design for the project, and phase III shall be the proposal of the construction cost.

5. The evaluation team shall review the submittals of the proposers and assign points to each proposal in accordance with sections 8.1000 to 8.1027 and section 327.395, RSMo, and as set out in the instructions of the request for proposal.

8.1015. 1. Phase I shall require all proposers to submit a statement of qualifications which shall include, but not be limited to:

- (1) Demonstrated ability to perform projects comparable in design, scope and complexity;
- (2) References of owners for whom design-build projects have been performed;
- (3) Qualifications of personnel who will manage the design and construction aspects of the project;
- (4) The names and qualifications of the primary design consultants and contractors with whom the design-builder proposes to subcontract. The design-builder may not replace an identified subcontractor or subconsultant without the written approval of the director.

2. The evaluation team shall evaluate the qualifications of all proposers in accordance with the instructions of the request for proposal. Designers on the project shall be evaluated in accordance with the requirements of section 8.285 to 8.291. Qualified proposers selected by the evaluation team may proceed to phase II of the selection process. Proposers lacking the necessary qualifications to perform the work shall be disqualified and shall not proceed to phase II of the process. Under no circumstances shall price or fee be a part of the prequalification criteria. Points assigned in the phase I evaluation process shall not carry forward to phase II of the process. All qualified proposers shall be ranked on points given in phases II and III only.

3. The director shall have discretion to disqualify any proposer, which in the director's opinion lacks the minimal qualifications required to perform the work.

4. Once a sufficient number of qualified proposers have been selected, the proposers shall have a specified amount of time with which to assemble phase II and phase III proposals.

8.1018. Phase II of the process shall be conducted as follows:

- (1) The director shall invite the top five qualified proposers to participate in phase II of the process. If there are not five qualified proposers, then all qualified proposers will be invited to submit phase II. If three qualified proposers cannot be identified, the contracting process will cease;
- (2) Proposers must submit their design for the project, to the level of detail required in the request for proposal. The design proposal should demonstrate compliance with the requirements set out in the request for

proposal;

(3) The schedule for completing a project as designed by a proposer may be considered as an element of evaluation in phase II;

(4) Up to twenty percent of the points awarded to each proposer in phase II may be based on each proposers' qualifications and ability to design, construct and deliver the project on time and within budget;

(5) Under no circumstances should the design proposal contain any reference to the cost of the proposal;

(6) The design submittals will be evaluated and assigned points in accordance with the requirements of the request for proposal. Phase II shall account for no more than fifty percent of the total point score as specified in the request for proposal.

8.1021. Phase III shall be conducted as follows:

(1) The phase III proposal must provide a firm, fixed cost of construction. The proposal must be accompanied by bid security and any other required submittals, such as statements of minority participation as required by the request for proposal;

(2) Cost proposals must be submitted in accordance with the instructions of the request for proposal. Failure to submit a cost proposal on time shall be cause to reject the proposal. Phase III shall account for not less than fifty percent of the total point score as specified in the request for proposal;

(3) Proposals for phase II and phase III shall be submitted concurrently at the time and place specified in the request for proposal. The phase III cost proposals shall be opened only after the phase II design proposals have been evaluated and assigned points;

(4) Cost proposals will be opened and read aloud at the time and place specified in the request for proposal. At the same time and place, the evaluation team will make public its scoring of phase II. Cost proposals will be evaluated in accordance with the requirements of the request for proposal. In evaluating the cost proposals, the low bidder shall be awarded the total number of points assigned to be awarded in phase III. For all other bidders, cost points will be calculated by reducing the maximum points available in phase III by two percent or more for each percentage point of the low bid by which the bidder exceeds the low bid and the points assigned will be added to the points assigned for phase II for each proposer;

(5) The responsive proposer with the highest total number of points will be awarded the contract. If the director determines, however, that it is not in the best interest of the state to proceed with the project pursuant to the proposal offered by the proposer with the highest total number of points, the director shall reject all proposals. In such event, all qualified proposers with lower point totals shall receive a stipend pursuant to section 8.1024 and the proposer with the highest total number of points shall receive an amount equal to two times such stipend;

(6) If all proposals are rejected, the director may solicit new proposals using different design criteria, budget constraints or qualifications.

8.1024. As an inducement to qualified proposers, the division shall pay a reasonable stipend, the amount of which shall be established in the request for proposal, to each prequalified design-builder whose proposal is responsive but not accepted. Upon payment of the stipend to any unsuccessful design-build proposer, the state shall acquire a nonexclusive right to use the design submitted by the proposer, and the proposer shall have no further liability for its use by the state in any manner. If the design-build proposer desires to retain all rights and interest in the design proposed, the proposer shall forfeit the stipend.

8.1027. Any person or corporation that enters into a design-build contract with the division of design and construction does not violate the requirements of chapter 327, RSMo, so long as the architectural, engineering or land surveying services to be performed under the contract are performed by:

(1) Persons who are duly licensed in this state and who are employees of the design-build contractor which holds a certificate of authority from the board of registration; or

(2) Persons who are duly licensed in this state and who are under contract to the design-build contractor;

or

(3) Corporations that hold current certificates of authority from the board for the appropriate profession which are under contract to the design-build contractor.”; and

14. The commission shall comply with the provisions of any act of congress or any regulations of any federal administrative agency which provides and authorizes the use of federal funds for highway projects using the design-build process.

15. The commission shall promulgate administrative rules to implement this section or to secure federal funds. Such rules shall be published for comment in the Missouri Register and shall include prequalification criteria, the make-up of the prequalification review team, specifications for the design criteria package, the method of advertising, receiving and evaluating proposals from design-builders, the criteria for awarding the design-build highway project based on the design criteria package and a separate proposal stating the cost of construction, and other methods, procedures and criteria necessary to administer this section.

3. The amount of the tax credit claimed shall not exceed the amount of the taxpayer's state tax liability for the taxable year that the credit is claimed, and such taxpayer shall not be allowed to claim a tax credit in excess of fifty thousand dollars per taxable year. If an economic opportunity scholarship charity fails to use all, or some percentage to be determined by the director, of its apportioned tax credits during this predetermined period of time, the director may reapportion these unused tax credits to those economic opportunity scholarship charities that have used all, or some percentage to be determined by the director, of their apportioned tax credits during this predetermined period of time. The director may establish more than one period of time and reapportion more than once during each fiscal year. The election authority may require the voter who has a closed residential address record to verify that his or her residential address has not changed or to file a change of address and to affirm that the reasons contained in the original petition are still accurate prior to receiving a

ballot. A change of address within an election authority's jurisdiction shall not require that the voter file a new petition. Any voter who no longer qualifies pursuant to this subsection to have his or her residential address as a closed record shall notify the circuit court. Upon such notification, the circuit court shall void the order closing the residential address and so notify the election authority.

Representative Riback Wilson (25) offered an objection to **CCS SCS HCS HB 10**.

CONSTITUTIONAL OBJECTION

In the first regular session of the ninety-first general assembly of the state of Missouri.

OBJECTION

Comes now, Representative Vicky Riback Wilson, duly elected member of the Missouri House of Representatives from the twenty-fifth district, to present the following objection pursuant to article III, section 30, of the Missouri Constitution, to Conference Committee Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 10. This bill should not be signed and this objection shall be so noted in the Journal and shall be annexed to the bill for the Governor's consideration.

I believe that this legislation is constitutionally infirm for the following reasons:

1. Conference Committee Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 10 contains language which encourages groups receiving funds under Title X of the federal Public Health Services Act to ignore federal regulatory provisions that may be prohibited under state law unless the group is specifically directed to do so by the Secretary of the United States Department of Health and Human Services by written order

directed to the organization, the order is final and no longer subject to appeal, and the refusal to perform such services would result in the withholding of federal funds. It further states that federal statutory or regulatory provisions or guidelines of general application shall not constitute such written order.

2. Such language is unconstitutional as a violation of article IV, section 23 of the Missouri Constitution which provides that appropriation bills must distinctly specify the amount and purpose of the appropriation without reference to any other law to fix the amount or purpose. The language in Conference Committee Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 10 attempts to condition the appropriation on avoidance of federal laws, rules and actions. This is in clear violation of article IV, section 23 of the state constitution.

3. Such language is unconstitutional as a violation of article III, section 23 of the Missouri Constitution which provides that no bill shall contain more than one subject...except general appropriation bills which may express the various subjects and accounts for which moneys are appropriated. The language in Conference Committee Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 10 attempts to legislate a substitute provision in an appropriation bill going beyond the “embracing” of various subjects and accounts. The courts of Missouri have established a clear pattern of opposing any attempt by the legislature to include general legislation in an appropriation bill. (State ex rel. Gaines v. Canada, 113 S.W.2d 783; Davis v. Smith, 75 S.W.2d 828).

4. Such language is unconstitutional as a violation of article VI of the Constitution of the United States which provides that “this constitution, and the laws of the United States which shall be made pursuant thereof....shall be the supreme law of the land.” The Secretary of the United States Department of Health and Human Services has issued rules under authority of the laws of the United States to require groups receiving federal moneys under Title X of the federal Public Health Services Act to provide family planning services. The language in Conference Committee Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 10 would encourage and may require groups seeking to receive state funds under the appropriations contained therein to violate federal regulation as a condition for the receipt of such state moneys. This would have the effect of placing a state amendment in direct contravention of federal requirements and would have the effect of rendering laws made in pursuance of the Constitution of the United States not the “supreme law of the land” but only a weak suggestion which state legislators may ignore at will.

5. Conference Committee Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 10 is unconstitutional in that the unequal treatment accorded to groups complying with the federal regulation, the supreme law of the land, is a violation of the equal protection provisions of article I, section 2 of the Constitution of Missouri and of the fourteenth amendment of the United States Constitution.

6. Accordingly, I conclude that Conference Committee Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 10 is unconstitutional for the above-stated reasons and should not be signed.

Journal of the House

NINETY-FIRST GENERAL ASSEMBLY
of the
STATE OF MISSOURI
FIRST EXTRAORDINARY SESSION

FIRST DAY, WEDNESDAY, SEPTEMBER 5, 2001

Speaker Kreider in the Chair.

There was a moment of silent prayer.

The Pledge of Allegiance to the flag was recited.

MESSAGE FROM THE GOVERNOR

The following Proclamation was received from His Excellency, Governor Bob Holden.

PROCLAMATION

WHEREAS, Missouri's senior population is going to grow over the next nine years from 13.5 percent of our state population to over 20 percent; and

WHEREAS, American seniors over the age of 65 take an average of over nine different medications, and much of our growing senior population is struggling with the dilemma of how to afford the skyrocketing cost of these medications on limited and fixed incomes, often finding that they have to make the unthinkable choice between food and medicine; and

WHEREAS, the federal government has repeatedly failed to adequately address the problem of the rising costs of prescription drugs, and these costs are expected to more than double by the end of the decade; and

WHEREAS, Conference Committee Substitute for House Substitute for House Committee Substitute for Senate Substitute for Senate Committee Substitute for Senate Bill No. 14, passed by the General Assembly of the State of Missouri and signed into law in 1999, created an unexpectedly expensive prescription drug program that does not help those Missouri seniors who are least able to pay for needed medication; and

WHEREAS, in spite of my making prescription drug cost relief one of the major priorities of the first budget of my administration, no consensus was reached by the end of the last regular legislative session on what form a relief program would take, although the General Assembly did appropriate money to pay for the state cost of the first year of such a program; and

WHEREAS, I have appointed a special task force that is holding public hearings and reviewing the issue throughout the summer, and this special task force is charged with making recommendations to the members of the General Assembly for a fiscally-responsible prescription drug relief plan that helps the most needy Missouri seniors; and

WHEREAS, Missouri's Medicaid income eligibility and asset limits for the elderly are some of the lowest in the country, and raising these income guidelines, in conjunction with a new prescription drug relief program, will ensure that Missouri's lowest income seniors will have access to needed prescription drugs; and

WHEREAS, the United States Congress enacted the Economic Growth and Tax Reconciliation Relief Act of 2001 (P.L. 107-16) on June 7, 2001, and President George W. Bush thereafter signed into law P.L. 107-16; and

WHEREAS, Section 101(b)(1) of P.L. 107-16 was codified as Internal Revenue Code Section 6428, which contains provisions that will reduce the federal income tax paid by many individual taxpayers, including many Missouri residents, for the taxpayer's first taxable year beginning in 2001; and

WHEREAS, for many Missouri residents, the effect of this reduction in federal income tax liability will be a reduction in the federal income tax deduction provided by Section 143.171, RSMo, and an increase in the Missouri tax liability for the taxpayer's first taxable year beginning in 2001; and

WHEREAS, Missouri is one of only nine states that allows for a deduction for federal income tax paid, which reduces the tax liability for Missouri taxpayers, and this advantageous aspect of Missouri tax law will no longer operate to the benefit of Missouri taxpayers unless the General Assembly changes the tax law to respond to the passage of P.L. 107-16; and

WHEREAS, P.L. 107-16 was enacted after the time allowed by Article III, section 20(a) of the Constitution of the State of Missouri for the Ninety-First General Assembly to consider any bill to alleviate the increase in Missouri tax due to the enactment of P.L. 107-16; and

WHEREAS, the inability of the Ninety-First General Assembly to consider a bill to alleviate the increase in Missouri tax due to the enactment of P.L. 107-16 will keep some Missouri taxpayers from realizing the full benefit of federal tax relief, which was intended to put a sum of money directly back into the hands of the citizens of Missouri; and

WHEREAS, open access to and expansion of markets and market options is an essential element of agricultural enterprise; and

WHEREAS, in 1999, Conference Committee Substitute for House Substitute for Senate Bill No. 310 (hereinafter "SB 310") enacted provisions of law that may to some degree change the climate of business transactions between animal producers and processors; and

WHEREAS, in May of 2001, when court challenges to the law ceased and the price discrimination provisions of SB 310 became enforceable, animal processors limited purchases of Missouri fed animals to a grade and yield method, curtailing cash sale options for producers and causing severe economic hardship to Missouri's fed cattle and hog industries; and

WHEREAS, maintaining a strong and vital agricultural economy is critical to the long term health of our state, in both rural and urban areas; and

WHEREAS, the ability to negotiate price on a cash basis is an essential element of maintaining the stability of the market and profitability for both small and large producers; and

WHEREAS, all parties have been engaged in the development of specific compromise language that will reopen cash market options for Missouri producers; and

WHEREAS, Article IV, Section 9 of the Missouri Constitution authorizes the Governor on extraordinary occasions to convene the General Assembly by proclamation, wherein he shall state specifically each matter on which action is deemed necessary; and

WHEREAS, the failure to create a new, fiscally-responsible prescription drug program, the passage of P.L 107-16 and its subsequent, adverse effect on Missouri taxpayers, and the passage of SB 310 and its subsequent, adverse effect on Missouri's fed cattle and hog industries are extraordinary occasions as envisioned by Article IV, Section 9, of the Constitution of the State of Missouri.

NOW THEREFORE, on the extraordinary occasions that exists in the state of Missouri:

I, BOB HOLDEN, GOVERNOR OF THE STATE OF MISSOURI, pursuant to the authority vested in me as Governor by the Constitution of the State of Missouri, do, by this Proclamation, convene the Ninety-First General Assembly of the State of Missouri in the First Extra Session of the First Regular Session; and

I HEREBY call upon the Senators and Representatives of said General Assembly to meet in the State Capitol in the City of Jefferson at the hour of 12:00 p.m., Central Daylight Time, on September 5, 2001; and

I HEREBY state that the action of said General Assembly is deemed necessary concerning each matter specifically designated and limited hereinafter as follows:

1. To repeal Section 135.095, Section 208.010, and Section 208.151, RSMo, and to enact in lieu thereof a new section or new sections creating a prescription drug program for seniors, the state cost for the first year of which is funded by an appropriation made by the General Assembly of the State of Missouri during the first regular session of the Ninety-First General Assembly, and the state cost for all subsequent years of which is subject to appropriation pursuant to Article III, section 36, of the Constitution of the State of Missouri, and expanding Medicaid eligibility for seniors.
2. To amend Section 143.171.2, RSMo, to allow a deduction from Missouri taxable income for the credit against the individual's federal income allowed by Internal Revenue Code Section 6428, enacted as part of P.L. 107-16 on June 7, 2001, for the taxpayer's first taxable year beginning on or after January 1, 2001, but before January 1, 2002.
3. To amend Sections 277.200 to 277.212, RSMo, to offer protections to producers against unjust discrimination in pricing, unreasonable preferences in pricing, manipulating or controlling prices, monopoly control, and unlawful activities in pricing, with enforcement provisions, and to address private causes of legal action and treble damages for discrimination.
4. To allow the Senate to consider appointments to boards, commissions, departments, and divisions that require the advice and consent of the Senate.
5. Such additional and other matters as may be recommended by the Governor by special message to the General Assembly after it shall have convened.

IN WITNESS WHEREOF, I have hereunto set my hand and caused to be affixed the Great Seal of the State of Missouri, in the City of Jefferson, on this 24th day of August, 2001.

JOURNAL OF THE HOUSE

First Extraordinary Session, 91st GENERAL ASSEMBLY

FOURTH DAY, MONDAY, SEPTEMBER 10, 2001

Speaker Kreider in the Chair.

Prayer by Father David Buescher.

Dear God, the challenge of this special session needs divine perspective. We pray for that. We count on that. There are so many difficult decisions to be made and important votes to be cast in these few days. The list is long, the issues thorny. We now pause for this brief moment, and try to sense how near You really are. May we then enthusiastically go on to the tasks at hand, pregnant with Your compassionate wisdom, motivated by Your direction, and moved by Your strength. Amen.

The Pledge of Allegiance to the flag was recited.

The Journals of the first day and second day were approved as corrected, and the Journal of the third day was approved as printed.

Representative Crump suggested the absence of a quorum.

The Senate in a body was admitted to the House Chambers for the purpose of receiving a special address given by the Honorable Bob Holden, Governor of the State of Missouri.

The Governor was duly escorted by Representatives Foley and Lograsso to the House Chamber and the Speaker's dais, where he delivered the following message.

SPECIAL ADDRESS BY GOVERNOR BOB HOLDEN

Our nation today is numbed by the tragic events that are unfolding as terrorist forces have struck at the heart of our democracy. Like Americans everywhere, I am shocked and saddened by this senseless loss of human life and unbelievable destruction. While it may be some time before we know the extent of this tragedy, I am praying that death and injuries are at a minimum. My thoughts and prayers are with the people of New York City and Washington D.C.

I want to assure Missourians that our state government is on heightened alert and that all security resources at our command have been put in place to protect our citizens. I am in constant contact with our State Emergency Management Agency authorities who will keep me apprized of the situation and the actions we have taken. I have placed the Missouri National Guard, the Missouri State Highway Patrol, and the Capitol Police on alert to support any requests from local, state, or federal law enforcement agencies. Our Office of Administration is in constant contact with State Management Facilities authorities and our department directors to keep them apprized of the latest developments. All high traffic areas in our state are under federal alert. As a further precaution, additional security

officers have been placed on duty at all state office buildings, including St. Louis, Kansas City, Springfield, and Jefferson City. We also have restricted access to the State Capitol Building and other state buildings, including vehicular entrances.

For now, I ask our state employees to remain calm. I have been assured by all security officials that we have no reason to believe there are any potential threats to any state buildings. We have no plans to close down any state operations at this time.

This is certainly not the first nor will it be the last time our democracy comes under siege. But Americans are a strong and courageous people, and I am confident we will work through this crisis as we have so many others—united in support of each other and our resolve to see that democracy triumphs. I would call for a moment of silence for the victims and families of this tragedy. God bless America and Americans everywhere.

JOURNAL OF THE HOUSE

First Extraordinary Session, 91st GENERAL ASSEMBLY

SIXTH DAY, WEDNESDAY, SEPTEMBER 12, 2001

Speaker Kreider in the Chair.

Prayer by Reverend Rudy Beard.

O Lord, with countless children of Yours over the ages, we too are feeling a deep and aching righteous anger. Our prayers this day are for our countrymen and women who have faced terror, some of whom are fighting for life, some grieving, some striving to rescue those still in danger.

We give You thanks for the heroes and valiant ones, medical personnel, police and firefighters, who have given their best in the cause of life.

We join our prayers now, with others, for our President and those who lead our President and those who lead our nation and state. Bless Your servants in this House, and sustain them in the hope that Your Light will dispel all darkness and all evil.

O Lord, we pray that "Your kingdom come and Your will be done". To You be glory and honor, now and forever. Amen.

JOURNAL OF THE HOUSE

First Extraordinary Session, 91st GENERAL ASSEMBLY

SEVENTH DAY, THURSDAY, SEPTEMBER 13, 2001

Speaker Kreider in the Chair.

Prayer by Reverend Rudy Beard.

Teach us, Gracious God, to serve You as You deserve to be served. Keep these Your servants in this House, alert to the important things in our life and in our State: Your eternal truth, our families, working for the right and the just, helping those who need help.

Amid the noise, the hate and the hunger of our society, help these men and women hear the “still small voice” that You give to all who listen. Bless them and to You be glory and honor. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as an Honorary Page for the Day, to serve without compensation: Andrea Jean Baker.

Senate Substitute Amendment No. 1 for Senate Amendment No. 1

AMEND Senate Substitute for Senate Committee Substitute for House Substitute for House Committee Substitute for House Bill No. 3, Page 2, Section 135.095, Line 14 of said page, by inserting immediately after said line the following:

“208.151. 1. For the purpose of paying medical assistance on behalf of needy persons and to comply with Title XIX, Public Law 89-97, 1965 amendments to the federal Social Security Act (42 U.S.C. Section 301 et seq.) as amended, the following needy persons shall be eligible to receive medical assistance to the extent and in the manner hereinafter provided:

- (1) All recipients of state supplemental payments for the aged, blind and disabled;
- (2) All recipients of aid to families with dependent children benefits, including all persons under nineteen years of age who would be classified as dependent children except for the requirements of subdivision (1) of subsection 1 of

section 208.040;

(3) All recipients of blind pension benefits;

(4) All persons who would be determined to be eligible for old age assistance benefits, permanent and total disability benefits, or aid to the blind benefits under the eligibility standards in effect December 31, 1973, or less restrictive standards as established by rule of the division of family services, who are sixty-five years of age or over and are patients in state institutions for mental diseases or tuberculosis;

(5) All persons under the age of twenty-one years who would be eligible for aid to families with dependent children except for the requirements of subdivision (2) of subsection 1 of section 208.040, and who are residing in an intermediate care facility, or receiving active treatment as inpatients in psychiatric facilities or programs, as defined in 42 U.S.C. 1396d, as amended;

(6) All persons under the age of twenty-one years who would be eligible for aid to families with dependent children benefits except for the requirement of deprivation of parental support as provided for in subdivision (2) of subsection 1 of section 208.040;

(7) All persons eligible to receive nursing care benefits;

(8) All recipients of family foster home or nonprofit private child-care institution care, subsidized adoption benefits and parental school care wherein state funds are used as partial or full payment for such care;

(9) All persons who were recipients of old age assistance benefits, aid to the permanently and totally disabled, or aid to the blind benefits on December 31, 1973, and who continue to meet the eligibility requirements, except income, for these assistance categories, but who are no longer receiving such benefits because of the implementation of Title XVI of the federal Social Security Act, as amended;

(10) Pregnant women who meet the requirements for aid to families with dependent children, except for the existence of a dependent child in the home;

(11) Pregnant women who meet the requirements for aid to families with dependent children, except for the existence of a dependent child who is deprived of parental support as provided for in subdivision (2) of subsection 1 of section 208.040;

(12) Pregnant women or infants under one year of age, or both, whose family income does not exceed an income eligibility standard equal to one hundred eighty-five percent of the federal poverty level as established and amended by the federal Department of Health and Human Services, or its successor agency;

(13) Children who have attained one year of age but have not attained six years of age who are eligible for medical assistance under 6401 of P.L. 101-239 (Omnibus Budget Reconciliation Act of 1989). The division of family services shall use an income eligibility standard equal to one hundred thirty-three percent of the federal poverty level established by the Department of Health and Human Services, or its successor agency;

(14) Children who have attained six years of age but have not attained nineteen years of age. For children who have attained six years of age but have not attained nineteen years of age, the division of family services shall use an income assessment methodology which provides for eligibility when family income is equal to or less than equal to one hundred percent of the federal poverty level established by the Department of Health and Human Services, or its successor agency. As necessary to provide Medicaid coverage under this subdivision, the department of social services may revise the state Medicaid plan to extend coverage under 42 U.S.C. 1396a (a)(10)(A)(i)(III) to children who have attained six years of age but have not attained nineteen years of age as permitted by paragraph (2) of subsection (n) of 42 U.S.C. 1396d using a more liberal income assessment methodology as authorized by paragraph (2) of subsection (r) of 42 U.S.C. 1396a;

(15) The following children with family income which does not exceed two hundred percent of the federal poverty guideline for the applicable family size:

(a) Infants who have not attained one year of age with family income greater than one hundred eighty-five percent of the federal poverty guideline for the applicable family size;

(b) Children who have attained one year of age but have not attained six years of age with family income greater than one hundred thirty-three percent of the federal poverty guideline for the applicable family size; and

(c) Children who have attained six years of age but have not attained nineteen years of age with family income greater than one hundred percent of the federal poverty guideline for the applicable family size. Coverage under this subdivision shall be subject to the receipt of notification by the director of the department of social services and the revisor of statutes of approval from the secretary of the U.S. Department of Health and Human Services of applications for waivers of federal requirements necessary to promulgate regulations to implement this subdivision. The director of the department of social services shall apply for such waivers. The regulations may provide for a basic primary and preventive health care services package, not to include all medical services covered by section 208.152, and may also

establish co-payment, coinsurance, deductible, or premium requirements for medical assistance under this subdivision. Eligibility for medical assistance under this subdivision shall be available only to those infants and children who do not have or have not been eligible for employer-subsidized health care insurance coverage for the six months prior to application for medical assistance. Children are eligible for employer-subsidized coverage through either parent, including the noncustodial parent. The division of family services may establish a resource eligibility standard in assessing eligibility for persons under this subdivision. The division of medical services shall define the amount and scope of benefits which are available to individuals under this subdivision in accordance with the requirement of federal law and regulations. Coverage under this subdivision shall be subject to appropriation to provide services approved under the provisions of this subdivision;

(16) The division of family services shall not establish a resource eligibility standard in assessing eligibility for persons under subdivision (12), (13) or (14) of this subsection. The division of medical services shall define the amount and scope of benefits which are available to individuals eligible under each of the subdivisions (12), (13), and (14) of this subsection, in accordance with the requirements of federal law and regulations promulgated thereunder except that the scope of benefits shall include case management services;

(17) Notwithstanding any other provisions of law to the contrary, ambulatory prenatal care shall be made available to pregnant women during a period of presumptive eligibility pursuant to 42 U.S.C. Section 1396r-1, as amended;

(18) A child born to a woman eligible for and receiving medical assistance under this section on the date of the child's birth shall be deemed to have applied for medical assistance and to have been found eligible for such assistance under such plan on the date of such birth and to remain eligible for such assistance for a period of time determined in accordance with applicable federal and state law and regulations so long as the child is a member of the woman's household and either the woman remains eligible for such assistance or for children born on or after January 1, 1991, the woman would remain eligible for such assistance if she were still pregnant. Upon notification of such child's birth, the division of family services shall assign a medical assistance eligibility identification number to the child so that claims may be submitted and paid under such child's identification number;

(19) Pregnant women and children eligible for medical assistance pursuant to subdivision (12), (13) or (14) of this subsection shall not as a condition of eligibility for medical assistance benefits be required to apply for aid to families with dependent children. The division of family services shall utilize an application for eligibility for such persons which eliminates information requirements other than those necessary to apply for medical assistance. The division shall provide such application forms to applicants whose preliminary income information indicates that they are ineligible for aid to families with dependent children. Applicants for medical assistance benefits under subdivision (12), (13) or (14) shall be informed of the aid to families with dependent children program and that they are entitled to apply for such benefits. Any forms utilized by the division of family services for assessing eligibility under this chapter shall be as simple as practicable;

(20) Subject to appropriations necessary to recruit and train such staff, the division of family services shall provide one or more full-time, permanent case workers to process applications for medical assistance at the site of a health care provider, if the health care provider requests the placement of such case workers and reimburses the division for the expenses including but not limited to salaries, benefits, travel, training, telephone, supplies, and equipment, of such case workers. The division may provide a health care provider with a part-time or temporary case worker at the site of a health care provider if the health care provider requests the placement of such a case worker and reimburses the division for the expenses, including but not limited to the salary, benefits, travel, training, telephone, supplies, and equipment, of such a case worker. The division may seek to employ such case workers who are otherwise qualified for such positions and who are current or former welfare recipients. The division may consider training such current or former welfare recipients as case workers for this program;

(21) Pregnant women who are eligible for, have applied for and have received medical assistance under subdivision (2), (10), (11) or (12) of this subsection shall continue to be considered eligible for all pregnancy-related and postpartum medical assistance provided under section 208.152 until the end of the sixty-day period beginning on the last day of their pregnancy;

(22) Case management services for pregnant women and young children at risk shall be a covered service. To the greatest extent possible, and in compliance with federal law and regulations, the department of health and senior services shall provide case management services to pregnant women by contract or agreement with the department of social services through local health departments organized under the provisions of chapter 192, RSMo, or chapter 205, RSMo, or a city health department operated under a city charter or a combined city-county health department or other department of health and senior services designees. To the greatest extent possible the department of social services and

the department of health and senior services shall mutually coordinate all services for pregnant women and children with the crippled children's program, the prevention of mental retardation program and the prenatal care program administered by the department of health and senior services. The department of social services shall by regulation establish the methodology for reimbursement for case management services provided by the department of health and senior services. For purposes of this section, the term "case management" shall mean those activities of local public health personnel to identify prospective Medicaid-eligible high-risk mothers and enroll them in the state's Medicaid program, refer them to local physicians or local health departments who provide prenatal care under physician protocol and who participate in the Medicaid program for prenatal care and to ensure that said high-risk mothers receive support from all private and public programs for which they are eligible and shall not include involvement in any Medicaid prepaid, case-managed programs;

(23) By January 1, 1988, the department of social services and the department of health and senior services shall study all significant aspects of presumptive eligibility for pregnant women and submit a joint report on the subject, including projected costs and the time needed for implementation, to the general assembly. The department of social services, at the direction of the general assembly, may implement presumptive eligibility by regulation promulgated pursuant to chapter 207, RSMo;

(24) All recipients who would be eligible for aid to families with dependent children benefits except for the requirements of paragraph (d) of subdivision (1) of section 208.150;

(25) All persons who would be determined to be eligible for old age assistance benefits, permanent and total disability benefits, or aid to the blind benefits, under the eligibility standards in effect December 31, 1973[, or those supplemental security income recipients who would be determined eligible for general relief benefits under the eligibility standards in effect December 31, 1973, except income; or less restrictive standards as established by rule of the division of family services]; **except that, on or after July 1, 2002, less restrictive income methodologies, as authorized in 42 U.S.C. Section 1396a (r)(2), shall be used to raise the income limit to eighty percent of the federal poverty level and, as of July 1, 2003, less restrictive income methodologies, as authorized in 42 U.S.C. Section 1396a(r)92), shall be used to raise the income limit to ninety percent of the federal poverty level and, as of July 1, 2004, less restrictive income methodologies, as authorized in 42 U.S.C. Section 1396a(r)92), shall be used to raise the income limit to one hundred percent of the federal poverty level.** If federal law or regulation authorizes the division of family services to, by rule, exclude the income or resources of a parent or parents of a person under the age of eighteen and such exclusion of income or resources can be limited to such parent or parents, then notwithstanding the provisions of section 208.010:

(a) The division may by rule exclude such income or resources in determining such person's eligibility for permanent and total disability benefits; and

(b) Eligibility standards for permanent and total disability benefits shall not be limited by age;

(26) Within thirty days of the effective date of an initial appropriation authorizing medical assistance on behalf of "medically needy" individuals for whom federal reimbursement is available under 42 U.S.C. 1396a (a)(10)(c), the department of social services shall submit an amendment to the Medicaid state plan to provide medical assistance on behalf of, at a minimum, an individual described in subclause (I) or (II) of clause 42 U.S.C. 1396a (a)(10)(C)(ii);

(27) Persons who have been diagnosed with breast or cervical cancer and who are eligible for coverage pursuant to 42 U.S.C. 1396a (a)(10)(A)(ii)(XVIII). Such persons shall be eligible during a period of presumptive eligibility in accordance with 42 U.S.C. 1396r-1.

2. Rules and regulations to implement this section shall be promulgated in accordance with section 431.064, RSMo, and chapter 536, RSMo. [No rule or portion of a rule promulgated under the authority of this chapter shall become effective unless it has been promulgated pursuant to the provisions of section 536.024, RSMo.] **Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2002, shall be invalid and void.**

3. After December 31, 1973, and before April 1, 1990, any family eligible for assistance pursuant to 42 U.S.C. 601 et seq., as amended, in at least three of the last six months immediately preceding the month in which such family became ineligible for such assistance because of increased income from employment shall, while a member of such family is employed, remain eligible for medical assistance for four calendar months following the month in which such family would otherwise be determined to be ineligible for such assistance because of income and resource limitation.

After April 1, 1990, any family receiving aid pursuant to 42 U.S.C. 601 et seq., as amended, in at least three of the six months immediately preceding the month in which such family becomes ineligible for such aid, because of hours of employment or income from employment of the caretaker relative, shall remain eligible for medical assistance for six calendar months following the month of such ineligibility as long as such family includes a child as provided in 42 U.S.C. 1396r-6. Each family which has received such medical assistance during the entire six-month period described in this section and which meets reporting requirements and income tests established by the division and continues to include a child as provided in 42 U.S.C. 1396r-6 shall receive medical assistance without fee for an additional six months. The division of medical services may provide by rule the scope of medical assistance coverage to be granted to such families.

4. For purposes of section 1902(1), (10) of Title XIX of the federal Social Security Act, as amended, any individual who, for the month of August, 1972, was eligible for or was receiving aid or assistance pursuant to the provisions of Titles I, X, XIV, or Part A of Title IV of such act and who, for such month, was entitled to monthly insurance benefits under Title II of such act, shall be deemed to be eligible for such aid or assistance for such month thereafter prior to October, 1974, if such individual would have been eligible for such aid or assistance for such month had the increase in monthly insurance benefits under Title II of such act resulting from enactment of Public Law 92-336 amendments to the federal Social Security Act (42 U.S.C. 301 et seq.), as amended, not been applicable to such individual.

5. When any individual has been determined to be eligible for medical assistance, such medical assistance will be made available to him for care and services furnished in or after the third month before the month in which he made application for such assistance if such individual was, or upon application would have been, eligible for such assistance at the time such care and services were furnished; provided, further, that such medical expenses remain unpaid.

6. The department of social services may apply to the federal Department of Health and Human Services for a Medicaid waiver amendment to the section 1115 demonstration waiver or for any additional Medicaid waivers necessary and desirable to implement the increased resource limit, as authorized in subdivision (4) of subsection 2 of section 208.010 and to implement the increased income limit, as authorized in subdivision (25) of subsection 1 of section 208.151.”; and

Further amend the title and enacting clause accordingly.

JOURNAL OF THE HOUSE

First Extraordinary Session, 91st GENERAL ASSEMBLY

EIGHTH DAY, FRIDAY, SEPTEMBER 14, 2001

Speaker Kreider in the Chair.

Prayer by Reverend Rudy Beard.

O God, with flags lowered and heads bowed, we come before You. You are Holy beyond our telling. We know we must not trifle with You. Show us the poverty of our spirits and the leanness of our souls. Bring us to a place of deeper trust and faith in Your Eternal truth.

You are present to all whose hands are wounded and to all whose heart is broken. And now, again, we seek Your perfect blessing upon this, our nation, upon those who grieve, upon those who feel uncertain, upon those who must lead. The race is short, even at its longest, and we would run it well.

And now, on this DAY OF REMEMBRANCE, remind us, this House, its staff and all Americans, that You are Our help in ages past, our hope for years to come. To You be glory and honor. Amen.

The Pledge of Allegiance to the flag was recited.

The Journal of the seventh day was approved as printed.

SPECIAL MESSAGE

WHEREAS, by my Proclamation dated August 24, 2001, I convened the Ninety-First General Assembly of the State of Missouri in the First Extra Session of the First Regular Session; and

WHEREAS, some clarification of the scope of numeral 1 of the Proclamation dated August 24, 2001, may be helpful to the General Assembly.

JOURNAL OF THE HOUSE

VETO SESSION

First Regular Session, 91st GENERAL ASSEMBLY

FIRST DAY, WEDNESDAY, SEPTEMBER 12, 2001

Speaker Kreider in the Chair.

Prayer by Representative Betty Thompson.

I thank God for another day, one that you and I have never seen, but one that can make all of us a little better than the day before.

Our Father God, we ask that You bless this entire country at this dark hour, bless our families and our Governor as well as this state.

You promised that You would put no more on us than we can bare, and it will rain on the just as well as the unjust. So as we prepare for this veto session, we ask that we walk together as children and don't get weary, there is a great day coming in the Promised Land.

The Pledge of Allegiance to the flag was recited.

MESSAGES FROM THE GOVERNOR
OFFICE OF THE GOVERNOR
State of Missouri
Jefferson City, MO 65101

June 22, 2001

TO THE SECRETARY OF STATE OF THE STATE OF MISSOURI

Herewith I return to you **Conference Committee Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 2** entitled:

"AN ACT"

To appropriate money for the expenses, grants, refunds, and distributions of the State Board of Education and of the Department of Elementary and Secondary Education and the several divisions and programs thereof to be expended only as provided in Article IV, Section 28 of the Constitution of Missouri, and to transfer money among certain funds and for the investment in registered bonds of the State Public School Fund by the State Board of Education for the period beginning July 1, 2001 and ending June 30, 2002.

Section 2.116

I hereby veto \$50,000 general revenue for geography curriculum and teaching methods. A weak national economy is expected to depress revenue collections below original estimates for Fiscal Year 2002. A veto is necessary to help bring expenditures in line with available resources.

Said section is vetoed in its entirety by \$50,000 from \$50,000 to \$0 in total from General Revenue Fund.
From \$50,000 to \$0 in total for the section.

Section 2.160

I hereby veto \$400,000 general revenue for charter school sponsors. A weak national economy is expected to depress revenue collections below original estimates for Fiscal Year 2002. A veto is necessary to help bring expenditures in line with available resources.

For the public charter schools program by \$400,000 from \$580,000 to \$180,000 from General Revenue Fund.
From \$3,012,000 to \$2,612,000 in total for the section.

Section 2.201

I hereby veto \$500,000 general revenue for the Missouri Teacher Shortage Loan Program. A weak national economy is expected to depress revenue collections below original estimates for Fiscal Year 2002. A veto is necessary to help bring expenditures in line with available resources.

Said section is vetoed in its entirety by \$500,000 from \$500,000 to \$0 in total from General Revenue Fund.
From \$500,000 to \$0 in total for the section.

Section 2.310

I hereby veto \$150,000 general revenue for blind skills specialists. A weak national economy is expected to depress revenue collections below original estimates for Fiscal Year 2002. A veto is necessary to help bring expenditures in line with available resources. It may be possible to consider redirecting currently appropriated professional development funds in the Department of Elementary and Secondary Education to provide these services. Also, the Missouri School for the Blind will continue providing assistance to school districts and parents of children who are blind.

For a task force on blind student academic and vocational performance by \$150,000 from \$245,000 to \$95,000 from General Revenue Fund.
From \$245,000 to \$95,000 in total for the section.

On June 22, 2001, I approved said **Conference Committee Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 2**, except for those items specifically vetoed and not approved.

Governor

June 22, 2001

TO THE SECRETARY OF STATE OF THE STATE OF MISSOURI

Herewith I return to you **Conference Committee Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 3** entitled:

"AN ACT"

To appropriate money for the expenses, grants, refunds, and distributions of the Department of Higher Education and the several divisions, programs, and institutions of higher education included therein to be expended only as provided in Article IV, Section 28 of the Constitution of Missouri, and to transfer money among certain funds for the period beginning July 1, 2001 and ending June 30, 2002.

Section 3.145

I hereby veto \$1,049,968 general revenue for inflationary adjustments for community colleges. Inflationary adjustments for public higher education institutions were provided from moneys available on a one-time basis. The uncertainty of revenues for Fiscal Year 2003 argues against use of this fund source for an ongoing item. A weak national economy is expected to depress revenue collections below original estimates for Fiscal Year 2002. A veto is necessary to help bring expenditures in line with available resources.

For distribution to community colleges by \$1,049,968 from \$99,806,594 to \$98,756,626 General Revenue Fund. From \$153,211,727 to \$152,161,759 in total for the section.

Section 3.155

I hereby veto \$22,532 general revenue for inflationary adjustments for Linn State Technical College. Inflationary adjustments for public higher education institutions were provided from moneys available on a one-time basis. The uncertainty of revenues for Fiscal Year 2003 argues against use of this fund source for an ongoing item. A weak national economy is expected to depress revenue collections below original estimates for Fiscal Year 2002. A veto is necessary to help bring expenditures in line with available resources.

All expenditures by \$22,532 from \$5,233,060 to \$5,210,528 General Revenue Fund. From \$5,263,060 to \$5,240,528 in total for the section.

Section 3.160

I hereby veto \$182,547 general revenue for inflationary adjustments for Central Missouri State University. Inflationary adjustments for public higher education institutions were provided from moneys available on a one-time basis. The uncertainty of revenues for Fiscal Year 2003 argues against use of this fund source for an ongoing item. A weak national economy is expected to depress revenue collections below original estimates for Fiscal Year 2002. A veto is necessary to help bring expenditures in line with available resources.

Also, I hereby veto \$75,000 general revenue for the motorcycle safety program at Central Missouri State University. This program was originally cut from the Department of Public Safety budget. A portion of the funding has been restored in the Central Missouri State University budget. A weak national economy is expected to depress revenue collections below original estimates for Fiscal Year 2002. A veto is necessary to help bring expenditures in line with available resources.

All expenditures by \$257,547 from \$56,188,016 to \$55,930,469 General Revenue Fund.
From \$62,107,768 to \$61,850,221 in total for the section.

Section 3.165

I hereby veto \$138,011 general revenue for inflationary adjustments for Southeast Missouri State University. Inflationary adjustments for public higher education institutions were provided from moneys available on a one-time basis. The uncertainty of revenues for Fiscal Year 2003 argues against use of this fund source for an ongoing item. A weak national economy is expected to depress revenue collections below original estimates for Fiscal Year 2002. A veto is necessary to help bring expenditures in line with available resources.

Also, I hereby veto \$119,000 general revenue for wildlife specialists at Southeast Missouri State University. The Governor will recommend a supplemental in Fiscal Year 2002 for this same amount for Legal Aid Grants from the Tort Victims' Compensation Fund. There are sufficient funds in the Tort Victims' Compensation Fund to cover these grants. A weak national economy is expected to depress revenue collections below original estimates for Fiscal Year 2002. A veto is necessary to help bring expenditures in line with available resources.

Section 11.220

I hereby veto \$3,688,800 general revenue for the STARS Foster Care Program to “grandfather” those currently not receiving a STARS payment into the program without requiring them to take the mandatory training. Section 11.250

I hereby veto \$1,000,000 general revenue for domestic violence prevention programs that cannot be spent due to a statutory problem. From \$6,147,534 to \$5,147,534 in total for the section.

Section 11.310

I hereby veto \$644,000 general revenue for the Juvenile Court Diversion Program. This item was originally part of the Department of Social Service’s Fiscal Year 2002 core reduction plan. Given the large general revenue increase in juvenile courts in recent years a local match is appropriate. A weak national economy is expected to depress revenue collections below original estimates for Fiscal Year 2002. A veto is necessary to help bring expenditures in line with available resources.

For the purpose of funding incentive payments to counties for community-based treatment programs for youth.
By \$644,000 from \$6,440,000 to \$5,796,000 from General Revenue Fund.
From \$6,940,000 to \$6,296,000 for the section.

Section 11.400

I hereby veto \$300,000 for health care outreach, including \$150,000 general revenue. A weak national economy is expected to depress revenue collections below original estimates for Fiscal Year 2002. A veto is necessary to help bring expenditures in line with available resources.

Also, I hereby veto \$120,000 to expand the pager pilot program, including \$60,000 general revenue. Similar utilization management approaches to increase medication compliance of Medicaid recipients will be done through the Pharmacy Enhancement Program (PEP) that was recommended this year. A weak national economy is expected to depress revenue collections below original estimates for Fiscal Year 2002. A veto is necessary to help bring expenditures in line with available resources.

Expense and Equipment by \$60,000 from \$5,322,677 to \$5,262,677 from General Revenue Fund.
From \$9,524,922 to \$9,464,922 in total from General Revenue Fund.

Expense and Equipment by \$60,000 from \$11,632,805 to \$11,572,805 from Federal Funds.

By \$150,000 from \$650,000 to \$500,000 from Federal Funds.

From \$31,027,670 to \$30,607,670 in total for the section.

Section 11.420

I hereby veto \$625,000 to increase payments to the western region for pharmacy services, including \$250,000 general revenue. All managed care plans participating in the Medicaid program will receive trend factor increases for medical services and for increased pharmacy costs in Fiscal Year 2002. In February 2002, the western region will re-bid and a pharmacy inflation factor will be included in the capitation rates. Therefore, these additional funds would be duplicative in nature. A weak national economy is expected to depress revenue collections below original estimates for Fiscal Year 2002. A veto is necessary to help bring expenditures in line with available resources.

For pharmacy rate adjustments for managed care plans in the western region. Such adjustments shall occur only until new rates are established by re-bid in 2002.

By \$250,000 from \$250,000 to \$0 from General Revenue Fund.
By \$375,000 from \$375,000 to \$0 from Federal Funds.
From \$744,707,368 to \$744,082,368 in total for the section.

Section 11.425

I hereby veto \$75,000 to provide reimbursement for provisionally licensed psychologists, including \$35,000 general revenue. The Division of Medical Services has estimated the annual costs for these services to be \$1.2 million; however, the General Assembly only provided a fraction of the estimated costs for these services. Due to the fiscal constraints of the state, no additional provider groups should be added to the Medicaid program at this time. A weak national economy is expected to depress revenue collections below original estimates for Fiscal Year 2002. A veto is necessary to help bring expenditures in line with available resources.

By \$35,000 from \$87,019,593 to \$86,984,593 from General Revenue Fund.
By \$40,000 from \$147,217,880 to \$147,177,880 from Federal Funds.
From \$235,485,017 to \$235,10,017 in total for the section.

Section 11.430

I hereby veto \$2,241,607 to increase dental rates in the Medicaid program, including \$873,106 general revenue. This will still provide sufficient funding to bring the dental rates up to 57 percent of the usual, customary and reasonable (UCR) rates. A weak national economy is expected to depress revenue collections below original estimates for Fiscal Year 2002. A veto is necessary to help bring expenditures in line with available resources.

In addition, I hereby veto \$200,000 other funds for rural dental services. The state should continue to focus its limited resources on increasing the overall reimbursement structure to dentists that provide services to Medicaid recipients rather than funding additional untested pilot programs. A weak national economy is expected to depress revenue collections below original estimates for Fiscal Year 2002. A veto is necessary to help bring expenditures in line with available resources.

By \$873,106 from \$8,012,017 to \$7,138,911 from General Revenue Fund.
By \$1,368,501 from \$12,695,615 to \$11,327,114 from Federal Funds.

For the purpose of funding dental services to Missouri rural counties through the University of Missouri Dental School.
By \$200,000 from \$200,000 to \$0 from Intergovernmental Transfer Funds.
From \$20,978,794 to \$18,537,187 in total for the section.

Section 11.440

I hereby veto \$6,345,758 for increasing in-home services rates, including \$2,471,673 general revenue. There will still be funds to provide a \$.25 rate increase per hour to in-home service providers. A weak national economy is expected to depress revenue collections below original estimates for Fiscal Year 2002. A veto is necessary to help bring expenditures in line with available resources.

By \$2,471,673 from \$92,561,381 to \$90,089,708 from General Revenue Fund.
By \$3,874,085 from \$159,678,247 to \$155,804,162 from Federal Funds.

I hereby veto \$166,383 for increasing nursing home rates to \$80 per bed day, including \$64,806 general revenue. All Medicaid certified nursing facilities reimbursed less than \$85 per bed day will receive an add-on payment in Fiscal Year 2002 through the appropriations provided in Section 11.445. Therefore, these funds are duplicative in nature. A weak national economy is expected to depress revenue collections below original estimates for Fiscal Year 2002. A veto is necessary to help bring expenditures in line with available resources.

By \$64,806 from \$135,493,028 to \$135,428,222 from General Revenue Fund.
By \$101,577 from \$269,376,788 to \$269,275,211 from Federal Funds.
From \$706,215,013 to \$699,702,872 in total for the section.

Section 11.442

I hereby veto \$500,000 federal and other funds for telephone assurance pilot projects. Some area Agencies on Aging are providing the service; therefore, this funding is duplicative in nature. A weak national economy is expected to depress revenue collections below original estimates for Fiscal Year 2002. A veto is necessary to help bring expenditures in line with available resources.

Said section is vetoed in its entirety by \$200,000 from \$200,000 to \$0 from Intergovernmental Transfer Fund.
By \$300,000 from \$300,000 to \$0 from Federal Funds.
From \$500,000 to \$0 in total for the section.

Section 11.455

I hereby veto \$1,828,341 to increase dental rates in the Medicaid program, including \$712,139 general revenue. There will be funds appropriated to bring the dental rates up to 57 percent of the usual, customary and reasonable (UCR) rates. A weak national economy is expected to depress revenue collections below original estimates for Fiscal Year 2002. A veto is necessary to help bring expenditures in line with available resources.

By \$712,139 from \$97,611,348 to \$96,899,209 from General Revenue Fund.
By \$1,116,202 from \$296,747,226 to \$295,631,024 from Federal funds.
From \$488,088,963 to \$486,260,622 in total for the section.

Section 11.462

I hereby veto \$2,500,000 general revenue for FQHC's to expand dental services. The FQHC's were appropriated \$5 million in additional funds in the Healthy Families Budget to expand both dental and physician services to the uninsured. A weak national economy is expected to depress revenue collections below original estimates for Fiscal Year 2002. A veto is necessary to help bring expenditures in line with available resources.

Said section is vetoed in its entirety by \$2,500,000 from \$2,500,000 to \$0 from General Revenue Fund.

Section 11.472

I hereby veto \$72,902 to provide reimbursement for provisionally licensed psychologists, including \$19,873 general revenue. The Division of Medical Services has estimated the annual costs for these services to be \$1.2 million; however, the General Assembly only provided a fraction of the estimated costs for these services. Due to the Fiscal constraints of the state, no additional provider groups should be added to the Medicaid program at this time. A weak national economy is expected to depress revenue collections below original estimates for Fiscal Year 2002. A veto is necessary to help bring expenditures in line with available resources.

In addition, I hereby veto \$396,524 to increase dental rates in the Medicaid program, including \$81,448 general revenue. This will still provide sufficient funding to bring the dental rates up to 57 percent of the usual, customary and reasonable (UCR) rates. A weak national economy is expected to depress revenue collections below original estimates for Fiscal Year 2002. A veto is necessary to help bring expenditures in line with available resources.

By \$101,321 from \$13,779,806 to \$13,678,485 from General Revenue Fund.
By \$368,105 from \$76,595,626 to \$76,227,521 from Federal Funds.
From \$106,175,755 to \$105,706,329 in total for the section.

Section 11.515

I hereby veto \$230,157 general revenue for increasing in-home services rates. There will still be funds to provide a \$.25 rate increase per hour to in-home service providers. A weak national economy is expected to depress revenue collections below original estimates for Fiscal Year 2002. A veto is necessary to help bring expenditures in line with available resources.

By \$230,157 from \$29,558,715 to \$29,328,558 from General Revenue.
From \$29,912,152 to \$29,681,995 in total for the section.

Section 11.610

I hereby veto \$200,000 other funds to contract for quality monitoring and training inspection staff. These were one-time funds and inappropriate for ongoing staff. The Division of Aging has indicated this is a core function that they will perform with existing staff. A weak national economy is expected to depress revenue collections below original estimates for Fiscal Year 2002. A veto is necessary to help bring expenditures in line with available resources.

Expenses and Equipment by \$200,000 from \$207,995 to \$7,995 from Intergovernmental Transfer Fund.
From \$16,639,950 to \$16,439,950 in total for the section.

Section 11.615

I hereby veto \$339,470 general revenue for increasing in-home services rates. There will still be funds to provide a \$.25 rate increase per hour to in-home service providers. A weak national economy is expected to depress revenue collections below original estimates for Fiscal Year 2002. A veto is necessary to help bring expenditures in line with available resources.

By \$339,470 from \$17,911,729 to \$17,572,259 from General Revenue Fund.

TO THE SECRETARY OF STATE OF THE STATE OF MISSOURI

Herewith I return to you **Conference Committee Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 19** entitled:

“AN ACT”

To appropriate money for planning, expenses, and for capital improvements including but not limited to major additions and renovations, new structures, and land improvements or acquisitions, and to transfer money among certain funds.

Section 19.086

I hereby veto \$818,171 general revenue for a lease purchase at the Northwest Missouri Psychiatric Hospital. A study is currently underway to determine the need for additional psychiatric care beds. Additional state funding should not be considered until the study is complete. A weak national economy is expected to depress revenue collections below original estimates for Fiscal Year 2002. A veto is necessary to help bring expenditures in line with available resources.

Said section is vetoed in its entirety by \$818,171 from \$818,171 to \$0 in total from General Revenue Fund.
From \$818,171 to \$0 in total for the section.

Section 19.087

I hereby veto \$300,000 general revenue for renovation of the Nevada Regional Medical Center. A study is currently underway to determine the need for additional psychiatric care beds. Additional state funding should not be considered until the study is complete. A weak national economy is expected to depress revenue collections below original estimates for Fiscal Year 2002. A veto is necessary to help bring expenditures in line with available resources.

Said section is vetoed in its entirety by \$300,000 from \$300,000 to \$0 in total from General Revenue Fund.
From \$300,000 to \$0 in total for the section.

Section 19.090

I hereby veto \$200,000 for the appropriated transfer of funds from the general revenue reimbursements fund to general

revenue. Funding was eliminated for a specific project and the appropriated transfer from the general revenue reimbursements fund should be decreased accordingly. A weak national economy is expected to depress revenue collections below original estimates for Fiscal Year 2002. A veto is necessary to help bring expenditures in line with available resources.

By \$200,000 from \$4,108,597 to \$3,908,597 in total from General Revenue Reimbursements Fund.
From \$4,108,597 to \$3,908,597 in total for the section.

July 11, 2001

TO THE SECRETARY OF STATE OF THE STATE OF MISSOURI

Herewith I return to you **Senate Substitute for Senate Committee Substitute for House Bill No. 185** entitled:

“AN ACT”

To repeal sections 64.170, 64.180, and 64.342, RSMo 2000, relating to building codes in certain counties, and to enact in lieu thereof six new sections relating to the same subject.

I disapprove of Senate Substitute for Senate Committee Substitute for House Bill No. 185. My reasons for disapproval are as follows:

This bill contains language that is identical to language found in House Committee Substitute for Senate Bill No. 86, hereinafter referred to as Senate Bill No. 86. Both bills are meant to allow residents of certain areas of the state to protect themselves by adopting local building codes that regulate construction, electrical wiring, plumbing, and other crucial aspects of buildings. My administration has supported this safety measure, as evinced by the signing of Senate Bill No. 86 on July 6, 2001.

Senate Substitute for Senate Committee Substitute for House Bill No. 185 contains one provision that Senate Bill No. 86 lacks, however. This section exempts any device, other than a device located in a public building, that is not used by the general public from state law that concerns elevator safety and inspection. Eliminating safety requirements as they relate to elevators, which are used so often by so many Missouri citizens, is detrimental to the public health and welfare of the citizens of this state.

For all of the above stated reasons for disapproval, I am returning Senate Substitute for Senate Committee Substitute for House Bill No. 185 without my approval.

Respectfully submitted,

/s/ Bob Holden
Governor

July 1, 2001

TO THE SECRETARY OF STATE OF THE STATE OF MISSOURI

Herewith I return to you **House Bill No. 725** entitled:

“AN ACT”

To repeal section 165.011, RSMo 2000, relating to transfers of funds in certain school districts, and to enact in lieu thereof one new section relating to the same subject.

I disapprove of House Bill No. 725. My reasons for disapproval are as follows.

The language of this bill conflicts with language found in House Committee Substitute for Senate Bill No. 543, hereinafter referred to as Senate Bill No. 543, which was also approved by the General Assembly during the 2001 session and signed into law on June 27, 2001. Both bills authorize a transfer of operating funds to the capital projects fund under certain circumstances. In addition, Senate Bill No. 543 contains a sunset provision meant to effectuate the intent of the bill, which was to authorize a *one-time* transfer of funds for the Campbell R-II School District. House Bill No. 725, because it does not contain a sunset provision, legislates more broadly than is necessary, especially considering that the nearly-identical Senate Bill No. 543 has obtained my approval.

For all of the above stated reasons for disapproval, I am returning **House Bill No. 725** without my approval.

Respectfully submitted,

/s/ Bob Holden

TO THE SECRETARY OF STATE OF THE STATE OF MISSOURI

Herewith I return to you **House Bill No. 909** entitled:

“AN ACT”

To authorize the exchange of property interest owned by the department of natural resources and the

City of Lexington.

I disapprove of House Bill No. 909. My reasons for disapproval are as follows:

This bill contains an incorrect legal description of the property to be conveyed. The correct legal description is included in Senate Bill No. 568, which was also approved by the General Assembly during the 2001 session and which was signed into law on July 10, 2001.

For all of the above stated reasons for disapproval, I am returning **House Bill No. 909** without my approval.

Respectfully submitted,
